Item 3. Source and Amount of Funds and Other Consideration.

The shares of Common Stock reported herein were acquired through a cashless exercise of the Warrants (as defined in Item 4 below). The Warrants were issued to Highbridge International LLC in connection with its purchase of the Owned Notes (as defined in Item 4 below). The Owned Notes and Warrants were acquired with working capital at an aggregate cost (including commissions, if any) of approximately \$47,500,000.

Item 4. Purpose of the Transaction.

Each of the Reporting Persons acquired beneficial ownership of the shares of Common Stock to which this Statement relates for investment purposes in the ordinary course of business pursuant to the investment strategies of Highbridge International LLC.

On July 9, 2008, the Company, GSI Group Corporation (the "Subsidiary"), Highbridge International LLC and certain other parties thereto (together, the "Lenders") entered into a Securities Purchase Agreement (the "Securities Purchase Agreement") pursuant to which Highbridge International LLC purchased (i) 11% Senior Notes (the "Notes") of the Subsidiary in the principal amount of \$47,500,000 (the "Owned Notes") and (ii) Warrants to Purchase Common Stock, initially exercisable for up to 1,330,570 shares of Common Stock (the "Warrants") pursuant to the Warrant Agreement, dated August 20, 2008, by and among the Company and the Lenders (the "Warrant Agreement"). The Notes were issued pursuant to that certain Indenture, dated as of August 20, 2008 (the "Indenture"), between the Subsidiary, the Company and Eagle Acquisition Corporation, as guarantors, and The Bank of New York Mellon Trust Company, N.A., as trustee (in such capacity, the "Trustee").

The Company and the Lenders entered into a Registration Rights Agreement concurrently with the closing of the transactions contemplated by the Securities Purchase Agreement (the "Registration Rights Agreement"), pursuant to which the Company agreed to provide certain registration rights with respect to the shares of Common Stock issuable upon exercise of the Warrants under the Securities Act of 1933, as amended (the "1933 Act") and the rules and regulations promulgated thereunder, and applicable state securities laws.

The Warrants were automatically exercised on a cashless basis into 1,325,136 shares of Common Stock pursuant to the terms of the Warrant Agreement at the time the registration statement filed by the Company pursuant to the Registration Rights Agreement was declared effective by the Securities and Exchange Commission (the "SEC").

The Securities Purchase Agreement, the Registration Right Agreement, the Indenture and the Warrant, copies of which are referenced, respectively, as

Edgar Filing: GSI GROUP INC - Form SC 13D

Exhibits 1, 2, 3 and 4 hereto (which incorporates by reference Exhibit 10.1 of the Current Report on Form 8-K filed by the Company on July 11, 2008, and Exhibits 10.3, 10.1 and 10.2 of the Current Report on Form 8-K filed by the Company on August 21, 2008) are each incorporated herein by reference.

Pursuant to Section 6.01(4) of the Indenture, on December 4, 2008, Highbridge International LLC delivered a notice of default to the Subsidiary (the "Default Notice"), which set forth a default of the Subsidiary that occurred pursuant to Section 4.02(a) of the Indenture, due to the Company's failure to (i) timely file its Quarterly Report on Form 10-Q for the quarterly period ended September 26, 2008 (the "September 2008 10-Q") with the SEC within

the time periods specified in the SEC's rules and regulations, (ii) furnish a copy of the same to the Trustee for delivery to the Holders (as defined in the Indenture) of the Notes and (iii) post the same on the Company's website or otherwise make the same available to the prospective purchasers of the Notes. The Company has not filed the September 2008 10-Q to date. Subject to the Forbearance Agreement described below, as of February 2, 2009 (the date 60 days after the delivery of the Default Notice to the Subsidiary), holders of 25% of the aggregate principal amount of Notes outstanding have had the right to accelerate the indebtedness outstanding under the Indenture.

On February 6, 2009, the Subsidiary and Highbridge International LLC entered into a Forbearance Agreement pursuant to which, among other things, Highbridge International LLC agreed to forebear from taking any action or exercising any remedies under the Indenture related to the Event of Default (the "Forbearance Agreement"). The Forbearance Agreement terminated on February 27, 2009.

The Subsidiary and Highbridge International LLC have come to preliminary, non-binding terms to be used to restructure the debt outstanding under the Indenture (the "Restructuring"). The proposed terms of the Restructuring were determined as of June 22, 2009 to include the reduction of the amount of debt outstanding under the Indenture to \$95,000,000, the granting of a first priority lien with respect to the remaining debt outstanding under the Indenture, the issuance to the holders of Notes (collectively, the "Noteholders") of a substantial equity interest in the Company in exchange for the reduction in debt (which interest, in the aggregate, would represent up to 80% of the Company's equity on a pro forma basis) the transition to a board of directors that would be reflective of such equity ownership, the deletion of certain restrictive covenants in the Indenture and the implementation of a new management stock and option incentive plan. The complete preliminary terms of the Restructuring are set forth in a non-binding term sheet (the "Term Sheet"), a copy of which is referenced as Exhibit 5 hereto (which incorporates by reference Exhibit 99.1 of the Current Report on Form 8-K filed by the Company on June 30, 2009) which is incorporated herein by reference.

Upon information and belief, certain of the other Noteholders have agreed with the Subsidiary to the proposed terms of the Restructuring set forth in the Term Sheet.

The Reporting Persons, through Highbridge International LLC, may act in concert with the other Noteholders solely in their capacity as creditors of the Company in connection with the Restructuring. By virtue of such actions, the Noteholders may be deemed to form a group within the meaning of Rule 13d-5 of

Edgar Filing: GSI GROUP INC - Form SC 13D

the Act, however the Reporting Persons expressly disaffirm the existence of a group with regard to the Common Stock. The Reporting Persons do not have any plans or proposals to exercise any remedy available to the Reporting Persons by virtue of the Reporting Persons' beneficial ownership of equity securities of the Company.

Except as set forth in this Item 4, none of the Reporting Persons have any present plans or proposals that relate to or would result in any of the actions specified in clauses (a) through (j) of the instructions to Item 4 of Schedule 13D. Depending on various factors, the Company's financial position and business strategy, the price levels of the shares of Common Stock, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Company as they deem appropriate including, without limitation, voting their

shares of Common Stock to support or oppose the acquisition of the Company, tendering into an offer to purchase the Company's Common Stock, purchasing additional shares of Common Stock or any of the Company's debt or equity securities, selling or otherwise disposing of some or all of their shares of Common Stock or any of the Company's debt or equity securities, short selling or otherwise hedging some or all of their shares of Common Stock or any of the Company's debt or equity securities, in each case, in the open market or in privately negotiated transactions or otherwise, exercising their rights, if any, as a holder of Notes in connection with a bankruptcy, restructuring or other case or proceeding of the Issuer, or changing their intention with respect to any and all matters referred to in this Item 4.

In addition, the Reporting Persons intend to review their investment in the Company on a continuing basis and may seek to influence or change the Company's operations or business development plans, business strategy, management or directors, competitive position, capital structure or capital management policy, including, without limitation, through potential discussions with management, directors, other shareholders and the other Noteholders, existing or potential strategic partners or competitors of the Company, industry analysts, investment and financing professionals and/or other third parties. Such matters and discussions may materially affect, and result in, the Reporting Persons modifying their investment in the Company, exchanging information with any of such persons pursuant to appropriate confidentiality or similar agreements or otherwise, working together with any of such persons pursuant to joint agreements or otherwise, proposing changes in the Company's operations, governance, capitalization or strategic plans, or in proposing or engaging in one or more other actions set forth under subsections (a) through (j) of Item 4 of Schedule 13D. Factors that may influence the Reporting Persons' actions include, but are not limited to, their view regarding the Company's operations, business strategy, prospects, financial position and/or strategic direction, the outcome of the discussions and actions referenced herein, price levels of the Common Stock and other securities, availability of funds, subsequent developments affecting the Company, other investment and business opportunities available to the Reporting Persons, conditions in the securities and debt market, general economic and industry conditions and other factors that the Reporting Persons may deem relevant from time to time.
