Item 1.01.Entry into a Material Definitive Agreement.

The information provided in response to Item 2.03 of this Current Report on Form 8-K is incorporated herein by reference.

Item 2.03.Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On October 24, 2012, Wilhelmina International, Inc. (the "Company") executed and closed a second amendment (the "Second Credit Agreement Amendment") to its revolving credit facility agreement (the "Credit Agreement") with Amegy Bank National Association ("Amegy").

Under the terms of the Second Credit Agreement Amendment, (1) total availability under the revolving credit facility was increased to \$5,000,000 (from \$1,500,000), (2) the borrowing base was modified to 75% (from 65%) of eligible accounts receivable (as defined in the Credit Agreement) and (3) the Company's minimum net worth covenant was increased to \$22,000,000 (from \$21,250,000). In addition, the maturity date of the facility was extended to October 15, 2015 (from December 31, 2012). An unused facility fee of .25% was added to the facility. The parties also executed an amendment to their pledge and security agreement ("Second Security Agreement Amendment") to reflect the execution of the Second Credit Agreement Amendment.

The Company's obligation to repay advances under the amended facility will be evidenced by a second amended and restated promissory note (the "Second Amended and Restated Promissory Note"). Under the terms of the Second Amended and Restated Promissory Note, the interest rate on borrowings was reduced to the prime rate plus 1% (from prime plus 2%) and a minimum interest rate (formerly 5%) was eliminated.

The foregoing summary of the Second Credit Agreement Amendment, the Second Amended and Restated Promissory Note and the Second Security Agreement Amendment (collectively, the "Loan Document Amendments") do not purport to be complete and is qualified in its entirety by reference to the full text of the Loan Document Amendments, copies of which are filed as Exhibit 10.1, Exhibit 10.2 and Exhibit 10.3, respectively, to this Current Report on Form 8-K and are incorporated herein by reference. The Loan Document Amendments are not intended to be sources of factual, business or operational information about the Company or its subsidiaries. The representations, warranties and covenants contained in the Loan Document Amendments were made only for purposes of such agreements and as of specific dates, were solely for the benefit of the parties to such agreements, and may be subject to limitations agreed upon by the parties, including being qualified by disclosures for the purpose of allocating contractual risk between the parties instead of establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Accordingly, investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties.
