Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Entergy Corporation (“Entergy”) held its 2015 Annual Meeting of Shareholders (“Annual Meeting”) on May 8, 2015 in Montgomery, Texas. At the Annual Meeting, Entergy’s shareholders, upon the recommendation of the Board of Directors (the “Board”), approved the Entergy Corporation Amended and Restated Executive Annual Incentive Plan (the “Executive Annual Incentive Plan”). In general, the Executive Annual Incentive Plan provides for the award of cash incentives to our eligible officers based on the achievement over our fiscal year of performance objectives established by the Personnel Committee. All incentive awards payable under the Executive Annual Incentive Plan are paid in cash. This summary of the Executive Annual Incentive Plan is qualified in its entirety by reference to the full text of the Executive Annual Incentive Plan, which is attached hereto as Exhibit 99.1 and incorporated herein by reference. A more detailed summary of the Plan can be found in Entergy’s definitive proxy statement for the Annual Meeting (the “Proxy Statement”), which was filed with the Securities and Exchange Commission (“SEC”) on March 20, 2015.

Also, at the Annual Meeting, Entergy’s shareholders, upon the recommendation of the Board, approved the 2015 Equity Ownership Plan of Entergy Corporation and Subsidiaries (the “2015 EOP”). The 2015 EOP authorizes the Personnel Committee of the Board to provide equity-based compensation of up to 6,900,000 shares of Entergy’s common stock in the form of stock options, stock appreciation rights (“SARs”), stock awards, stock units, other stock-based awards and performance awards. Our directors, officers and other employees are eligible to receive awards under the 2015 EOP.

The 2015 EOP provides for a double trigger accelerated vesting for employees following a change in control, establishes minimum vesting periods for all awards (three years for service-based vesting and one year for performance-based vesting, subject to limited exceptions), and includes a requirement that all awards are subject to the “clawback” policy adopted by our Board. It also provides that no underwater stock options or SARs will be repriced without shareholder approval and that no stock options or SARs will be granted with an exercise price less than the fair market value of our common stock on the date of grant. This summary of the 2015 EOP is qualified in its entirety by reference to the full text of the 2015 EOP, which is attached hereto as Exhibit 99.2 and incorporated herein by reference. A more detailed summary of the 2015 EOP can be found in the Proxy Statement.
