Versar Announces Solid Year End Results along with Its Fifth
Consecutive Profitable Quarter

Springfield, VA, Wednesday, September 15, 2004 VERSAR, Inc.

Edgar Filing: VERSAR INC - Form 8-K

(Amex: VSR) today announced positive financial results for the fiscal year ending June 30, 2004. Net income for fiscal year 2004 was \$1,191,000 or \$0.16 per share compared to a loss of \$1,008,000, \$0.14 per share or approximately a \$2.2 million or a \$.40 per share improvement over last year. Operating income increased in fiscal year 2004 by \$1,015,000 over the prior fiscal year on gross revenue of \$60,454,000, a 6% increase compared to gross revenue for the prior fiscal year. The improved financial results are the result of last year's restructuring program along with rebuilding the Company for future growth.

Versar finished the year with a funded backlog of \$46 million, a 44% increase over that reported at the end of the prior fiscal year. In addition, total contract backlog (backlog the Company expects to book with existing unfunded multi-year contracts) increased to an all time high of \$370 million. This was due to the award of several new large, multi-year contracts as well as winning all of its contracts that were up for re-compete in fiscal year 2004.

Versar's balance sheet was strengthened so that as of June 30, 2004, the Company completely repaid its line of credit and held approximately \$817,000 in cash. Versar now has approximately \$6 million of working capital for future business growth. The Company's equity has now exceeded \$10 million and the balance sheet ratios exceed industry averages.

Gross revenue for the fourth quarter was \$17,431,000, a 21% increase over the same quarter of fiscal year 2003. Net income for the fourth quarter was \$461,000 or \$0.06 per share compared to \$519,000 or \$0.07 per share for the fourth quarter the previous year. The slight drop in profitability in the fourth quarter 2004 was due to unplanned costs as a result of new regulatory requirements in the Company's chemical and biological laboratories.

Dr. Ted Procriv, President and CEO of Versar said "The operational and financial results for fiscal year 2004 create a strong foundation for future success. The results of our restructuring and focus on the federal marketplace have led to a new, directed organization which will allow us to take advantage of the tremendous business opportunities in the infrastructure and national security marketplaces. Five profitable quarters, a growing backlog and strengthened balance sheet, now enables Versar to focus on growth; both on the top and bottom line."
