INDENTURE SECURITIES

8. Analysis of Indenture Provisions.

The Exchange Notes will be issued under the terms of an indenture to be entered into between the Company and Wells Fargo Bank Minnesota, N.A., as trustee (the "Indenture"). The

5

following is an analysis of the Indenture provisions required under Section 305(a)(2) of the Trust Indenture Act of 1939, as amended:

- (A) Events of Default; Withholding of Notice of Default.

Pursuant to the Indenture, an "Event of Default" will occur if:

- (a) default in the payment of the principal of or premium, if any, on the Notes when due at maturity, upon redemption or otherwise, including failure by the Company to purchase the notes when required; or
- (b) default in the payment of any installment of interest on the Notes as and when the same shall become due and payable, and continuance of such default for a period of 30 days; or
- (c) a failure on the part of the Company to duly observe or perform any other covenants or agreements on

the part of the Company in the Indenture (other than a default in the performance or breach of a covenant or agreement that is specifically dealt with elsewhere in this Section) that continues for a period of 90 days after the date on which written notice of such failure, requiring the Company to remedy the same, shall have been given to the Company by the Trustee, or to the Company and a responsible officer of the Trustee, by the holders of at least 25% in aggregate principal amount of the notes at the time outstanding; or

(d) an event of default occurs under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company or any of its subsidiaries (or the payment of which is guaranteed by the Company or any of its Subsidiaries), whether such indebtedness or guarantee now exists or shall be created after the date hereof, which default (i) is caused by a failure to pay principal or interest on such indebtedness prior to the expiration of the grace period provided in such indebtedness (a "Payment Default") or (ii) results in the acceleration of such indebtedness prior to its expressed maturity and, in each case, the principal amount of such indebtedness, together with the principal amount of any other such indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$10,000,000 or more; or

(e) final judgments or decrees shall be entered by a court of competent jurisdiction against the Company or any of its subsidiaries involving liabilities of \$25,000,000 or more (singly or in the aggregate) (after deducting the portion of such liabilities accepted by a reputable insurance company) and such final judgments or decrees shall not have been vacated, discharged, satisfied or stayed pending appeal within 60 days from the entry thereof; or

6

(f) the Company shall commence a voluntary case or other proceeding seeking liquidation, reorganization or other relief with respect to itself or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect, or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, or shall consent to any such relief or to the appointment of or taking possession by any such official in an involuntary case or other proceeding commenced against it or shall make a general assignment for the benefit of creditors or shall fail generally to pay its debts as they become due; or

(g) an involuntary case or other proceeding shall be commenced against the Company seeking liquidation, reorganization or other relief with respect to it or

Edgar Filing: PENN TREATY AMERICAN CORP - Form T-3/A

its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect or seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, and such involuntary case or other proceeding shall remain undismissed and unstayed for a period of 60 consecutive days;

then, and in each and every such case (other than an Event of Default specified in (f) or (g)), unless the principal of all of the Notes shall have already become due and payable, either the Trustee or the holders of not less than 25% in aggregate principal amount of the notes then outstanding, by notice in writing to the Company (and to the Trustee if given by noteholders), may declare the principal of, premium, if any, on the notes and the interest accrued thereon to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in the Indenture or in the notes contained to the contrary notwithstanding. If an Event of Default specified in (f) or (g) occurs and is continuing, the principal of all the notes and the interest accrued thereon shall be immediately due and payable. The foregoing provision is subject to the conditions that if, at any time after the principal of the notes shall have been so declared due and payable, and before any judgment or decree for the payment of the monies due shall have been obtained or entered as hereinafter provided, the Company shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest upon all notes and the principal of and premium, if any, on any and all notes that shall have become due otherwise than by acceleration (with interest on overdue installments of interest (to the extent that payment of such interest is enforceable under applicable law) and on such principal and premium, if any, at the rate borne by the notes, to the date of such payment or deposit) and amounts due to the Trustee, and if any and all defaults under this Indenture, other than the nonpayment of principal of, premium, if any, and accrued interest on notes that shall have become due by acceleration, shall have been cured or waived, then and in every such case the holders of a majority in aggregate principal amount of the notes then outstanding, by written notice to the Company and to the Trustee, may waive all defaults or

7

Events of Default and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment shall extend to or shall affect any subsequent default or Event of Default, or shall impair any right consequent thereto. The Company shall notify a responsible officer of the Trustee, promptly upon becoming aware thereof, of any Event of Default.

Edgar Filing: PENN TREATY AMERICAN CORP - Form T-3/A

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such waiver or rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Company, the holders of notes and the Trustee shall be restored respectively to their several positions and rights hereunder, and all rights, remedies and powers of the Company, the holders of notes and the Trustee shall continue as though no such proceeding had been taken.

The Trustee shall, within 90 days after the occurrence of a default, mail to all noteholders, as the names and addresses of such holders appear upon the note register, notice of all defaults of which a responsible officer has actual knowledge, unless such defaults shall have been cured or waived before the giving of such notice; provided that, except in the case of default in the payment of the principal of, premium, if any, or interest on any of the Notes, the Trustee shall be protected in withholding such notice if and so long as a responsible officer of the Trustee in good faith determine that the withholding of such notice is in the interests of the noteholders.

(B) Authentication and Delivery; Application of Proceeds.

Pursuant to the Indenture, the Trustee may appoint an authenticating agent that shall be authorized to act on its behalf and subject to its direction in the authentication and delivery of notes in connection with the original issuance thereof and transfers and exchanges of notes as fully to all intents and purposes as though the authenticating agent had been expressly authorized by this Indenture and those sections to authenticate and deliver notes. For all purposes of the Indenture, the authentication and delivery of notes by the authenticating agent shall be deemed to be authentication and delivery of such Notes "by the Trustee" and a certificate of authentication executed on behalf of the Trustee by an authenticating agent shall be deemed to satisfy any requirement in the Indenture or in the notes for the Trustee's certificate of authentication. Such authenticating agent shall at all times be a person eligible to serve as Trustee.

There will be no proceeds from the issuance of the Subordinated Notes.

(C) Release or Release and Substitution of Property Subject to the Lien of the Indenture.

The Subordinated Notes are not secured by any assets of the Company.

8

(D) Satisfaction and Discharge.

Edgar Filing: PENN TREATY AMERICAN CORP - Form T-3/A

Pursuant to the Indenture:

(I) (a) The Company may, at its option by board resolution, at any time, with respect to the notes, elect to have either paragraph (b) or paragraph (c) below be applied to the outstanding notes upon compliance with the conditions set forth in paragraph (d).

(b) Upon the Company's exercise under paragraph (a) of the option applicable to this paragraph (b), the Company shall be deemed to have been released and discharged from its obligations with respect to the outstanding notes on the date the conditions set forth in paragraph (d) below are satisfied (hereinafter, "legal defeasance"). For this purpose, such legal defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding notes, which shall thereafter be deemed to be "outstanding" only for the purposes of the sections of and matters under this Indenture referred to in clauses (i) and (ii) below and to have satisfied all its other obligations under such notes and this Indenture insofar as such notes are concerned, except for the following, which shall survive until otherwise terminated or discharged hereunder: (i) the rights of holders of outstanding notes to receive solely from the trust fund described in paragraph (d) below and as more fully set forth in such paragraph, payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due and (ii) continuing obligations under the Indenture.

(c) Upon the Company's exercise under paragraph (a) of the option applicable to this paragraph (c), the Company shall be released and discharged from its obligations under any covenant contained in the Indenture with respect to the outstanding Notes on and after the date the conditions set forth in paragraph (d) are satisfied (hereinafter, "covenant defeasance"), and the notes shall thereafter be deemed to be not "outstanding" for the purpose of any direction, waiver, consent or declaration or act of holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder. For this purpose, such covenant defeasance means that, with respect to the outstanding notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document, and such omission to comply shall not constitute a Default or an Event of Default under (A), but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby.

(d) The following shall be the conditions to application of either paragraph (b) or paragraph (c) above to the outstanding Notes:

Edgar Filing: PENN TREATY AMERICAN CORP - Form T-3/A

(i) The Company shall have irrevocably deposited in trust with the Trustee, pursuant to an irrevocable trust and security agreement in form and substance satisfactory to the Trustee, cash or non-callable U.S. government obligations maturing as to principal and interest at such times, or a combination thereof, in such amounts as are sufficient, without consideration of the reinvestment of such interest and after payment of all federal, state and local taxes or other charges or assessments in respect thereof payable by the Trustee, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof (in form and substance reasonably satisfactory to the Trustee) delivered to the Trustee, to pay the principal of, premium, if any, and interest on the outstanding notes on the dates on which any such payments are due and payable in accordance with the terms of the Indenture and of the notes as well as all other sums payable hereunder by the Company;

(ii) (a) No Event of Default shall have occurred or be continuing on the date of such deposit, and (b) no Default or Event of Default under (A)(f) or (A)(g) above shall occur on or before the 123rd day after the date of such deposit;

(iii) Such deposit shall not result in a Default under the Indenture or a breach or violation of, or constitute a default under, any other instrument or agreement to which the Company is a party or by which it or its property is bound;

(iv) In the case of a legal defeasance under paragraph (b) above, the Company shall have delivered to the Trustee an opinion of counsel in form and substance reasonably satisfactory to the Trustee stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling applicable to such a defeasance or (B) since the date of the Indenture, there has been a change in the applicable federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the holders of the notes shall not recognize income, gain or loss for federal income tax purposes as a result of such deposit, defeasance and discharge and shall be subject to federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred; and, in the case of a covenant defeasance under paragraph (c) above, the Company shall have delivered to the Trustee an officer's certificate and an opinion of counsel, in form and substance reasonably satisfactory to the Trustee, to the effect that holders of the notes shall not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and shall be subject to federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(v) The holders shall have a perfected security interest under applicable law in the cash or U.S. government obligations deposited pursuant to subsection (d) above;

(vi) The Company shall have delivered to the Trustee an opinion of counsel, in form and substance reasonably satisfactory to the Trustee, to the effect that, after the passage of 123 days following the deposit, the trust funds shall not be subject to any applicable bankruptcy, insolvency, reorganization or similar law affecting creditors' rights generally;

(vii) Such defeasance shall not cause the Trustee to have a conflicting interest with respect to any securities of the Company; and

(viii) The Company shall have delivered to the Trustee an officers' certificate and an opinion of counsel in form and substance reasonably satisfactory to the Trustee, each stating that all conditions precedent specified herein relating to the defeasance contemplated by this Section have been complied with;

provided, that no deposit under clause (i) shall be effective to terminate the obligations of the Company under the notes or this Indenture prior to the passage of 123 days following such deposit.

(II) In addition to the Company's rights under the Section above, the Company may terminate all of its obligations under the Indenture when:

(a) (i) all notes theretofore authenticated and delivered (other than Notes that have been destroyed, lost or stolen and that have been replaced, converted or paid as have been delivered to the Trustee for cancellation; and

(ii) the Company has paid or caused to be paid all other sums payable hereunder and under the notes by the Company; or

(b) (i) the notes not previously delivered to the Trustee for cancellation shall have become due and payable or are by their terms to become due and payable within one year or are to be called for redemption under arrangements satisfactory to the Trustee upon delivery of notice,

(ii) the Company shall have irrevocably deposited with the Trustee, as trust funds, cash, in an amount sufficient to pay principal of premium, if any, and interest on the outstanding notes, to maturity or redemption, as the case may be,

(iii) such deposit shall not result in a breach or violation of, or constitute a default under, any agreement or instrument pursuant to which the Company is a party or by which it or its property is bound and (iv) the Company has delivered to the Trustee an officers' certificate and an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee, each stating that all conditions

Edgar Filing: PENN TREATY AMERICAN CORP - Form T-3/A

related to such defeasance have been complied with.

After (i) the conditions of Section (I) or (II) above have been satisfied, (ii) the Company has paid or caused to be paid all other sums payable hereunder by the Company and (iii) the Company has delivered to the Trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent

11

referred to in clause (i) above relating to the satisfaction and discharge of this Indenture have been complied with, the Trustee upon written request shall acknowledge in writing the discharge of the Company's obligations under the Indenture except for those surviving obligations.

(E) Evidence to be Furnished to the Trustee as to Compliance with Conditions and Covenants.

Pursuant to the Indenture, The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company an officers' certificate stating whether or not to the best knowledge of the signers thereof the Company is in compliance (without regard to periods of grace or notice requirements) with all conditions and covenants under the Indenture, and if the Company shall not be in compliance, specifying such non-compliance and the nature and status thereof of which such signer may have knowledge. The Company shall file with the Trustee written notice of the occurrence of any default or Event of Default within ten days of its becoming aware of any such default or Event of Default.
