SOLICITATION AND REVOCATION OF PROXIES

Shares represented by a proxy card that is properly dated, executed and returned will be voted as directed on the proxy. If no direction is given, proxies will be voted FOR each of the director nominees selected by the board of directors. If other matters properly come before the Annual Meeting, the persons named in the accompanying proxy will vote in accordance with their best judgment with respect to such matters. Any proxy given by a shareholder may be revoked at any time prior to its use by execution of a later-dated proxy delivered to Rentrak's Secretary, by vote in person at the Annual Meeting, or by written notice of revocation delivered to Rentrak's Secretary.

Rentrak's board of directors has selected the two persons named on the enclosed proxy card to serve as proxies in connection with the Annual Meeting. These proxy materials and the accompanying Rentrak 2001 Annual Report to Shareholders are being mailed on or about July 11, 2001 to shareholders of record on June 20, 2001.

PURPOSES OF THE ANNUAL MEETING

The Annual Meeting has been called for the following purposes:

- o To elect a board of directors consisting of six members, each to serve until the next annual meeting of shareholders and until his successor is duly elected and qualified;
- o To hear reports from various officers of Rentrak; and
- o To transact such other business as may properly come before the meeting or any adjournments thereof.

Edgar Filing: RENTRAK CORP - Form DEF 14A

Section 2.3.1 of Rentrak's 1995 Restated Bylaws, as amended, sets forth procedures to be followed for introducing business at a shareholders meeting. Rentrak has no knowledge of any other matters that may be properly presented at the Annual Meeting. If other matters do properly come before the Annual Meeting in accordance with the 1995 Restated Bylaws, the persons named in the proxy card will vote your proxy in accordance with their judgment on such matters in the exercise of their sole discretion.

RECORD DATE AND SHARES OUTSTANDING

Only shareholders of record at the close of business on June 20, 2001 (the "Record Date") are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on the Record Date, 11,167,605 shares of

1

Rentrak common stock were outstanding. For information regarding the ownership of Rentrak common stock by holders of more than five percent of the outstanding shares and by Rentrak's directors and executive officers, see "Security Ownership of Certain Beneficial Owners and Management."

VOTING; QUORUM; VOTE REQUIRED

Each share of common stock outstanding on the Record Date is entitled to one vote per share at the Annual Meeting. Shareholders are not entitled to cumulate their votes. The presence, in person or by proxy, of the holders of a majority of Rentrak's outstanding shares of common stock is necessary to constitute a quorum at the Annual Meeting. Assuming the existence of a quorum, the affirmative vote of a plurality of the votes cast at the Annual Meeting, in person or by proxy, will be required to elect persons nominated to be directors.

EFFECT OF ABSTENTIONS

If you abstain from voting, your shares will be deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, only votes cast in favor of a nominee for director will have an effect on the outcome of the election of directors.

EFFECT OF BROKER NON-VOTES

If a broker holds your shares in street name, you should instruct your broker how to vote. If you do not provide voting instructions, the broker will have discretionary voting authority with respect to the election of directors. Broker non-votes are deemed present at the Annual Meeting for purposes of determining whether a quorum is present. However, broker-non-votes will have no effect on the outcome of the election of directors.

2002 SHAREHOLDER PROPOSALS

The deadline for shareholders to submit proposals to be considered for inclusion in the proxy statement for the 2002 Annual Meeting of Shareholders is March 13, 2002. To be considered at the 2002 Annual Meeting of Shareholders, Section 2.3.1 of Rentrak's 1995 Bylaws, as amended, requires shareholders to deliver notice of all proposals, nominations for director and other business to Rentrak's principal executive office no later than 60 calendar days (or by June 17, 2002) and no earlier than 90 calendar days prior to the first anniversary of the date of the 2001 Annual Meeting.

Rentrak's 1995 Restated Bylaws, as amended, provide that its board of directors shall consist of six members. The board of directors has nominated the individuals named below to fill the six positions. If for any reason any of the nominees named below should become unavailable for election (an event that the board does not anticipate), proxies will be voted for the election of such substitute nominee as the board in its discretion may recommend. Proxies cannot be voted for more than six nominees. If a vacancy occurs after the Annual Meeting, the board of directors may elect a replacement to serve for the remainder of the unexpired term.

The following table sets forth information concerning stock option grants to each of the Named Executive Officers and Rentrak's former Chief Executive Officer during the fiscal year ended March 31, 2001. - (1) Options granted include both incentive stock options and nonqualified stock options.
- (2) These calculations are based on certain assumed annual rates of appreciation as required by SEC rules and regulations governing the disclosure of executive compensation. Under these rules, an assumption is made that the market price of the shares underlying the stock options shown in this table could appreciate at rates of 5% and 10% per annum on a compounded basis over the ten-year term of the stock options. Actual gains, if any, on stock option exercises are dependent on the future performance of the common stock of Rentrak and 3PF, as applicable, and overall stock market conditions. 3PF's common stock is not publicly traded. There can be no assurance that the gains reflected in this table will be achieved.
- (3) Option vests in full on September 19, 2001.
- (4) The exercise price per share equals the fair market value of Rentrak's common stock based on the closing sales price on the last trading day preceding the date of grant.
- (5) Options to purchase indicated number of shares of 3PF's common stock vesting 25 percent per year on each anniversary of the grant date. Options for a total of 126,950 shares of 3PF's common stock were granted to employees of Rentrak or its subsidiaries during fiscal 2001. Mr. Berger's options

Edgar Filing: RENTRAK CORP - Form DEF 14A

- terminated upon his resignation as Chief Executive Officer of Rentrak.
- (6) The exercise price equals the value of 3PF's common stock on the date of grant as determined by 3PF's board of directors.

STOCK OPTION EXERCISES

The following table sets forth certain information concerning stock option exercises by each of the Named Executive Officers and the former Chief Executive Officer during the fiscal year ended March 31, 2001, and the value of in-the-money options (e.g., options as to which the market value of Rentrak common stock exceeds the exercise price of the options) held by such individuals on March 31, 2001. The value of in-the-money options is based on the difference between the exercise price of such options and the closing price of Rentrak common stock on March 30, 2001, which was \$3.69 per share. As 3PF's common stock is not publicly traded, outstanding options are not deemed to be in-the-money as the current value of the stock is not presently ascertainable. Unless otherwise indicated, the options listed below are for Rentrak common stock.

COMPENSATION OF DIRECTORS

Rentrak compensates its non-employee directors for their services by payment of \$500 for each board meeting they attend in person or by telephone conference call. Each director who serves on a board committee receives payment of \$500 for attending each in-person or telephone conference committee meeting.

Edgar Filing: RENTRAK CORP - Form DEF 14A

In addition, each non-employee director is paid a retainer of \$20,000 per year. Rentrak also reimburses directors for their travel expenses for each meeting attended in person. See also "CERTAIN RELATIONSHIPS AND TRANSACTIONS."

Each non-employee director receives an automatic grant, at the beginning of each fiscal year, of a ten-year option to purchase 10,000 shares of Rentrak common stock, with a grant of an option for an additional 2,500 shares to each chairman of a board committee. Accordingly, on April 2, 2001, Messrs. Andrus and Kuper and Dr. Moon each received an option for 12,500 shares and Mr. Petcoff received an option for 10,000 shares, each at an exercise price of \$3.69 per share and exercisable in full one year after the date of grant. In addition, on March 30, 2001, each nonemployee director was granted a ten-year option to purchase 5,000 shares of Rentrak common stock at an exercise price of \$3.50 per share, which will become exercisable in full on September 19, 2001. All grants to non-employee directors are made under Rentrak's 1997 Equity Participation Plan.

EMPLOYMENT CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

RON BERGER. Effective April 21, 1998, Rentrak entered into a five-year employment agreement with Mr. Berger under which Mr. Berger was employed as Chairman and Chief Executive Officer of Rentrak. Under the agreement, Mr. Berger received an annual base salary of \$400,000, subject to increases on April 1 of each year during the term of the agreement in an amount equal to the greater of four percent or the change in the Consumer Price Index for the preceding year. Under the provisions of the agreement providing for severance if Mr. Berger terminated his employment following a "change of control" (as defined in the agreement) or "potential change of control" (as defined in the agreement), Mr. Berger was paid \$1,362,342 in severance on September 15, 2001, following his resignation as Chief Executive Officer. In March 2001, Mr. Berger filed a counterclaim in a lawsuit brought against him by Rentrak in which he is seeking damages of approximately \$1.76 million plus attorney fees for the alleged failure to pay certain specified compensation, including accumulated wages and compensation and amounts for life and health insurance under provisions of his employment agreement. See also "CERTAIN RELATIONSHIPS AND TRANSACTIONS."

F. KIM COX. Effective April 1, 1998, Rentrak entered into a four-year employment agreement with Mr. Cox. Under the agreement, Mr. Cox will receive an annual salary of \$206,636 for the fiscal year ending March 31, 2002. If Mr. Cox is terminated for certain reasons other than for "cause" (as defined in the agreement), he is entitled to receive one year's base salary, subject to reduction should Mr. Cox find alternative employment of "comparable status" (as defined in the agreement), or if he does not exercise his best efforts to find such employment. If Mr. Cox is terminated for cause, he will receive only the amount of compensation accrued through the date of termination. If Mr. Cox's employment is terminated due to his death or disability, he (or his legal representative) is entitled to receive all compensation accrued as of the date of termination plus a lump sum severance payment equal to 180 days' base salary. The agreement will expire on March 31, 2002.

MARTY GRAHAM. Effective May 17, 1997, Rentrak entered into an employment agreement with Mr. Graham under which he is employed as Vice President, Product Development. Under the agreement, Mr. Graham's initial base salary was \$130,000 per year, with increases of \$10,000 effective April 15 of each year during the term of the agreement. Mr. Graham is also entitled to receive certain cash bonuses for achieving specified objectives. Under the agreement, if Mr. Graham's employment is terminated by Rentrak for certain reasons other than for "cause" (as defined in the agreement) within two years after a "change of control" (as

Edgar Filing: RENTRAK CORP - Form DEF 14A

defined in the agreement), or if Mr. Graham terminates his employment for "good reason" (as defined in the agreement), he is entitled to receive his base salary through the end of the agreement or his current base salary for one year, whichever is less. If Rentrak otherwise terminates Mr. Graham's employment without cause, he will be entitled to receive six months' base salary, subject to reduction should he find other employment or should he not exercise his best efforts to find such other employment. If Mr. Graham is terminated for cause, he will receive only the full amount of his base salary accrued through the date of termination. If Mr. Graham dies, his estate will receive the full amount of his base salary accrued through the date of termination, plus a payment equal to 90 days' base salary at the rate in effect on the date of his death. If Mr. Graham is terminated due to disability, he (or his legal representative) will receive only the full amount of his base salary accrued through the date of termination. As extended in September 2000, Mr. Graham's employment agreement will expire on April 15, 2004.

MICHAEL LIGHTBOURNE. Effective July 10, 1997, Rentrak entered into a five-year employment agreement with Mr. Lightbourne under which he is employed as Executive Vice President. Under the agreement, Mr. Lightbourne's initial annual base salary was \$170,000, subject to increase each year during the term of the agreement in an amount equal to the greater of five percent or the change in the Consumer Price Index for the preceding year. If Mr. Lightbourne's employment is terminated by Rentrak without "cause" (as defined in the agreement) or by Mr. Lightbourne due to a material breach of the agreement by Rentrak, he is entitled to receive severance equal to all compensation payable in installments as if still employed through the end of the agreement, subject to reduction by the amount of any compensation received from all other employment during the severance period. If terminated for cause, he will receive only the full amount of all compensation accrued as of the date of termination. If Mr. Lightbourne's employment is terminated due to his death or disability, he (or his estate or legal

10

representative) will receive, in a lump sum, all compensation that would otherwise have been paid during the term of the agreement, reduced by amounts payable under any life or disability insurance coverage provided by Rentrak. If Mr. Lightbourne's employment is terminated by death or by Rentrak other than for cause, all his outstanding stock options will vest immediately. The agreement will expire on July 9, 2002, at which time he will be entitled to receive a \$75,000 bonus (reduced by \$2,500 for each month prior to that date that his employment terminates). Finally, Mr. Lightbourne is entitled to one year's salary continuance if his employment agreement is not renewed or is terminated by Rentrak for any reason other than for cause, in addition to any other amounts payable under other terms of his agreement.

CHRISTOPHER ROBERTS. Effective October 27, 1997, Rentrak entered into a five-year employment agreement with Mr. Roberts under which he is employed as Rentrak's Vice President, Sales. Under the agreement, Mr. Roberts received an initial base salary of \$130,000, subject to increases of \$5,000 on April 15 of each year during the term of the agreement. If Mr. Roberts is terminated for certain reasons other than for "cause" (as defined in the agreement) within two years after a "change of control" (as defined in the agreement), or if Mr. Roberts terminates his employment for "good reason" (as defined in the agreement), he is entitled to receive his base salary through the end of the agreement or his current base salary for one year, whichever is less. If Rentrak otherwise terminates Mr. Roberts' employment without cause, he is entitled to receive six months' base salary, subject to reduction should he find other employment or should he not exercise his best efforts to find such other employment. If Mr. Roberts is terminated for cause, he will receive only the

Edgar Filing: RENTRAK CORP - Form DEF 14A

full amount of his base salary accrued through the date of termination. If Mr. Roberts dies, his estate or legal representative will receive a payment equal to 90 days' base salary at the rate in effect on the date of his death. If Mr. Roberts is terminated due to disability, he (or his legal representative) will receive only the full amount of his base salary accrued through the date of termination. The agreement will expire on November 1, 2002.

REPORT OF THE AUDIT COMMITTEE

The "Report of the Audit Committee" shall not be deemed incorporated by reference by any general statement incorporating this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Rentrak specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee of the board of directors reports to the board and is responsible for overseeing Rentrak's financial reporting process, the systems of internal accounting and financial controls established by management, and the annual independent audit of Rentrak's financial statements. The Audit Committee is comprised of three directors, each of whom meets the independence requirements under current National Association of Securities Dealers corporate governance standards. The Audit Committee's activities are governed by a written charter adopted by the board on May 19, 2000. A copy of the Audit Committee charter is attached to this proxy statement as Appendix A.

In discharging its responsibilities, the Audit Committee and its individual members have met with management and Rentrak's independent auditors, Arthur Andersen LLP, to review Rentrak's accounting functions and the audit process. The Audit Committee discussed and reviewed with its independent auditors all matters that the independent auditors were required to communicate and discuss with the Audit Committee under applicable auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, regarding communications with audit committees. Audit Committee members also discussed and reviewed the results of the independent auditors' examination of the financial statements, the quality and adequacy of the Company's internal controls, and issues relating to auditor independence. The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors their independence.

Based on its review and discussions with management and the independent auditors, the Audit Committee recommended to the board of directors that the audited financial statements for the fiscal year ended March 31,

11

2001, be included in Rentrak's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The "Report of the Compensation Committee on Executive Compensation" shall not be deemed incorporated by reference by any general statement incorporating this proxy statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that Rentrak

Edgar Filing: RENTRAK CORP - Form DEF 14A

specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee of Rentrak is charged with determining the compensation of all executive officers of Rentrak. These decisions are based on Rentrak's executive compensation philosophy. This compensation philosophy has four primary principles: (i) linking executive compensation to the creation of sustainable increases in shareholder value; (ii) providing executive compensation rewards contingent upon organizational performance; (iii) differentiating compensation based on individual contribution; and (iv) encouraging the retention of a sound management team.

To implement this philosophy, executive compensation has been comprised of three primary components - annual salary, performance bonuses and a long-term incentive program consisting of stock option grants. Ownership of shares of Rentrak's common stock by executives is encouraged and forms a significant component of the total executive compensation package. In addition, competitive factors are considered in determining executive compensation.

Annual Salary

Rentrak has entered into employment agreements with its executive officers other than its Chief Executive Officer which typically establish a base annual salary rate and provisions for automatic annual increases in salary during the term of the agreement. Base salary rates reflect the level of duties and responsibilities of each executive officer, the executive officer's experience and prior performance, and competitive factors in Rentrak's industry.

Performance Bonuses

In February 2000, the then board of directors established a bonus pool in the total amount of \$375,000 to recognize performance with respect to the settlement of Rentrak's lawsuit with Hollywood Entertainment Corp. During fiscal 2001, bonuses distributed from this pool to Rentrak officers included \$85,000 paid to Ron Berger, then Chief Executive Officer, and \$40,000 to F. Kim Cox, President.

Long-Term Incentive Program

Stock option grants are used to motivate employees to focus on Rentrak's long-term performance, and Rentrak has long maintained stock option plans for key employees, including all executive officers. In some instances, option grants are specified in an officer's employment agreement. The size of each option grant is based upon such factors as the employee's duties, responsibilities, performance, experience and anticipated contribution to Rentrak.

Stock options are typically awarded to executive officers on an annual basis. Additional grants may be made in the event of an executive officer's promotion. In fiscal 2001, Rentrak granted options to purchase a total of 197,500 shares of common stock to its executive officers, including a 100,000 share grant to Mr. Rosenbaum as discussed below. Several executive officers also were granted options to purchase shares of common stock of

Rentrak's subsidiary 3PF.COM, Inc., in recognition of their services in establishing the former division as a separate subsidiary.

Compensation of Paul A. Rosenbaum, Chairman and Chief Executive Officer

Edgar Filing: RENTRAK CORP - Form DEF 14A

Paul A. Rosenbaum has served as Chairman and Chief Executive Officer of Rentrak since September 19, 2000. In September 2000, the newly elected board of directors established the annual base salary rate for Mr. Rosenbaum at \$240,000, which was substantially below the base salary rate of his predecessor of approximately \$425,000. In November 2000, the board of directors raised Mr. Rosenbaum's annual salary rate to \$300,000. On March 30, 2001, the board of directors granted an option to purchase 100,000 shares of Rentrak's common stock to Mr. Rosenbaum in recognition of his service to Rentrak and to further align his interests with those of Rentrak's other shareholders. Mr. Rosenbaum abstained from deliberations by the board of directors on his compensation.

COMPARISON OF FIVE-YEAR CUMULATIVE TOTAL RETURN OF RENTRAK CORPORATION, NASDAQ MARKET INDEX, MG MEDIA INDUSTRY GROUP, AND PEER GROUP

The chart on the next page compares the five year cumulative total return on Rentrak's common stock with that of the NASDAQ Market index, the MG Media Industry Group, and a group of peer companies selected by Rentrak. The chart assumes \$100 was invested on April 1, 1996 in Rentrak's common stock, the NASDAQ Market index, the media industry group, and the peer group, and that any dividends were reinvested. The media industry group represents all public companies reported by Media General Services as having the same company-level Standard Industrial Classification (SIC) Code as Rentrak that are also generally involved in the movie entertainment business. The peer group is composed of the companies within the video distribution business and internet fulfillment business reflected in the 2000 peer group appearing in last year's proxy materials (excluding four companies that either are in bankruptcy or have significantly reduced operations due to financial difficulties), as follows: Hastings Entertainment, Inc., Blockbuster, Inc., Big Star Entertainment, Inc., Hollywood Entertainment Corp., Movie Gallery, Inc., Valley Media, Inc., and PFS Web, Inc.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2001, members of the Compensation Committee included Skipper Baumgarten, Bill LeVine and Takaaki Kusaka until September 19, 2000, and George Kuper, James Petcoff and Takaaki Kusaka (Mr. Kusaka from November 17, 2000 to March 16, 2001 only) thereafter. Mr. Kuper resigned from the Compensation Committee effective April 24, 2001, when he was appointed Chief Operating Officer of Rentrak's subsidiary 3PF.Com, Inc. ("3PF"). Stanford Stoddard was appointed to the Compensation Committee on May 23, 2001.

During fiscal 2001, Ron Berger was a director of American Contractors Indemnity Co., a company of which Skipper Baumgarten was Chief Executive Officer. Mr. Berger was also chairman of the board of directors of Rentrak Japan Co., Ltd. ("Rentrak Japan"), a company of which Mr. Kusaka is President.

Muneaki Masuda, who was a member of Rentrak's board of directors from 1990 until September 19, 2000, is President of Culture Convenience Club Co., Ltd. ("CCC"), and is the controlling stockholder of So-Tsu Company ("So-Tsu"), which in turn holds a controlling interest in CCC and Rentrak Japan. Rentrak Japan is a joint venture formed by Rentrak and CCC which distributes video cassettes, DVDs, and video games on a revenue-sharing basis throughout Japan. Throughout fiscal 2001, Rentrak held a 9 percent equity interest in Rentrak Japan and Rentrak Japan and CCC together held approximately an 8 percent equity interest in Rentrak.

Pursuant to a Business Cooperation Agreement (Framework) entered into as of November 2, 1998, Rentrak Japan agreed to pay Rentrak an annual royalty equal to 1.67 percent of the first \$47.9 million of Rentrak Japan's sales and 0.5 percent of Rentrak Japan's sales in excess of \$47.9 million, based on a June 1 to May 31 royalty year. During fiscal 2001, Rentrak Japan incurred royalty fees totaling \$1.0 million which were offset against a \$4 million reserve for future royalties in consideration of Rentrak Japan's payment of advance royalties totaling \$2.5 million in fiscal 2000.

Effective April 2, 2001, Rentrak and Rentrak Japan entered into a restructuring of their relationship as evidenced by execution of an Agreement Concerning Changes to the Business Cooperation Agreement. Pursuant to the Agreement Concerning Changes, Rentrak transferred exclusive rights to implement its Pay-Per-Transaction (PPT(R)) system within specified countries in the Far East, including related trademark and other intellectual property rights, to Rentrak Japan. In exchange for the transfer, Rentrak Japan made a lump sum cash payment of \$5.65 million to Rentrak and released certain of Rentrak's payment obligations totaling \$2.1 million. As a part of the transaction, Rentrak Japan's obligation to pay annual royalties to Rentrak in connection with use of its PPT system was terminated.

Rentrak concurrently sold to So-Tsu 300,000 shares of Rentrak Japan stock, or approximately 5.6 percent of the outstanding Rentrak Japan shares, in

Edgar Filing: RENTRAK CORP - Form DEF 14A

exchange for a cash payment of \$4.0 million. Rentrak also repurchased from Rentrak Japan 614,000 shares of Rentrak's common stock for a cash payment of \$2.4 million, or \$3.875 per share. Rentrak repurchased an additional 390,000 shares of its common stock for the same price per share, or a total of \$1.5 million, from CCC. Rentrak also has the right, and upon the occurrence of certain conditions will be required, to sell its remaining 180,000 shares of Rentrak Japan stock, representing approximately 3.4 percent of the outstanding Rentrak Japan shares, for a minimum payment of (Y)1,600 per share (currently approximately \$2.4 million in total).

During fiscal 2000, Rentrak Japan loaned (Y)120 million (approximately US\$200,000) to Rentrak UK. The loan was non-interest bearing and was forgiven in connection with the April 2001 restructuring. During the term of the loan, Rentrak Japan was entitled to 10 percent of Rentrak's share in Rentrak UK royalties. No such share of royalties was earned by or paid to Rentrak Japan during fiscal 2001.

Rentrak sold to So-Tsu 1 percent of Rentrak's equity interest in 3PF for a cash payment of \$1 million at the end of April 2001.

15

In August 1999, Rentrak and Rentrak Japan formed Rentrak International, LLC ("RIC"), an Oregon limited liability company, for the purpose of developing the PPT system in certain international markets. RIC was dissolved pursuant to a dissolution agreement entered into by Rentrak and Rentrak Japan as of September 30, 2000, and Rentrak Japan relinquished its right to receive repayment of its \$180,000 capital contribution and other accrued amounts as part of the April 2001 restructuring transaction.

In August 1999, Mr. LeVine provided a line of credit to BlowOut Video Holding Company ("Borrower"), a wholly owned subsidiary of Rentrak, in the principal amount of up to \$3 million (the "Loan"). The highest principal balance of the Loan outstanding during fiscal 2001 was \$500,000. The Loan bore interest at the prime rate plus 1-1/2 percent. Borrower paid Mr. LeVine \$40,008 in interest during fiscal 2001. The Loan was repaid in full in September 2000.

In May 2000, the Committee for the Achievement of Rentrak Excellence ("CARE") was formed to pursue a proxy contest to replace the then directors of Rentrak with a new slate, consisting of Messrs. Andrus, Kuper, Petcoff, and Rosenbaum and Dr. Moon, at Rentrak's annual meeting of shareholders held on September 19, 2000. The members of CARE, all Rentrak shareholders, collectively owned approximately 9 percent of the outstanding Rentrak common stock. CARE was successful in electing its slate at the 2000 annual meeting and the group terminated their Agreement Among Rentrak Shareholders dated May 22, 2000, and disbanded on September 22, 2000. The Rentrak board of directors authorized the payment or reimbursement by Rentrak of CARE's expenses incurred in the proxy contest, which totaled \$392,876. Paul Rosenbaum, Chairman and Chief Executive Officer and a director of Rentrak since September 19, 2000, was a member of CARE.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

Dr. Pradeep Batra, who was a member of Rentrak's board of directors until September 19, 2000, is the President and controlling shareholder of Unique Business Systems ("UBS"). In addition to other business activities, UBS develops and sells point-of-sale ("POS") software that retail video stores use to track rental and sale activity. Rentrak and UBS have entered into various agreements pursuant to which, among other things: (i) they agree to cooperate to make UBS's

Edgar Filing: RENTRAK CORP - Form DEF 14A

POS software compatible with Rentrak's PPT system; (ii) Rentrak agrees to pay a commission for each PPT customer referred by UBS; and (iii) UBS agrees to share software maintenance fees with Rentrak relating to a 1995 transaction in which UBS purchased certain assets from Rentrak. In addition, Rentrak UK, a subsidiary of Rentrak that distributes videocassettes in the United Kingdom, is party to a POS software agreement with UBS, and BlowOut Video, Inc., a wholly owned subsidiary of Rentrak that owns and operates a chain of retail video stores and a retail video Web site, purchased computer hardware and a POS software system from UBS. During fiscal 2001, Rentrak paid UBS an aggregate of \$95,150. BlowOut Video, Inc., paid UBS an aggregate of \$2,871.

In June 2000, the then directors of Rentrak approved a program to make loans available to those officers of Rentrak who were parties to an employment agreement with Rentrak for the purpose of allowing them to exercise their vested, unexercised "out of the money" employee stock options. Outstanding loans under this program bear interest at the federal funds rate in effect on the date of each loan (6.5 percent per annum) and interest is payable annually. The principal amount of the loan is due on the earliest to occur of: (1) one year prior to the expiration of the term of the borrower's current employment agreement with Rentrak, (2) one year after the borrower leaves Rentrak's employment unless such departure follows a "change of control" (which occurred as a result of the replacement of Rentrak's board of directors on September 19, 2000), (3) five years from the date of the loan, or (4) one year from the date of the borrower's death. The loans are secured by the stock purchased upon the exercise of the options. The loans are without recourse (except as to the stock securing the loans) as to principal and are with full recourse against the borrower as to interest. The Rentrak board of directors discontinued the program as to new loans in November 2000.

16

During fiscal 2001, five Rentrak officers obtained loans from Rentrak under the option loan program. Ron Berger, then Chairman and Chief Executive Officer of Rentrak, entered into three loan agreements, related promissory notes in the aggregate amount of \$7,350,624 and stock pledge agreements in connection with his exercise of options to purchase a total of 1,495,750 shares of Rentrak common stock. Rentrak has filed a lawsuit in Oregon state court alleging that the loans extended to Mr. Berger under the option loan program are null and void because Mr. Berger breached his fiduciary duty to Rentrak by causing Rentrak to extend the loans to him on terms which were egregiously unfavorable to Rentrak and with the purpose of allowing Mr. Berger to vote more than 1.3 million of the shares so acquired at Rentrak's annual meeting of shareholders held on September 19, 2000.

Two officers who entered into loans under the option loan program agreed, prior to December 31, 2000, to rescission of the transactions and reinstatement of their options on their original terms as follows: Kim Cox, President, rescinded a loan entered into on June 16, 2000, in the amount of \$1,468,250 in connection with his exercise of options to purchase 301,518 shares of Rentrak common stock; and Marty Graham, Vice President, Product Development, rescinded a loan entered into on September 2, 2000, in the amount of \$244,940 in connection with his exercise of options to purchase 50,535 shares of Rentrak common stock.

Two other officers have outstanding loans under the option loan program as follows: Michael Lightbourne, Executive Vice President, entered into a loan agreement, promissory note in the amount of \$355,375, and stock pledge agreement relating to his exercise of options on August 30, 2000, to purchase 94,000 shares of Rentrak common stock; and Richard Nida, Vice President, Investor Relations, exercised options for a total of 5,000 shares in August and September 2000 and entered into loan agreements, promissory notes totaling \$22,190, and pledge agreements in connection with the exercises.

Edgar Filing: RENTRAK CORP - Form DEF 14A

Dr. Joon S. Moon, a Rentrak director since September 19, 2000, received a fee totaling approximately \$241,500 for his services in negotiating the April 2001 transactions with Rentrak Japan and related parties. Dr. Moon will also receive a fee equal to 2 percent of the sale proceeds of any sale of the remaining 180,000 shares of Rentrak Japan stock held by Rentrak.

In November 2000, Rentrak engaged Dr. Moon's consulting services to assist Rentrak in obtaining a replacement bank line of credit. If Dr. Moon is successful in negotiating a new line of credit with a bank lender, Rentrak has agreed to grant Dr. Moon an option to purchase 100,000 shares of Rentrak common stock, and an option for an additional 50,000 shares if the interest rate on the new line of credit is at least 25 basis points below the interest rate on Rentrak's existing line of credit.

On April 24, 2001, George Kuper, a Rentrak director since September 19, 2000, was appointed Chief Operating Officer of 3PF with operational management responsibility for the company. Mr. Kuper is being compensated for his services to 3PF as an outside consultant in the amount of \$15,000 per month.

See "COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION" above for information on other transactions involving certain directors of Rentrak.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Rentrak's directors and officers and persons who beneficially own more than ten percent of the outstanding shares of Rentrak's common stock ("ten percent shareholders"), to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of shares of common stock and other equity securities of Rentrak. RENTRAK CORPORATION AUDIT COMMITTEE CHARTER

PURPOSE OF THE AUDIT COMMITTEE

The primary purpose of the Audit Committee (the "Committee") is to assist the Board of Directors of Rentrak Corporation (the "Board") in fulfilling its responsibility to oversee management's conduct of the Company's financial reporting process, including by overseeing (a) the financial reports and other financial information the Company provides to any governmental or regulatory body, the public or other users thereof, (b) the Company's systems of internal accounting and financial controls and (c) the annual independent audit of the Company's financial statements.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose.

The Board and the Committee are in place to represent the Company's shareholders; accordingly, the outside auditor is ultimately accountable to the Board and the Committee.

The Committee shall review the adequacy of this Charter on an annual basis.

MEMBERSHIP ON THE AUDIT COMMITTEE

The Committee shall be comprised of not less than three members of the Board, and the Committee's composition will meet the requirements of the Audit Committee Policy of the National Association of Securities Dealers.

financial statements. Additionally, the Committee recognizes that financial management, as well as the outside auditors, have more time, knowledge and more detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditor's work.

20

The following functions shall be the common recurring activities of the Committee in carrying out its oversight function. These functions are set forth as a guide with the understanding that the Committee may diverge from this guide as appropriate given the circumstances.

1. The Committee shall review with management and the outside auditors the audited financial statements to be included in the Company's Annual Report on Form 10-K (or the Annual Report to Shareholders if distributed prior to the filing of Form 10-K) and review and consider with the outside auditors the matters required to be discussed by Statement of Auditing Standards ("SAS") No. 61.

2. As a whole, or through the Committee chair, the Committee shall review with the outside auditors the Company's interim financial results to be included in the Company's quarterly reports to be filed with Securities and Exchange Commission and the matters required to be discussed by SAS No. 61; this review will occur prior to the Company's filing of the Form 10-Q. The Committee shall discuss with management and the outside auditors the quality and adequacy of the Company's internal controls.

3. The Committee shall:

- o request from the outside auditors annually, a formal written statement delineating all relationships between the auditor and the Company consistent with Independence Standards Board Standard Number 1;
- o discuss with the outside auditors any such disclosed relationships and their impact on the outside auditor's independence; and
- o recommend that the Board take appropriate action to oversee the independence of the outside auditor.

4. The Committee, subject to any action that may be taken by the full Board, shall have the ultimate authority and responsibility to select (or nominate for shareholder approval), evaluate and, where appropriate, replace the outside auditor.
