PROXY STATEMENT

FOR THE JOINT ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON APRIL 4, 2012

This proxy statement ("Proxy Statement") is furnished to the holders of common shares of beneficial interest, par value \$0.01 per share ("Shares"), of Fiduciary/Claymore MLP Opportunity Fund ("FMO"), Guggenheim Build America Bonds Managed Duration Trust ("GBAB"), Guggenheim Enhanced Equity Income Fund ("GPM"), Guggenheim Strategic Opportunities Fund ("GOF") (FMO, GBAB, GPM, and GOF are each referred to herein as a "Fund" and collectively as the "Funds") in connection with the solicitation by the Board of Trustees (the "Board") of each Fund of proxies to be voted at the joint annual meeting of shareholders of the Funds to be held on Wednesday, April 4, 2012, and any adjournment, postponement or delay thereof (the "Annual Meeting"). The Annual Meeting will be held at the offices of the Funds, 2455 Corporate West Drive, Lisle, Illinois 60532 on Wednesday, April 4, 2012, at 10:00 a.m. (Central time).

This Proxy Statement will give you the information you need to vote on the matters listed on the accompanying Notice of Joint Annual Meeting of Shareholders ("Notice of Joint Annual Meeting"). Much of the information in this Proxy Statement is required under rules of the U.S. Securities and Exchange Commission ("SEC"). If there is anything you don't understand, please contact us at our toll-free number, (800) 345-7999.

Each Fund will furnish to any shareholder, without charge, a copy of such Fund's most recent annual report and semi-annual report to shareholders upon request. Requests should be directed to Guggenheim Funds Distributors, LLC, 2455 Corporate West Drive, Lisle, Illinois 60532, (800) 345-7999.

The Notice of Annual Meeting, this Proxy Statement and the enclosed proxy card(s) are first being sent to the Funds' shareholders on or about March 7, 2012.

- Why is a shareholder meeting being held?

The Shares of each Fund are listed on the New York Stock Exchange ("NYSE") and the rules of the NYSE require each Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year.

- What proposal will be voted on?

1. To elect Trustees in the following manner:

- (a) With Respect to FMO, GBAB and GPM: To elect the Trustee nominees named in this Proxy Statement, Mr. Roman Friedrich III and Mr. Ronald A. Nyberg, as Class II Trustees to serve until the Fund's 2015 annual meeting of shareholders or until their respective successors shall have been elected and qualified.
- (b) With Respect to GPM Only: To elect the Trustee nominee named in this Proxy Statement, Mr. Randall C. Barnes, as a Class I Trustee to serve until the Fund's 2014 annual meeting of shareholders or until his successor shall have been elected and qualified.
- (c) With Respect to GOF Only: To elect the Trustee nominees named in the accompanying proxy statement, Mr. Randall C. Barnes and Mr. Roman Friedrich III, as Class I Trustees to serve until the Fund's 2014 annual meeting of shareholders or until their respective successors shall have been elected and qualified.

- Why am I being asked to elect Trustees in two classes for GPM?

The Trustees of GPM are classified into three classes of Trustees: Class I Trustees, Class II Trustees and Class III Trustees. Generally, the Trustees of only one class are elected at each annual meeting of shareholders, so that the regular term of only one class of Trustees will expire annually and any particular Trustee stands for election only once in each three year period. However, in an effort to achieve cost savings and efficiencies in fund governance within the Fund Complex (as defined herein), GPM and certain other funds in the Fund Complex have sought to realign their boards of trustees. In furtherance of these efficiencies, the Board determined to reclassify the terms of office of certain Trustees of GPM so that their terms of office more closely match their terms of office as trustees of other funds within the Fund Complex. To complete this realignment, certain Trustees will serve a term of office of less than three years and stand for reelection sooner than they otherwise would have. Once the realignment is completed, it is expected that each Trustee will resume serving a term of office of three years in accordance with his respective Class or until his respective successor shall have been elected and qualified.

- Will your vote make a difference?

Yes! Your vote is important and could make a difference in the governance of the Fund(s), no matter how many Shares you own.

- Who is asking for your vote?

The enclosed proxy card is solicited by the Board of each Fund for use at the Annual Meeting to be held on Wednesday, April 4, 2012, and, if the Annual Meeting is adjourned, postponed or delayed, at any later meetings, for the purposes stated in the Notice of Joint Annual Meeting.

- How does the Board recommend that shareholders vote on the Proposals?

The Board unanimously recommends that you vote “FOR” the nominees of the Board for your Fund.

The Board has reviewed the qualifications and backgrounds of the Board’s nominees and believes that they are experienced in overseeing investment companies and are familiar with the Funds, their investment strategies and operations and the investment adviser and investment sub-advisers of the Funds. The Board has approved the nominees named in this Proxy Statement and believes their election is in your best interests.

- Who is eligible to vote?

Shareholders of record of each Fund at the close of business on February 17, 2012 (the “Record Date”), are entitled to be present and to vote on the applicable Proposal at the Annual Meeting or any adjournment or postponement thereof. Each share is entitled to one vote on those Proposals on which holders of those shares are entitled to vote and a fractional vote with respect to fractional Shares, with no cumulative voting. Shares represented by duly executed proxies will be voted in accordance with your instructions.

- How do you vote your Shares?

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date, and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your Shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders’ respective accounts and to ensure that, if multiple proxy cards are executed, Shares are voted in accordance with the proxy card bearing the latest date.

If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of a Fund’s Shares, in order to gain

admission you must show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your Shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of Shares of a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your Shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting. You may contact the Funds at (800) 345-7999 to obtain directions to the site of the Annual Meeting.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but don't fill in a vote, your Shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your Shares will be voted at the proxies' discretion.

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Funds a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Broker-dealer firms holding Shares of a Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their Shares on the proposal before the Annual Meeting. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The proposals are "routine" matters and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of the proposal. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner's Shares should be voted on the proposal may be deemed an instruction to vote such Shares in favor of the proposal. Broker-

dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your Shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

- What vote is required to elect a Trustee nominee?

For FMO, GBAB and GOF, the affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a Trustee nominee.

For GPM, the affirmative vote of a plurality of the Shares voted is necessary to elect a Trustee nominee.

- Why does this proxy statement list multiple closed-end funds?

The Funds have similar proposals and it is cost-efficient to have a joint proxy statement and joint annual meeting. In the event that any shareholder present at the Annual Meeting objects to the holding of a joint meeting and moves for the adjournment of his or her Fund's meeting to a time immediately after the Annual Meeting so that each Fund's meeting may be held separately, the persons named as proxies will vote in favor of such adjournment. Shareholders of each Fund will vote separately on the respective proposal relating to their Fund. In any event, an unfavorable vote on any proposal by the shareholders of one Fund will not affect the implementation of such Proposal by another Fund if the proposal

is approved by the shareholders of that Fund.

- How many shares of each Fund were outstanding as of the record date?

At the close of business on February 17, 2012, FMO had 25,283,471 Shares outstanding, GBAB had 17,409,470 Shares outstanding, GPM had 19,047,826 Shares outstanding, and GOF had 10,897,970 Shares outstanding.

THE PROPOSAL: ELECTION OF TRUSTEES

The rules of the NYSE require each Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year. Shareholders of the Funds are being asked to elect to Trustees in the following manner:

- (a) With Respect to FMO, GBAB and GPM: To elect the Trustee nominees named in this Proxy Statement, Mr. Roman Friedrich III and Mr. Ronald A. Nyberg, as Class II Trustees to serve until the Fund’s 2015 annual meeting of shareholders or until their respective successors shall have been elected and qualified.
- (b) With Respect to GPM Only: To elect the Trustee nominee named in this Proxy Statement, Mr. Randall C. Barnes, as a Class I Trustee to serve until the Fund’s 2014 annual meeting of shareholders or until his successor shall have been elected and qualified.
- (c) With Respect to GOF Only: To elect the Trustee nominees named in the accompanying proxy statement, Mr. Randall C. Barnes and Mr. Roman Friedrich III, as Class I Trustees to serve until the Fund’s 2014 annual meeting of shareholders or until their respective successors shall have been elected and qualified.

Composition of the Board of Trustees

FMO, GBAB and GPM

The Trustees of FMO, GBAB, and GPM are classified into three classes of Trustees, as follows:

Class I Trustee	Class II Trustees	Class III Trustees
Randall C. Barnes	Roman Friedrich III Ronald A. Nyberg	Robert B. Karn III Ronald E. Toupin, Jr.

GOF

The Trustees of GOF are classified into two classes of Trustees, as follows:

Class I Trustee	Class II Trustees
Randall C. Barnes Roman Friedrich III	Robert B. Karn III Ronald A. Nyberg Ronald E. Toupin, Jr.

Each Trustee nominee, if elected at the Annual Meeting, will hold office for a term in accordance with his respective Class or until his respective successor shall have been elected and qualified or until he resigns or is otherwise removed. The other Trustees of the Funds will continue to serve under their current terms and will stand for re-election at subsequent annual meetings of shareholders as indicated above.

Generally, the Trustees of only one class are elected at each annual meeting of shareholders, so that the regular term of only one class of Trustees will expire annually and any particular Trustee stands for election only once in each three year period. However, in an effort to achieve cost savings and efficiencies in fund governance within the Fund Complex (as defined herein), GPM and certain other funds in the Fund Complex have sought to realign their boards of trustees. In furtherance of these efficiencies, the Board determined to reclassify the terms of office of certain Trustees of GPM so that their terms of office more closely match their terms of office as trustees of other funds within the Fund Complex. To complete this realignment, certain Trustees will serve a term of office of less than three years and stand for reelection sooner than they otherwise would have. Once the realignment is completed, it is expected that each Trustee will resume serving a term of office of three years in accordance with his respective Class or until his respective successor shall have been elected and qualified.

Unless authority is withheld or other instructions are provided, it is the intention of the persons named in the proxy card to vote "FOR" the election of the Trustee nominees named above. Each Trustee nominee has consented to serve as a Trustee of each Fund if elected at the Annual Meeting. If a designated Trustee nominee declines or otherwise becomes unavailable for election, however, the proxy confers discretionary power on the persons named therein to vote in favor of a substitute Trustee nominee or nominees.

Trustees

Certain information concerning the current Trustees, the Trustee nominees and the officers of each of the Funds is set forth in the table below. Independent Trustees are those who are not interested persons of (i) the Funds, (ii) Guggenheim Funds Investment Advisors, LLC ("Guggenheim Funds"), each Fund's investment adviser and administrator, (iii) Fiduciary Asset Management, Inc. Each Fund is part of a fund complex that consists of U.S. registered investment companies advised or serviced by Guggenheim Funds or its affiliates (referred to herein as the "Fund Complex"). The Fund Complex is composed of 15 closed-end funds (including the Funds) and 43 exchange-traded funds. The Fund Complex is overseen by multiple boards of trustees. Board Leadership Structure

The primary responsibility of the Board is to represent the interests of the Funds and to provide oversight of the management of the Funds. The Funds' day-to-day operations are managed by the Adviser, the applicable Sub-Adviser and other service providers who have been approved by the Board. The Board is currently comprised of five Trustees, all of whom (including the chairperson) are Independent Trustees. Generally, the Board acts by majority vote of all the Trustees, including a majority vote of the Independent Trustees if required by applicable law.

The Board has appointed an Independent Trustee as chairperson, who presides at Board meetings and who is responsible for, among other things, participating in the planning of Board meetings, setting the tone of Board meetings and seeking to encourage open dialogue and independent inquiry among the trustees and management. The Board has established certain committees (as described below) and has delegated certain responsibilities to those committees, each of which is comprised solely of Independent Trustees. The Board and its committees meet periodically throughout the year to oversee the Funds' activities, review contractual arrangements with service providers, review the Funds' financial statements, oversee compliance with regulatory requirements, and review performance. The Independent Trustees are represented by independent legal counsel at Board and committee meetings. The Board has determined that this leadership structure is appropriate in light of the characteristics and circumstances of the Funds.

Board Committees

The Trustees have determined that the efficient conduct of the Funds' affairs makes it desirable to delegate responsibility for certain specific matters to committees of the Board. The committees meet as often as necessary, either in conjunction with regular meetings of the Trustees or otherwise. The committees of the Board are the Executive Committee, the Audit Committee, the Nominating and Governance Committee, and the Contracts Review Committee.

Executive Committee

Ronald A. Nyberg and Ronald E. Toupin, Jr., who are not "interested persons" of the Funds, as defined in the 1940 Act, serve on the Funds' Executive Committee. The Executive Committee is authorized to act on behalf of and with the full authority of the Board of Trustees when necessary in the intervals between meetings of the Board of Trustees.

Audit Committee

The Board has an Audit Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Karn serves as chairperson of the Audit Committee.

The Audit Committee is charged with selecting an independent registered public accounting firm for the Funds and reviewing accounting matters with the Funds' independent registered public accounting firm. Each member of the Audit Committee is an Independent Trustee as defined above and also meets the additional independence requirements for audit committee members as defined by the NYSE listing standards.

The Audit Committee is governed by a written charter (the "Audit Committee Charter"). The Audit Committee Charter is not available on the Funds' websites. In accordance with proxy rules promulgated by the SEC, a fund's audit committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The Audit Committee Charter is attached hereto as Appendix I.

The Audit Committee presents the following report on behalf of each Fund:

The Audit Committee has performed the following functions: (i) the Audit Committee reviewed and discussed the audited financial statements of the Fund with management of the Fund, (ii) the Audit Committee discussed with the Fund's independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 114 (The Auditor's Communication With Those Charged With Governance), (iii) the Audit Committee received the written disclosures and the letter from the Fund's independent registered public accounting firm required by Public Company Accounting Oversight

Board's Ethics & Independence Rule 3526 and has discussed with the Fund's independent registered public accounting firm the independence of the Fund's independent registered public accounting firm and (iv) the Audit Committee recommended to the Board of Trustees of the Fund that the financial statements be included in the Fund's Annual Reports for the past fiscal year.

Nominating and Governance Committee

The Board has a Nominating and Governance Committee, which is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee as defined above and is "independent" as defined by NYSE listing standards. Mr. Nyberg serves as chairperson of the Nominating and Governance Committee.

The Nominating and Governance Committee is governed by a written charter, the most recent version of which was (the "Nominating and Governance Committee Charter"). The Nominating and Governance Committee Charter is not available on the Funds' websites. In accordance with proxy rules promulgated by the SEC, a fund's nominating committee charter is required to be filed at least once every three years as an exhibit to a fund's proxy statement. The Nominating and Governance Committee Charter is attached hereto as Appendix II.

The Nominating and Governance Committee (i) evaluates and recommends all candidates for election or appointment as members of the Board and recommends the appointment of members and chairs of each committee of the Board, (ii) reviews policy matters affecting the operation of the Board and committees of the Board, and (iii) periodically evaluates the effectiveness of the Board and committees of the Board.

In considering Trustee nominee candidates, the Nominating and Governance Committee requires that Trustee candidates have a college degree or equivalent business experience and may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to): availability and commitment of a candidate to attend meetings and perform the responsibilities of a Trustee, relevant experience, educational background, financial expertise, the candidate's ability, judgment and expertise and overall diversity of the Board's composition. The Nominating and Governance Committee may consider candidates recommended by various sources, including (but not limited to): such Fund's Trustees, officers, investment advisers and shareholders. The Nominating and Governance Committee will not nominate a person for election to the Board as a Trustee after such person has reached the age of seventy-two (72), unless such person is an "interested person" of such Fund as defined in the 1940 Act. The Nominating and Governance Committee may, but is not required to, retain a third party search firm to identify potential candidates.

A Trustee candidate must (i) be prepared to submit written answers to a questionnaire seeking professional and personal information that will assist the

Nominating and Governance Committee to evaluate the candidate and to determine, among other matters, whether the candidate would qualify as a Trustee who is not an “interested person” of the Funds as such term is defined under the 1940 Act; (ii) be prepared to submit character references and agree to appropriate background checks; and (iii) be prepared to meet with one or more members of the Nominating and Governance Committee at a time and location convenient to those Nominating and Governance Committee members in order to discuss the nominee’s qualifications.

The Nominating and Governance Committee will consider Trustee candidates recommended by shareholders of the Funds. The Nominating and Governance Committee will consider and evaluate trustee nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources.

In considering Trustee nominee candidates, the Nominating and Governance Committee takes into account a wide variety of factors, including the overall diversity of the Board’s composition. The Nominating and Governance Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard.

To have a candidate considered by the Nominating and Governance Committee, a shareholder must submit the recommendation in writing and must include the information required by the “Procedures for Shareholders to Submit Nominee Candidates” that are set forth as Appendix B to the Nominating and Governance Committee Charter, which is attached as Appendix II hereto. Shareholder recommendations must be sent to the Funds’ Secretary, c/o Guggenheim Funds Investment Advisors, LLC, 2455 Corporate West Drive, Lisle, Illinois 60532.

The nominees for election at the Annual Meeting currently serve as Trustees and were unanimously nominated by the Board of Trustees and the Nominating and Governance Committee.

Contracts Review Committee

The Board has a Contracts Review Committee, which oversees the contract review process, including review of the Fund’s advisory agreements and other contracts with affiliated service providers. The Contracts Review Committee is composed of Randall C. Barnes, Roman Friedrich III, Robert B. Karn III, Ronald A. Nyberg and Ronald E. Toupin, Jr., each of whom is an Independent Trustee. Mr. Friedrich serves as chairperson of the Contracts Review Committee.

Fund	Fiscal Year End	Board Meetings	Audit Committee Meetings	Nominating and Governance Meetings	Contract Review Committee Meetings(1)
FMO	11/30/2011	5	3	4	0
GBAB	5/31/2011(2)	4	2	4	0
GPM	12/31/2011	4	2	5	0
GOF	5/31/2011	7	2	4	0

- (1) The Contracts Review Committee was established by the Board as of November 30, 2011. No meetings of the Contracts Review Committee were held during the Funds' most recently completed fiscal years.
- (2) GBAB commenced investment operations in October 2010.

Each Trustee attended at least 75% of the meetings of the Board (and any committee thereof on which he serves) held during the portion of each Fund's fiscal year ended in 2011, during which he was a trustee of the Fund. It is the Funds' policy to encourage Trustees to attend annual shareholders' meetings.

Board's Role in Risk Oversight

Consistent with its responsibility for oversight of the Funds, the Board, among other things, oversees risk management of the Funds' investment programs and business affairs directly and through the committee structure it has established. The Board has established the Audit Committee, the Nominating and Governance Committee and the Contracts Review Committee to assist in its oversight functions, including its oversight of the risks the Funds faces. Each committee reports its activities to the Board on a regular basis. Risks to the Funds include, among others, investment risk, credit risk, liquidity risk, valuation risk and operational risk, as well as the overall business risk relating to the Funds. The Board has adopted, and periodically reviews, policies, procedures and controls designed to address these different types of risks. Under the Board's supervision, the officers of the Funds, the Adviser, the Sub-Adviser and other service providers to the Funds also have implemented a variety of processes, procedures and controls to address various risks. In addition, as part of the Board's periodic review of the Funds' advisory, sub-advisory and other service provider agreements, the Board may consider risk management aspects of the service providers' operations and the functions for which they are responsible.

The Board requires officers of the Funds to report to the Board and its committees on a variety of matters at regular and special meetings of the Board and its committees, as applicable, including matters relating to risk management. The Audit Committee also receives reports from the Funds' independent registered public accounting firm on internal control and financial reporting matters. On at least a quarterly basis, the Board meets with the Funds' Chief Compliance Officer, including separate meetings with the Independent Trustees in executive session, to discuss compliance matters and, on at least an annual basis, receives a report from the Chief Compliance Officer regarding the effectiveness of the Funds' compliance program. The Board, with the assistance of Fund management, reviews investment policies and risks in connection with its review of the Funds'

performance. In addition, the Board receives reports from the Adviser and Sub-Adviser on the investments and securities trading of the Funds. With respect to valuation, the Board oversees a pricing committee comprised of Fund officers and Adviser personnel and has approved Fair Valuation procedures applicable to valuing the Funds' portfolio securities, which the Board and the Audit Committee periodically review. The Board also requires the Adviser to report to the Board on other matters relating to risk management on a regular and as-needed basis.

Trustee Communications

Shareholders and other interested parties may contact the Board or any Trustee by mail. To communicate with the Board or any Trustee, correspondence should be addressed to the Board or the Board members with whom you wish to communicate by either name or title. All such correspondence should be sent c/o the Secretary of the Fund or Funds at 2455 Corporate West Drive, Lisle, Illinois 60532.

Shareholder Approval

With respect to FMO, GBAB and GOF, the affirmative vote of a majority of the Shares present in person or represented by proxy and entitled to vote on the matter at the Annual Meeting at which a quorum is present is necessary to elect a Trustee nominee. Abstentions will have the same effect as votes against the election of a Trustee nominee for FMO, GBAB and GOF. “Broker non-votes” (i.e. Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owner or the persons entitled to vote and (ii) the broker does not have discretionary voting power on a particular matter) will have no effect on the outcome of the vote on a Trustee nominee for FMO, GBAB and GOF.

With respect to GPM, the affirmative vote of a plurality of the Shares voted is necessary to elect a Trustee nominee. Votes withheld and “broker non-votes” will have no effect on the outcome of the vote on a Trustee nominee for GPM.

The holders of the Shares will have equal voting rights (i.e. one vote per Share).

Board Recommendation

The Board unanimously recommends that shareholders vote “FOR” each of the nominees of the Board for your Fund.

ADDITIONAL INFORMATION

Further Information About Voting and the Annual Meeting

Quorum

With respect to FMO, GBAB and GOF, the holders of a majority of the Shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum at such meeting of the shareholders for purposes of conducting business on such matter.

With respect to GPM, thirty percent (30%) of the Shares entitled to vote on the proposal must be present in person or by proxy to have a quorum for GPM to conduct business at the Annual Meeting.

Votes withheld, abstentions and broker non-votes will be counted as Shares present at the Annual Meeting for quorum purposes.

Record Date

The Board has fixed the close of business on February 17, 2012, as the Record Date for the determination of shareholders of each Fund entitled to notice of, and to vote at, the Annual Meeting. Shareholders of each Fund as of the close of business on the Record Date will be entitled to one vote on each matter to be voted on by such Fund for each Share held and a fractional vote with respect to fractional Shares with no cumulative voting rights.

How to Vote Your Shares

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date, and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your Shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if multiple proxy cards are executed, Shares are voted in accordance with the proxy card bearing the latest date.

All Shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If you sign the proxy card, but don't fill in a vote, your Shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your Shares will be voted at the proxies' discretion.

Shareholders who execute proxy cards or record voting instructions via telephone or the Internet may revoke them at any time before they are voted by filing with the Secretary of the Funds a written notice of revocation, by delivering (including via telephone or the Internet) a duly executed proxy bearing a later date or by

attending the Annual Meeting and voting in person. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Attending the Annual Meeting

If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of a Fund's Shares, in order to gain admission you must show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your Shares through a bank, broker or other custodian, in order to gain admission you must show photographic identification, such as your driver's license, and satisfactory proof of ownership of Shares of a Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your Shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting. You may contact the Funds at (800) 345-7999 to obtain directions to the site of the Annual Meeting.

Additional Information Regarding Voting

Broker-dealer firms holding Shares of a Fund in "street name" for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on the proposal before the Annual Meeting. The Funds understand that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The proposal is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their Shares voted by broker-dealer firms in favor of the proposal. A properly executed proxy card or other authorization by a beneficial owner of Shares that does not specify how the beneficial owner's Shares should be voted on the proposal may be deemed an instruction to vote such Shares in favor of the proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your Shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

The Funds will update certain data regarding the Funds, including performance data, on a monthly basis on its website at www.guggenheimfunds.com. Investors and others are advised to periodically check the website for updated performance information and the release of other material information about the Funds.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, amended, and Section 30(h) of the 1940 Act require each Fund’s officers and Trustees, certain officers of each Fund’s investment adviser, affiliated persons of the investment adviser, and persons who beneficially own more than ten percent of each Fund’s shares to file certain reports of ownership (“Section 16 filings”) with the SEC and the NYSE. Based upon each Fund’s review of the copies of such forms effecting the Section 16 filings received by it, each Fund believes that for its most recently completed fiscal year, all filings applicable to such persons were completed and filed in a timely manner.

Privacy Principles of the Funds

The Funds are committed to maintaining the privacy of shareholders and to safeguarding their non-public personal information. The following information is provided to help you understand what personal information the Funds collect, how the Funds protect that information and why, in certain cases, the Funds may share information with select other parties.

Generally, the Funds do not receive any non-public personal information relating to their shareholders, although certain non-public personal information of their shareholders may become available to the Funds. The Funds do not disclose any

non-public personal information about their shareholders or former shareholders to anyone, except as permitted by law or as is necessary in order to service shareholder accounts (for example, to a transfer agent or third party administrator).

The Funds restrict access to non-public personal information about their shareholders to employees of Guggenheim Funds with a legitimate business need for the information. The Funds maintain physical, electronic and procedural safeguards designed to protect the non-public personal information of their shareholders.

Deadline for Shareholder Proposals

Each Fund's Amended and Restated By-Laws (the "By-Laws") require compliance with certain procedures for a shareholder to properly make a nomination for election as a Trustee or to propose other business for the Fund. If a shareholder who is entitled to do so under a Fund's By-Laws wishes to nominate a person or persons for election as a Trustee or propose other business for the Fund, that shareholder must provide a written notice to the Secretary of the Fund at the Fund's principal executive offices. Such notice must include certain information about the proponent and the proposal, or in the case of a nomination, the nominee. A copy of each Fund's By-Laws, which includes the provisions regarding the requirements for shareholder nominations and proposals, may be obtained by writing to the Secretary of the Fund at 2455 Corporate West Drive, Lisle, Illinois 60532. Any shareholder considering making a nomination or other proposal should carefully review and comply with those provisions of the Fund's By-Laws.

Shareholder proposals intended for inclusion in a Fund's proxy statement in connection with the 2013 annual meeting of shareholders pursuant to Rule 14a-8 under the Exchange Act must be received by the Fund at the Fund's principal executive offices by November 7, 2012 in order to be considered for inclusion in the Fund's proxy statement. Timely submission of a proposal does not necessarily mean that such proposal will be included in the Fund's proxy statement.

A proposal, other than a proposal submitted pursuant to Rule 14a-8, must be received by the Fund's Secretary at the Fund's principal executive offices not earlier than December 5, 2012 and not later than January 4, 2013 (which is also the date after which shareholder nominations and proposals made outside of Rule 14a-8 under the Exchange Act would not be considered "timely" within the meaning of Rule 14a-4(c) under the Exchange Act). If a proposal is not "timely" within the meaning of Rule 14a-4(c), then the persons named as proxies in the proxies solicited by the Board for the 2013 annual meeting of shareholders may exercise discretionary voting power with respect to any such proposal.

Expenses of Proxy Solicitation

The cost of soliciting proxies will be borne by the Funds in proportion to the amount of proxies solicited on behalf of a Fund to the total proxies solicited on behalf of all of the Funds. Certain officers of the Fund and certain officers and employees of Guggenheim Funds or their respective affiliates (none of whom will

receive additional compensation therefore), may solicit proxies by telephone, mail, e-mail and personal interviews. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and will be reimbursed by the Funds for such out-of-pocket expenses.

Other Matters

The management of the Funds knows of no other matters which are to be brought before the Annual Meeting. However, if any other matters not now known properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

Failure of a quorum to be present at the Annual Meeting may result in an adjournment. The persons named in the enclosed proxy card may also move for an adjournment of any meeting to permit further solicitation of proxies with respect to the proposal if they determine that adjournment and further solicitation are reasonable and in the best interests of shareholders. Any such adjournment will require the affirmative vote of a majority of the shares of the Fund present in person or by proxy and entitled to vote at the time of the meeting to be adjourned. The chairman of the Annual Meeting may also adjourn the Annual Meeting. Any adjourned meeting or meetings may be held without the necessity of another notice. The persons named in the enclosed proxy card will vote in favor of any such adjournment if they believe the adjournment and additional proxy solicitation are reasonable and in the best interests of each Fund's shareholders. For purposes of determining the presence of a quorum, abstentions and broker non-votes will be treated as shares that are present at the meeting.

Please vote promptly by signing and dating each enclosed proxy card and returning it in the accompanying postage-paid return envelope or by following the enclosed instructions to vote by telephone or over the Internet.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be Held on April 4, 2012

AUDIT COMMITTEE CHARTER

I. PURPOSE

The Audit Committee is a committee of the Board of the Trust (see Appendix A for a list of funds that have approved this Audit Committee Charter). Its primary function is to assist the Board in fulfilling certain of its responsibilities. This Charter sets forth the duties and responsibilities of the Audit Committee.

The Audit Committee serves as an independent and objective party to monitor the Trust's accounting policies, financial reporting and internal control system, as well as the work of the independent auditors. The Audit Committee assists Board oversight of (1) the integrity of the Trust's financial statements; (2) the Trust's compliance with legal and regulatory requirements; (3) the independent auditors' qualifications and independence; and (4) the performance of the Trust's independent auditors. The Audit Committee also serves to provide an open avenue of communication among the independent auditors, Trust management, the personnel responsible for internal audit functions (if any) and the Board.

- Trust management has the primary responsibility to establish and maintain systems for accounting, reporting and internal control.
- The independent auditors have the primary responsibility to plan and implement a proper audit, including consideration of the Trust's accounting, reporting and internal control practices.

The Audit Committee may have additional functions and responsibilities as deemed appropriate by the Board and the Audit Committee.

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Trust's financial statements are complete and accurate and have been prepared in accordance with generally accepted accounting principles.

II. COMPOSITION

The Audit Committee shall be comprised of three or more board members as determined by the Board, each of whom shall be an independent board member, and free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee. For purposes of the Audit Committee, a board member is independent if:

- he or she is not an "interested person" of the Trust as that term is defined in the Investment Company Act of 1940; and

- he or she does not accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the Trust (except in the capacity as a Board or committee member).

Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment (or must become financially literate within a reasonable time after his or her appointment to the Audit Committee). The Audit Committee will review the qualifications of its members and determine whether any of its members qualify as an “audit committee financial expert” as defined in Form N-CSR. The Audit Committee will submit such determination to the Board for its final determination.

The members and Chairman of the Audit Committee shall be elected by the Board annually and serve until their successors shall be duly elected and qualified.

No member of the Audit Committee shall serve on the audit committee of more than three public companies with shares registered under the Securities Exchange Act of 1934, as amended, unless the Board determines that such simultaneous service would not impair the ability of the Audit Committee member to serve effectively on the Audit Committee. For purposes of counting an Audit Committee member’s audit committee service, service on the Trust’s Audit Committee, together with other audit committees within the Guggenheim fund complex, shall count as one public company.

III. MEETINGS

The Audit Committee shall meet two times annually, or more frequently as circumstances dictate. Special meetings (including telephone meetings) may be called by the Chairman or a majority of the members of the Audit Committee upon reasonable notice to the other members of the Audit Committee.

As part of its job to foster open communication, the Audit Committee shall meet annually with senior Trust management responsible for accounting and financial reporting and the independent auditors in separate executive sessions to discuss any matters that the Audit Committee, or any of such other persons, believes should be discussed privately.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

- A. Charter
 - Review this Charter, annually, and recommend changes, if any, to the Board.
- B. Internal Controls
 - 1. Review, annually, with Trust management and the independent auditors:

2. Review, with Trust management and the independent auditors:

(a) the Trust's plan related to the Trust's systems for accounting, reporting and internal controls;

(b) the responsibilities, resources and staffing with respect to the activities in IV.B.2.(a) above; and

(c) any significant audit findings or recommendations related to the Trust's systems for accounting, reporting and internal controls and Trust management's response.

3. Monitor procedures for the receipt, retention and treatment of complaints received by the Trust and/or the Audit Committee regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by officers and trustees of the Trust or employees of the Adviser, underwriter and any provider of accounting-related services to the Trust of concerns regarding questionable accounting or auditing matters.

(d) For services with estimated fees of \$50,000 or more, such services require pre-approval by the Audit Committee.

(e) The independent auditors or the Chief Accounting Officer of the Trust (or an officer of the Trust who reports to the Chief Accounting Officer) shall report to the Audit Committee at each of its regular quarterly meetings all audit, audit-related and permissible non-audit services initiated since the last such report (unless the services were contained in the initial audit plan, as previously presented to, and approved by, the Audit Committee). The report shall include a general description of the services and projected fees, and the means by which such services were approved by the Audit Committee (including the particular category listed above under which pre-approval was obtained).

I-4

3. Pre-approve any engagement of the independent auditors, including the fees and other compensation to be paid to the independent auditors, to provide any non-audit services to the Adviser (or any “control affiliate” of the Adviser providing ongoing services to the Trust), if the engagement relates directly to the operations and financial reporting of the Trust (unless an exception is available under Rule 2-01 of Regulation S-X).

(a) The Chairman or any member of the Audit Committee may grant the pre-approval for non-audit services to the Adviser (or any “control affiliate” of the Adviser providing ongoing services to the Trust) relating directly to the operations and financial reporting of the Trust for which the estimated fees are less than \$25,000. All such delegated pre-approvals shall be presented to the Audit Committee no later than the next Audit Committee meeting.

4. On an annual basis, request, receive in writing and review a report by the independent auditors describing:

(a) the independent auditors’ internal quality-control procedures;

(b) any material issues raised by the most recent internal quality-control review, or peer review, of the independent auditors, or by any inquiry or investigations by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the independent auditors, and any steps taken to deal with any such issues; and

(c) all relationships between the independent auditors and the Trust, so as to assess the auditors’ independence, including identification of all relationships the independent auditors have with the Trust and all significant relationships the independent auditors have with the Adviser (and any “control affiliate” of the Adviser) and any material service provider to the Trust (including, but not limited to, disclosures regarding the independent auditors’ independence required by Public Company Accounting Oversight Board Rule 3526 and compliance with the applicable independence provisions of Rule 2-01 of Regulation S-X).

In assessing the auditors’ independence, the Audit Committee shall take into account the opinions of Trust management. The Committee will present its conclusions with respect to the independent auditors to the Board, and recommend that the Board

take appropriate action, if any, in response to the independent auditors' report to satisfy itself of the independent auditors' independence.

5. On an annual basis, review and evaluate the lead audit partner (such review to include consideration of whether, in addition to the regular rotation of the lead audit partner as required by law, in order to assure continuing auditor independence, there should be regular consideration of rotation of the firm serving as independent auditors).

5. Review with Trust management a report by Trust management covering any Form N-CSR and Form N-Q filed, and any required certification of such filing, along with the results of Trust management's

If the Trust is listed on the New York Stock Exchange, at least one member of the Audit Committee must have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.

II. RESPONSIBILITIES AND DUTIES

A. Pre-Approval Not Required

Under Section 10A(h)(i)(1)(B) of the Securities Exchange Act of 1934 and Rule 2-01 under Regulation S-X (Section (c)(7)), pre-approval of non-audit services for the Trust pursuant to Section IV.C. 2 is not required, if:

2. the services were not recognized by Trust management at the time of the engagement as non-audit services; and

3. such services are promptly brought to the attention of the Audit Committee by Trust management and the Audit Committee approves them (which may be by delegation) prior to the completion of the audit.

C. Prohibited Non-Audit Services

Under Section 10A(g) of the Securities Exchange Act of 1934 and Rule 2-01 under Regulation S-X (Section (c)(4)), an auditor is not independent if, at any point during the audit and professional engagement period, the auditor provides certain non-audit services to an audit client. 7. broker or dealer, investment adviser, or investment banking services;

8. legal services and expert services unrelated to the audit; and

I-10

9. any other services that the Public Company Accounting Oversight Board determines are impermissible.

D. Other Definitions

“Investment company complex” includes: (1) an investment company and its investment adviser or sponsor; (2) any entity controlled by or controlling an investment adviser or sponsor in (1) above, or any entity under common control with any investment adviser or sponsor in (1) above if the entity: (A) is an investment adviser or sponsor or (B) is engaged in the business of providing administrative, custodian, underwriter, or transfer agent services to any investment company, investment adviser, or sponsor; and (3) an investment company or entity that would be an investment company but for the exclusions provided by Section 3(c) of the 1940 Act that has an investment adviser or sponsor included in (1) and (2) above. Investment adviser does not include a sub-adviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser. Sponsor is an entity that establishes a unit investment trust.

“Disclosure controls and procedures” means controls and other procedures of a registered management investment company that are designed to ensure that information required to be disclosed by the investment company on Form N-CSR and Form N-Q is recorded, processed, summarized and reported, within the time periods specified in the SEC’s rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an investment company in the reports that it files or submits on Form N-CSR and Form N-Q is accumulated and communicated to the investment company’s management, including its principal executive officer or officers and principal financial officer or officers, or person performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

“Internal control over financial reporting” is a process designed by, or under the supervision of, the Trust’s principal executive and principal financial officers, or persons performing similar functions, and effected by the Trust’s Board, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP and includes those policies and procedures that:

1. Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Trust;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures of the Trust are being made only in accordance with authorization of management and directors of the Trust; and

3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Trust's assets that could have a material effect on the financial statements.

The report to be prepared by the Audit Committee to be included in the annual proxy statement is governed by Item 407(d)(3)(i) of Regulation S-K, which requires each proxy statement relating to a shareholder meeting at which directors are to be elected to include a report, followed by the name of each Audit Committee member, stating whether: (1) the Committee has reviewed and discussed the audited financial statements with management, (2) the Committee has discussed with the independent auditors the matters required to be discussed by PCAOB UA Section 380, (3) the Committee has received the written disclosures and the letter from the independent auditors required by Public Company Accounting Oversight Board Rule 3526, and has discussed with the independent auditors their independence, and (4) based on the review and discussions referred to in paragraphs (1) through (3), the Audit Committee recommended to the Board that the audited financial statements be included in the Trust's annual report to shareholders required by Section 30(e) of the Investment Company Act of 1940 and Rule 30d-1 thereunder.

Purposes and Organization

The purpose of Nominating and Governance Committee (the “Committee”) of the Board of Trustees (the “Board”) of each of the registered investment companies listed in Appendix A hereto (the “Trust(s)”) is to review matters pertaining to the composition, committees, and operations of the Board. Members of the Committee may not be “interested persons” of the Trust, as such term is defined in the Investment Company Act of 1940, as amended (“Interested Persons”).¹ The Committee shall have the following duties and powers:

- (1) To evaluate and recommend all candidates for election or appointment as members of the Board and recommend the appointment of members and chairs of each Board Committee.
- (2) To review policy matters affecting the operation of the Board and Board committees and make such recommendations to the Board as deemed appropriate by the Committee.
- (3) To evaluate periodically the effectiveness of the Board and Board Committees and make such recommendations to the Board as deemed appropriate by the Committee.
- (4) To oversee the contract review process, including the review of the Trust’s investment advisory agreements and contracts with other affiliated service providers.

The Committee shall receive appropriate funding as determined by the Committee to carry out its responsibilities and shall have the authority to retain experts, consultants or legal counsel as the Committee deems appropriate.

The Committee shall meet annually (or more frequently, if needed) and be empowered to hold special meetings, as circumstances require. Any action of the Committee shall be taken by the affirmative vote of a majority of the members. Any action of the Committee may be taken without a meeting if at least a majority of the members of the Committee consent thereto in writing.

¹ As contemplated by certain rules under the Investment Company Act of 1940, as amended, the selection and nomination of candidates for election as members of the Board who are not Interested Persons shall be made by the incumbent members of the Board who are not Interested Persons.

Qualifications for Trustee Nominees

The Committee requires that Trustee candidates have a college degree or equivalent business experience. The Committee may take into account a wide variety of factors in considering Trustee candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board, (ii) relevant industry and related experience, (iii) educational background, (iv) financial expertise, (v) an assessment of the candidate's ability, judgment and expertise and (v) overall diversity of the Board's composition.

Identification of Nominees

In identifying potential nominees for the Board, the Committee may consider candidates recommended by one or more of the following sources: (i) the Trust's current Trustees, (ii) the Trust's officers, (iii) the Trust's investment adviser(s), (iv) the Trust's shareholders (see below) and (v) any other source the Committee deems to be appropriate. The Committee may, but is not required to, retain a third party search firm at the expense of the Trust to identify potential candidates. The Committee will not nominate a person for election to the Board as a Trustee (unless such person is an "interested person," as defined by the Investment Company Act of 1940) after such person has reached the age of seventy-two (72).

Consideration of Candidates Recommended By Shareholders

The Committee will consider and evaluate nominee candidates properly submitted by shareholders on the same basis as it considers and evaluates candidates recommended by other sources. Appendix B to this Charter, as it may be amended from time to time by the Committee, sets forth procedures that must be followed by shareholders to properly submit a nominee candidate to the Committee (recommendations not properly submitted in accordance with Appendix B will not be considered by the Committee).

persons (including their names) pursuant to which the recommendation is being made by the recommending shareholder. In addition, the Committee may require the candidate to furnish such other information as it may reasonably require or deem necessary to determine the eligibility of such candidate to serve on the Board.
