For a further description of the Share Exchange and the 4th amendment to the Bridge Financing Agreement see Item 6.

ITEM 4.

PURPOSE OF TRANSACTION

(a), (b), (e), (f)

As described in Item 3 and Item 6, on October 4, 2002 (i) Arch Hill Ventures acquired 60,000 shares of the Issuer's Preferred Stock that are convertible into 66,804,314 shares of the Issuer's Common Stock, in exchange for 60% of the outstanding shares of GAIA Holding owned by Arch Hill Ventures and (ii) Arch Hill Capital entered into a 4th amendment of the existing Bridge Financing Agreement with the Issuer and converted \$1,914,567 principal of Promissory Notes of the Issuer into 23,932,087 shares of Issuer Common Stock. As described in Item 6, the 4th Amendment to the Bridge Financing Agreement also provides that any promissory note issued by the Issuer to Arch Hill Capital on or after July 29, 2002 shall be applied against the purchase price of equity securities sold by the Issuer after the closing of the Share Exchange.

(d)

The Share Exchange Agreement provides that as soon as practicable after consummation the Share Exchange and filing by the Issuer of a Form 14-F for such purpose, the Issuer's Board of Directors will be increased to twelve members and Arch Hill Ventures will be entitled to designate six nominees to the Board of Directors of the Issuer.

(g)

In the Share Exchange the Issuer issued to Arch Hill Ventures 60,000 shares of Issuer Series A Preferred Stock. Each share of the Series A Preferred Stock is convertible at the option of the holder thereof into 1,113.40524 shares of Issuer common stock at any time following the authorization and reservation of a sufficient number of shares of Issuer common stock by all requisite action, including action by the Issuer's Board of Directors and by the Issuer's shareholders, to provide for the conversion of all outstanding shares of Series A Preferred Stock into shares of Issuer common stock.

Each share of the Series A Preferred Stock will automatically be converted into 1,113.40524 shares of Issuer common stock one year following the authorization and reservation of a sufficient number of shares of Issuer common stock to provide for the conversion of all outstanding shares of Series A Preferred Stock into shares of Issuer common stock. The shares of Series A Preferred Stock held by Arch Hill Ventures are convertible, in the aggregate, into 66,804,314 shares of Issuer common stock.

The shares of Series A Preferred Stock are entitled to vote together with the common stock on all matters submitted to a vote of the holders of the common stock. On all matters as to which shares of common stock or shares of Series A

Edgar Filing: ARCH HILL CAPITAL NV - Form SC 13D/A

Preferred Stock are entitled to vote or consent, each share of Series A Preferred Stock is entitled to the number of votes (rounded up to the nearest whole number) that the common stock into which it is convertible would have if such Series A Preferred Stock had been so converted into common stock as of the record date established for determining holders entitled to vote, or if no such record date is established, as of the time of any vote on such matters. Each share of Series A Preferred Stock is initially entitled to the number of votes that 1,114 shares of common stock would have.

In addition to the voting rights provided above, as long as any shares of Series A Preferred Stock are outstanding, the affirmative vote or consent of the holders of two-thirds of the then-outstanding shares of Series A Preferred Stock, voting as a separate class, will be required in order for Issuer to:

- (i) amend, alter or repeal, whether by merger, consolidation or otherwise, the terms of the Series A Preferred Stock or any other provision of Issuer Charter or Bylaws, in any way that adversely affects any of the powers, designations, preferences and relative, participating, optional and other special rights of the Series A Preferred Stock;
- (ii) issue any shares of capital stock ranking prior or superior to, or on parity with, the Series A Preferred Stock; or
- (iii) subdivide or otherwise change shares of Series A Preferred Stock into a different number of shares whether in a merger, consolidation, combination, recapitalization, reorganization or otherwise.

The Series A Preferred Stock ranks on a parity with the common stock as to any dividends, distributions or upon liquidation, dissolution or winding up, in an amount per share equal to the amount per share that the shares of common stock into which such Series A Preferred Stock are convertible would have been entitled to receive if such Series A Preferred Stock had been so converted into common stock prior to such distribution.

The issuance of the Series A Preferred Stock by the Issuer to Arch Hill Ventures may impede the acquisition of control of the Issuer by any person.

SHARE EXCHANGE

GAIA is a private limited liability company incorporated under the laws of Germany.

The Share Exchange was consummated pursuant to the terms of a Share Exchange Agreement (the "Share Exchange Agreement") that the Issuer entered into on June 7, 2002 with Hill Gate Capital N.V. ("Hill Gate"), which subsequently changed its name to Arch Hill Real Estate N.V. ("Arch Hill Real Estate"). On September 6, 2002, all of the outstanding shares of GAIA Holding and all of the rights and obligations of Arch Hill Real Estate under the Share Exchange Agreement were transferred to Arch Hill Ventures.

In the Share Exchange, Arch Hill Ventures transferred to the Issuer shares of GAIA Holding that constitute 60% of the outstanding shares of GAIA Holding, and the Issuer issued to Arch Hill Ventures 60,000 shares of Issuer Series A Preferred Stock. Arch Hill Ventures currently owns the remaining 40% of the outstanding shares of GAIA Holding.

The Issuer and Arch Hill Ventures waived the requirement of receipt by the Issuer of at least \$5 million in equity financing as a condition to the closing of the Share Exchange. In connection with such waiver, Arch Hill Capital agreed to convert \$1,914,567 of the principal of the promissory notes of the Issuer into 23,932,087 shares of Issuer common stock as described below (See below "Bridge Financing by Arch Hill Capital").

Each share of Series A Preferred Stock is initially entitled to the number of votes that 1,114 shares of common stock would have.

In addition to the voting rights provided above, as long as any shares of Series A Preferred Stock are outstanding, the affirmative vote or consent of the holders of two-thirds of the then-outstanding shares of Series A Preferred Stock, voting as a separate class, will be required in order for Issuer to:
