## TURKCELL BoD DECISIONS DATED OCTOBER 24, 2005

Subject: Statement made pursuant to Circular VIII, No: 39 of the Capital Markets Board.

Istanbul Stock Exchange  
ISTANBUL

### Special Subjects:

On October 24, 2005, the Board of Directors of Turkcell, resolved the following decisions;

- 1) To pay TRY 35,000,000 to Turkcell Uluslararası Yatırım Holding A.S. ( Turkcell Holding ), Turkcell's wholly owned subsidiary, in the form of capital advance, which shall be used in the future capital increase of Astelit based in Ukraine which is Turkcell Holding's indirect subsidiary.
- 2) Within the framework of Çukurova Holding A.S.'s proposal regarding our Company's purchase of 50% shares of A-Tel Pazarlama ve Servis Hizmetleri A.S. ( A-Tel ) owned by Yapı ve Kredi Bankası A.S. in return of a consideration amounting to USD 150,000,000.- as per Çukurova Holding A.S.'s intention to exercise of its option under the A-Tel Option Agreement ( Agreement ) executed between Yapı ve Kredi Bankası A.S. and Çukurova Holding A.S. on 28 September 2005 regarding the exercise of the option to buy or sell 50% of A-Tel shares owned by Yapı ve Kredi Bankası A.S. in return of a consideration of USD 150,000,000.- as per the terms of the Agreement, it has been resolved to conduct a tax, legal and financial due diligence review in A-Tel and to resolve on Çukurova Holding A.S.'s foregoing proposal upon our Board's review of the due diligence report and A-Tel's evaluation to be made by an audit firm or an investment bank as per such report and to authorize our Company's management to conduct and/or have conducted the required actions and transactions in this respect.

Since 1999, the business cooperation between Turkcell and A-Tel has provided important support to Turkcell's sales and marketing activities. With the brand name Muhabbet Kart, it has proved successful in a competitive environment through well structured campaigns and as a result recorded 5.3 million as of September 30, 2005 subscription to prepaid subscriber base. This figure corresponds to 25% in Turkcell's total prepaid subscriber base that reached 21.4 million (as of September 30, 2005). With the acquisition of 50% stake in A-Tel, we believe we shall be better positioned in the changing competitive environment and achieve more benefits when optimizing our sales and marketing efforts. Besides the strategic perspective we have summarized above, on the financial side, as stated in the Board of Director's decision, the acquisition shall be completed upon the necessary studies and in the case of a positive outcome, to be conducted by independent parties.

We hereby confirm that the above-mentioned explanations are furnished as per the provisions of the Communiqué Serial no VIII/39, that they reflect all information we have gathered so far, that they are in accordance with our corporate documents, that we have used all endeavors to collect the complete and true related information and that we assume the responsibility for this disclosure.
