Explanatory Note

USA Truck, Inc. is amending its definitive proxy statement on Schedule 14A filed with the Securities and Exchange Commission on April 4, 2012 (the "2012 Proxy Statement") in order to properly reflect the total number of shares held by all current directors and executive officers as a group in the Security Ownership of Certain Beneficial Owners, Directors and Executive Officers table (the "Table") on page three (3) of the 2012 Proxy Statement. After filing the 2012 Proxy Statement, it was discovered that the total number of shares owned by all current directors and executive officers as a group and the percent of class owned by that group were overstated. It was also discovered that the shares reported as being beneficially owned by Mr. William H. Hanna excluded certain shares he purchased during February 2012. The following Table has been revised to indicate the correct total number of shares owned by all current directors and executive officers as a group and the percent of class owned by that group. In addition, the total shares reported as being beneficially owned by Mr. Hanna has been revised to indicate the correct total. None of the footnotes to the table were changed, and therefore the footnotes have not been included as part of this filing.

AMENDMENT

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS,

DIRECTORS AND EXECUTIVE OFFICERS

The following table sets forth certain information with respect to each of our current directors (including the three nominees for election at the Annual Meeting), each executive officer named in the Summary Compensation Table, and all current directors and executive officers as a group, including the beneficial ownership of our Common Stock as of March 5, 2012 for each individual and the group. The table also lists the name, address and share ownership information for all stockholders known to us to own, directly or indirectly, more than 5% of the outstanding shares of Common Stock, our only class of voting securities, as of March 5, 2012. Each person named in the table, unless otherwise indicated, has sole voting and investment power with respect to the shares indicated as being beneficially owned by him or it.
