INFORMATION STATEMENT
REGARDING CORPORATE ACTIONS
APPROVED ON April 30, 2008

Written Resolutions of the Shareholders

This Information Statement is furnished in connection with written resolutions of a majority of the shareholders of the Corporation as of April 30, 2008. This Information Statement is being sent to shareholders of record as of April 30, 2008. The cost of distributing this Information Statement will be borne by the Corporation. All of the Corporation's common stock is held directly in each beneficial shareholder's name and no shares are held in the name of any bank or brokerage house. Therefore, the mailing of this Information Statement will be made directly to each shareholder. The mailing address of the Corporation's business offices is 990 Richard Street, Saint Wenceslas, Quebec, Canada, V3E 2Z3

Shareholders Entitled To Vote

The record date for the determination of stockholders who are entitled to receive this information statement is April 30, 2008 (the "Record Date"). On that date 1,593,000 shares of the Corporation's Common Stock were issued and outstanding. Each shareholder was entitled to one vote for each share held of record on the Record Date. The holders of a majority of the total shares of common stock outstanding on January 16, 2008 constituted a quorum for the transaction of business in the written resolutions. As management is not soliciting proxies, and has already obtained sufficient votes to obtain a quorum, abstentions will not be counted toward fulfillment of quorum requirements.

Voting On The Written Resolutions

The passing of the proposals required the affirmative vote of a majority of the shares of the Common Stock issued and outstanding on April 30, 2008. There were 1,593,000 shares of Common Stock issued and outstanding on that date, 1,200,000 of which (representing approximately 75.33% of the outstanding shares) voted in favor of both of the proposals.

Interest of Certain Persons in or Opposition to Matters to be Acted Upon

No person who has been a director or officer of the Corporation at any time since the beginning of the last fiscal year, nor any associate of the foregoing persons, has any substantial interest, direct or indirect, by security holdings or otherwise, in the written resolutions.

No director of the Corporation has informed the Corporation in writing that he intends to oppose any action to be taken by the Corporation.

Proposals by Security Holders

There are no proposals by any security holders.

Information on Matters Approved In Written Resolutions:

1. '40 for 1' Forward Split of Common Stock

On April 30, 2008 our Board of Directors unanimously approved a resolution to forward split the issued and outstanding Common Stock of the Corporation on the basis of thirty-nine (39) new shares issued for each one (1) share held, such that our issued shares of common stock will increase from 1,593,000 issued shares to 63,720,000 issued shares (the "Forward Split"). The resolution to approve the Forward Split of our issued shares of common stock does not affect and will not affect the authorized capital of the Corporation, which will remain at Two Hundred Million (200,000,000) after giving affect to the Forward Split.

Also on April 30, 2008, and subsequent to our board of directors' unanimous approval of the proposal to affect the Forward Split, stockholder approval for the Forward Split was obtained by written consent of Selected Shareholders, stockholders owning 1,200,000 shares of our common stock, which represented approximately 75.33% of our issued shares on the approval date (as well as the Record Date). Therefore, following the expiration of the twenty-day (20) period required by Rule 14c and the provisions of Chapter 78 of the Nevada Revised Statutes, the Corporation will act on the resolution and give effect to the Forward Split. Consequently the Corporation expects to take all necessary corporate actions to affect the Forward Split on or about May 23, 2008.

2. Increase in Authorized Capital

On April 30, 2008 our Board of Directors unanimously approved the amendment to our Articles of Incorporation to increase our authorized capital from 200,000,000 shares of common stock with a par value of \$0.001 to Five Hundred Million (500,000,000) shares of common stock with a par value of \$0.001 per share. Subsequent to our board of directors' approval of the amendment, the holders of the majority of the outstanding shares of common stock of the Corporation provided their written consent to the amendment to our Articles of Incorporation, also on April 30, 2008. Therefore, following the expiration of the twenty day (20) period required by Rule 14c and the provisions of Chapter 78 of the Nevada Revised Statutes, the Corporation will be in a position to file the Certificate of Amendment and thereby amend our Articles of Incorporation. The Certificate of Amendment will become effective when filed with the Nevada Secretary of State and our directors' intend to make such filing promptly following the said twenty (20) day period. Consequently the Corporation expects to take all necessary corporate actions to affect the amendment to our Articles of Incorporation by increasing our authorized capital on or about May 23, 2008. The proposed Certificate of Amendment to our Articles of Incorporation is attached hereto as Schedule A.

Amendment To The Company's Articles

Our Articles of Incorporation authorize the issuance of 200,000,000 shares of common stock, \$0.001 par value. On April 30, 2008, the Board of Directors approved an amendment to our Articles of Incorporation to increase the amount of our authorized capital to Five Hundred Million (500,000,000) shares.

The purpose of increasing our authorized capital to 500,000,000 shares of common stock is to provide our company with the necessary flexibility to implement any potential future corporate plans. Our board of directors believes that it is in the best interests of our company to increase our authorized capital for such purposes.

We currently have 1,593,000 issued shares of common stock. As of the Record Date we had 1,593,000 shares issued and outstanding. Stockholder approval for the amendment to our Articles of Incorporation was obtained by written consent of Selected Shareholders, stockholders owning 1,200,000 shares of our common stock on April 30, 2008, which represented approximately 75.33% of our outstanding shares of common stock on that date (and the Record Date).

Except as disclosed herein, we have no arrangements or understandings for the issuance of additional shares of common stock, although opportunities for acquisitions in equity financings could arise at any time. If in the future the Board of Directors deem it to be in the best interests of the Corporation and the stockholders to issue additional shares of common stock from our authorized capital, the Board of Directors do not intend to seek further authorization by stockholders, unless such authorization is otherwise required by law or regulations.

Dissenter's Rights

Under Nevada law, stockholders are not entitled to dissenter's rights of appraisal with respect to either the Corporation's proposed amendment to its Articles of Incorporation or the Forward Split of its presently issued shares of common stock.

Interest of Certain Persons In Or Opposition To Matters To Be Acted Upon

None of the company's directors and officers at any time since the beginning of the last fiscal year has any substantial interest, direct or indirect, by security holdings or otherwise, in the matter to be acted upon which is not shared by all other holders of the company's common stock. All members of the board of directors of the Corporation approved the proposals discussed above on April 30, 2008. To our knowledge, no director has advised that he intends to oppose the proposals and resolutions, as more particularly described herein. No security holder entitled to vote at a shareholders' meeting or by written consent has submitted to the company any proposal for consideration by the company or its board.
