Some of the statements contained in this prospectus are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. TABLE OF CONTENTS

THE COMPANY

Overview

Turning Point Brands, Inc. (the Company, we, our, or us) is a leading independent provider of Other Tobacco Products (OTP) in the U.S. and the 7th largest competitor in terms of total OTP consumer units shipped to retail as of March 31, 2017. We sell a wide range of products across the OTP spectrum, including moist snuff tobacco (MST), loose leaf chewing tobacco, premium cigarette papers, make-your-own (MYO) cigar wraps and cigar smoking tobacco, cigars, liquid vapor products and tobacco vaporizer products. We do not sell cigarettes. We estimate that the OTP industry generated approximately \$10.5 billion in manufacturer revenue in 2016. In contrast to manufactured cigarettes, which have been experiencing declining sales for decades based on data published by the Alcohol and Tobacco Tax and Trade Bureau (TTB), the OTP industry is demonstrating increased consumer appeal with low to mid-single digit consumer unit growth as reported by Management Science Associates, Inc. (MSAi), a third party analytics and information company.

Our portfolio of brands includes some of the most widely recognized names in the OTP industry, such as *Zig-Zag*®, *Beech-Nut*®, *Stoker* s®, *Trophy*®, and *VaporBeast*™. We currently ship to approximately 900 distributors with an additional 100 secondary, indirect wholesalers in the U.S. that carry and sell our products. We operate in three segments: (i) smokeless products, (ii) smoking products and (iii) NewGen products. As of March 31, 2017, our products are available in over 170,000 U.S. retail locations which, with the addition of retail stores in Canada, brings our total North American retail presence to an estimated 200,000 points of distribution. Our sales team targets widespread distribution to all traditional retail channels, including convenience stores, where over 60% of all OTP volume is currently sold according to MSAi.

We operate under a lean, asset-light sourcing and marketing model, with a strategy that relies on outsourced product manufacturing and supply relationships and increased use of information technology and market analytics, which together allow us to maintain relatively low levels of capital expenditures compared to market participants with more significant manufacturing operations. For example, we have long-lasting relationships with some of the most well-known names in the industry, including a 19-year relationship with Bolloré, S.A. (Bolloré) - the trademark holder for *Zig-Zag*® - for the exclusive rights to purchase and sell *Zig-Zag*® cigarette paper and accessory products in the U.S. and Canada. We have partnered with Swedish Match NA, a subsidiary of Swedish Match AB (Swedish Match) for the manufacture of all of our loose leaf chewing tobacco products. We have a 3-year relationship with JJA Distributors LLC (JJA) for the sourcing of our cigars and cigarillos and an 8-year relationship with Durfort Holdings, S.A. (Durfort) for the sourcing of our MYO cigar wraps, each of which are marketed under the *Zig-Zag*® tobacco brand.

We have successfully commercialized new products and leveraged the value of our existing brands into new OTP categories. We have a portfolio of widely recognized brands with significant customer loyalty and an experienced management team that possesses long-standing industry relationships and a deep understanding of the OTP industry. We have identified additional opportunities to grow sales, including the launch of new products and expanding our distribution and salesforce. We also believe there are meaningful opportunities to grow through acquisitions and joint ventures across all product categories.

Corporate Information

We were incorporated in 2004 in Delaware under the name North Atlantic Holding Company, Inc. On November 4, 2015, we changed our name to Turning Point Brands, Inc. Our principal executive offices are located at 5201 Interchange Way, Louisville, Kentucky 40229, and our telephone number is (502) 778-4421. Our common stock is listed on the New York Stock Exchange under the symbol TPB. Our website is www.turningpointbrands.com.

Information contained on or accessible through our website is not incorporated by reference into this prospectus, and you should not consider any information contained on, or that can be accessed through, our website as part of this prospectus or in deciding whether to purchase our securities.

Implications of Being an Emerging Growth Company

As a company with less than \$1.0 billion in gross revenue during our last fiscal year, we qualify as an Emerging Growth Company as defined in the Jumpstart Our Business Startups Act of 2012 (the JOBS Act). An Emerging Growth Company may take advantage of specified reduced regulatory and reporting requirements that are otherwise generally applicable to public companies including, but not limited to, not being required to

TABLE OF CONTENTS

comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation and financial statements in our periodic reports, proxy statements and registration statements, and exemptions from the requirements of holding a nonbinding advisory vote to approve executive compensation and shareholder approval of any golden parachute payments not previously approved.

We may take advantage of these exemptions until the last day of our fiscal year following the fifth anniversary of the closing of our initial public offering, or until the earliest of (i) the last day of the first fiscal year in which our annual gross revenues exceed \$1 billion, (ii) the date that we become a large accelerated filer as defined in Rule 12b-2 under the Securities Exchange Act of 1934 (as amended, the Exchange Act), which would occur if the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter, or (iii) the date on which we have issued more than \$1 billion in non-convertible debt during the preceding three-year period.

For as long as we continue to be an Emerging Growth Company, we expect that we will take advantage of certain reduced disclosure requirements available to us as a result of that classification. The JOBS Act permits an Emerging Growth Company, such as us, to take advantage of an extended transition period to comply with new or revised accounting standards applicable to public companies. We have chosen to opt out of this provision and, as a result, we will comply with new or revised accounting standards as required for public companies. This decision to opt out of the extended transition period under the JOBS Act is irrevocable.

RISK FACTORS

An investment in our securities involves a high degree of risk. You should consider carefully the risk factors discussed in the sections entitled Risk Factors contained in our most recent Annual Report on Form 10-K and most recent Quarterly Reports on Form 10-Q filed with the SEC and other filings we make with the SEC from time to time, each of which is incorporated herein by reference in its entirety, as well as other information in or incorporated by reference in this prospectus and the Risk Factors section in this prospectus and any applicable prospectus supplement or related free writing prospectus, before purchasing our securities. Each of these risk factors, as well as any additional risks and uncertainties not known to us or currently deemed immaterial, could adversely affect our business, operating results and financial condition, as well as adversely affect the value of an investment in our securities. In that event, the trading price of our securities could decline, and you could lose all or part of your investment.

USE OF PROCEEDS

Unless otherwise indicated in a prospectus supplement, the net proceeds from the sale of the securities offered by us in this prospectus will be used for general corporate purposes, including working capital, repayment of indebtedness, acquisitions and other business purposes. We may also invest the proceeds in certificates of deposit, United States government securities, certain other interest-bearing securities or money market securities until the proceeds are applied for specified purposes. If we decide to use the net proceeds from a particular offering for a specific purpose other than as set forth above, we will describe that purpose in the related prospectus supplement.

We will not receive any proceeds from the sale of shares of our common stock by the selling stockholders.

RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS

If we offer preferred stock under this prospectus, then we will, at that time, provide a ratio of earnings to combined fixed charges and preferred stock dividends in the applicable prospectus supplement for such offering.

TABLE OF CONTENTS**SELLING STOCKHOLDERS**

(1) We do not know when or in what amounts the selling stockholders may offer shares of common stock for sale. The selling stockholders may decide not to sell any or all of the shares offered by this prospectus. Because the selling stockholders may offer all, some or none of the shares pursuant to this offering, we cannot estimate the number of the shares that will be held by the selling stockholders after completion of the offering. However, for purposes of this table, we have assumed that the selling stockholders will sell all of their shares of our common stock covered by this prospectus.

(2) Standard Diversified Opportunities Inc. (SDOI) acquired its shares of our common stock pursuant to that certain Contribution and Exchange Agreement, dated as of November 25, 2016 (as amended, the Contribution and Exchange Agreement), by and among Standard Diversified Opportunities Inc. Standard General Ltd., and Standard General Focus Fund L.P., as amended by that certain First Amendment to Contribution and Exchange Agreement, dated as of January 24, 2017, that certain Second Amendment to Contribution and Exchange Agreement, dated as of April 5, 2017, and that certain Third Amendment to Contribution and Exchange Agreement, dated as of May 3, 2017. The transactions contemplated by the Contribution and Exchange Agreement closed on June 1, 2017 and are more fully described in SDOI's Registration Statement on Form S-4 (Commission File No. 333-215802), declared effective by the Securities and Exchange

Mr. Baxter is also a member of the board of directors of the Company. Other board members of SDOI include Mr. Estus, David M. Wurzer, David Glazek and Thomas F. Helms, Jr. Messrs. Glazek and Helms are also members of the board of directors of the Company. See footnotes 3 and 4 below for a further description of certain relationships between Mr. Helms and the Company. In addition, Mr. Glazek is a Partner of Standard General L.P. (Standard General), which manages Standard General Master Fund L.P., P Standard General Ltd. and Standard General Focus Fund L.P. See our Annual Report on Form 10-K for the year ended December 31, 2016 for a description of the relationships between us and such parties. As a result of Standard General's ownership of a majority of the outstanding voting securities of SDOI, Standard General may be deemed to share voting and investment power over the shares of the Company held by SDOI. Except as described in this footnote, there have been no transactions between SDOI and us within the past three years.

Pursuant to a loan and voting agreement among Mr. Thomas F. Helms, Jr., Helms Management Corp. and Standard General, on November 19, 2012, Helms Management Corp. pledged 1.46 million shares of common stock to secure a loan from Standard General. On November 23, 2016, Standard General and Mr. Helms entered into an amendment to the loan and voting agreement, pursuant to which Standard General Master Fund L.P. agreed to loan an additional \$300,000 to Mr. Helms. Mr. Helms agreed, at the request of Standard General at any time in its sole discretion and within two business days of the request, to repay a portion of the amounts loaned with 150,000 shares of our common stock owned by him. In addition, Mr. Helms provided Standard General, for nine months from the date of the amendment to the loan agreement, authority to exercise investment discretion on his behalf with respect to 500,000 (the SG Discretion Shares) of the shares of our common stock owned by him that were previously pledged as collateral under the loan agreement. On March 17, 2017, Mr. Helms and Standard General (3) further amended the loan and voting agreement to provide that Standard General would loan an additional \$700,000 (\$1,000,000 in the aggregate) to Mr. Helms and that Mr. Helms, at the request of Standard General at any time in its sole discretion and within two business days of the request, would repay a portion of the amounts loaned by Standard General by delivering an additional 250,000 shares (400,000 shares in the aggregate) of Company common stock owned by him (the SG Loan Shares). In addition, Mr. Helms agreed to continue to provide Standard General, for nine months from the date of the second amendment, authority to exercise investment discretion on his behalf with respect to the SG Discretion Shares. On June 1, 2017, upon a duly made request by Standard General, Mr. Helms repaid portions of the amount loaned to him by Standard General by delivering the SG Loan Shares to Standard General. In addition, on June 1, 2017, upon a duly made request by Standard General, Mr. Helms transferred the SG Discretion Shares to SDOI in exchange for SDOI common stock pursuant to the Contribution and Exchange Agreement.

All of the voting capital stock of Helms Management Corp. is owned by Mr. Thomas F. Helms, Jr., who serves as chairman of its board of directors, and all of the non-voting capital stock of Helms Management Corp. is owned by a trust established by Mr. Helms for the benefit of his children. Mr. Helms is deemed to have voting and investment control over the shares held by Helms Management Corp. On June 21, 2017, Mr. Helms, Helms Management and Standard General entered into a letter agreement whereby Standard General loaned Mr. Helms (4) \$100,000 and that Mr. Helms, at the request of Standard General at any time within nine months of June 21, 2017, in Standard General's sole discretion and within two business days of the request, would repay a portion of the amounts loaned by Standard General by delivering 100,000 shares of Company common stock owned by him. Within five business days of the pay down of the loan, Standard General agreed to loan Mr. Helms an additional \$500,000.

(5) Fort George Investments, LLC (Fort George) acquired its shares of our common stock in connection with our initial public offering (the IPO). DESCRIPTION OF CAPITAL STOCK

The following is a description of the material terms of our amended and restated certificate of incorporation, bylaws and other rights of holders of our capital stock. We refer you to our amended and restated certificate of incorporation and bylaws, copies of which are incorporated by reference herein.

Authorized Capitalization

Our authorized capital stock consists of 190,000,000 shares of common stock, par value \$0.01 per share, 10,000,000 shares of non-voting common stock, par value \$0.01 per share and 40,000,000 shares of preferred stock, par value \$0.01 per share, of which 18,823,935 shares of common stock, no shares of non-voting common stock and no shares of preferred stock were issued and outstanding as of March 31, 2017.

Common Stock

Voting Rights

Our second amended and restated certificate of incorporation authorizes us to issue 190,000,000 shares of common stock. Each outstanding share of common stock entitles the holder to one vote on all matters submitted to a vote of stockholders. Holders of our common stock do not have cumulative voting rights, which means that the holders of a majority of the outstanding common stock voting for the election of directors can elect all directors then being elected. Our common stock has the exclusive right to vote for the election of directors and for all other purposes. Our common stock votes together as a single class.

Dividends

Holders of shares of common stock and non-voting common stock are entitled to receive, ratably with the common stock, all dividends, if any, declared by our board of directors out of funds legally available for dividends.

Liquidation Rights

Upon our dissolution or liquidation or the sale of all or substantially all of our assets, after payment in full of all amounts required to be paid to creditors, if any, the holders of our common stock and non-voting common stock will be entitled to receive, pro rata with the common stock, our remaining assets available for distribution.

Other Rights

Holders of our common stock do not have conversion, redemption or preemptive rights to subscribe to any of our securities. The rights, preferences and privileges of holders of our common stock are subject to the rights of the holders of any shares of our preferred stock which we may issue in the future.

Restrictions on Ownership by Restricted Investors

Our second amended and restated certificate of incorporation limits the ownership of our common stock by individuals and entities that are Restricted Investors. For purposes of our second amended and restated certificate of incorporation, a Restricted Investor is defined as: (i) any entity that directly or indirectly manufactures, sells, markets, distributes or otherwise promotes cigarette paper booklets, filter tubes, injector machines or filter tips in the United States, the District of Columbia, the territories, possessions and military bases of the United States and the Dominion of Canada (a Bolloré Competitor), (ii) any entity that owns more than a 20% equity interest in any Bolloré

Competitor, or (iii) any person who serves as a director or officer of, or any entity that has the right to appoint an officer or director of, any Bolloré Competitor or of any Entity that owns more than a 20% equity interest in any Bolloré Competitor.

Among other things, our second amended and restated certificate of incorporation:

• limits ownership of our common stock by any Restricted Investor to 14.9% of outstanding common stock and shares convertible or exchangeable therefor (including our non-voting common stock) (the Permitted Percentage);

TABLE OF CONTENTS

provides that any issuance or transfer of shares in excess of the Permitted Percentage to any Restricted Investor will be ineffective and that neither we nor our transfer agent will register such purported issuance or transfer of shares or be required to recognize the purported transferee or owner as our stockholder for any purpose whatsoever except to exercise our remedies thereunder;

permits withholding of dividends and suspends voting rights with respect to any shares held by any Restricted Investor that exceed the Permitted Percentage;

permits us to require submission of such documentary and other evidence of status to aid determination of the percentage ownership of our capital stock by such holder;

permits our board of directors to authorize us to redeem any shares held by any Restricted Investor that exceeds the Permitted Percentage; and

permits our board of directors to make such determinations to ascertain ownership and implement such measures as reasonably may be necessary.

Non-Voting Common Stock

Voting Rights

Our second amended and restated certificate of incorporation authorizes us to issue 10,000,000 shares of non-voting common stock. Holders of our non-voting common stock are not entitled to a vote for any share held of record on any matter submitted to a vote of the stockholders, including the election of directors. Notwithstanding the foregoing, holders of our non-voting common stock are entitled to vote as a separate class on matters involving amendments to the terms of our non-voting common stock that would significantly and adversely affect the rights or preferences of the non-voting common stock.

Dividends

Holders of our non-voting common stock are entitled to receive, ratably, all dividends, if any, declared by our board of directors out of funds legally available for dividends.

Liquidation

Upon our dissolution or liquidation or the sale of all or substantially all of our assets, after payment in full of all amounts required to be paid to creditors, if any, the holders of our non-voting common stock will be entitled to receive, pro rata, our remaining assets available for distribution.

Other Rights

Holders of our non-voting common stock do not have conversion, redemption or preemptive rights to subscribe to any of our securities, except as described below. The rights, preferences and privileges of holders of our non-voting common stock are subject to the rights of the holders of any shares of our preferred stock which we may issue in the future.

Our non-voting common stock, which is identical to the common stock, with the exception of voting rights, is convertible into shares of our common stock on a one-for-one basis at the sole discretion of our board of directors.

Preferred Stock

We are authorized to issue up to 40,000,000 shares of preferred stock. Our board of directors is authorized, subject to limitations prescribed by Delaware law and our second amended and restated certificate of incorporation, to determine the terms and conditions of the preferred stock, including the number of shares to be included in each series and the

powers, designations, preferences and rights of the shares. Our board of directors is also authorized to designate any qualifications, limitations or restrictions on the shares without any further vote or action by the stockholders. Our board of directors will fix the designations, voting powers, preferences and rights of each series, as well as the qualifications, limitations or restrictions thereof, of the preferred stock of each series that we offer under this prospectus and applicable prospectus supplements in the certificate of designation relating to that series. We will incorporate by reference from reports that will be filed with the SEC,

TABLE OF CONTENTS

the form of any certificate of designation that describes the terms of the series of preferred stock in connection with our offering. The issuance of preferred stock may have the effect of delaying, deferring or preventing a change in control of our company and may adversely affect the voting and other rights of the holders of our common stock, which could have an adverse impact on the market price of our common stock.

Anti-takeover Effects of Certain Provisions of Our Second Amended and Restated Certificate of Incorporation and Bylaws

Several provisions of our second amended and restated certificate of incorporation and our amended and restated bylaws, which are summarized below, may have anti-takeover effects. These provisions are intended to avoid costly takeover battles, lessen our vulnerability to a hostile change of control and enhance the ability of our board of directors to maximize stockholder value in connection with any unsolicited offer to acquire us. However, these anti-takeover provisions, which are summarized below, could also discourage, delay or prevent (1) the merger or acquisition of us by means of a tender offer, a proxy contest or otherwise that a stockholder may consider in its best interest and (2) the removal of incumbent officers and directors.

Election and Removal of Directors

Our second amended and restated certificate of incorporation does not provide for cumulative voting in the election of directors. Our amended and restated bylaws require parties other than the board of directors to give advance written notice of nominations for the election of directors. Our second amended and restated certificate of incorporation also provides that a director may be removed at any time, but only by the affirmative vote of the holders of at least a majority of the voting power of all of the then-outstanding shares of capital stock of the Company then entitled to vote at an election of directors, voting together as a single class. These provisions may discourage, delay or prevent the removal of incumbent officers and directors.

Limited Actions by Stockholders

Our second amended and restated certificate of incorporation and our bylaws provide that special meetings of our stockholders entitled to vote may be called only by the board of directors acting pursuant to a resolution adopted by a majority of the total number of authorized directors, whether or not there exist any vacancies in previously authorized directorships. The business transacted at the special meeting is limited to the business that was brought before the meeting by or at the direction of the board of directors.

Advance Notice Requirements for Stockholder Proposals and Director Nominations

Our bylaws provide that stockholders entitled to vote seeking to nominate candidates for election as directors or to bring business before an annual meeting of stockholders must provide timely notice of their proposal in writing to the secretary. Generally, to be timely, a stockholder's notice must be received at our principal executive offices not less than 45 days nor more than 75 days prior to the anniversary date of the date on which we mailed our proxy materials for the immediately preceding year's annual meeting of stockholders. Our bylaws also specify requirements as to the form and content of a stockholder's notice. These provisions may impede a stockholder's ability to bring matters before an annual meeting of stockholders or make nominations for directors at an annual meeting of stockholders.

Preferred Shares

Our second amended and restated certificate of incorporation gives our board of directors the sole authority to determine the terms of any one or more series of preferred stock, including voting rights, conversion rates, and liquidation preferences. As a result of the ability to fix voting rights for a series of preferred stock, our board of

directors has the power, consistent with its fiduciary duty, to issue a series of preferred stock to persons friendly to management in order to attempt to block a post-tender offer merger or other transaction by which a third party seeks control.

Amendment of Certificate of Incorporation and Bylaws

We may amend our second amended and restated certificate of incorporation in accordance with the requirements of the DGCL; provided, however, that an affirmative vote of at least a majority of the voting power of all of the then-outstanding shares of the capital stock of the Company then entitled to vote thereon, voting

TABLE OF CONTENTS

together as a single class, is required to amend or to repeal certain provisions of our certificate of incorporation, including the provisions relating to the number of directors, director and officer indemnification and certain amendments of our certificate of incorporation and our bylaws. Our bylaws may be amended by a majority vote of the full board of directors, or by a majority of the voting power of all of the then-outstanding shares of the capital stock of the Company then entitled to vote thereon, voting together as a single class.

Board of Directors Vacancies

Our second amended and restated certificate of incorporation and our amended and restated bylaws authorize only our board of directors to fill vacant directorships. In addition, the number of directors constituting our board of directors may be determined only by resolution adopted by a majority vote of the full board of directors. These provisions prevent a stockholder from increasing the size of our board of directors and gaining control of our board of directors by filling the resulting vacancies with its own nominees.

Delaware Takeover Statute

We have opted out of Section 203 of the DGCL, which, subject to certain exceptions, prohibits a Delaware corporation from engaging in any of a broad range of business combinations with any interested stockholder, as defined below, for a period of three years following the date that such stockholder became an interested stockholder, unless: (i) prior to such date, our board of directors approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder; (ii) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, excluding for purposes of determining the number of shares outstanding those shares owned (a) by persons who are directors and officers and (b) by employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or (iii) on or after such date, the business combination is approved by our board of directors and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least sixty-six and two-thirds percent (66²/₃%) of the outstanding voting stock which is not owned by the interested stockholder. An interested stockholder is defined as any person that is (a) the owner of 15% or more of the outstanding voting stock of the corporation or (b) an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within the three-year period immediately prior to the date on which it is sought to be determined whether such person is an interested stockholder.

Forum for adjudication of disputes

Our second amended and restated certificate of incorporation provides that unless we consent in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware is the sole and exclusive forum for any derivative action or proceeding brought on our behalf, any action asserting breach of a fiduciary duty owed by any director, officer or other employee of ours, any action asserting a claim arising pursuant to the DGCL or any action asserting a claim governed by the internal affairs doctrine. Although we have included a choice of forum provision in our second amended and restated certificate of incorporation, it is possible that a court could rule that such provision is inapplicable or unenforceable. In addition, this provision would not affect the ability of our stockholders to seek remedies under the federal securities laws.

Corporate Opportunity

Our second amended and restated certificate of incorporation provides that the doctrine of corporate opportunity will not apply against Standard General L.P. and any stockholder of ours that is an affiliate of Standard General L.P.

(collectively, Standard General) in a manner that would prohibit it from investing in competing businesses or doing business with our clients or customers. In addition, Standard General is permitted to engage in business activities or invest in or acquire businesses which may compete with our business or do business with any client of ours.

Directors Liability; Indemnification of Directors and Officers

Our second amended and restated certificate of incorporation and amended and restated by-laws limit the liability of our officers and directors to the fullest extent permitted by the DGCL and provide that we will provide them with customary indemnification. We have entered into customary indemnification agreements with each of our executive officers and directors that provide them, in general, with customary indemnification in connection with their service to us or on our behalf.

TABLE OF CONTENTS

DESCRIPTION OF DEPOSITARY SHARES

General

We may offer fractional shares of preferred stock, rather than full shares of preferred stock. If we decide to offer fractional shares of preferred stock, we will issue receipts for depositary shares. Each depositary share will represent a fraction of a share of a particular series of preferred stock. The prospectus supplement will indicate that fraction. The shares of preferred stock represented by depositary shares will be deposited under a depositary agreement between us and a bank or trust company that meets certain requirements and is selected by us (the "Bank Depositary"). Each owner of a depositary share will be entitled to all the rights and preferences of the preferred stock represented by the depositary share. The depositary shares will be evidenced by depositary receipts issued pursuant to the depositary agreement. Depositary receipts will be distributed to those persons purchasing the fractional shares of preferred stock in accordance with the terms of the offering.

We have summarized selected provisions of a depositary agreement and the related depositary receipts. The summary is not complete. The forms of the depositary agreement and the depositary receipts relating to any particular issue of depositary shares will be filed with the SEC in connection with our offering of the depositary shares, and you should read such documents for provisions that may be important to you.

As of the date of this prospectus, we had no depositary shares issued and outstanding.

Dividends and Other Distributions

The depositary will distribute all cash dividends or other cash distributions, if any, received in respect of the preferred stock underlying the depositary shares to the record holders of depositary shares in proportion to the numbers of depositary shares owned by those holders on the relevant record date. The relevant record date for depositary shares will be the same date as the record date for the underlying preferred stock.

If there is a distribution other than in cash, the depositary will distribute property (including securities) received by it to the record holders of depositary shares, unless the depositary determines that it is not feasible to make the distribution. If this occurs, the depositary may, with our approval, adopt another method for the distribution, including selling the property and distributing the net proceeds from the sale to the holders.

Liquidation Preference

If a series of preferred stock underlying the depositary shares has a liquidation preference, in the event of the voluntary or involuntary liquidation, dissolution or winding up of us, holders of depositary shares will be entitled to receive the fraction of the liquidation preference accorded each share of the applicable series of preferred stock, as set forth in the applicable prospectus supplement.

Withdrawal of Stock

Unless the related depositary shares have been previously called for redemption, upon surrender of the depositary receipts at the office of the depositary, the holder of the depositary shares will be entitled to delivery, at the office of the depositary to or upon his or her order, of the number of whole shares of the preferred stock and any money or other property represented by the depositary shares. If the depositary receipts delivered by the holder evidence a number of depositary shares in excess of the number of depositary shares representing the number of whole shares of preferred stock to be withdrawn, the depositary will deliver to the holder at the same time a new depositary receipt evidencing the excess number of depositary shares. In no event will the depositary deliver fractional shares of

preferred stock upon surrender of depositary receipts. Holders of preferred stock thus withdrawn may not thereafter deposit those shares under the deposit agreement or receive depositary receipts evidencing depositary shares therefor.

Redemption of Depositary Shares

Whenever we redeem shares of preferred stock held by the depositary, the depositary will redeem as of the same redemption date the number of depositary shares representing shares of the preferred stock so redeemed, so long as we have paid in full to the depositary the redemption price of the preferred stock to be redeemed plus an amount equal to any accumulated and unpaid dividends on the preferred stock to the date fixed for redemption. The redemption price per depositary share will be equal to the redemption price and any other amounts per share

TABLE OF CONTENTS

payable on the preferred stock multiplied by the fraction of a share of preferred stock represented by one depositary share. If less than all the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected by lot or pro rata or by any other equitable method as may be determined by the depositary.

After the date fixed for redemption, depositary shares called for redemption will no longer be deemed to be outstanding and all rights of the holders of depositary shares will cease, except the right to receive the monies payable upon redemption and any money or other property to which the holders of the depositary shares were entitled upon redemption upon surrender to the depositary of the depositary receipts evidencing the depositary shares.

Voting the Preferred Stock

Upon receipt of notice of any meeting at which the holders of the preferred stock are entitled to vote, the depositary will mail the information contained in the notice of meeting to the record holders of the depositary receipts relating to that preferred stock. The record date for the depositary receipts relating to the preferred stock will be the same date as the record date for the preferred stock. Each record holder of the depositary shares on the record date will be entitled to instruct the depositary as to the exercise of the voting rights pertaining to the number of shares of preferred stock represented by that holder's depositary shares. The depositary will endeavor, insofar as practicable, to vote the number of shares of preferred stock represented by the depositary shares in accordance with those instructions, and we will agree to take all action that may be deemed necessary by the depositary in order to enable the depositary to do so. The depositary will not vote any shares of preferred stock except to the extent it receives specific instructions from the holders of depositary shares representing that number of shares of preferred stock.

Charges of Depositary

We will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. We will pay charges of the depositary in connection with the initial deposit of the preferred stock and any redemption of the preferred stock. Holders of depositary receipts will pay transfer, income and other taxes and governmental charges and such other charges (including those in connection with the receipt and distribution of dividends, the sale or exercise of rights, the withdrawal of the preferred stock and the transferring, splitting or grouping of depositary receipts) as are expressly provided in the deposit agreement to be for their accounts. If these charges have not been paid by the holders of depositary receipts, the depositary may refuse to transfer depositary shares, withhold dividends and distributions and sell the depositary shares evidenced by the depositary receipt.

Amendment and Termination of the Deposit Agreement

The form of depositary receipt evidencing the depositary shares and any provision of the deposit agreement may be amended by agreement between us and the depositary. However, any amendment that materially and adversely alters the rights of the holders of depositary shares, other than fee changes, will not be effective unless the amendment has been approved by the holders of a majority of the outstanding depositary shares. The deposit agreement may be terminated by the depositary or us only if:

- all outstanding depositary shares have been redeemed; or
- there has been a final distribution of the preferred stock in connection with our dissolution and such distribution has been made to all the holders of depositary shares.

Resignation and Removal of Depositary

The depositary may resign at any time by delivering to us notice of its election to do so, and we may remove the depositary at any time. Any resignation or removal of the depositary will take effect upon our appointment of a successor depositary and its acceptance of such appointment. The successor depositary must be appointed within 60

days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having the requisite combined capital and surplus as set forth in the applicable agreement.

Notices

The depositary will forward to holders of depositary receipts all notices, reports and other communications, including proxy solicitation materials received from us, that are delivered to the depositary and that we are required to furnish to the holders of the preferred stock. In addition, the depositary will make available for inspection by holders of depositary receipts at the principal office of the depositary, and at such other places as it may from time to time deem advisable, any reports and communications we deliver to the depositary as the holder of preferred stock.

Limitation of Liability

Neither we nor the depositary will be liable if either we or it is prevented or delayed by law or any circumstance beyond its control in performing its obligations. Our obligations and those of the depositary will be limited to performance in good faith of our and their duties thereunder. We and the depositary will not be obligated to prosecute or defend any legal proceeding in respect of any depositary shares or preferred stock unless satisfactory indemnity is furnished. We and the depositary may rely upon written advice of counsel or accountants, on information provided by persons presenting preferred stock for deposit, holders of depositary receipts or other persons believed to be competent to give such information and on documents believed to be genuine and to have been signed or presented by the proper party or parties.

DESCRIPTION OF UNITS

We may issue, in one or more series, units consisting of common stock and/or warrants for the purchase of common stock in any combination. Each unit will be issued so that the holder of the unit is also the holder of each security included in the unit. Thus, the holder of a unit will have the rights and obligations of a holder of each included security. The units may be issued under unit agreements to be entered into between us and a unit agent, as detailed in the prospectus supplement relating to the units being offered. The prospectus supplement will describe:

• the designation and terms of the units and of the securities comprising the units, including whether and under what circumstances the securities comprising the units may be held or transferred separately

• a description of the terms of any unit agreement governing the units

• a description of the provisions for the payment, settlement, transfer or exchange of the units and

• whether the units if issued as a separate security will be issued in fully registered or global form.

While the terms summarized above will apply generally to any units that we may offer, we will describe the particular terms of any series of units in more detail in the applicable prospectus supplement. The terms of any units offered under a prospectus supplement may differ from the terms described above. The form of unit agreement, including any related agreements or certificates, relating to any particular issue of units will be filed with the SEC promptly in connection with our offering of the units, and you should read such documents for provisions that may be important to you. The material provisions of the units and any unit agreements are subject to, and qualified in their entirety by reference to, all the provisions of the unit agreement and related agreements and certificates applicable to the particular series of units that we may offer under this prospectus. We urge you to read the applicable prospectus supplements related to the particular series of units that we may offer under this prospectus, as well as any related free writing prospectuses, and the complete unit agreements and related agreements and certificates that contain the terms of the units.

TABLE OF CONTENTS

The selling stockholders may act independently of us in making decisions with respect to the timing, manner and size of each of their sales.

Offers to purchase securities may be solicited directly by us and the sale thereof may be made by us directly to institutional investors or others. In such a case, no underwriters or agents would be involved. We may use electronic media, including the Internet, to sell offered securities directly.

If underwriters are used in the sale of any securities, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions, including negotiated transactions, at a fixed public offering price or at varying prices determined at the time of sale. The securities may be either offered to the public through underwriting syndicates represented by managing underwriters, or directly by underwriters. Generally, the underwriters' obligations to purchase the securities will be subject to certain conditions precedent. Depending on the type of offering, the underwriters may be obligated to purchase all of the securities if they purchase any of the securities (other than any securities purchased upon exercise of any over-allotment option). The underwriters may receive compensation from us or a selling stockholder, for whom they may act as agents, in the form of discounts, concessions or commissions. Underwriters may sell our common stock to or through dealers, and the dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as agents. Such compensation may be in excess of customary discounts, concessions or commissions.

We or the selling stockholders may offer the securities covered by this prospectus into an existing trading market on the terms described in the prospectus supplement relating thereto. Underwriters, dealers and agents who participate in any at-the-market offerings will be described in the prospectus supplement relating thereto. To the extent that we make sales through one or more underwriters or agents in at-the-market offerings, we will do so pursuant to the terms of a sales agency financing agreement or other at-the-market offering arrangement between us and the underwriters or agents. If we engage in at-the-market sales pursuant to any such agreement, we will issue and sell the securities through one or more underwriters or agents, which may act on an agency basis or on a principal basis. During the term of any such agreement, we may sell our securities on a daily basis in exchange transactions or otherwise as we agree with the underwriters or agents. The agreement will provide that any securities sold will be sold at prices related to the then-prevailing market prices for our securities. Therefore, exact figures regarding proceeds that will be raised or commissions to be paid cannot be determined at this time. Pursuant to the terms of the agreement, we also may agree to sell, and the relevant underwriters or agents may agree to solicit offers to purchase, blocks of our securities. The terms of each such agreement will be set forth in more detail in the applicable prospectus supplement.

We or the selling stockholders may sell the securities through agents from time to time. The prospectus supplement will name any agent involved in the offer or sale of the securities and any commissions paid to them. Generally, any agent will be acting on a best efforts basis for the period of its appointment.

If we or the selling stockholders utilize a dealer in the sale of the securities in respect of which this prospectus is delivered, we or the selling stockholders, as applicable, may sell such securities to the dealer, as principal. The dealer may then resell such securities to the public at varying prices to be determined by the dealer at the time of resale.

In effecting sales, broker-dealers or agents engaged by us or the selling stockholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts, or concessions from us or the selling stockholders in amounts to be negotiated immediately prior to the sale. Such compensation may be in excess of customary discounts, concessions or commissions.

In connection with the sale of the securities or otherwise, we or the selling stockholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the securities covered by this prospectus

in the course of hedging the positions they assume. We or the selling stockholders may also sell short the securities covered by this prospectus and deliver the securities to close out short positions, or loan or pledge the securities covered by this prospectus to broker-dealers that in turn may sell these securities. We or the selling stockholders may enter into option or other transactions with broker-dealers that involve the delivery of the shares offered hereby to the broker-dealers, who may then resell or otherwise transfer those securities.

A selling stockholder that is an entity may elect to make a pro rata in-kind distribution of the shares of common stock to its members, partners or shareholders. To the extent a distributee is an affiliate of ours (or to

the extent otherwise required by law), we may file a prospectus supplement in order to permit the distributees to use the prospectus to resell the common stock acquired in the distribution. A selling stockholder that is an individual may make gifts of shares of common stock covered hereby. Such donees may use the prospectus to resell the shares or, if required by law, we may file a prospectus supplement naming such donees.

Any underwriter, broker-dealer, or agent that participates in the distribution of the securities may be deemed to be an underwriter as defined in the Securities Act. Any commissions paid or any discounts or concessions allowed to any such persons, and any profits they receive on resale of the securities, may be deemed to be underwriting discounts and commissions under the Securities Act. We will identify any underwriters or agents and describe their compensation in a prospectus supplement. Any compensation paid to underwriters, dealers or agents in connection with the offering of the securities, and any discounts, concessions or commissions allowed by underwriters to participating dealers will be provided in the applicable prospectus supplement.

The aggregate proceeds to us and the selling stockholders from the sale of the any securities will be the purchase price of such securities less discounts and commissions, if any.

Underwriters or agents may purchase and sell the securities in the open market. These transactions may include over-allotment, stabilizing transactions, syndicate covering transactions and penalty bids. Over-allotment involves sales in excess of the offering size, which creates a short position. Stabilizing transactions consist of bids or purchases for the purpose of preventing or retarding a decline in the market price of the securities and are permitted so long as the stabilizing bids do not exceed a specified maximum. Syndicate covering transactions involve the placing of any bid on behalf of the underwriting syndicate or the effecting of any purchase to reduce a short position created in connection with the offering. The underwriters or agents also may impose a penalty bid, which permits them to reclaim selling concessions allowed to syndicate members or certain dealers if they repurchase the securities in stabilizing or covering transactions. These activities may stabilize, maintain or otherwise affect the market price of the securities, which may be higher than the price that might otherwise prevail in the open market. These activities, if begun, may be discontinued at any time. These transactions may be effected on any exchange on which the securities is traded, in the over-the-counter market or otherwise.

Our common stock is listed on the NYSE under the symbol TPB.

Agents, broker-dealers and underwriters may be entitled to indemnification by us and, if applicable, the selling stockholders, against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments which the agents or underwriters may be required to make in respect thereof.

Agents, broker-dealers and underwriters or their affiliates may engage in transactions with, or perform services for, us or the selling stockholders (or their affiliates) in the ordinary course of business. We and the selling stockholders may also use underwriters or other third parties with whom we or such selling stockholders have a material relationship. We and the selling stockholders (or their affiliates) will describe the nature of any such relationship in the applicable prospectus supplement.

We and the selling stockholders are subject to the applicable provisions of the Exchange Act and the rules and regulations under the Exchange Act, including Regulation M, which may limit the timing of purchases and sales of any of the securities offered in this prospectus by the selling stockholders and any other person. The anti-manipulation rules under the Exchange Act may apply to sales of securities in the market and to the actions of the Company, the selling stockholders and their respective affiliates.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not

be sold unless it has been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

To the extent required, this prospectus may be amended and/or supplemented from time to time to describe a specific plan of distribution. Instead of selling securities under this prospectus, we and/or the selling stockholder may sell the securities offered pursuant to other available exemptions from the registration requirements of the Securities Act.
