Edgar Filing: Intellipharmaceutics International Inc. - Form 6-K

Report is filed, to the extent not superseded by documents or reports subsequently filed or furnished by Intellipharmaceutics International Inc. under the Securities Act of 1933 or the Securities Exchange Act of 1934.

On March 13, 2018, Intellipharmaceutics International Inc. (the “Company”) entered into Securities Purchase Agreements (the “Purchase Agreements”) with certain institutional investors (the “Purchasers”) providing for the purchase and sale by the Company of an aggregate 5,833,334 common shares of the Company, no par value (the “Common Shares”), at a purchase price of US\$0.60 per share. Concurrently with the sale of the Common Shares, pursuant to the Purchase Agreements, the Company also sold unregistered warrants to purchase up to an aggregate of 2,916,667 Common Shares (the “Warrants”). The aggregate gross proceeds for the sale of the Common Shares and Warrants is expected to be approximately US\$3,500,000. The Warrants will be initially exercisable commencing six months from the issuance date at an exercise price equal to US\$0.60 per full Common Share, subject to adjustments as provided under the terms of the Warrants. The Warrants will expire thirty (30) months after the initial exercise date. The closing of the sales of these securities under the Purchase Agreements are expected to occur on or about March 16, 2018, subject to the satisfaction of customary closing conditions.

The net proceeds to the Company from the transactions, after deducting the placement agent’s fees and expenses (not including the Wainwright Warrants, as defined below), the Company’s estimated offering expenses, and excluding the proceeds, if any, from the exercise of the Warrants, are expected to be approximately US\$3,000,000. The Company currently intends to use the net proceeds of this offering for general corporate purposes, which may include working capital, capital expenditures, research and development, accounts payable and other commercial expenditures.

The Common Shares (but not the Warrants or the Common Shares underlying the Warrants) were offered and sold by the Company through a prospectus supplement pursuant to the Company’s shelf registration statement on Form F-3, which was originally filed with the Securities and Exchange Commission (the “SEC”) on May 26, 2017 and subsequently declared effective on July 17, 2017 (File No. 333-218297) (the “Registration Statement”). The Company will file a prospectus supplement and the accompanying prospectus in connection with the sale of the Common Shares.

The Warrants and the shares issuable upon exercise of the Warrants are being sold and issued without registration under the Securities Act of 1933 (the “Securities Act”) in reliance on the exemptions provided by Section 4(a)(2) of the Securities Act as transactions not involving a public offering and Rule 506 promulgated under the Securities Act as sales to accredited investors, and in reliance on similar exemptions under applicable state laws.

The Company also entered into an engagement letter (the “Engagement Letter”) with H.C. Wainwright & Co., LLC (“Wainwright”) on March 12, 2018, pursuant to which Wainwright agreed to serve as exclusive placement agent for the issuance and sale of the Common Shares and Warrants. The Company has agreed to pay Wainwright a cash fee equal to 7% of the aggregate gross proceeds received by the Company from the sale of the securities in the transactions. Pursuant to the Engagement Letter, the Company also agreed to grant to Wainwright or its designees warrants to purchase up to 5% of the aggregate number of shares sold in the transactions and issued on closing (the “Wainwright Warrants”). The Engagement Letter has indemnity and other customary provisions for transactions of this nature. The Wainwright Warrants have substantially the same terms as the Warrants, except that the exercise price of the Wainwright Warrants equals US\$0.75 per share. The Wainwright Warrants and the shares issuable upon exercise of the Wainwright Warrants will be issued in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act as transactions not involving a public offering and in reliance on similar exemptions under applicable state laws. The Company will also pay Wainwright a reimbursement for non-accountable expenses of US\$25,000.00 and up to US\$40,000.00 for invoiced fees and expenses of legal counsel and other invoiced out-of-pocket expenses. In addition, the Company will also pay a reimbursement for up to US\$10,000.00 for the out-of-pocket costs of clearing agent settlement and financing.

The forms of Purchase Agreement, the Warrant and the Wainwright Warrant, as well as the Engagement Letter are filed as Exhibits 99.1, 99.2, 99.3 and 99.4, respectively, hereto. The foregoing summaries of the terms of these documents do not purport to be complete and are qualified in their entirety by reference to Exhibits 99.1, 99.2, 99.3 and 99.4 hereto, which are incorporated herein by reference.

A copy of the opinion of Gowling WLG (Canada) LLP, relating to the legality of the issuance and sale of the securities in the Offering is attached as Exhibit 5.1 hereto.

On March 13, 2018, the Company terminated its continuous offering under the Company's prospectus supplement dated July 18, 2017 and prospectus dated July 17, 2017 in respect of the Company's at-the-market program. If the Company seeks to offer and sell common shares under the at-the-market program, the Company will file another prospectus supplement prior to making such additional offers and sales. The Company is not required to sell shares under the equity distribution agreement. There can be no assurance that any additional shares will be sold under the Company's at-the-market program.
