TO OUR STOCKHOLDERS:

NOTICE IS HEREBY GIVEN that, on November 11, 2014, the Company obtained (i) the unanimous approval of the Board and (ii) the written consent of stockholders

Edgar Filing: URBAN TELEVISION NETWORK CORP - Form PRE 14C

holding the majority of the voting power of the issued and outstanding shares of the Company's stock to:

effectuate an increase of the authorized common shares from 200,000,000, par value \$.0001, to 1,200,000,000, par value \$.00001;

and effectuate an increase in the Preferred Stock from 500,000 par value \$1.00 per share, to 3,000,000 par value \$1.00 per share and effectuate an increase in the votes from 1 to 500 votes per share of the Company's Series A Preferred Stock

OUTSTANDING SHARES AND VOTING RIGHTS

As of November 11, 2014, the Company's authorized capitalization consisted of 200,000,000 common shares, par value \$.0001, of which 130,000,000 shares were issued and outstanding, and 500,000 preferred shares, par value \$1.00, of which 200,000 shares, are designated as Preferred Stock were issued and outstanding.

Each share of common stock of the Company entitles its holder to one vote on each matter submitted to Company's stockholders, and each share of Series A Preferred Stock of the Company entitles its holder to 3 votes on each matter submitted to the Company's stockholders. However, because holders of the majority of the voting power of the issued and outstanding capital stock have consented to the foregoing actions by resolution dated November 11, 2014 in lieu of a special meeting in accordance with Section 78.320 of the Nevada Revised Statutes, and because these shareholders hold sufficient voting power to approve such actions through the ownership of voting stock, no other stockholder vote will be solicited in connection with this Information Statement.

AMENDMENT TO URBAN TELEVISION NETWORK CORPORATION ARTICLES OF INCORPORATION

The Board and holders of the majority of the voting power of the issued and outstanding capital stock have approved an amendment to our Articles of Incorporation to affect an increase in the number of authorized shares of Common Stock and an amendment to the terms of the Company's Preferred Stock to increase the votes per Preferred Share.

We intend to file an amendment to our Articles of Incorporation with the Secretary of State for the State of Nevada effectuating the above actions. Pursuant to Rule 14c-2 under the Exchange Act, the actions will not be effective, and the Amendment will not be filed, until twenty (20) days after the date this Information Statement is filed with the Securities and Exchange Commission and a copy thereof is mailed to each of our stockholders. It is presently contemplated that such filing will be made on or about January 6, 2015

The Authorized Common Stock Increase

The purpose of the increase in common stock is to increase the number of shares of our common stock available for issuance to investors who agree to provide the Company with the funding it requires to continue its operations, and/or to persons in connection with potential acquisition transactions, warrant or option exercises and other transactions under which our Board may determine is in the best interest of the Company and our stockholders to issue shares of common stock. As of the date of this Information Statement, we have not identified any potential investors and have not entered into any agreements relating to any potential investment in the Company or otherwise pursuant to which we will issue shares of common stock.

Edgar Filing: URBAN TELEVISION NETWORK CORP - Form PRE 14C

The increase in the authorized shares of Common Stock will not have any immediate effect on the rights of existing stockholders, but may have a dilutive effect on our existing stockholders if additional shares are issued.

We are not increasing our authorized common shares to construct or enable any anti-takeover defense or mechanism on behalf of the Company. While it is possible that management could use the additional shares to resist or frustrate a third-party transaction providing an above-market premium that is favored by a majority of the stockholders, we have no intent or plan to employ the additional unissued authorized shares as an anti-takeover device.

Amendment of Terms of Preferred Share

The Board approved the amendment of the terms of the Series A Preferred Shares to further the Company's best interest. The amended terms will increase the voting power of the Preferred Shares from 1 vote per share to 400 votes per share. We feel that this is necessary to maintain the relative voting rights of the Preferred Stock after taking into account the increase in the authorized shares of Common Stock.

Currently, there is no plan to issue any additional preferred shares. In the event any additional preferred shares are issued in the future, shareholders may suffer dilution to their ownership of the Company at the time of the issuance of the preferred shares. No additional corporate action is needed to issue any preferred shares. The Company may even issue preferred shares as a defensive mechanism in order to attempt to stop a hostile take-over by another company; there is no plan to do so at this time.

EFFECTIVE DATE OF THE AMENDMENT

Pursuant to Rule 14c-2 under the Exchange Act, the corporate actions will not be effective, until at least twenty (20) days after the date on which this Information Statement is filed with the Securities and Exchange Commission and a copy hereof has been mailed to each of our stockholders of record as of the Record Date. The Company anticipates that this Information Statement will be mailed to our stockholders as of the Record Date on or about November 11, 2014. Therefore, the Company anticipates that the corporate actions discussed above will be effective, and the amendment to our Articles of Incorporation will be filed with the Secretary of State for the State of Nevada, on or about January 6, 2015.

The Company has asked brokers and other custodians, nominees and fiduciaries to forward this Information Statement to the beneficial owners of the Company's common stock and will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.
