Item 1.01

Entry into a Material Definitive Agreement.

On December 19, 2008, AmeriServ Financial, Inc. (the Company) entered into a Letter Agreement (the Purchase Agreement) with the United States Department of the Treasury (the Treasury), pursuant to which the Company agreed to issue and sell (i) 21,000 shares of the Company's Fixed Rate Cumulative Perpetual Preferred Stock, Series D, par value \$2.50 per share (the Series D Preferred Stock), and (ii) a warrant (the Warrant) to purchase 1,312,500 shares of the Company's common stock, par value \$2.50 per share (the Common Stock), for an aggregate purchase price of \$21,000,000 in cash. The Purchase Agreement is attached as Exhibit 10.1 hereto and is incorporated herein by reference.

The Series D Preferred Stock will qualify as Tier 1 capital and will pay cumulative dividends at a rate of 5% per annum for the first five years, and 9% per annum thereafter. The Series D Preferred Stock may be redeemed by the Company after three years. Prior to the end of three years, the Series D Preferred Stock may be redeemed by the Company only with proceeds from the sale of qualifying equity securities of the Company (a Qualified Equity Offering). The restrictions on redemption are set forth in the Certificate of Designations described in Item 5.03 below.

The Warrant has a 10-year term and is immediately exercisable upon its issuance, with an exercise price, subject to anti-dilution adjustments, equal to \$2.40 per share of the Common Stock. The Warrant is attached as Exhibit 4.1 hereto and is incorporated herein by reference.

If the Company receives aggregate gross cash proceeds of not less than \$21,000,000 from Qualified Equity Offerings on or prior to December 31, 2009, the number of shares of Common Stock issuable pursuant to Treasury's exercise of the Warrant will be reduced by one half of the original number of shares, taking into account all adjustments, underlying the Warrant. Pursuant to the Purchase Agreement, Treasury has agreed not to exercise voting power with respect to any shares of Common Stock issued upon exercise of the Warrant.

The Series D Preferred Stock and the Warrant were issued in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended. Upon the request of Treasury at any time, the Company has agreed to promptly register the Series D Preferred Stock, the Warrant, and the shares of Common Stock underlying the Warrant (the Warrant Shares). Neither the Series D Preferred Stock nor the Warrant will be subject to any contractual restrictions on transfer, except that Treasury may only transfer or exercise an aggregate of one-half of the Warrant Shares prior to the earlier of the redemption of 100% of the shares of Series D Preferred Stock and December 31, 2009.

In the Purchase Agreement, the Company agreed that, until such time as Treasury ceases to own any debt or equity securities of the Company acquired pursuant to the Purchase Agreement, the Company will take all necessary action to ensure that its benefit plans with respect to its senior executive officers comply with Section 111(b) of the

Emergency Economic Stabilization Act of 2008 (the EESA) as implemented by any guidance or regulation under the EESA that has been issued and is in effect as of the date of issuance of the Series D Preferred Stock and the Warrant, and has agreed to not adopt any benefit plans with respect to, or which covers, its senior executive officers that do not comply with the EESA, and the applicable executives have consented to the foregoing.

The foregoing description of the Purchase Agreement and the Warrant and the transactions contemplated thereunder does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement and the Warrant, which are attached hereto as Exhibits 10.1 and 4.1, respectively, and are incorporated herein by reference.

Please note that the representations and warranties of each party set forth in the Purchase Agreement have been made solely for the benefit of the other party to the Purchase Agreement. In addition, such representations and warranties (i) have been qualified by confidential disclosures made to the other party in connection with the Purchase Agreement, (ii) are subject to materiality qualifications contained in the Purchase Agreement which may differ from what may be viewed as material by investors, (iii) were made only as of the date of the Purchase Agreement or such other date as is specified in the Purchase Agreement, and (iv) may have been included in the Purchase Agreement for the purpose of allocating risk between the Company and Treasury rather than establishing matters as facts. Accordingly, the Purchase Agreement is included with this filing only to provide investors with information regarding the terms of the Purchase Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses. The Purchase Agreement should not be read alone, but should instead be read in conjunction with the other information regarding the Company, as well as in the public disclosure documents that the Company files with the Securities and Exchange Commission from time to time.

Item 3.02

Unregistered Sales of Equity Securities.

The information set forth under Item 1.01 Entry into a Material Definitive Agreement of this Current Report on Form 8-K is incorporated by reference into this Item 3.02.

Item 3.03

Material Modification to Rights of Security Holders.

Upon issuance of the Series D Preferred Stock on December 19, 2008, the ability of the Company to declare or pay dividends or distributions on, or purchase, redeem or otherwise acquire for consideration, shares of its Junior Stock (as defined below) and Parity Stock (as defined below) will be subject to restrictions, including the Company's restriction against increasing dividends from the last quarterly cash dividend per share declared on the Common Stock prior to October 14, 2008. The redemption, purchase or other acquisition of trust preferred securities of the Company or its affiliates also will be restricted. These restrictions will terminate on the earlier of (a) the third anniversary of the date of issuance of the Series D Preferred Stock and (b) the date on which the Series D Preferred Stock has been redeemed in whole or Treasury has transferred all of the Series D Preferred Stock to third parties. The restrictions described in this paragraph are set forth in the Purchase Agreement.

In addition, pursuant to the Certificate of Designations, the ability of the Company to declare or pay dividends or distributions on, or repurchase, redeem or otherwise acquire for consideration, shares of its Junior Stock and Parity Stock will be subject to restrictions in the event that the Company fails to declare and pay full dividends (or declare and set aside a sum sufficient for payment thereof) on its Series D Preferred Stock. These restrictions are set forth in the Certificate of Designations described in Item 5.03.

Junior Stock means the Common Stock and any other class or series of stock of the Company the terms of which expressly provide that it ranks junior to the Series D Preferred Stock as to dividend rights and/or rights on liquidation, dissolution or winding up of the Company. Parity Stock means any class or series of stock of the Company the terms of which do not expressly provide that such class or series will rank senior or junior to the Series D Preferred Stock as to dividend rights and/or rights on liquidation, dissolution or winding up of the Company (in each case without regard to whether dividends accrue cumulatively or non-cumulatively).

Item 5.02

The Series D Preferred Stock has a liquidation preference of \$1,000 per share. The Certificate of Designations is attached hereto as Exhibit 3.2 and is incorporated by reference herein.
