PROPOSAL NO. 2 - REMUNERATION OF DIRECTORS.

At the Meeting, the shareholders will be requested to approve the 2005 remuneration of the Company's directors, including the External Directors. Pursuant to regulations under the Israeli Companies Law, the External Directors,

Edgar Filing: AMERICAN ISRAELI PAPER MILLS LTD - Form 6-K

must receive the same annual compensation, which must be between New Israeli Shekels ("NIS") 28,361 and NIS 46,081, plus an additional fee for each meeting attended which must be between NIS 998 and NIS 1,772. The Board recommends that the remuneration for the year 2005 of each director, including the External Directors will remain the same as in the year 2004 and be fixed at NIS 39,000 plus an additional NIS 1,500 for each meeting attended.

Each of the management personnel of the Company and its subsidiaries and affiliated companies (together, the "Group") is a party to a management services contract with the Company, which sets forth his or her salary. The management services contract may be terminated by the Company at any time, upon notice of not less than one month and not more than three months.

The aggregate amount of remuneration paid to all directors and senior officers of the Company as a group (19 persons) for services provided by them to the Company during 2004 was approximately NIS 10,175,000 (approximately \$2,362,000). The aggregate amount set-aside for pension, retirement or similar benefits for all directors and officers of the Company as a group for services provided by them to the Company during 2004 was approximately NIS 850,000 (approximately \$197,000).

In April 2001, the Board of Directors of the Company adopted a stock option plan under which options to purchase a total of 194,300 Ordinary Shares may be granted to senior officers of the Company and certain other companies within the Group. All of the options were granted in July 2001. Each option is exercisable to purchase one Ordinary Share. The options vest in four equal annual installments. The vesting period of the first installment is two years after the date of grant of the option, and the next three installments vest on the third, fourth and fifth anniversaries of the date of grant. Each installment is exercisable for a period of two years after the vesting date of such installment.

In 2004 55,525 options were exercised under this plan.

Since Nochi Dankner, Zvi Livnat and Isaac Manor may be deemed to be controlling shareholders, according to the Israeli law the directors' remuneration is required to be approved by the General Meeting of Shareholders by a majority of votes unless one or more of the shareholders of the Company which holds more than 1% of the share capital or the voting rights of the Company objects. If such shareholder objects, the majority required for the approval of the directors' remuneration is as described below in proposal no. 5.

PROPOSAL NO. 3 - APPOINTMENT OF AUDITORS

At the Meeting, the shareholders will be requested to reappoint the firm of Kesselman & Kesselman, Certified Public Accountants (Israel), to serve as auditors of the Company for 2005. Kesselman & Kesselman, which are members of PricewaterhouseCoopers International Limited, have served as auditors of the Company for several years and are considered by the Company's management to be well qualified.

One or more representatives of Kesselman & Kesselman will be present at the Meeting, will have an opportunity to make a statement, and will be available to respond to appropriate questions.

The auditors received approximately NIS 520,000 (approximately \$120,000) for services rendered by them to the Company for fiscal year 2004.

Edgar Filing: AMERICAN ISRAELI PAPER MILLS LTD - Form 6-K

The Board recommends that the firm of Kesselman & Kesselman be re-appointed to serve as auditors of the Company for 2005.

PROPOSAL NO. 4 - COMPENSATION OF THE CHAIRMAN OF THE BOARD OF DIRECTORS

At the Meeting, the shareholders will be requested to approve the compensation of Mr. Yaacov Yerushalmi, the Chairman of the Board of the Company. The Board recommends that the remuneration of the Chairman include a monthly salary similar to his salary in 2004, of NIS 88,000 (approximately \$20,000 based on the exchange rate of the NIS against the U.S. dollar as of the date hereof), linked to the Israeli Consumer Price Index, plus the Company's customary employee benefits. Furthermore, the Board recommends that the Company pay Mr. Yerushalmi a bonus for 2004 in the amount of NIS 880,000 (approximately \$200,000).

The Chairman is also entitled to remuneration according to a plan which was approved by the Board on July 2001, pursuant to which Mr. Yerushalmi is intended to receive a cash payment equal to the increase of the value of 50,000 shares of the Company as compared with the base price of the shares linked according to terms of the plan. Such cash payment will be payable over the period commencing two years from the resolution of the Board until the end of seven years from the said resolution. As of the date of this report the Chairman of the Board of Directors exercised one quarter of the plan in the sum of NIS 930,000 (approximately \$215,000).

PROPOSAL NO. 5 - APPROVAL OF OFFICERS' AND DIRECTORS' LIABILITY INSURANCE

According to the Israeli Companies Law, the Company may insure its officers and directors with respect to liability to which they may become subject as a result of any act conducted by them in their capacity as the Company's officers or directors, subject to the approval of the Company's shareholders at a General Meeting. The Company intends to continue to insure its officers and directors subject to a coverage limit of \$6 million, similar to that used in previous years with Clal Insurance Company. The premium of such insurance for the period from June 1, 2005 through May 31, 2006 will be approximately \$40,000. The Board of Directors recommends that the shareholders approve such insurance.

Since, Nochi Dankner, Zvi Livnat and Isaac Manor may be deemed to be controlling shareholders of the Company and the Insurer, according to the Israeli law the directors' and officers' liability insurance will be approved by the General Meeting of Shareholders provided that one of the following occurs:

- a. The majority of the votes will include at least 1/3 of the votes of shareholders (or any one on their behalf) voting at the General Meeting who are not Controlling Shareholders as defined in the Israeli Companies Law. The votes of abstaining shareholders will not be taken into account in the majority votes; or
- b. The votes of the shareholders mentioned in section (a) above, who objected to his election were no more than 1% of all voting rights in the Company.

GENERAL

A properly executed proxy in the enclosed form will be voted in accordance with the instructions thereon. If no instructions are given, it is the intention of the persons named in the proxy to vote (i) to elect the slate of directors set forth in this proxy statement, (ii) to approve the 2005 remuneration of the Directors, (iii) to reappoint Kesselman & Kesselman as auditors of the Company, (iv) to approve the compensation of the Chairman of the

Edgar Filing: AMERICAN ISRAELI PAPER MILLS LTD - Form 6-K

Board, (v) to approve liability insurance coverage of the Company's officers and directors.

8

The Board of Directors is not aware of any matters other than the foregoing proposals that will be presented for consideration at the Meeting. However, if other matters properly come before the Meeting, it is the intention of the persons named in the accompanying proxy to vote thereon in accordance with their judgment.

The entire costs of soliciting proxies for the Meeting will be borne by the Company. Proxies will be solicited by mail and may be solicited personally by directors, officers and other employees of the Company who will not be compensated for such services. At the Company's expense, it has retained American Stock Transfer and Trust Company, its transfer agent and registrar in the U.S., for the solicitation of proxies. In addition, brokerage houses and other custodians, nominees and fiduciaries holding Ordinary Shares of record but not beneficially, may be requested, at the Company's expense, to forward proxy materials to the beneficial owners thereof.
