Item 7.01 Regulation FD Disclosure.

On May 18, 2016, The Andersons, Inc. issued a statement to local news outlets in response to a letter published by HC2 Holdings, Inc. clarifying the expected cost of our new corporate headquarters:

"The dollar figure published in the letter regarding the cost of our new headquarters is grossly exaggerated. The company is currently headquartered in a building dating back to the 1980s with a lease that soon will be expiring and that no longer meets the growth requirements of our company. Scheduled to be completed in September, the new building brings all of the company's administration under one roof and also provides significant flexibility to meet the needs of our growing company. This building represents a \$54 million dollar investment in our company's future and our home region."

This response is being furnished pursuant to Item 7.01, and the information contained therein shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such filing.
