**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

(e). In connection with our corporate office restructuring, in December 2012, the Board of Directors (the "Board") of Loral Space & Communications Inc. ("Loral" or the "Company") approved termination of the Company's Supplemental Executive Retirement Plan (the "SERP"). On January 16, 2014, the Board approved make-whole payments to employees (the "SERP Make-Whole Payments"), including Loral's named executive officers, who would have earned SERP benefits after termination of the SERP had the SERP not been terminated. Specifically, at the end of each year, commencing with 2014, each employee who would have qualified for a SERP accrual for that year will receive a cash payment equal to such employee's annual accrued benefit at age 65 that would have been calculated for that year under the SERP (had it not been terminated) multiplied by a present value factor reflecting the employee's life expectancy and current age and the Company's discount rate under SFAS 87 at the beginning of the year. The SERP Make-Whole Payment will be paid at the end of the year the benefit is earned or upon termination of employment if earlier. In addition, with respect to the year ended December 31, 2013, Avi Katz and John Capogrossi will receive SERP Make-Whole Payments of \$65,497 and \$49,392, respectively, with respect to 2013 base salary and management incentive bonuses not included in the calculation of the SERP benefit payment previously paid in 2013.
