CHANGE IN CONTROL

Siebert Financial has entered into an acquisition agreement (the "Acquisition Agreement"), dated as of September 1, 2016, with Kennedy Cabot Acquisition, LLC ("Kennedy Cabot Acquisition"), and the Estate of Muriel F. Siebert (the "Siebert Estate"), pursuant to which, among other things:

§ the Siebert Estate, which currently owns beneficially and of record approximately 87.4% of Siebert Financial's outstanding common stock, will sell all such common stock to Kennedy Cabot Acquisition for an aggregate purchase price of \$12,650,000, or approximately \$0.66 per share;

§ Kennedy Cabot Acquisition will make a tender offer (the "Offer") for all of Siebert Financial's outstanding common stock not owned by the Siebert Estate at an offer price per share of \$1.20 (the "Offer Price").

The consummation of the Offer is conditioned on, among other conditions (i) approval of the transaction by the Financial Industry Regulatory Authority, and (ii) the tender and non-withdrawal in the Offer by the Muriel F. Siebert Foundation (the "Siebert Foundation") of all Siebert Financial common stock it owns, which represents approximately 2.6% of Siebert Financial's outstanding common stock. The closing of the Offer is a condition to the closing of the sale by the Siebert Estate of all of its Shares to Kennedy Cabot Acquisition, which sale shall close immediately following

the closing of the Offer. The transactions are expected to close during the fourth quarter of 2016.

The purchase price that Kennedy Cabot Acquisition will actually pay to the Siebert Estate is subject to adjustment for fluctuations in Siebert Financial's working capital and reduction for Siebert Financial's transaction expenses. In addition, \$1,000,000 of the purchase price payable to the Siebert Estate by Kennedy Cabot Acquisition will be held in escrow for one year after the closing and will be used to fund the Siebert Estate's indemnification obligations to Kennedy Cabot Acquisition under the Acquisition Agreement. The Offer Price payable to the shareholders other than the Siebert Estate (the "Minority Shareholders") is not subject to adjustment, reduction or escrow.

In accordance with the Acquisition Agreement, Siebert Financial has declared a dividend of \$0.20 per share payable to all shareholders of record as of October 13, 2016 (including the Siebert Estate and the Siebert Foundation) to be paid on October 24, 2016. Upon payment of the dividend, the aggregate purchase price payable to the Siebert Estate at closing by Kennedy Cabot Acquisition pursuant to the Acquisition Agreement will be reduced by \$3,600,378 to \$9,049,622, or approximately \$0.47 per share. The Offer Price payable to the Minority Shareholders will not be reduced in connection with the payment of such dividend. As a result, the Minority Shareholders who hold Siebert Financial common stock as of the record date for the pre-closing dividend and who tender their shares in the Offer would receive \$1.40 per share comprised of \$0.20 per share from the pre-closing dividend and \$1.20 per share from the Offer.

Immediately prior to the closing of the transactions, the Siebert Estate will purchase Siebert Financial's rights to receive deferred purchase price payments of \$2,507,265 in connection with the Company's disposition of its capital markets business in 2014 and the \$4,000,000 secured junior subordinated promissory note issued to Siebert Financial in connection with the disposition of its minority interest in a former affiliate in 2015 (together, the "Transferred Receivable and Note"). The aggregate purchase price payable by the Siebert Estate for the Transferred Receivable and Note will be \$610,262, representing 10% of the projected value of these assets as of the projected date of closing (which percentage corresponds to the percentage of Siebert Financial's outstanding common stock owned by the Minority Shareholders). The Offer Price includes approximately \$0.22 per share, or \$610,262 in the aggregate, which is intended to provide the Minority Shareholders with their proportional share of the payment by the Siebert Estate for the Transferred Receivable and Note.

Assuming that the Siebert Estate is able to collect all amounts due from the Transferred Receivable and Note, the Siebert Estate will receive aggregate proceeds of \$8,466,648 in increments through March 2021. These proceeds include (a) \$4,000,000 of principal and \$1,959,383 of accrued interest payable on the junior subordinated promissory note at maturity on November 9, 2020, and (b) \$2,507,265 payable on the deferred purchase price receivable in annual installments, subject to payment in full no later than March 1, 2021.

The Acquisition Agreement does not provide for a merger of Siebert Financial with or into Kennedy Cabot Acquisition after completion of the closing of the transaction, thereby providing the Minority Shareholders with the choice of monetizing their investments in Siebert Financial or remaining shareholders of Siebert Financial after closing of the transaction.

In accordance with the Acquisition Agreement, the current members of the Company's Board of Directors will resign from their positions as Company directors and will be replaced by designees of Kennedy Cabot Acquisition effective as of the closing of the transactions contemplated by the Acquisition Agreement (the "Closing").

TRANSACTIONS WITH RELATED PERSONS

As set forth in our Amended and Restated Audit Committee Charter, the Audit Committee is responsible for reviewing and approving all related party transactions.

Our Code of Ethics for Senior Financial Officers, applicable to our chief executive officer, chief financial officer, controller, treasurer, principal accounting officer and other employees performing similar functions, provides that our Senior Financial Officers should endeavor to avoid any actual or potential conflict of interest between their personal and professional relationships and requires them to promptly report and disclose all material facts relating to any such relationships or financial interests which give rise, directly or indirectly, to an actual or potential conflict of interest to the Audit Committee. The Code of Ethics also provides that no Senior Financial Officer should knowingly become involved in any actual or potential conflict of interest without the relationship or financial interest having been approved by the Audit Committee. Our Code of Ethics does not specify the standards that the Audit Committee would apply to a request for a waiver of this policy.

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who beneficially own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission. These executive officers, directors and shareholders are required by the Securities and Exchange Commission to furnish us with copies of all forms they file pursuant to Section 16(a).

CORPORATE GOVERNANCE

Board Meetings

The Board of Directors held 12 regular meetings during 2015. Each incumbent director attended at least 75% of his or her Board of Directors meetings and all of his or her committee meetings.

Controlled Company

We are a “Controlled Company” as defined in Rule 5615(c)(1) of The Nasdaq Stock Market because the Estate of Muriel F. Siebert, our former Chairwoman, President and Chief Executive Officer, holds more than 50% of our voting power for the election of directors. As a “Controlled Company” we are not required to have a majority of our Board of Directors comprised of independent directors, a compensation committee comprised solely of independent directors or a nominating committee comprised solely of independent directors.

Audit Committee of the Board of Directors

The Audit Committee of our Board of Directors currently consists of Ms. Francy, Chairwoman, Ms. Hearn and Mr. Mazzarella. The Board of Directors has determined that Ms. Francy, Ms. Hearn and Mr. Mazzarella is each an “independent director” within the meaning of Rule 5605(a)(2) of The Nasdaq Stock Market and within the meaning of the applicable rules and regulations of the Securities and Exchange Commission. The Audit Committee held six meetings during 2015. The Board of Directors has determined that Mr. Mazzarella qualifies as an “audit committee financial expert” under the applicable rules of the Securities and Exchange Commission.

The Audit Committee was established to (i) assist the Board of Directors in its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements and our auditor's qualifications and independence, (ii) prepare the report of the Audit Committee contained herein, (iii) retain, consider the continued retention and terminate our independent auditors, (iv) approve audit and non-audit services performed by our independent auditors and (v) perform any other functions from time to time delegated by the Board of Directors. The Board of Directors has adopted a written charter for the Audit Committee, which is available on the website of Muriel Siebert & Co., Inc. at <https://www.siebertnet.com/html/StartAboutAuditCommittee.aspx>.

Compensation Committee of the Board of Directors

The Compensation Committee of our Board of Directors currently consists of Ms. Macon, Chairwoman, Ms. Francy and Mr. Mazzarella. The Compensation Committee reviews and determines all forms of compensation provided to our executive officers and directors. The Compensation Committee also administers our stock option and other employee benefit plans. The Compensation Committee does not function pursuant to a formal written charter and as a "Controlled Company" we are not required to comply with The Nasdaq Stock Market's independence requirements. The Compensation Committee held no meetings during 2015.

The Compensation Committee evaluates the performance of the Chief Executive Officer in terms of our operating results and financial performance and determines her compensation in connection therewith. For the 2015 fiscal year, the Company did have a Chief Financial Officer and Chief Operating Officer who acted as our principal executive officer.

In accordance with general practice in the securities industry, our executive compensation includes base salaries, an annual discretionary cash bonus, and stock options and other equity incentives that are intended to align the financial interests of our executives with the returns to our shareholders. The Compensation Committee determines compensation of our executive officers (other than the Chief Executive Officer) after carefully reviewing self-evaluations completed by the executive officers, each executive officer's business responsibilities, current compensation, the recommendation of our Chief Executive Officer and our financial performance. We did not change the 2015 base salaries of any of our executive officer from the levels in effect at the end of 2014. After evaluating our financial performance in 2015, our Compensation Committee did award our executive officer a 100,000 bonus for 2015. In addition, we did not award any stock options or other equity incentives to our executive officer in 2015.

As part of its oversight of the Company's executive compensation, the Compensation Committee considers the impact of the Company's executive compensation, and the incentives created by the compensation awards that it administers, on the Company's risk profile. In addition, the Company reviews all of its compensation policies and procedures, including the incentives that they create and factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to the Company. The review found that there were no excessive risks encouraged by the Company's rewards programs and the rewards programs do not produce payments that have a material impact on the financial performance of the Company.

Nominating Committee of the Board of Directors

The Nominating Committee of the Board of Directors currently consists of Ms. Hearn, Chairwoman, Ms. Francy and Ms. Macon. The Nominating Committee does not function pursuant to a formal written charter and as a “Controlled Company” we are not required to comply with The Nasdaq Stock Market’s independence requirements. The Nominating Committee did not meet in 2015.

The purpose of the Nominating Committee is to identify individuals qualified to become members of our Board of Directors and to recommend to the Board of Directors or the shareholders that such individuals be selected for directorship. In identifying and evaluating nominees for director, the Nominating Committee considers each candidate’s experience, integrity, background and skills as well as other qualities that the candidate may possess and factors that the candidate may be able to bring to the Board of Directors. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees. However, the Board of Directors believes that it is essential that its members represent diverse viewpoints, with a broad array of experiences, professions, skills, geographic representation and backgrounds that, when considered as a group, provide a sufficient mix of perspectives to allow the Board of Directors to best fulfill its responsibilities to the long-term interests of our shareholders.

The Nominating Committee will consider shareholder nominees for election to our Board of Directors. In evaluating such nominees, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees.

Indemnification of Officers and Directors

We indemnify our executive officers and directors to the extent permitted by applicable law against liabilities incurred as a result of their service to us and against liabilities incurred as a result of their service as directors of other corporations when serving at our request. We have a director’s and officer’s liability insurance policy, underwritten by Illinois National Insurance Company, a member of the American International Group, Inc., in the annual aggregate amount of \$15 million. As to reimbursements by the insurer of our indemnification expenses, the policy has a \$250,000 deductible; there is no deductible for covered liabilities of individual directors and officers.

Annual Shareholders Meeting Attendance Policy

It is the policy of our Board of Directors that all of our directors are strongly encouraged to attend each annual shareholders meeting. All of our directors attended the 2015 annual meeting of shareholders.

Code of Ethics

We have adopted a Code of Ethics for Senior Financial Officers applicable to our chief executive officer, chief financial officer, treasurer, controller, principal accounting officer, and any of our other employees performing similar functions. A copy of the Code of Ethics for Senior Financial Officers is available on our website at <https://www.siebertnet.com/html/StartAboutGovernance.aspx>.

Board Leadership Structure and Board of Directors

Jane Macon is the Chairwoman of our Board of directors. The Board of Directors does not have a lead independent director. The Company believes this structure allows all of the directors to participate in the full range of the Board’s responsibilities with respect to its oversight of the Company’s management. The Board of Directors has determined that this leadership structure is appropriate given the size of the Company, the number of directors overseeing the Company and the Board of Directors’ oversight responsibilities.

The Board of Directors holds four to seven regular meetings each year to consider and address matters involving the Company. The Board of Directors also may hold special meetings to address matters arising between regular meetings. These meetings may take place in person or by telephone. The independent directors also regularly meet in executive sessions outside the presence of management. The Board of Directors has access to legal counsel for consultation concerning any issues that may occur during or between regularly scheduled Board meetings. As discussed above, the Board has established an Audit Committee, a Compensation Committee and a Nominating Committee to assist the Board in performing its oversight responsibilities.

The Board of Directors' Role in Risk Oversight

Consistent with its responsibility for oversight of the Company, the Board of Directors, among other things, oversees risk management of the Company's business affairs directly and through the committee structure that it has established. The principal risks associated with the Company are risks related to securities market volatility and the securities industry, lower price levels in the securities markets, intense competition in the brokerage industry, extensive government regulation, net capital requirements, customers' failure to pay, investment banking activities, an increase in volume on our systems or other events which could cause them to malfunction, reliance on information processing and communications systems, continuing changes in technology, dependence on the ability to attract and retain key personnel, the ability of our principal shareholder to control many key decisions and there may be no public market for our common stock.

The Board of Directors' role in the Company's risk oversight process includes regular reports from senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks. The full Board of Directors (or the appropriate committee) receives these reports from management to identify and discuss such risks.

The Board of Directors periodically reviews with management its strategies, techniques, policies and procedures designed to manage these risks. Under the overall supervision of the Board of Directors, management has implemented a variety of processes, procedures and controls to address these risks.

The Board of Directors requires management to report to the full Board of Directors on a variety of matters at regular meetings of the Board of Directors and on an as-needed basis, including the performance and operations of the Company and other matters relating to risk management. The Audit Committee also receives regular reports from the Company's independent registered public accounting firm on internal control and financial reporting matters. These reviews are conducted in conjunction with the Board of Directors' risk oversight function and enable the Board of Directors to review and assess any material risks facing the Company.

Termination of Employment and Change-in-Control Arrangements

As compensation for extraordinary services rendered to the Company in connection with the evaluation and negotiation of strategic alternatives for the Company, each member of the Company's Board of Directors will receive a fee in the amount of \$100,000 payable at the closing of the transactions contemplated by the Acquisition Agreement. The Board of Directors began evaluating strategic alternatives in August 2013, after the passing of Muriel Siebert and the process continued up to the execution of Acquisition Agreement. Because of the absence of Muriel Siebert's strong leadership during this process, the limited number of management personnel and concerns regarding maintaining confidentiality, the Board of Directors was heavily involved on almost a daily basis in the evaluation and negotiation of each strategic alternative and performed functions in relation to this process that are often delegated to senior management. The payment of these fees will result in a reduction of the purchase price payable to the Siebert Estate

under the Acquisition Agreement and did not effect the amount of the Offer Price.
