Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Effective February 7, 2017, the Compensation Committee of the Board of Directors of CBL & Associates Properties, Inc. (herein the “Company” or “CBL”) approved the 2017 Annual Incentive Compensation Plan (the “2017 AIP”) that will be applicable to those individuals who currently qualify as “named executive officers” of the Company pursuant to Item 402(a)(3) of Securities and Exchange Commission (“SEC”) Regulation S-K, to determine their annual bonus compensation for performance during the Company’s fiscal year 2017.

The 2017 AIP, similar to the Annual Incentive Plans previously adopted for 2015 and 2016, is designed to reward the named executive officers for the achievement of two annual quantitative operational goals and qualitative individual performance objectives, as assessed by the Compensation Committee. For the Chief Executive Officer, 70% of the total AIP opportunity will be based on the quantitative portion and the remaining 30% will be based on individual performance objectives. For the other named executive officers, 60% of the total award will be based on the quantitative portion and the remaining 40% will be based on individual performance objectives.

The quantitative portion of the 2017 AIP awards will be allocated between two performance measures, each with a 50% weighting: (1) Funds From Operations (“FFO”), as adjusted per diluted share, as reported in the Company’s periodic reports (Forms 10-K and 10-Q) filed with the SEC (the “Periodic Reports”) and (2) Same-center Net Operating Income (“NOI”) growth, as reported in the Periodic Reports. The remaining portion of the AIP will be based on specific individual performance goals under the qualitative portion.

The target cash bonus award levels set by the Compensation Committee under the 2017 AIP for each of the Company’s named executives officers are as follows:

Named Executive Officer	Total 2017 Target Cash Bonus Award	Quantitative Allocation	Qualitative/ Individual Allocation
Stephen D. Lebovitz, President and Chief Executive Officer	\$945,000	70%	30%
Charles B. Lebovitz, Chairman of the Board	\$787,500	60%	40%
Farzana Khaleel, Executive Vice President - Chief Financial Officer and Treasurer	\$315,000	60%	40%
Augustus N. Stephas, Executive Vice President and Chief Operating Officer	\$367,500	60%	40%
Michael I. Lebovitz, Executive Vice President - Development and Administration	\$315,000	60%	40%

Achievement of target performance for a performance measure will result in 100% payout of the quantitative portion of the award based on that performance measure. Performance that meets threshold requirements will result in 50% (of target) payout of the quantitative portion of the award based on that performance measure and achievement of the maximum performance for a performance measure will result in 150% (of target) payout. Performance achieved between threshold and maximum level for either metric will result in a prorated bonus payout. There will be no payout for the portion of any award that is based on a performance measure for which less than the threshold level of performance is achieved. The Compensation Committee has the ability to adjust each metric, if appropriate, to account for significant unbudgeted transactions or events.

The individual performance goals established by the Compensation Committee for each named executive officer under the qualitative portion of the 2017 AIP are outlined below:

Lebovitz	<ul style="list-style-type: none"> <li>(1) refining, enhancing and executing the Company's strategic and business plans</li> <li>(2) effective communications and interactions with the investment community</li> <li>(3) regular communication and interaction with the Board</li> <li>(4) maintain and enhance key retailer, financial and other relationships</li> <li>(5) effective corporate and executive team motivation and management</li> </ul>

The 2017 AIP is an unfunded arrangement and any compensation payable thereunder may be evaluated, modified or revoked at any time in the sole discretion of the Compensation Committee, which is responsible for administering the plan.
