Item 8.01. Other Events.

On February 28, 2007, the Board of Directors (the “Board”) of CommScope, Inc. (the “Company”) amended the Company’s 2006 Long Term Incentive Plan (the “LTIP”) with respect to automatic annual grants of awards to the Company’s directors. As part of an overall change in director compensation, the provisions of the LTIP that provided for automatic share grants upon election to the Board and annual grants to directors of options to purchase shares of the Company’s common stock were deleted and replaced with provisions for annual grants to directors of share awards on each August 1st. The number of shares of the Company’s common stock subject to such automatic share awards will be the number that is equivalent to \$60,000 of the Company’s common stock on the date of grant. The terms and conditions of the grant will be as set forth in the form of Director Share Award Agreement. The shares of common stock issued pursuant to these awards will be issued on the day preceding the one-year anniversary of the date of grant, provided the director remains on the Board as of such date (with certain exceptions for death, disability and retirement). The LTIP, as amended through February 28, 2007, and the form of Director Share Award Agreement, are attached hereto as exhibits.
