Although not part of the Proxy Statement, we are also sending along with this Proxy Statement our 2012 Annual Report, which includes our financial statements for the fiscal year ended December 31, 2012.

Important Notice Regarding the Availability of Proxy Materials for Our
Stockholders Meeting to Be Held on June 13, 2013

This Proxy Statement and our 2012 Annual Report to Stockholders are available for viewing, printing and downloading at <http://www.proxyconnect.com/glowpoint>. We are providing a copy of our Annual Report on Form 10-K for the year ended December 31, 2012 with the accompanying Proxy materials. Additionally, you can find a copy of our Annual Report on Form 10-K, which includes our financial statements, for the fiscal year ended December 31, 2012 on the website of the Securities and Exchange Commission, at <http://www.sec.gov> or at <http://www.glowpoint.com/investor-relations>.

RECORD DATE; QUORUM

Only holders of record of our common stock at the close of business on April 22, 2013 are entitled to vote at the Annual Meeting (the “Record Date”). As of the Record Date, approximately 28,618,000 shares of common stock were issued and outstanding, each of which entitles its holder to cast one vote on each matter to be presented at the Annual Meeting. A quorum is present at the Annual Meeting if a majority of shares of common stock issued and outstanding and entitled to vote on the record date are represented in person or by proxy. If a quorum is not present, the Annual Meeting may be adjourned from time to time until a quorum is obtained.

VOTING PROCEDURES

The shares represented by the proxies received, properly dated and executed or authenticated, in the case of voting by telephone, and not revoked will be voted at the Annual Meeting in accordance with the instructions of the stockholders.

Telephone voting facilities for stockholders of record will be available 24 hours a day and will close at 11:59 p.m. Eastern Time on June 12, 2013.

If your shares are held in “street name” (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Telephone voting also will be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a legal proxy or broker’s proxy card and bring it to the Annual Meeting in order to vote.

Abstentions will be treated as shares that are present and entitled to vote, while broker “non-votes” will be treated only as shares that are present for purposes of determining the presence of a quorum. An abstention is the voluntary act of not voting by a stockholder who is present at a meeting and entitled to vote. A broker “non-vote” occurs when a broker nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary power for that particular item and has not received instructions from the beneficial owner.

Proposal No. 1: A plurality of the votes duly cast is required for the election of directors. This means that the nominees receiving the highest number of affirmative votes will be elected to fill the director positions available. Accordingly, votes withheld will have no effect in determining which director receives the highest number of votes. Additionally, the election of directors is not a matter on which a broker or other nominee is allowed to vote without specific instructions.

Proposal No. 2: The advisory vote is not binding on the Board of Directors, our management, or the Company. The affirmative “FOR” vote of a majority of the shares present in person or by proxy and entitled to vote is necessary for approval of our executive compensation. A properly executed proxy marked “ABSTAIN” will not be voted, although it will be counted as present and entitled to vote for purposes of the Proposal. Accordingly, an abstention will have the effect of a vote against the Proposal. Broker “non-votes” will have no effect on the outcome of this Proposal.

Proposal No. 3: The advisory vote to approve the frequency of the advisory votes on executive compensation is not binding on the Board of Directors, our management, or the Company. A stockholder may vote to set the frequency of the “Say-on-Pay” vote to occur “EVERY YEAR”, “EVERY TWO YEARS”, “EVERY THREE YEARS”, or the stockholder may vote to “ABSTAIN”. The choice among those four choices that receives the highest number of votes will be deemed the choice of the stockholders. Abstentions and broker non-votes will have no effect on the outcome of this Proposal.

Proposal No. 4: The vote of holders of a majority of voting power held by the stockholders present in person or represented by proxy is required for the ratification of the selection of EisnerAmper LLP as our Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2013. A properly executed proxy marked "ABSTAIN" will not be voted, although it will be counted as present and entitled to vote for purposes of the Proposal. Accordingly, an abstention will have the effect of a vote against the Proposal. Additionally, the ratification of the appointment of the Independent Registered Public Accounting Firm for 2013 is a matter on which a broker or other nominee is allowed to vote. Broker non-votes will have no effect on the outcome of this Proposal.

Properly executed or authenticated proxies that do not contain voting instructions will be voted (1) FOR each of the nominees named below for election as director, (2) FOR the advisory vote to approve compensation paid to our named executive officers, (3) to hold advisory votes on executive compensation EVERY THREE YEARS, (4) FOR ratification of EisnerAmper LLP as our Independent Registered Public Accounting Firm for the fiscal year ending December 31, 2013, and (5) at the discretion of the proxy holders with respect to other matters that may properly come before the Annual Meeting.

Stockholders have the option to vote by telephone by following the instructions on the attached proxy card. WE ENCOURAGE YOU TO RECORD YOUR VOTE BY TELEPHONE. It is convenient, and it saves significant postage and processing costs. In addition, when you vote by telephone prior to the meeting date, your vote is recorded immediately and there is no risk that postal delays will cause your vote to arrive late and therefore not be counted.

SOLICITATION AND REVOCATION

After you have submitted a proxy, you may change your vote at any time before the proxy is exercised by submitting a notice of revocation or a proxy bearing a later date. Regardless of whether you voted using a traditional proxy card or by telephone, you may use either of these methods to change your vote. You may change your vote either by submitting a proxy card prior to the date of the Annual Meeting or by voting again prior to the time at which the telephone voting facilities close by following the procedures applicable to those methods of voting. In each event, the later submitted vote will be recorded and the earlier vote revoked. You may also revoke a proxy by voting in person at the Annual Meeting. Your attendance at the Annual Meeting will not by itself constitute revocation of a proxy.

We will bear the cost of the solicitation of proxies from our stockholders, including the cost of preparing, assembling and mailing the proxy solicitation materials. In addition to solicitation by mail, our directors, officers and employees may solicit proxies from stockholders by telephone or other electronic means or in person, but no such person will be specifically compensated for such services. We will cause brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of stock held of record by such persons. We will reimburse such custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in doing so. We have engaged American Stock Transfer and Trust Company to aid in the distribution of the proxy materials and will reimburse their related reasonable out-of-pocket expenses.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of common stock as of April 22, 2013 by each of the following:

A person is considered the beneficial owner of securities that can be acquired within 60 days of such date through the exercise or conversion of any option, warrant or other derivative security (“Derivative Securities”); provided, however, excluded from the calculation are Derivative Securities held by certain stockholders that, upon exercise or conversion thereof, would cause such stockholder to beneficially own more than 4.99% or 9.99%, as applicable, of our outstanding common stock after such exercise or conversion. Shares of common stock subject to options, warrants or other Derivative Securities which are currently exercisable, convertible or exercisable or convertible within such 60 days are considered outstanding for computing the ownership percentage of the person holding such options, warrants or other Derivative Security, but are not considered outstanding for computing the ownership percentage of any other person.

Board of Directors, Board Committees and Meetings

Corporate governance is typically defined as the system that allocates duties and authority among a company's stockholders, board of directors and management. The stockholders elect the board and vote on extraordinary matters; the board is the company's governing body, responsible for hiring, overseeing and evaluating management, particularly the chief executive officer; and management runs the company's day-to-day operations. The primary responsibilities of the Board of Directors are oversight, counseling and direction to our management in the long-term interests of our

stockholders and us. Our Board of Directors consists of five directors. The current Board members include three independent directors, one non-independent director and one current member of our senior management.

-6-

Our Board of Directors met 11 times during the year ended December 31, 2012. During this period, each director attended or participated in more than 75% of the aggregate of (i) the total number of meetings of the Board of Directors held during the period for which he was a director and (ii) the total number of meetings of committees of the Board on which he served, held during the period for which he served. The Board has an audit committee, a compensation committee and a nominating committee.

“Independent” Directors. Each of our directors, other than Messrs. DeLuca and Holst, qualifies as “independent” in accordance with the published listing requirements of the NYSE MKT (“NYSE”). Mr. Holst is currently our employee, and Mr. DeLuca is under contract with the Company to provide financial advisory services as a consultant. The NYSE independence definition includes a series of objective tests, such as that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company. In addition, as further required by the NYSE rules, the Board has made a subjective determination as to each independent director that no relationship exists which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the Company with regard to each director’s business and personal activities as they may relate to the Company and the Company’s management.

Audit Committee

We currently have an audit committee consisting of James S. Lusk, Grant Dawson and Kenneth Archer. Our Board of Directors has determined that Messrs. Lusk and Dawson have the accounting and related financial management expertise to satisfy the requirements of an “audit committee financial expert,” as determined pursuant to the rules and regulations of the SEC, and that each member satisfies the NYSE independence standards. The audit committee consults and meets with our Independent Registered Public Accounting Firm, Chief Financial Officer and accounting personnel, reviews potential conflict of interest situations where appropriate, and reports and makes recommendations to the full Board of Directors regarding such matters. The audit committee operates under a written audit committee charter, which was amended and restated by the Board on May 8, 2012. Our amended and restated audit committee charter is available online at www.glowpoint.com/investor-relations. You may also request a copy of the audit committee charter, at no cost, by telephoning us at (866) GLOWPOINT (x2136) or writing to us at Glowpoint, Inc., 430 Mountain Avenue, Murray Hill, New Jersey 07974, Attention: Investor Relations. The audit committee met four times during the year ended December 31, 2012.

Compensation Committee

We currently have a compensation committee consisting of James S. Lusk, Grant Dawson and Kenneth Archer. Each member of the compensation committee meets the independence requirements of the NYSE. The compensation committee operates under a written compensation committee charter, which was adopted in May 2007 and is available online at www.glowpoint.com/investor-relations. You may also request a copy of the compensation committee charter, at no cost, by telephoning us at (866) GLOWPOINT (x2136) or writing to us at Glowpoint, Inc., 430 Mountain Avenue, Murray Hill, New Jersey 07974, Attention: Investor Relations. The compensation committee met two times during the year ended December 31, 2012.

The compensation committee is responsible for establishing and administering our executive compensation policies. The role of the compensation committee is to (i) formulate, evaluate and approve compensation of the Company's directors, executive officers and key employees, (ii) oversee all compensation programs involving the use of the Company's stock and (iii) produce, if required under applicable securities laws, a report on executive compensation for inclusion in the Company's Proxy Statement for its Annual Meeting of stockholders. The duties and responsibilities of the compensation committee under its charter include:

annually reviewing and making recommendations to the Board with respect to compensation of directors, executive officers and key employees of the Company;

annually reviewing and approving corporate goals and objectives relevant to Chief Executive Officer compensation, evaluating the Chief Executive Officer's performance in light of those goals and objectives, and recommending to the Board the Chief Executive Officer's compensation levels based on this evaluation;

reviewing competitive practices and trends to determine the adequacy of the executive compensation program;

approving and overseeing compensation programs for executive officers involving the use of the Company's stock;

approving and administering cash incentives for executives, including oversight of achievement of performance objectives, and funding for executive incentive plans;

annually performing a self-evaluation on the performance of the compensation committee; and

making regular reports to the Board concerning the activities of the compensation committee.

When appropriate, the compensation committee may, in carrying out its responsibilities, form and delegate authority to subcommittees. The Chief Executive Officer plays a role in determining the compensation of our other executive officers by evaluating the performance of those executive officers. The Chief Executive Officer's evaluations are then reviewed by the compensation committee. This process leads to a recommendation for any changes in salary, bonus terms and equity awards, if any, based on performance, which recommendations are then reviewed and approved by the compensation committee.

Nominating Committee

We currently have a nominating committee consisting of James S. Lusk, Grant Dawson and Kenneth Archer. Each member of the nominating committee meets the independence requirements of the NYSE. The nominating committee is responsible for assessing the performance of our Board of Directors and making recommendations to our Board regarding nominees for the Board. The nominating committee was formed in February 2004. Prior to the formation of the committee, its functions were performed by the Board of Directors. The nominating committee operates under a written nominating committee charter, which was filed with our Proxy Statement for the 2004 Annual Meeting of Stockholders and is available online at www.glowpoint.com/investor-relations. You may also request a copy of the nominating committee charter, at no cost, by telephoning us at (866) GLOWPOINT (x2136) or writing to us at Glowpoint, Inc., 430 Mountain Avenue, Murray Hill, New Jersey 07974, Attention: Investor Relations. The nominating committee did not formally meet during the year ended December 31, 2012.

The nominating committee considers qualified candidates to serve as a member of our Board of Directors suggested by our stockholders. Nominees recommended by stockholders will be given appropriate consideration and evaluated in the same manner as other nominees. Stockholders can suggest qualified candidates for director by writing to our Corporate Secretary at 430 Mountain Avenue, Murray Hill, New Jersey 07974. Stockholder submissions that are received in accordance with our by-laws and that meet the criteria outlined in the nominating committee charter are forwarded to the members of the nominating committee for review. Stockholder submissions must include the following information:

a statement that the writer is our stockholder and is proposing a candidate for our Board of Directors for consideration by the nominating committee;

the name of and contact information for the candidate;

a statement of the candidate's business and educational experience;

information regarding each of the factors set forth in the nominating committee charter sufficient to enable the nominating committee to evaluate the candidate;

a statement detailing any relationship between the candidate and any of our customers, suppliers or competitors;

detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

a statement that the candidate is willing to be considered and willing to serve as our director if nominated and elected.

In considering potential new directors and officers, the nominating committee will review individuals from various disciplines and backgrounds. Among the qualifications to be considered in the selection of candidates are broad experience in business, finance or administration; familiarity with national and international business matters; familiarity with our industry; and prominence and reputation. The nominating committee will also consider whether the individual has the time available to devote to the work of our Board of Directors and one or more of its committees. None of the candidates this year for election to the Board of Directors were brought to the nominating committee by stockholder submission.

The nominating committee will also review the activities and associations of each candidate to ensure that there is no legal impediment, conflict of interest or other consideration that might hinder or prevent service on our Board of Directors. In making its selection, the nominating committee will bear in mind that the foremost responsibility of a director of a corporation is to represent the interests of the stockholders as a whole. The nominating committee will periodically review and reassess the adequacy of its charter and propose any changes to the Board of Directors for approval.

Any stockholder who desires to contact our Board of Directors, committees of the Board of Directors and individual directors may do so by writing to: Glowpoint, Inc., 430 Mountain Avenue, Murray Hill, New Jersey 07974, Attention: Steven Peri, Secretary. Board Leadership Structure and Role in Risk Oversight

At no time during the year ended December 31, 2012 was the chairman of our Board of Directors also our Chief Executive Officer. Although the Board does not have a policy regarding the separation of the roles of chairman of the Board and Chief Executive Officer, the Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company, and also the membership of the Board. This structure facilitates a greater role for the Board of Directors in the oversight of the Company, and allows the chief executive officer to focus on the management of the Company's day-to-day operations. Currently, Jon A. DeLuca holds the position of chairman.

The Board has an active role, directly and through its committees, in the oversight of the Company's risk management efforts. The Board carries out this oversight role through several levels of review. The Board regularly reviews and discusses with members of management information regarding the management of risks inherent in the operation of the Company's business and the implementation of the Company's strategic plan, including the Company's risk mitigation efforts.

Each of the Board's committees also oversees the management of the Company's risks that are under each committee's areas of responsibility. For example, the audit committee oversees management of accounting, auditing, external reporting, internal controls and cash investment risks. The nominating committee oversees and assesses the performance of the Board and makes recommendations to the Board from time to time regarding nominees for the Board. The compensation committee oversees risks arising from compensation practices and policies. While each committee has specific responsibilities for oversight of risk, the Board is regularly informed by each committee about such risks. In this manner the Board is able to coordinate its risk oversight.

Under the terms of the Laezza Employment Agreement, Mr. Laezza was also eligible to receive, at the discretion of the compensation committee of our Board of Directors, based on meeting certain corporate and personal goals, an annual incentive bonus with a target of 40% of his base salary.

For the purposes of this discussion, set forth below are the standard definitions for the various types of termination, although exact definitions may vary by agreement and by person.

In accordance with the terms of the Company's 2007 Stock Incentive Plan (as amended, the "Equity Plan"), upon a Change in Control or Corporate Transaction, as each such term is defined in the Equity Plan, all shares of restricted stock and all unvested options shall immediately vest. No Named Executive Officer is entitled to a payment in connection with Voluntary Resignation, retirement, disability or a Termination for Cause.

"Voluntary Resignation" means the resignation initiated by the executive officer.

"Resignation for Good Reason" means if the executive officer resigns because: (i) there has been a diminution in his base salary; (ii) the executive officer is required to be based in an office that is more than a certain distance (e.g., 50 or 75 miles) from the current location of the office; (iii) the executive officer is assigned duties that are materially inconsistent with his current position; or (iv) there is a material diminution of his status, office, title, responsibility, or reporting requirements.

"Termination For Cause" means a termination of executive officer's employment by the Company because, in the judgment of the Company: (i) the executive officer willfully engaged in any act or omission which is in bad faith and to the detriment of the Company; (ii) the executive officer exhibited unfitness for service, dishonesty, habitual neglect, persistent and serious deficiencies in performance, or gross incompetence, which conduct is not cured within fifteen (15) days after receipt by the executive officer of written notice of the conduct; (iii) the executive officer is convicted of a crime; or (iv) the executive officer refused or failed to act on any reasonable and lawful directive or order from the executive officer's superior or the Board.

"Termination Without Cause" means a termination for a reason other than for Cause, as defined above.

"Benefits upon a Change in Control or Corporate Transaction" means the benefit the named executive will receive upon a Change in Control or Corporate Transaction, as each such term is defined in the executive officer's employment contract and restricted stock award agreement.

On January 13, 2013, Mr. Joseph Laezza entered into a Separation Agreement and General Release with the Company (the "Laezza Separation Agreement"). Under the terms of the Laezza Separation Agreement, Mr. Laezza received, subject to certain conditions, full vesting of 113,334 restricted shares of the Company's common stock and an additional 13,500 shares of the Company's common stock, in exchange for forfeiture of options to purchase 145,000 shares of Company common stock, to which he would otherwise be entitled (see details as of December 31, 2012 in the Outstanding Equity Award Table above). The Laezza Separation Agreement also entitled Mr. Laezza to receive, subject to certain conditions, (i) severance payments equal to six months of his annual base salary ("Initial Severance"); (ii) an additional severance payment for each of the three months (each such payment equal to one month of his annual base salary) following the completion of the Initial Severance payments, but only upon Mr. Laezza's certification each such month that he has failed to find comparable employment despite diligent efforts to do so; (iii) payment of COBRA until the earlier to occur of (A) the date that Mr. Laezza is entitled to receive substantially similar health insurance coverage from another source, and (B) December 31, 2013; (iv) a single one-time payment of \$10,000.00 paid to Mr. Laezza on March 31, 2013 in consideration of his covenant not to compete; and (v) all due and accrued wages plus 12 days of unused paid-time-off.

Summary Description of the Company's Non-Stockholder Approved Equity Compensation Plans

On April 6, 2010, the Company made an issuance of 150,000 restricted shares of the Company's common stock outside the scope of the Equity Plan to certain members of management. The shares of restricted common stock shall vest upon a Change in Control (as defined in the Equity Plan).

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The audit committee is composed of three members. Each member is a director who meets the current independence standards under the applicable SEC and NYSE rules. The audit committee operates under a written audit committee charter. As described more fully in its charter, the purpose of the audit committee is to assist the Board in its general oversight of Glowpoint's financial reporting, internal controls and audit functions. Management is responsible for: the preparation, presentation and integrity of Glowpoint's financial statements; accounting and financial reporting

principles; internal controls; and procedures designed to reasonably assure compliance with accounting standards, applicable laws and regulations. EisnerAmper LLP (“EisnerAmper”), our independent registered public accounting firm, is responsible for performing an independent audit of the consolidated financial statements in accordance with the Standards of the Public Company Accounting Oversight Board (United States). In accordance with applicable law, the audit committee has ultimate authority and responsibility to select, compensate, evaluate and, when appropriate, replace our independent registered public accounting firm. The audit committee has the authority to engage its own outside advisers, including experts in particular areas of accounting, as it determines appropriate, apart from counsel or advisers hired by management.

The audit committee members need not be professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and EisnerAmper, nor can the audit committee certify that EisnerAmper is “independent” under applicable rules. The audit committee serves a Board-level oversight role, in which it provides advice, counsel and direction to management and EisnerAmper on the basis of the information it receives, discussions with management and EisnerAmper, and the experience of the audit committee’s members in business, financial and accounting matters. Two members of the audit committee have been determined by the Board to meet the qualifications of an “audit committee financial expert” in accordance with SEC rules. Stockholders should understand that this designation is an SEC disclosure requirement related to these directors’ experience and understanding with respect to certain accounting and auditing matters. The designation does not impose on these directors any duties, obligations or liability that are greater than are generally imposed on them as a member of the audit committee and the Board, and their designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the audit committee or the Board.

In accordance with law, the audit committee is responsible for establishing procedures for the receipt, retention and treatment of complaints received by Glowpoint regarding accounting, internal accounting controls or auditing matters, including the confidential, anonymous submission by our employees received through established procedures, of concerns regarding questionable accounting or auditing matters. Among other matters, the audit committee monitors the activities and performance of EisnerAmper, including the audit scope, external audit fees, independence matters and the extent to which the firm may be retained to perform non-audit services.

In accordance with audit committee policy and applicable legal requirements, all services to be provided by EisnerAmper are pre-approved by the audit committee. Pre-approval includes audit services, audit-related services, tax services and other services. To avoid certain potential conflicts of interest, the law prohibits a publicly-traded company from obtaining certain non-audit services from EisnerAmper. We obtain these services from other service providers as needed.

The audit committee has reviewed our audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the audit committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The audit committee has discussed with EisnerAmper the matters required to be discussed by the rules pursuant to the Public Company Accounting Oversight Board. These discussions have included a review as to the quality, not just the acceptability, of our accounting principles.

EisnerAmper also provided to the audit committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees), and the audit committee discussed with EisnerAmper its independence from management and the Company. The audit committee has also considered the compatibility of non-audit services with EisnerAmper’s independence.

Based on the audit committee’s discussion with management and EisnerAmper, the audit committee’s review of the audited financial statements, the representations of management and the report of EisnerAmper to the audit committee, the audit committee recommended that the Board of Directors file the audited consolidated financial statements for the year ended December 31, 2012 with the SEC on Form 10-K.

Respectfully submitted,

James S. Lusk, Chairman
Kenneth Archer

Grant Dawson

SECTION 16 BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires executive officers and directors and persons who beneficially own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater than 10% stockholders are required by regulations of the Securities and Exchange Commission to furnish us with copies of all Section 16(a) reports they file.

Based solely on our review of the copies of reports we received, or written representations that no such reports were required for those persons, we believe that, for the year ended December 31, 2012, all statements of beneficial ownership required to be filed with the Securities and Exchange Commission were filed on a timely basis.

Independent members of the Board have reviewed and approved each transaction with a related party referred to above.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Directors to be elected are to serve until the next Annual Meeting or until their respective successors are duly elected and qualified. The number of directors is determined from time to time by our Board of Directors and is currently five members. The nominees who will stand for election are Kenneth Archer, Grant Dawson, Jon A. DeLuca, Peter Holst and James S. Lusk, all of whom are currently members of our Board of Directors. The five nominees receiving the highest number of affirmative votes will be elected as directors. In the event any nominee is unable or unwilling to serve as a nominee, the Board of Directors may select a substitute nominee. If a substitute nominee is selected, proxies will be voted in favor of such nominee. Our Board of Directors has no reason to believe that any of the named nominees will be unable or unwilling to serve as a nominee or as a director if elected. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Required Vote and Board Recommendation

A plurality of the votes duly cast is required for the election of directors. This means that the nominees receiving the highest number of affirmative votes will be elected to fill the director positions available. Stockholders do not have the right to cumulate their votes in the election of directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF EACH NOMINEE FOR DIRECTOR.

PROPOSAL NO. 2

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

We are providing our stockholders with the opportunity to approve, on an advisory, non-binding basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act"), which added Section 14A to the Securities and Exchange Act of 1934, as amended (the "Exchange Act"). Section 14A of the Exchange Act also requires that stockholders have the opportunity to cast an advisory vote with respect to whether future executive compensation advisory votes will be held every one, two or three years, which is the subject of Proposal No. 3.

Our executive compensation programs are designed to attract, motivate, and retain executive officers, who are critical to our success. Under these programs, our Named Executive Officers are rewarded for the achievement of our near- and longer-term financial and strategic goals, and for driving corporate financial performance and stability. The programs contain elements of cash and equity-based compensation and are designed to align the interests of our executives with those of our stockholders.

The "Executive Compensation" section of this Proxy Statement describes in detail our executive compensation programs and the decisions made by management and the compensation committee with respect to the fiscal years ended December 31, 2012 and December 31, 2011. As we describe in this Proxy Statement, our executive compensation program incorporates a pay-for-performance philosophy that supports our business strategy and aligns the interests of our executives with our stockholders. The Board believes this link between compensation and the achievement of our near- and long-term business goals has helped drive our performance over time. At the same time, we believe our program does not encourage excessive risk-taking by management.

As an advisory vote, this Proposal is not binding. Neither the outcome of this advisory vote nor of the advisory vote included in Proposal No. 3 overrules any decision by the Company or the Board of Directors (or any committee thereof), creates or implies any change to the fiduciary duties of the Company or the Board of Directors (or any committee thereof), or creates or implies any additional fiduciary duties for the Company or the Board of directors (or any committee thereof). However, management and the compensation committee and Board of Directors value the opinions expressed by our stockholders in their vote on this Proposal and will consider the outcome of the vote when making future compensation decisions for Named Executive Officers.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE FOLLOWING ADVISORY RESOLUTION:

RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the disclosure under "Executive Compensation", the compensation tables and accompanying narrative disclosure, and any related material disclosed in this Proxy Statement, is hereby approved.

Required Vote and Board Recommendation

On this non-binding matter, the affirmative vote of at least a majority of the votes cast at the Annual Meeting is required to approve this Proposal No. 2.

THE BOARD RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ADVISORY RESOLUTION ABOVE, APPROVING OF THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS.

PROPOSAL NO. 3

ADVISORY VOTE ON THE FREQUENCY OF FUTURE EXECUTIVE COMPENSATION ADVISORY VOTES

In Proposal No. 2, we are providing our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our Named Executive Officers. In this Proposal No. 3, we are asking our stockholders to cast a non-binding advisory vote regarding the frequency of future executive compensation advisory votes. Stockholders may vote for a frequency of every one, two, or three years, or may abstain.

The Board of Directors will take into consideration the outcome of this vote in making a determination about the frequency of future executive compensation advisory votes. However, because this vote is advisory and non-binding, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold the advisory vote to approve executive compensation more or less frequently, but no less frequently than once every three years, as required by the Dodd-Frank Act. In the future, we will propose an advisory vote on the frequency of the executive compensation advisory vote at least once every six calendar years as required by the Dodd-Frank Act.

After careful consideration, the Board of Directors believes that an executive compensation advisory vote should be held every three years, and therefore our Board of Directors recommends that you vote for a frequency of EVERY THREE YEARS for future executive compensation advisory votes. The proxy provides stockholders with the opportunity to choose among four options (holding the vote once every year, every two years or every three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the Board of Directors.

Required Vote

On this non-binding matter, a stockholder may vote to set the frequency of the “say on pay” vote to occur every year, every two years, or every three years, or the stockholder may vote to abstain. The choice among those four choices that receives the highest number of votes will be deemed the choice of the stockholders.

THE BOARD RECOMMENDS THAT YOU VOTE TO HOLD ADVISORY VOTES ON EXECUTIVE COMPENSATION EVERY THREE YEARS.

PROPOSAL NO. 4

RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee, composed entirely of independent, non-employee members of the Board of Directors, has appointed the firm of EisnerAmper LLP (“EisnerAmper”) as the Independent Registered Public Accounting Firm to audit the consolidated financial statements of our Company and its subsidiaries for fiscal year 2013 and is asking the stockholders for ratification of the appointment. Stockholder ratification is not required by our Company’s bylaws or under any other applicable legal requirement. If the stockholders do not approve the selection of EisnerAmper, the audit committee will reconsider the appointment.

As our Independent Registered Public Accounting Firm, EisnerAmper would audit our consolidated financial statements for fiscal year 2013, review the related interim quarters, and perform audit-related services and consultation in connection with various accounting and financial reporting matters. EisnerAmper may also perform certain non-audit services for our Company. The audit committee has determined that the provision of the services provided by EisnerAmper as set forth herein are compatible with maintaining EisnerAmper’s independence and the prohibitions on performing non-audit services set forth in the Sarbanes-Oxley Act and relevant Securities and Exchange Commission rules.

EisnerAmper will have a representative present at the Annual Meeting who will be available to respond to appropriate questions. The representative will also have the opportunity to make a statement if he or she desires to do so.

Audit Fees

EisnerAmper, our principal accountant, billed us approximately \$265,000 for professional services for the audit of our annual consolidated financial statements for the 2012 fiscal year and the reviews of the consolidated financial statements included in our quarterly reports on Form 10-Q for the 2012 fiscal year. EisnerAmper billed us approximately \$260,000 for professional services for the audit of our annual consolidated financial statements for the 2011 fiscal year and the reviews of the consolidated financial statements included in our quarterly reports on Form 10-Q for the 2011 fiscal year.

Audit-Related Fees

In connection with our acquisition of Affinity, EisnerAmper billed us \$30,000 during fiscal year 2012. No such fees were billed during fiscal year 2011 related to the Affinity acquisition and related items.

Tax Fees

In connection with tax services, EisnerAmper billed approximately \$53,600 in fiscal year 2011. EisnerAmper was not engaged to perform tax services for fiscal year 2012.

All Other Fees

EisnerAmper did not bill us in the 2012 or 2011 fiscal years for any other products or services other than the Audit, Audit-Related and Tax Fees as listed above.

Audit Committee Pre-Approval Policy

The audit committee is required to pre-approve the engagement of EisnerAmper to perform audit and other services for the Company. Our procedures for the pre-approval by the audit committee of all services provided by EisnerAmper comply with SEC regulations regarding pre-approval of services. Services subject to these SEC requirements include audit services, audit-related services, tax services and other services. The audit engagement is specifically approved and the auditors are retained by the audit committee. The audit committee also has adopted policies and procedures for pre-approving all non-audit work performed by EisnerAmper. In accordance with audit committee policy and the requirements of law, all services provided by EisnerAmper in the 2012 and 2011 fiscal years were pre-approved by the audit committee and all services to be provided by EisnerAmper will be pre-approved. Pre-approval includes audit services, audit-related services, tax services and other services. To avoid certain potential conflicts of interest, the law prohibits a publicly traded company from obtaining certain non-audit services from its auditing firm. We obtain these services from other service providers as needed.

Required Vote and Board Recommendation

While approval of the Independent Registered Public Accounting Firm proposal is not required, the Board seeks the affirmative vote of a majority of the shares of common stock present at the Annual Meeting in person or by proxy and entitled to vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE SELECTION OF EISNERAMPER LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2012.

CODE OF CONDUCT AND ETHICS

We have adopted a code of conduct and ethics that applies to all of our employees, including our Chief Executive Officer and Chief Financial Officer. The text of the code of conduct and ethics is posted on our website at www.glowpoint.com/investor-relations and will be made available to stockholders without charge, upon request, in writing to the Corporate Secretary at 430 Mountain Avenue, Murray Hill, NJ 07974. Disclosure regarding any amendments to, or waivers from, provisions of the code of conduct and ethics that apply to our directors, principal executive and financial officers will be included in a Current Report on Form 8-K within four business days following the date of the amendment or waiver, unless website posting of such amendments or waivers is then permitted by the rules of the national securities exchange which the Company trades.

STOCKHOLDER PROPOSALS AND NOMINATIONS FOR DIRECTOR

Any stockholder who intends to present a proposal (other than for director nominations) at the 2014 Annual Meeting of Stockholders, currently expected to occur in June 2014, must deliver the proposal to the Corporate Secretary of Glowpoint, Inc. at 430 Mountain Road, Murray Hill, New Jersey 07974, no later than December 27, 2013 if such proposal is to be considered for inclusion in our proxy materials for that meeting.

In addition, our by-laws provide that, in order for a stockholder to propose business for consideration at our next Annual Meeting of stockholders (including director nominations that are not requested to be included in our Proxy Statement), the stockholder must give written notice to our Corporate Secretary at our principal executive offices between March 15, 2014, which is 90 days prior to the anniversary of our 2013 Annual Meeting of Stockholders, and April 14, 2014, which is 60 days prior to such anniversary; provided however, that in the event the Annual Meeting is called for a date that is not within 30 days before or after May 14, 2014, notice by the stockholder in order to be timely must be received not later than the close of business on the 10th day following the day on which such notice of

the date of the Annual Meeting was mailed or such public disclosure of the date the Annual Meeting was made, whichever occurs first. Proposals that are not received in a timely manner will not be voted on at the 2014 Annual Meeting. If a proposal is received on time, the proxies that management solicits for the meeting may still exercise discretionary voting authority on the proposal under circumstances consistent with the proxy rules of the SEC.

HOUSEHOLDING OF ANNUAL DISCLOSURE DOCUMENTS

The SEC previously adopted a rule concerning the delivery of annual disclosure documents. The rule allows us or brokers holding our shares on your behalf to send a single set of our annual report and proxy statement to any household at which two or more of our stockholders reside, if either we or the brokers believe that the stockholders are members of the same family. This practice, referred to as “householding,” benefits both stockholders and us. It reduces the volume of duplicate information received by you and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once stockholders receive notice from their brokers or from us that communications to their addresses will be “household,” the practice will continue until stockholders are otherwise notified or until they revoke their consent to the practice. Each stockholder will continue to receive a separate proxy card or voting instruction card.

Those stockholders who either (i) do not wish to participate in “householding” and would like to receive their own sets of our annual disclosure documents in future years or (ii) who share an address with another one of our stockholders and who would like to receive only a single set of our annual disclosure documents should follow the instructions described below:

Stockholders whose shares are registered in their own name should contact our transfer agent, American Stock Transfer & Trust Company, and inform them of their request by calling them at (800) 937-5449 or writing them at 59 Maiden Lane, Plaza Level, New York, New York 10038.

Stockholders whose shares are held by a broker or other nominee should contact such broker or other nominee directly and inform them of their request. Stockholders should be sure to include their name, the name of their brokerage firm and their account number.

OTHER MATTERS

The Board of Directors knows of no other business to be presented for action at the Annual Meeting. If any matters do come before the meeting on which action can properly be taken, the persons named in the enclosed proxy will have the discretion to vote such matters in accordance with their judgment.
