Sandata Technologies Reports Completion of a Going Private Transaction
through Merger with Sandata Acquisition Corp. Following Approval by
Sandata's Stockholders

Port Washington, NY, May 30, 2003 - Sandata Technologies, Inc. (NASDAQ: SAND) announced today that its stockholders approved the proposed merger with Sandata Acquisition Corp. Following the vote at a special meeting of Sandata's stockholders, the merger was consummated and Sandata filed notices with the Securities and Exchange Commission and with the NASDAQ Stock Market requesting

Edgar Filing: SANDATA TECHNOLOGIES INC - Form 8-K

termination of registration and removal from listing, respectively.

As previously announced, an investor group that includes Bert Brodsky, the Chairman and Chief Executive Officer of Sandata, certain other members of Sandata's management, will be the owners of Sandata's common stock following the merger. All Sandata stockholders other than the members of the investor group and those who properly pursue an appraisal of their Sandata shares are entitled to receive \$2.21 for each share held.

Sandata, headquartered in Port Washington, New York, is a leading provider of advanced Information Technology (IT) solutions for payroll and billing, electronic time and attendance services and IT support services.

This press release contains forward-looking statements which involve known and unknown risks and uncertainties or other factors that may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. When used herein, the words "may", "could", "will", "believes", "anticipates", "expects" and similar expressions identify forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. For a discussion of such risks and uncertainties, including but not limited to those discussed above in this press release, as well as risks relating to developments in and regulation of the health-care industry, new technology developments, competitive bidding, risks and uncertainties associated with the Internet and Internet-related products, and other factors, readers are urged to carefully review and consider various disclosures made by the Company in its Annual Report on Form 10-KSB for the most recently completed fiscal year and other Securities and Exchange Commission filings.
