PROXY STATEMENT

For Annual Meeting of Shareholders

This statement and the accompanying proxy card, which are first being sent to shareholders on approximately January 15, 2002, are being furnished in connection with a solicitation of proxies by the Board of Directors of General Employment Enterprises, Inc. (the "Company"), an Illinois corporation, to be voted at the Annual Meeting of Shareholders to be held on Tuesday, February 19, 2002, at 10:00 a.m., local time, in the Lane Room of the Hilton Suites Hotel, 10 Drury Lane, in Oakbrook Terrace, Illinois 60181.

The only voting securities of the Company entitled to be voted at the Annual Meeting are the shares of Common Stock, of which there were 5,120,776 outstanding on December 28, 2001, the record date for the Annual Meeting. Shareholders are entitled to one vote for each share held except that, in elections for directors, each shareholder has cumulative voting rights. When voting cumulatively, each shareholder has the number of votes equal to the number of directors to be elected (six) multiplied by the number of his or her shares. Such number of votes may be divided equally among all nominees, may be cumulated for one nominee, or may be distributed on any basis among as many nominees as is desired.

Each proxy that is properly signed and received before the Annual Meeting will, unless such proxy has been revoked, be voted in accordance with the instructions on such proxy. If no instruction is indicated on the proxy card, the shares will be voted for election of the six nominees for director listed in this proxy statement. Proxies given may be revoked at any time before the voting thereof by delivering to the Company a written statement revoking the proxy or a subsequently dated proxy, or by attending the meeting and voting in person.

A quorum of shareholders is necessary to take action at the Annual Meeting. A majority of the total outstanding shares of Common Stock of the Company, represented in person or by proxy, will constitute a quorum for purposes of the meeting. Abstentions or broker non-votes will be treated as shares of Common Stock that are present for purposes of determining the presence of a quorum. The six nominees for director receiving the highest number of votes cast will be elected directors of the Company; abstentions and broker non-votes will have no effect on the vote for the election of directors. "Broker non-votes" refers to a broker or other nominee holding shares for a beneficial owner not voting on a proposal because the broker or other nominee does not have discretionary voting power regarding that item and has not received instructions from the beneficial owner.

Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

Compensation of Directors

During the last fiscal year, directors, who were not full-time employees of the Company, were compensated at the rate of \$2,000 per month. Compensation for non-employee Executive Committee members is \$1,000 per meeting; however, no Executive Committee meetings were held in fiscal 2001. Since Audit Committee, Compensation Committee and Stock Option Committee meetings are held in conjunction with regular Board meetings, Committee members receive no additional fee for serving on these Committees.

Employment Agreements

Herbert F. Imhoff had an employment agreement with the Company dated October 1, 1962, providing for exclusive continuous employment during a period of time mutually agreeable to the parties. He served as the Company's Chairman and Chief Executive Officer until his death on June 6, 2001 and continued to receive his base salary up through that date.

During fiscal 2001, Herbert F. Imhoff and Herbert F. Imhoff, Jr. each had employment security agreements with the Company which provided for payments in the amount of twice their respective annual compensation, plus continued participation in any employment benefit plan maintained by the Company in which the executive participated at the date of termination, in the event that the employment of the executive would be terminated by the Company for any reason other than good cause within twenty-four months following a change of control of the Company.

Herbert F. Imhoff, Jr. has been President and Chief Operating Officer of the Company since 1997 and continues to serve in that capacity. The Company entered into an employment agreement with Mr. Imhoff, Jr., effective August 1, 2001, to serve as Chairman of the Board and Chief Executive Officer, replacing his

employment security agreement. The new agreement between Mr. Imhoff, Jr. and the Company provides for a three-year term of employment, at a minimum annual base salary of \$450,000. Under the terms of the agreement, Mr. Imhoff, Jr. is also eligible to earn an annual performance bonus and is entitled to receive certain perquisites and benefits. In the event the Company would terminate his employment for any reason other than for cause, Mr. Imhoff, Jr. would be entitled to continue to receive compensation and benefits for a period of three years.

The Company has employment agreements with Marilyn L. White, Gregory Chrisos and Kent M. Yauch. Under the terms of their agreements, these employees would be entitled to continuation of base salary for a one-year period as well as continuation of certain employee welfare benefits, if their employment were terminated following a change in control of the Company.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

It is the responsibility of the Compensation Committee to review and recommend to the Board for approval, the compensation plans for the Company's Chief Executive Officer and Chief Operating Officer. This compensation review and evaluation considers the performance and contributions of these officers and compares the overall performance of the Company with others in its industry, while taking into account general economic and competitive conditions.

The Chief Executive Officer establishes compensation programs covering the other executive officers of the Company, and the Compensation Committee reviews these programs on an annual basis.

It is the goal of the Company's compensation programs to establish compensation levels that will enable the Company to retain talented individuals and motivate them to achieve stated objectives while providing them with competitive compensation opportunities based on their personal performance and contributions to the Company's success. To achieve this, the Company has compensation programs for its executive officers that consist of three primary components: base salary, annual performance bonus and stock option awards.

Base Salary

Salaries for executive officers are reviewed on an annual basis, and discretionary adjustments to each executive officer's base salary are based upon the individual's performance and overall performance of the Company as a whole. It is believed that in fiscal 2001 the executive officers of the Company were compensated at levels comparable to their peers in other service and staffing businesses of similar size. No quantifying surveys or measurable statistics were utilized in determining executive compensation for fiscal 2001.

Performance Bonus

Under the 2001 Executive Bonus Plan established November 2000 for the then Chief Executive Officer and for the then President and Chief Operating Officer, certain performance levels and profit goals for the Company were established. In addition, the

Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

Company had bonus plans in effect during fiscal 2001 covering Ms. White and Mr. Chrisos, under which the executives were eligible to receive a percentage of their respective region's profits that exceeded specified levels. Under the established bonus formulas for 2001, no bonuses were earned by any named executive officer.

Stock Option Awards

As an additional incentive to improve performance, executive officers of the Company, including the Chief Executive Officer, are granted stock options from time to time. Stock options are granted by the Stock Option Committee and have an exercise price equal to the fair market value of the Company's stock on the date of grant, and thus reward the recipient only if the Company's stock price appreciates above the price on the date of grant.

Compensation of the Chairman of the Board and Chief Executive Officer

During the Company's 2001 fiscal year and until his death in June 2001, as Chairman of the Board and Chief Executive Officer, Herbert F. Imhoff was paid a base salary at the rate of \$467,544 per annum, and was provided with a bonus plan contingent upon the Company achieving specific earnings for fiscal 2001. No bonus was earned or paid to Mr. Imhoff during fiscal 2001.

Herbert F. Imhoff, Jr. was named Chairman of the Board and Chief Executive Officer in July 2001, at an annual salary of \$450,000, effective August 1, 2001. Mr. Imhoff, Jr. had a bonus plan for fiscal 2001 which was based upon the Company achieving certain earnings for the year. Since the specific performance level was not achieved, Mr. Imhoff, Jr. received no bonus award during fiscal 2001.

In determining the base salary for Mr. Imhoff, Jr. when he assumed the position of Chief Executive Officer, the Compensation Committee considered the compensation levels in effect for comparable positions with other publicly-traded staffing companies.
