Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On April 4, 2019, Natural Health Trends Corp. (the “Company”) received a notification letter from the Listing Qualifications Department of The Nasdaq Stock Market LLC (“Nasdaq”) indicating that, as a result of the Company’s delay in filing its Annual Report on Form 10-K for the year ended December 31, 2018 (the “Form 10-K”), the Company is not in compliance with the timely filing requirements for continued listing under Nasdaq Listing Rule 5250(c)(1). The notification letter has no immediate effect on the listing or trading of the Company’s common stock on the Nasdaq Capital Market.

The Company filed a Notification of Late Filing on Form 12b-25 on March 18, 2019, indicating that the filing of the Form 10-K would be delayed because management had not yet completed its assessment of the Company’s internal control over financial reporting as of December 31, 2018, and therefore the Company’s independent registered accounting firm had not yet completed its integrated audit.

The notification letter stated that, under Nasdaq rules, the Company has 60 calendar days, or until June 3, 2019, to submit a plan to regain compliance with Nasdaq’s continued listing requirements. The Company can also regain compliance with Nasdaq’s continued listing requirements at any time before June 3, 2019, by filing the Form 10-K with the Securities and Exchange Commission (the “SEC”), as well as any subsequent periodic financial reports that may become due, and continuing to comply with Nasdaq’s other continued listing requirements.

The Company’s management is working diligently with its independent registered accounting firm, Marcum LLP, to complete the Form 10-K. The Company intends to file the Form 10-K with the SEC and regain compliance with Nasdaq’s continued listing requirements as soon as practicable.

On April 5, 2019, the Company issued a press release disclosing the Company’s receipt of the Nasdaq notification letter. A copy of the press release is attached as Exhibit 99.1 hereto and incorporated herein by reference.
