SUPPLEMENTAL PROXY SOLICITING MATERIAL

IN CONNECTION WITH THE CORPORATION'S 2004 ANNUAL MEETING

SCHEDULED FOR JUNE 2, 2004

Stockholders of General Motors Corporation ("GM") entitled to vote at GM's 2004 Annual Meeting are asked to vote in support of the recommendations of the Board of Directors for the reasons set forth in the Proxy Statement which was distributed to stockholders together with the notice of the meeting and on the basis of the information provided below.

The following supplements the position taken by the General Motors Board of Directors in the Proxy Statement of General Motors Corporation relating to its 2004 Annual Meeting with respect to the response to the shareholder proposal set forth as Item Number 5 in that proxy statement:

It has been and continues to be the role of the Presiding Director of GM's Board of Directors to not only review but also approve matters such as agenda for board meetings, the information sent to the board and meeting schedules (both as to when they occur and the sufficiency of time allocated to agenda items). Similarly, the Presiding Director has been and will continue to be elected by the independent directors, can call meetings of the independent directors, serves as liaison between the chairman and the independent directors (although all independent directors are encouraged to freely communicate with the Chairman at any time) and presides at meetings of the board when the chairman is not present. Finally, if requested by major shareholders, the Presiding Director is available for consultation and direct communication.
