American Electric Power Company, Inc. ("AEP") hereby amends its Declaration on Form U-1, in File No. 70-6126, as heretofore amended, as follows:

1. By amending and restating the paragraphs under Compliance with Rule 54:

Compliance with Rule 54

Rule 54 provides that, in determining whether to approve an application which does not relate to any EWG or FUCO, the Commission shall not consider

## Edgar Filing: AMERICAN ELECTRIC POWER COMPANY INC - Form POS AMC

the effect of the capitalization or earnings of any such EWG or FUCO which is a subsidiary of a registered holding company if the requirements of Rule 53(a), (b) and (c) are satisfied.

AEP consummated the merger with Central and South West Corporation on June 15, 2000 pursuant to an order issued June 14, 2000 (HCAR No. 27186), which further authorized AEP to invest up to 100% of its consolidated retained earnings, with consolidated retained earnings to be calculated on the basis of the combined consolidated retained earnings of AEP and CSW (as extended pursuant to HCAR No. 27316, December 26, 2000, the "Rule 53(c) Order").

AEP currently meets all of the conditions of Rule 53(a) and none of the conditions set forth in Rule 53(b) exist or will exist as a result of the transactions proposed herein.

Rule 53(a)(1) At September 30, 2001, AEP's "aggregate investment", as defined in Rule 53(a)(1), in EWGs and FUCOs was approximately \$1.547 billion, or about 48.0% of AEP's "consolidated retained earnings", also as defined in Rule 53(a)(1), for the four quarters ended September 30, 2001 (\$3.225 billion).

Rule 53(a)(2) Each FUCO in which AEP invests will maintain books and records and make available the books and records required by Rule 53(a)(2).

Rule 53(a)(3) No more than 2% of the employees of the electric utility subsidiaries of AEP will, at any one time, directly or indirectly, render services to any FUCO.

Rule 53(a)(4) AEP has submitted and will submit a copy of Item 9 and Exhibits G and H of AEP's Form U5S to each of the public service commissions having jurisdiction over the retail rates of AEP's electric utility subsidiaries.

Rule 53(b) (i) Neither AEP nor any subsidiary of AEP is the subject of any pending bankruptcy or similar proceeding; (ii) AEP's average consolidated retained earnings for the four quarters ended September 30, 2001 (\$3,225,000,000) represented a decrease of approximately \$285,000,000 (or 8.8%) in the average consolidated retained earnings from the four quarters ended September 30, 2000 (\$3,510,000,000); and (iii) for the fiscal year ended December 31, 2000, AEP did not report operating losses attributable to its direct or indirect investments in EWGs and FUCOs.

AEP's interests in EWGs and FUCOs have made a positive contribution to earnings over the four calendar years ending after the Rule 53(c) Order. Accordingly, since the date of the Rule 53(c) Order, the capitalization and earnings attributable to AEP's investments in EWGs and FUCOs has not had an adverse impact on AEP's financial integrity.

### 2. By amending and restating Item 2, Fees, Commissions and Expenses:

The fees, commissions and expenses incurred or expected to be incurred in connection with the transactions proposed in this Post-Effective Amendment are estimated not to exceed \$2,000, including fees and expenses to be billed at cost by American Electric Power Service Corporation.

### 3. By amending and restating Item 4, Regulatory Approval as follows:

No Federal or State commission or regulatory body, other than this Commission, has jurisdiction over the proposed transactions for which authorization is requested herein.

### 4. By filing these exhibits:

Exhibit B-2	Copy of American Electric Power System Employees Savings Plan, as amended through the date hereof (to be filed by amendment)
Exhibit B-3	Copy of Central and South West Corporation Retirement Savings Plan (formerly known as the Central and South West Thrift Plan), as amended through the date hereof (to be filed by amendment)
