## **Eni successfully launched fixed rate Bond**

*Rome, June 22, 2010* - Eni successfully launched today a fixed rate bond issue for a notional amount of Euro 1 billion. The transaction was placed in the international Eurobond market. The bond has a 10 year maturity and pays a fixed annual coupon of 4%. The re-offer price is 99.830%.

The bond will be listed on the Luxembourg Stock Exchange. The transaction has been extremely successful both in Italy and abroad, in a market still characterized by high volatility.

Interest by a significant number of high quality institutional investors such as Fund Management firms and Insurances was mainly due to Eni's credit profile and its excellent reputation.

The notes were bought by institutional investors mainly in Italy, France, Germany, UK and Netherlands. Banca IMI, Barclays Capital, BNP Paribas, ING and UniCredit Group had the role of Joint Bookrunners for the transaction.
