Introductory Note

On February 5, 2018, Hubbell Incorporated (the “Company”) filed a Current Report on Form 8-K (the “Initial Filing”) to report the completion of its acquisition of Meter Readings Holding Group, LLC (“Aclara”) pursuant to that certain Agreement and Plan of Merger (the “Merger Agreement”), dated as of December 22, 2017, by and among Aclara, Hubbell Power Systems, Inc., a wholly owned subsidiary of the Company, Yellow Merger Sub, Inc., an indirect wholly owned subsidiary of the Company (“Merger Sub”), Sun Meter Readings, LP, as representative for Aclara’s members and optionholders, and, for the limited purposes set forth therein, the Company. Pursuant to the Merger Agreement, Merger Sub merged with and into Aclara in accordance with Delaware law (the “Merger”), with Aclara surviving the Merger as a wholly owned indirect subsidiary of the Company.

The Company is filing this amendment to the Initial Filing for the purpose of including the financial information described in Item 9.01(a) of Form 8-K and the pro forma information described in Item 9.01(b) of Form 8-K, which information was previously omitted in accordance with the instructions to Item 9.01 of Form 8-K.

The unaudited pro forma condensed combined financial information has been compiled in a manner consistent with the accounting policies adopted by Hubbell. Hubbell is in the process of performing a detailed review of Aclara’s accounting policies. As a result of that review, Hubbell may identify additional differences between the accounting policies of the two companies and, when conformed, the final acquisition accounting adjustments may be materially different from the unaudited pro forma adjustments. Such differences may include impacts arising from Hubbell’s assessment of accounting policies and practices for estimating warranty obligations, capitalization of software development costs, and uncertain tax positions, among others. Additionally, certain financial information of Aclara as presented in its historical consolidated financial statements has been reclassified to conform to the historical presentation in Hubbell’s consolidated financial statements for purposes of preparation of the unaudited pro forma condensed combined financial information. There were no transactions between Hubbell and Aclara during the periods presented in the unaudited pro forma condensed combined financial information.
