PROXY STATEMENT

January 7, 2002

THE ENCLOSED PROXY IS SOLICITED BY THE BOARD OF DIRECTORS OF THE COMPANY. This proxy statement and the enclosed proxy are being mailed on or about January 7, 2002. A copy of the Company's 2001 Annual Report to Shareholders (which includes the Company's Annual Report on Form 10-K) is also enclosed but is not to be considered as proxy solicitation material.

VOTING AND REVOCABILITY OF PROXIES

The Board of Directors has fixed the close of business on December 17, 2001, as the record date for determination of the shareholders entitled to vote at the Annual Meeting. As of the record date, there were 49,111,295 Common Shares outstanding ("Common Shares" or "Common Stock"). Each such share is entitled to one vote on all matters to be presented to the meeting.

When proxies are properly dated, executed and returned, the shares they represent will be voted at the Annual Meeting in accordance with the instructions of the shareholder. If no specific instructions are given, the shares will be voted FOR the following Items: (1) the election of the nominees for directors set forth herein; and (2) ratification of the appointment of independent accountants. A proxy is revocable at any time prior to its use by delivering a subsequently executed proxy or written notice of revocation to the Secretary of the Company.

A majority of the shares entitled to vote, represented in person or by proxy, constitutes a quorum. If a quorum is present, (i) the two nominees for director receiving the highest number of votes cast at the Annual Meeting will be elected and (ii) the affirmative vote of a majority of the total votes cast by all shareholders entitled to vote at the Meeting will be required to ratify Item 2 above. Abstentions, the withholding of authority to vote or the specific direction not to cast a vote, such as a broker non-vote, will not constitute the casting of a vote on any matter.

ITEM 1 - - ELECTION OF DIRECTORS

The Board of Directors currently consists of seven directors, divided into three classes of two directors and one class of one director. The Board of Directors intends to nominate John A. O'Steen and MacDonell Roehm, Jr., whose terms expire at the 2002 Annual Meeting, for re-election at the 2002 Annual Meeting to serve until the 2006 Annual Meeting and until their successors have been duly elected and qualified. Each shareholder who so chooses may cumulate votes in the election of directors (i.e. shareholders may multiply the number of votes the shareholder is entitled to cast by the total number of directors elected (i.e. two) and cast the whole number of votes for one candidate or distribute them among some or all candidates). The proxy agents reserve the right to vote the proxies cumulatively, if necessary, in order that one or both of Messrs. John A. O'Steen and MacDonell Roehm, Jr. will be re-elected to the Board of Directors. If either of the nominees should be unavailable at the time of the election, the persons named in the proxy may vote the proxies for such other persons as they may choose, unless the Board of Directors reduces the number of the directors to be elected.

ITEM 2 -- APPOINTMENT OF INDEPENDENT ACCOUNTANTS

At the recommendation of the Company's Audit Committee, the Board of Directors has appointed PricewaterhouseCoopers LLP as the Company's independent accountants for the fiscal year ending September 30, 2002. PricewaterhouseCoopers LLP has served as the Company's independent accountants for a number of years. The election of independent accountants by the shareholders is not required by law or by the Company's By-laws. Traditionally, the Company has submitted this matter to the shareholders for ratification and

Edgar Filing: KULICKE & SOFFA INDUSTRIES INC - Form DEF 14A

believes that it is good practice to continue to do so. If a majority of the votes cast on this matter are not cast in favor of the reappointment of PricewaterhouseCoopers LLP, the Company will appoint other independent accountants as soon as is practical and before the close of the 2002 fiscal year.

A representative of PricewaterhouseCoopers LLP is expected to be present at the Annual Meeting to make a statement if he or she so desires and will be available to respond to any appropriate questions.

AUDIT FEES

The aggregate fees billed to the Company by PricewaterhouseCoopers LLP for the performance of the audit and the review of the Company's financial statements during Fiscal 2001 were approximately \$610,000.

ALL OTHER FEES

The aggregate fees billed to the Company by PricewaterhouseCoopers LLP for all non-audit services, including fees for acquisition and tax-related services during Fiscal 2001 were approximately \$1,000,000. Such non-audit services did not include any financial information systems design and implementation services.

The Company's Audit Committee has determined that the provision of the services provided by PricewaterhouseCoopers LLP as set forth herein are compatible with maintaining PricewaterhouseCoopers' independence.

THE BOARD OF DIRECTORS RECOMMENDS VOTING FOR
RATIFICATION OF THE APPOINTMENT OF
PRICEWATERHOUSECOOPERS LLP AS THE COMPANY'S
INDEPENDENT ACCOUNTANTS.

ADDITIONAL INFORMATION

Based solely on the Company's review of the copies of these reports received by it and written representations received from reporting persons with respect to the filing of reports on Forms 3, 4 and 5, the Company believes that all such filings required to be made by the reporting persons for Fiscal 2001 were made on a timely basis.

PENSION PLAN

The Company has maintained a tax-qualified defined benefit pension plan, which covered U.S. employees who had reached age 21 and completed one year of service. Effective December 31, 1995, benefit accruals under the Company's pension plan were frozen. Retirement benefits under this pension plan are determined under a formula based on length of service and average compensation in the three consecutive calendar years during the ten year period ended December 31, 1995, producing the highest average (subject to certain Internal Revenue Code limits). Assuming normal retirement at age 65 and election of payment in the form of an annuity, the named executives would receive the following annual amounts under the pension plan: C. Scott Kulicke - \$57,996; Jack Belani - 0 -; Alexander A. Oscilowski - 0 -; Morton K. Perchick - \$29,951; and Clifford G. Sprague - \$15,793.

TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

The Company has Termination of Employment Agreements with its executive officers which provide that in the event of certain changes in control, as defined in the agreements, the officer who is a party to such agreement and whose employment terminates, other than voluntarily or for cause, within 18 months after such change in control, will be entitled to termination pay equal to the lesser of a specified number of months' target total cash compensation (base salary plus incentives) for the year in which the change in control occurs or \$10 less than the amount which would subject the officer to excise tax with respect to such payment under Section 4999 of the Internal Revenue Code or would make payment thereof non-deductible by the Company under Section 280G of the Code. Such agreements were renewed by the Board of Directors in December 2000 and are all currently scheduled to expire on December 31, 2003, unless extended. The named executive officers' Termination of Employment Agreements provide for payment of the following number of months' target total cash compensation: Messrs. C. Scott Kulicke, 30 months; Belani, 18 months; Oscilowski, 18 months;

Edgar Filing: KULICKE & SOFFA INDUSTRIES INC - Form DEF 14A

Perchick, 18 months; and Sprague, 18 months.

Under the Company's 2001 Employee Stock Option Plan ("2001 Plan"), the 1998 Employee Stock Option Plan ("1998 Plan") and the 1994 Employee Stock Option Plan ("1994 Plan"), in the event of a change in control of the Company (as defined in those plans), all outstanding options become fully vested and exercisable. Under the Company's 1997 Non-Qualified Stock Option Plan for Non-Employee Directors (the "1997 Director Plan"), if the Company is a party to any merger in which it is not the surviving entity, or any consolidation or dissolution, all outstanding options will terminate and the optionee will receive, in cash, from the Company an amount equal to the fair market value of the shares subject to his or her outstanding options less the amount which would be required to exercise such options. Under the Company's 1988 Employee Stock Option Plan and 1988 Non-Qualified Stock Option Plan for Non-Officer Directors (the "1988 Director Plan"), if the Company is a party to any merger in which it is not the surviving entity, or any consolidation or dissolution, all outstanding options will terminate and the optionee will receive, in cash, from the Company an amount equal to the fair market value of the shares subject to then exercisable options less the amount which would be required to exercise such options. Under the Company's Officers' Deferred Compensation Plan, on a change in control (as defined in that plan) participants receive a lump sum payment of the value of their accounts.

BOARD MATTERS

In Fiscal 2001, the Board of Directors met six times. Three of such meetings were regular meetings and three of such meetings were special meetings. Directors who are not officers of the Company receive a quarterly retainer of \$3,000, plus \$2,000 for each meeting of the Board attended and \$1,000 for each telephone meeting of the Board attended. Committee Chairmen also are paid an annual retainer of \$2,000, and committee members are paid \$1,000 for each committee meeting not held on the date of a Board meeting. All

-9-

of the incumbent directors attended at least 75% of the Board and applicable committee meetings in Fiscal 2001.

Each member of the Board who is not also an officer or employee of the Company is eligible to participate in the 1988 and 1997 Director Plans. Pursuant to the 1988 Director Plan (which terminated in 1998), options to purchase 5,000 Common Shares were automatically granted to each eligible director on the last day of each February on which the Company's shares were publicly traded through 1998. In February 1999, a similar grant was made pursuant to the 1997 Director Plan, which provides for such grants through 2008. As a result of the two-for-one stock split effective on July 31, 2000, grants under the 1997 Director Plan were increased to 10,000 Common Shares beginning with the grant made in February 2001. The exercise price of all such options is equal to 100% of the fair market value of the Company's Common Shares on the date of grant. All options granted under the 1988 Director Plan and options granted under the 1997 Director Plan prior to February 13, 2001 become exercisable in 20% annual increments commencing on the first anniversary of the date they are granted. Options granted under the 1997 Director Plan after February 13, 2001 become exercisable in 25% annual increments commencing on the first anniversary of the date they were granted.

Edgar Filing: KULICKE & SOFFA INDUSTRIES INC - Form DEF 14A

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On October 2, 1995, the Company acquired American Fine Wire Corporation ("AFW") through the merger of a subsidiary of the Company into Circle "S" Industries, Inc., the parent corporation of AFW ("Circle S"). Larry D. Striplin, Jr., a director of the Company and former director of Circle S, and various members of his family and related trusts owned slightly more than a majority of the outstanding common stock of Circle S. In connection with the AFW acquisition, the Company's Board agreed to elect, and on December 12, 1995 did elect, Larry D. Striplin, Jr. as a director of the Company. Mr. Striplin subsequently was reelected a director of the Company at its 1996 Annual Meeting of Shareholders for a four-year term and at its 2000 Annual Meeting of shareholders for an additional four-year term. Pursuant to the AFW acquisition, the Company also assumed a 1990 employment and non-competition agreement between Circle S and Mr. Striplin providing for payments to him or his estate of \$200,000 per year for five years following the date of the AFW acquisition. Mr. Striplin's employment by Circle S and AFW terminated at the time of such acquisition.

On November 28, 2000, Mackenzie-Childs Ltd. filed a voluntary petition under Chapter 11 of the United States Bankruptcy Code. At the time of the Chapter 11 filing, Director MacDonell Roehm, Jr. was Chairman and Chief Executive Officer of Mackenzie-Childs Ltd. Mr. Roehm was hired by Mackenzie-Childs

Ltd. in 2000 to implement remedial action plans. By filing the petition, Mackenzie-Childs Ltd. sought reorganization to provide a framework under which those remedial action plans could be executed.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Company's Board of Directors, comprised entirely of outside directors, is responsible for approving compensation arrangements for the officers and senior managers of the Company.

The Compensation Committee seeks to achieve the following goals with the Company's executive compensation programs: to attract and retain key executives; to motivate and reward executives for the attainment of Company-based and individual performance objectives; and to provide executives with an opportunity to acquire an equity interest in the Company. The Compensation Committee seeks to foster a performance-oriented environment by tying a significant portion of each executive's cash compensation to the achievement of objectives that are important to the Company.

The Company's Executive Incentive Compensation Plan is currently comprised of three principal components: base salary; cash incentive; and equity

Edgar Filing: KULICKE & SOFFA INDUSTRIES INC - Form DEF 14A

incentive in the form of stock options granted under the Company's stock option plans.

TARGET TOTAL CASH COMPENSATION

Target total cash compensation for each executive is established based on marketplace data. For this purpose, in Fiscal 2001 the Company utilized principally the data for companies with sales between \$500 million and \$1 billion as reported by nationwide participants in the Aon Consulting/Radford Division 2000 Executive Compensation Report. Participants in that nationwide survey are not limited to the companies included in the Company's peer group established to compare shareholder returns in the performance graph included below because the Compensation Committee believes that the Company's competitors for executive talent are not limited to that peer group.

BASE SALARY AND CASH INCENTIVE

Once target total cash compensation has been established for each executive, the total compensation is divided into a base salary portion and a cash incentive portion. Generally, the higher the level of responsibility of the executive within the Company, the greater the portion of that executive's target total cash compensation that consists of the cash incentive component. At budgeted performance levels, targeted cash incentive ranges from approximately 43% to 56% of targeted total cash compensation (75% to 125% of base salary) for the named executive officers.

On August 1, 2001, the Company instituted a temporary reduction in the base salaries of employees, including a 15% reduction in the base salaries of participants in the Executive Incentive Compensation Plan.

For Fiscal 2001, the Company elected to make no payments under the Executive Incentive Compensation Plan for achievement of Company-based performance objectives. The cash incentive portion of the compensation of participants in the Executive Incentive Compensation Plan for Fiscal 2001 was based entirely upon achievement of individual performance objectives. Based upon achievement of such objectives, an aggregate of \$869,400 was earned by and awarded to the Company's executive officers under the Plan.

-11-

EQUITY INCENTIVE

The Company grants stock options annually to all participants in the Executive Incentive Compensation Plan. The purpose of these grants is to give participants a stake in the success of the Company as measured by the stock market's assessment of the Company's performance. The number of options granted to each participant has generally been determined on the basis of a percentage of target total cash compensation that varies depending on the participant's level of responsibility. The extent of existing options or stock ownership is not generally considered in granting options, except that the Company sometimes grants an initial round of options to newly recruited executives to provide them with some stake in the Company's success from the commencement of their employment.

The option grants to the seven executive officers on October 19, 2000 amounted to approximately .8% of the Company's Common Shares outstanding on or about the date of the grants.

CHIEF EXECUTIVE OFFICER COMPENSATION

The Compensation Committee uses the same factors in determining the

Edgar Filing: KULICKE & SOFFA INDUSTRIES INC - Form DEF 14A

compensation of the Chief Executive Officer as it does for the other participants in the Executive Incentive Compensation Plan. Following an analysis of marketplace data and a subjective assessment of the Chief Executive Officer's performance, the Compensation Committee approved an increase in the annual base salary of the Chief Executive Officer from \$450,000 to \$499,500 for Fiscal 2001. The Chief Executive Officer, whose cash incentive is based entirely upon Company-based performance objectives, received no cash incentive payment for Fiscal 2001.

The Compensation Committee is mindful of the potential impact upon the Company of Section 162(m) of the Internal Revenue Code, which prohibits public companies from deducting certain executive remuneration in excess of \$1,000,000. While reserving the right of the Company to offer such compensation arrangements as may be from time-to-time necessary to attract and retain top-quality management, the Compensation Committee intends generally to structure such arrangements, where feasible, so as to minimize or eliminate the impact of the limitations of Section 162(m) of the Code.

PERFORMANCE GRAPH

The graph set forth below compares, for fiscal years 1997 through 2001, the yearly change in the cumulative total returns to holders of Common Shares of the Company with the cumulative total return of a peer group selected by the Company and of the NASDAQ Stock Market-US Index. The peer companies are all among the top 25 semiconductor capital equipment suppliers in the world and were selected by the Company based principally on nature of business, revenues, employee base, technology base, market share, customer and customer relationships. The peer group is composed of Advanced Semiconductor Materials International N.V., Applied Materials, Inc., BTU International, Inc., Electro Scientific Industries, Inc., FSI International, Inc., Genus, Inc., KLA - Tencor Corp., Lam Research Corp., LTX Corp., Novellus Systems, Inc. and Teradyne Inc. The graph assumes that the value of the investment in the relevant stock or index was \$100 at September 30, 1996 and that all dividends were reinvested. Total returns are calculated based on a fiscal year ending September 30. For purposes of the peer group index, the peer group companies have been weighted based upon their relative market capitalization. The closing market price of the Company's Common Shares as of September 28, 2001 was \$10.90. The closing market price of such shares on December 17, 2001 was \$17.71.
