Item 8.01. Other Events.

On July 9, 2013, Regal Beloit Corporation (the “Company”) determined that it will cease operations at the Company's Springfield, Missouri manufacturing facility (the “Springfield Facility”). The Springfield Facility manufactures motors and components for use in residential HVAC applications and employs approximately 330 employees. The Company will move the manufacture of motors and components from the Springfield Facility to other Company manufacturing facilities in the United States and Mexico. The Company expects this transition to occur over the next 18 months.

The Company expects to incur approximately \$13 million in restructuring and related expenses associated with the transition, including approximately \$4 million in 2013 and \$9 million in 2014. This total includes employee termination costs, accelerated depreciation charges, and other exit costs. Associated with this transition, the Company will also incur approximately \$9 million in capital investment.

The Company expects to generate annual ongoing savings beginning in 2014. Company management plans to discuss the costs and benefits of this transition during the Company's second quarter earnings call to be held at 9:00 am CDT on July 31, 2013.

99News Release of Regal Beloit Corporation, dated July 9, 2013.

This Current Report on Form 8-K includes “forward-looking statements” intended to qualify for the safe harbor from liability established by the Private Securities Litigation Reform Act of 1995. These forward-looking statements can generally be identified as such because the context of the statement will include words such as the Company “believes,” “anticipates,” “expects,” “plans,” or “estimates” or words of similar meaning. Similarly, statements that describe future plans, objectives, outlooks, targets, guidance or goals are also forward-looking statements. Such forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from those anticipated as of the date of this Current Report. These risks and uncertainties include, among other things, uncertainties regarding the timing of implementing the transition plan relating to the Springfield Facility, the amounts of the related charges, uncertainties regarding the Company's ability to execute the Company's restructuring plans within expected costs and timing, as well as other factors detailed in the Company's Securities and Exchange Commission filings. Shareholders, potential investors, and other readers are urged to consider these factors in evaluating the forward-looking statements and cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements included in this Current Report are only made as of the date of this report, and the Company disclaims any obligation to publicly update such forward-looking statements to reflect subsequent events or circumstances.
