PROSPECTUS SUMMARY

This summary highlights important features of this offering and the information included or incorporated by reference in this prospectus. This summary does not contain all of the information you should consider before investing in our Common Stock. You should carefully read this prospectus, any applicable prospectus supplement and the information incorporated by reference in this prospectus and any applicable prospectus supplement before you invest in our Common Stock.

ChromaDex Corporation

The business of ChromaDex Corporation is conducted by our principal subsidiaries, ChromaDex, Inc., Healthspan Research, LLC, ChromaDex Analytics, Inc. and ChromaPharma, Inc. We are a natural products company that leverages our complementary business units to discover, acquire, develop and commercialize patented and proprietary ingredient technologies that address the dietary supplement, food, beverage, skin care and pharmaceutical markets. Through our ingredients segment, we offer our branded ingredients such as NIAGEN®, nicotinamide riboside, and pTeroPure®, pterostilbene. With the acquisition of Healthspan Research, LLC in March 2017, we established a consumer product segment, which offers finished bottled dietary supplement products that contain NIAGEN®. We also have a core standards and contract services segment, which focuses on natural product fine chemicals (known as “phytochemicals”) and regulatory consulting services. As a result of our relationships with leading universities and research institutions, we are able to discover and license early stage, intellectual property-backed ingredient technologies. We then utilize our business to develop commercially viable proprietary ingredients. Our proprietary ingredient portfolio is backed with clinical and scientific research, as well as extensive intellectual property protection.

Private Placement

On November 3, 2017, we entered into a Securities Purchase Agreement (the “Purchase Agreement”) with certain purchasers named therein (the “Purchasers”), pursuant to which we agreed to sell and issue up to \$23.0 million of our Common Stock at a purchase price of \$4.10 per share. On November 17, 2017, we held the closing under the Purchase Agreement and issued 5,609,755 shares of Common Stock to the Purchasers (the “Shares”) at a purchase price of \$4.10 per share. The Shares were not initially registered under the Securities Act or any state securities laws. We have relied on the exemption from the registration requirements of the Securities Act by virtue of Section 4(a)(2) thereof and Rule 506 of Regulation D thereunder. In connection with the Purchasers’ execution of the Purchase Agreement, the Purchasers represented to us that they are each an “accredited investor” as defined in Regulation D of the Securities Act and that the Shares being purchased by them are being acquired solely for their own account and for investment purposes and not with a view to the future sale or distribution.

On November 3, 2017, we entered into a Registration Rights Agreement with the Purchasers (the “Registration Rights Agreement”). Pursuant to the Registration Rights Agreement, we agreed to (i) file one or more registration statements with the SEC to cover the resale of the Shares by the Purchasers, (ii) use our reasonable best efforts to have all such registration statements declared effective within the timeframes set forth in the Registration Rights Agreement, and (iii) use our commercially reasonable efforts to keep such registration statements effective during the timeframes set forth in the Registration Rights Agreement. In the event that such registration statements are not filed or declared effective within the timeframes set forth in the Registration Rights Agreement, any such effective registration statements subsequently become unavailable, or the Purchasers are unable to sell the Shares because we have failed to satisfy the current public information requirement of Rule 144 under the Securities Act, we would be required to pay liquidated damages to the Purchasers equal to 1.0% of the aggregate purchase price per month for each default (up to a maximum of 5% of such aggregate purchase price).

Edgar Filing: ChromaDex Corp. - Form 424B3

The registration statement of which this prospectus is a part relates to the resales of the Shares issued to the Purchasers under the Purchase Agreement.

#### Relationship with Selling Stockholders

As discussed in greater detail above under the section “Prospectus Summary – Private Placement,” in November 2017, we entered into the Purchase Agreement with the selling stockholders pursuant to which we sold and issued the Shares to the selling stockholders and entered into the Registration Rights Agreement with the selling stockholders pursuant to which we agreed to file a registration statement with the SEC to cover the resale of the Shares by the selling stockholders. Except as noted in the footnotes to the Selling Stockholders table above, none of the selling stockholders has held any position or office with us or our affiliates within the last three years or has had a material relationship with us or any of our predecessors or affiliates within the past three years, other than as a result of the ownership of our shares or other securities.

Table of Contents

PLAN OF DISTRIBUTION

We are registering the Shares issued to the selling stockholders to permit the resale of these Shares by the holders of the Shares from time to time after the date of this prospectus. We will not receive any of the proceeds from the sale by the selling stockholders of the Shares. We will bear all fees and expenses incident to our obligation to register the Shares.

The selling stockholders may sell all or a portion of the Shares beneficially owned by them and offered hereby from time to time directly or through one or more underwriters, broker-dealers or agents. If the Shares are sold through underwriters or broker-dealers, the selling stockholders will be responsible for underwriting discounts or commissions or agent's commissions. The Shares may be sold on any national securities exchange or quotation service on which the securities may be listed or quoted at the time of sale, in the over-the-counter market or in transactions otherwise than on these exchanges or systems or in the over-the-counter market and in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions. The selling stockholders may use any one or more of the following methods when selling Shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer will attempt to sell the Shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

an exchange distribution in accordance with the rules of the applicable exchange;

privately negotiated transactions;

settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;

broker-dealers may agree with the selling stockholders to sell a specified number of such Shares at a stipulated price per share;

through the writing or settlement of options or other hedging transactions, whether such options are listed on an options exchange or otherwise;

a combination of any such methods of sale; and

any other method permitted pursuant to applicable law.

The selling stockholders also may resell all or a portion of the Shares in open market transactions in reliance upon Rule 144 under the Securities Act, as permitted by that rule, or Section 4(1) under the Securities Act, if available, rather than under this prospectus, provided that they meet the criteria and conform to the requirements of those provisions.

Broker-dealers engaged by the selling stockholders may arrange for other broker-dealers to participate in sales. If the selling stockholders effect such transactions by selling Shares to or through underwriters, broker-dealers or agents, such underwriters, broker-dealers or agents may receive commissions in the form of discounts, concessions or commissions from the selling stockholders or commissions from purchasers of the Shares for whom they may act as agent or to whom they may sell as principal. Such commissions will be in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction will not be in excess of a customary brokerage commission in compliance with FINRA Rule 5110.

In connection with sales of the Shares, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Shares in the course of hedging in positions they assume. The selling stockholders may also sell Shares short and if such short sale shall take place after the date that the registration statement of which this prospectus is a part is declared effective by the SEC, the selling stockholders may deliver Shares of Common Stock covered by this prospectus to close out short positions and to return borrowed Shares in connection with such short sales. The selling stockholders may also loan or pledge Shares to broker-dealers that in turn may sell such Shares, to the extent permitted by applicable law. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of Shares offered by this prospectus, which Shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction). Notwithstanding the foregoing, the selling stockholders have been advised that they may not use Shares registered on the registration statement of which this prospectus is a part to cover short sales of our Common Stock made prior to the date the registration statement, of which this prospectus forms a part, has been declared effective by the SEC.

The selling stockholders may, from time to time, pledge or grant a security interest in some or all of the Shares of Common Stock owned by them and, if they default in the performance of their secured obligations, the pledgees or secured parties may offer and sell the Shares from time to time pursuant to this prospectus or any amendment to this prospectus under Rule 424(b)(3) or other applicable provision of the Securities Act amending, if necessary, the list of selling stockholders to include the pledgee, transferee or other successors in interest as selling stockholders under this prospectus. The selling stockholders also may transfer and donate the Shares in other circumstances in which case the transferees, donees, pledgees or other successors in interest will be the selling beneficial owners for purposes of this prospectus.

## Table of Contents

The selling stockholders and any broker-dealer or agents participating in the distribution of the Shares may be deemed to be “underwriters” within the meaning of Section 2(11) of the Securities Act in connection with such sales. In such event, any commissions paid, or any discounts or concessions allowed to, any such broker-dealer or agent and any profit on the resale of the Shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Selling stockholders who are “underwriters” within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

Each selling stockholder has informed us that it is not a registered broker-dealer and does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the Common Stock. Upon us being notified in writing by a selling stockholder that any material arrangement has been entered into with a broker-dealer for the sale of Common Stock through a block trade, special offering, exchange distribution or secondary distribution or a purchase by a broker or dealer, a supplement to this prospectus will be filed, if required, pursuant to Rule 424(b) under the Securities Act, disclosing (i) the name of each such selling stockholder and of the participating broker-dealer(s), (ii) the number of shares involved, (iii) the price at which such shares of Common Stock were sold, (iv) the commissions paid or discounts or concessions allowed to such broker-dealer(s), where applicable, (v) that such broker-dealer(s) did not conduct any investigation to verify the information set out or incorporated by reference in this prospectus, and (vi) other facts material to the transaction. In no event shall any broker-dealer receive fees, commissions and markups, which, in the aggregate, would exceed eight percent (8%).

Under the securities laws of some states, the Shares may be sold in such states only through registered or licensed brokers or dealers. In addition, in some states the Shares may not be sold unless such Shares have been registered or qualified for sale in such state or an exemption from registration or qualification is available and is complied with.

There can be no assurance that any selling stockholder will sell any or all of the Shares registered pursuant to the registration statement of which this prospectus forms a part.

Each selling stockholder and any other person participating in such distribution will be subject to applicable provisions of the Exchange Act, and the rules and regulations thereunder, including, without limitation, Regulation M of the Exchange Act, which may limit the timing of purchases and sales of any of the Shares by the selling stockholder and any other participating person. Regulation M may also restrict the ability of any person engaged in the distribution of the Shares to engage in market-making activities with respect to the Shares of Common Stock. All of the foregoing may affect the marketability of the Shares and the ability of any person or entity to engage in market-making activities with respect to the Shares.

The selling stockholders will pay any underwriting discounts and commissions incurred in disposing of the Shares. We will bear all other expenses incident to our performance of or compliance with the Registration Rights Agreement, including (i) all registration and filing fees, (ii) all fees and expenses in connection with compliance with any securities or “Blue Sky” laws, (iii) all printing and delivery expenses, (iv) all fees and disbursements of counsel for us and of all independent certified public accountants of us, (v) Securities Act liability insurance or similar insurance if we so desire or the underwriters so require in accordance with then-customary underwriting practice, (vi) all fees and expenses incurred in connection with the listing of the Shares on any securities exchange, (vii) any reasonable fees and disbursements of underwriters customarily paid by issuers or sellers of securities, (viii) all fees and expenses of any special experts retained by us in connection with any registration, (ix) all of our internal expenses (including all salaries and expenses of our officers and employees performing legal or accounting duties), (x) all expenses related to the “road-show” for any underwritten offering, including all travel, meals and lodging, (xi) all reasonable fees and disbursements of one legal counsel for the selling stockholders in an amount not to exceed \$50,000 in the aggregate

during the term of the Registration Rights Agreement and (xii) any other fees and disbursements customarily paid by the issuers of securities. We will indemnify the selling stockholders against certain liabilities, including some liabilities under the Securities Act, in accordance with the Registration Rights Agreement, or the selling stockholders will be entitled to contribution. We may be indemnified by the selling stockholders against civil liabilities, including liabilities under the Securities Act, that may arise from any written information furnished to us by the selling stockholders specifically for use in this prospectus, in accordance with the Registration Rights Agreement, or we may be entitled to contribution.
