Item 4. Purpose of Transaction.

JANA Partners LLC purchased the Shares based on its belief that the Shares at current market prices are undervalued and represent an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Person, and the availability of Shares of Common Stock at prices that would make the purchase of additional Shares desirable, the Reporting Person may endeavor to increase their position in the Issuer through, among other things, the purchase of Shares of Common Stock on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

Neither the Reporting Person nor the Principals has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed above. The Reporting Person intends to review its investment in the Issuer on a continuing basis and engage in discussions with management and the Board of Directors of the Issuer concerning the business, operations and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Common Stock, conditions in the securities market and general economic and industry conditions, JANA Partners LLC may in the future take such actions with respect to its investment in the Issuer as it deems appropriate including, without limitation, communicating with other stockholders, seeking Board representation, making proposals to the Issuer concerning the capitalization and operations of the Issuer, purchasing additional Shares of Common Stock or selling some or all of its Shares or changing its intention with respect to any and all matters referred to in Item 4.

Item 5. Interest in Securities of the Issuer.
