- THE PROPOSAL: ELECTION OF DIRECTORS

HOW ARE NOMINEES SELECTED?

The Board of Directors of the Fund (the "Board") has a Nominating and Compensation Committee (the "Committee") consisting of Andrew H. Hines, Jr., Edith E. Holiday and Gordon S. Macklin, all of whom are independent directors. The Committee is responsible for the selection and nomination for appointment of candidates to serve as Directors of the Fund. The Committee will review shareholders' nominations to fill vacancies on the Board, if these nominations are submitted in writing and addressed to the Committee at the Fund's offices. However, the Committee expects to be able to identify from its own resources an ample number of qualified candidates.

WHO ARE THE NOMINEES AND DIRECTORS?

The Board is divided into three classes, each class having a term of three

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

years. Each year the term of office of one class expires. This year, the terms of four Directors expire. Martin L. Flanagan, Andrew H. Hines, Jr., Edith E. Holiday and Charles B. Johnson have been nominated for three-year terms, set to expire at the 2004 Annual Meeting of shareholders. These terms continue, however, until successors are duly elected and qualified. All of the nominees are currently members of the Board. In addition, all of the current nominees and Directors are also directors or trustees of other Franklin(R) funds and/or Templeton(R) funds (collectively, the "Franklin Templeton funds").

Certain Directors of the Fund hold director and/or officer positions with Franklin Resources, Inc. ("Resources") and its affiliates. Resources is a publicly owned holding company, the principal shareholders of which are Charles B. Johnson and Rupert H. Johnson, Jr., who own approximately 18% and 15%, respectively, of its outstanding shares. Resources, a global investment organization operating as Franklin Templeton Investments, is primarily engaged, through various subsidiaries, in providing investment management, share distribution, transfer agent and administrative services to a family of investment companies. Resources is a New York Stock Exchange, Inc. ("NYSE") listed holding company (NYSE: BEN). Charles E. Johnson, Vice President of the Fund, is the son and nephew, respectively, of brothers Charles B. Johnson, the Chairman of the Board and Vice President of the Fund, and Rupert H. Johnson, Jr., Vice President of the Fund. There are no family relationships among any of the Directors or nominees.

Each nominee is currently available and has consented to serve if elected. If any of the nominees should become unavailable, the persons named in the proxy card will vote in their discretion for another person or persons who may be nominated as Directors.

* Nicholas F. Brady, Martin L. Flanagan, and Charles B. Johnson are "interested persons" as defined by the Investment Company Act of 1940, as amended (the "1940 Act"). The 1940 Act limits the percentage of interested persons that can comprise a fund's board of directors. Mr. Johnson is an interested person due to his ownership interest in Resources, his employment affiliation with Resources and his position with the Fund. Mr. Flanagan is an interested person due to his employment affiliation with Resources and his position with the Fund. Mr. Brady's status as an interested person results from his business affiliations with Resources and Templeton Global Advisors Limited. Mr. Brady and Resources are both limited partners of Darby Overseas Partners, L.P. ("Darby Overseas"). Mr. Brady is Chairman and shareholder of Darby Overseas Investments, Ltd., which is the corporate general partner of Darby Overseas. In addition, Darby Overseas and Templeton Global Advisors Limited are limited partners of Darby Emerging Markets Fund, L.P. ("DEMF"). Mr. Brady serves as Chairman of the corporate general partner of DEMF, and Darby Overseas and its general partner own 100% of the stock of the general partner of DEMF. Mr. Brady is also a director of Templeton Capital Advisors Ltd. ("TCAL"), which serves as investment manager to certain unregistered funds. TCAL and Templeton Global Advisors Limited are both indirect subsidiaries of Resources. The remaining nominees and Directors of the Fund are not interested persons of the Fund (the "Independent Directors").

*** Less than 1%. Of the shares indicated, Mrs. Krahmer beneficially owns 1,000 shares for her own account. Of the remainder, beneficial ownership may be attributable to Mrs. Krahmer by virtue of her husband's ownership of 4,000 shares through a retirement account, and the ownership of 4,000 shares held in trust for the benefit of Mrs. Krahmer's children for which her husband serves as trustee.

HOW OFTEN DO THE DIRECTORS MEET AND WHAT ARE THEY PAID?

The role of the Directors is to provide general oversight of the Fund's business, and to ensure that the Fund is operated for the benefit of shareholders. The Directors anticipate meeting at least five times during the current fiscal year to review the operations of the Fund and the Fund's investment performance. The Directors also oversee the services furnished to the Fund by Templeton Asset Management Ltd.-Hong Kong branch, the Fund's investment manager (the "Investment Manager"), and various other service providers. The Fund currently pays the Independent Directors and Mr. Brady an annual retainer of \$2,000 and a fee of \$400 per Board meeting attended. Directors serving on the Audit Committee of the Fund and other investment companies in Franklin Templeton Investments receive a flat

7

PAGE

fee of \$2,000 per Audit Committee meeting attended, a portion of which is allocated to the Fund. Members of a committee are not compensated for any committee meeting held on the day of a Board meeting.

During the fiscal year ended December 31, 2000, there were five meetings of the Board, three meetings of the Audit Committee, and five meetings of the Nominating and Compensation Committee. Each of the Directors then in office attended at least 75% of the total number of meetings of the Board and the total number of meetings held by all committees of the Board on which the Director served. There was 100% attendance at the meetings of the Audit Committee and the Nominating and Compensation Committee.

Certain Directors and Officers of the Fund are shareholders of Resources and may receive indirect remuneration due to their participation in management fees and other fees received from Franklin Templeton funds by the Investment Manager and its affiliates. The Investment Manager or its affiliates pay the salaries and expenses of the Officers. No pension or retirement benefits are accrued as part of Fund expenses.

* Compensation received for the fiscal year ended December 31, 2000.

** We base the number of boards on the number of registered investment companies in Franklin Templeton Investments. This number does not include the total number of series or funds within each investment company for which the Board members are responsible. Franklin Templeton Investments currently includes 52 registered investment companies, with approximately 156 U.S. based funds or series.

*** For the calendar year ended December 31, 2000.

The table above indicates the total fees paid to Directors by the Fund individually and by all of the Franklin Templeton funds. These Directors also serve as directors or trustees of other investment companies in Franklin Templeton Investments, many of which hold meetings at different dates and times. The Directors and the Fund's management believe that having the same individuals serving on the boards of many of the Franklin Templeton funds enhances the ability of each fund to obtain, at a relatively modest cost to each

8

PAGE

separate fund, the services of high caliber, experienced and knowledgeable Independent Directors who can more effectively oversee the management of the funds.

Board members historically have followed a policy of having substantial investments in one or more of the Franklin Templeton funds, as is consistent with their individual financial goals. In February 1998, this policy was formalized through adoption of a requirement that each board member invest one-third of fees received for serving as a director or trustee of a Templeton fund in shares of one or more Templeton funds and one-third of fees received for serving as a director or trustee of a Franklin fund in shares of one or more Franklin funds until the value of such investments equals or exceeds five times the annual fees paid to such board member. Investments in the name of family members or entities controlled by a board member constitute fund holdings of such board member for purposes of this policy, and a three year phase-in period applies to such investment requirements for newly elected board members. In implementing such policy, a board member's fund holdings existing on February 27, 1998, were valued as of such date with subsequent investments valued at cost.

WHO ARE THE EXECUTIVE OFFICERS OF THE FUND?

In addition, to the knowledge of the Fund's management, as of June 7, 2001, no nominee or Director of the Fund owned 1% or more of the outstanding shares of the Fund, and the Directors and Officers of the Fund owned, as a group, less than 1% of the outstanding shares of the Fund.

- AUDIT COMMITTEE

The Board has a standing Audit Committee consisting of Messrs. Millsaps (Chairman), Crothers, Hines and Tseretopoulos, all of whom are Independent Directors and also are considered to be "independent" as that term is defined by the NYSE's listing standards. Messrs. Crothers and Tseretopoulos were appointed to the Audit Committee by the Board on October 27, 2000 when the Board approved a recommendation from the Audit Committee to increase the size of the Committee. The Audit Committee reviews the maintenance of the Fund's records and the safekeeping arrangements of the Fund's

PAGE

custodian, reviews both the audit and non-audit work of the Fund's independent auditors, and submits a recommendation to the Board as to the selection of independent auditors.

SELECTION OF INDEPENDENT AUDITORS. Upon the recommendation of the Audit Committee, the Board selected the firm of PricewaterhouseCoopers LLP ("PwC") as independent auditors of the Fund for the current fiscal year. Representatives of PwC are not expected to be present at the Meeting, but will have the opportunity to make a statement if they wish, and will be available should any matter arise requiring their presence.

AUDIT FEES. The aggregate fees paid to PwC in connection with the annual audit of the Fund's financial statements for the fiscal year ended December 31, 2000 were \$72,400.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. PwC did not render any services with respect to financial information systems design and implementation during the fiscal year ended December 31, 2000 to the Fund or entities affiliated with the Fund that provide services to the Fund.

ALL OTHER FEES. The aggregate fees billed for all other non-audit services, including fees for tax-related services, rendered by PwC to the Fund or entities affiliated with the Fund that provide services to the Fund for the fiscal year ended December 31, 2000 were approximately \$5,000. The Audit Committee of the Fund has determined that provision of these non-audit services is compatible with maintaining the independence of PwC.

AUDIT COMMITTEE REPORT. The Fund's Board of Directors has adopted and approved a formal written charter for the Audit Committee, which sets forth the Audit Committee's responsibilities. A copy of the charter is attached as "Exhibit A" to this proxy statement.

As required by the charter, the Audit Committee reviewed the Fund's audited financial statements and met with management, as well as with PricewaterhouseCoopers LLP, the Fund's independent auditors, to discuss the financial statements.

The Audit Committee received the written disclosures and the letter from PwC required by Independence Standards Board No. 1. The Audit Committee also received the report of PwC regarding the results of their audit. In connection with their review of the financial statements and the auditors' report, the members of the Audit Committee discussed with a representative of PwC, the independence of PwC, as well as the following: the auditors' responsibilities in accordance with generally accepted auditing standards; the auditors' responsibilities for information prepared by management that accompanies the Fund's audited financial statements and any procedures performed and the results; the initial

selection of, and whether there were any changes in, significant accounting policies or their application; management's judgments and accounting estimates; whether there were any significant audit adjustments; whether there were any disagreements with management; whether there was any consultation with other accountants; whether there were any major issues discussed with management prior to the auditors' retention; whether the auditors encountered any difficulties in dealing with management in performing the audit; and the auditors' judgments about the quality of the company's accounting principles.

Based on its discussions with management and the Fund's auditors, the Audit Committee did not become aware of any material misstatements or omissions in the financial statements. Accordingly, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Fund's Annual Report to Shareholders for the fiscal year ended December 31, 2000 for filing with the U.S. Securities and Exchange Commission.

- FURTHER INFORMATION ABOUT VOTING AND
THE SHAREHOLDERS' MEETING

SOLICITATION OF PROXIES. Your vote is being solicited by the Board of Directors of the Fund. The cost of soliciting proxies, including the fees of a proxy soliciting agent, is borne by the Fund. The Fund reimburses brokerage firms and others for their expenses in forwarding proxy material to the beneficial owners and soliciting them to execute proxies. In addition, the Fund may retain a professional proxy solicitation firm to assist with any necessary solicitation of proxies. The Fund expects that the solicitation would be primarily by mail, but also may include telephone, telecopy or oral solicitations. If the Fund does not receive your proxy by a certain time you may receive a telephone call from a professional proxy solicitation firm asking you to vote. If professional proxy solicitors are retained, it is expected that soliciting fees would be approximately \$3,500, plus expenses. The Fund does not reimburse Directors and Officers of the Fund, or regular employees and agents of the Investment Manager involved in the solicitation of proxies. The Fund intends to pay all costs associated with the solicitation and the Meeting.

PAGE

VOTING BY BROKER-DEALERS. The Fund expects that, before the Meeting, broker-dealer firms holding shares of the Fund in "street name" for their customers, as well as the Japan Securities Clearing Corporation ("JSCC") holding shares of the Fund for its beneficial owners, will request voting instructions from their customers and beneficial owners. If these instructions are not received by the date specified in the broker-dealer firms' or JSCC's proxy solicitation materials, the Fund understands that NYSE Rules permit the broker-dealers and JSCC to vote on the Proposal to be

Edgar Filing: TEMPLETON DRAGON FUND INC - Form DEF 14A

considered at the Meeting on behalf of their customers and beneficial owners. Certain broker-dealers may exercise discretion over shares held in their name for which no instructions are received by voting these shares in the same proportion as they vote shares for which they received instructions.

QUORUM. A majority of the shares entitled to vote--present in person or represented by proxy--constitutes a quorum at the Meeting. The shares over which broker-dealers and JSCC have discretionary voting power, the shares that represent "broker non-votes" (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter), and the shares whose proxies reflect an abstention on any item are all counted as shares present and entitled to vote for purposes of determining whether the required quorum of shares exists.

METHODS OF TABULATION. The Proposal to elect Directors requires the affirmative vote of the holders of a plurality of the Fund's shares present and voting on the Proposal at the Meeting. Abstentions and broker non-votes will be treated as votes not cast and, therefore, will not be counted for purposes of obtaining approval of the Proposal.

SIMULTANEOUS MEETINGS. The Meeting is to be held at the same time as the annual meeting of shareholders of Templeton Russia Fund, Inc. It is anticipated that both meetings will be held simultaneously. If any shareholder at the Meeting objects to the holding of a simultaneous meeting and moves for an adjournment of the Meeting to a time promptly after the simultaneous meeting, the persons named as proxies will vote in favor of such adjournment.

ADJOURNMENT. In the event that a quorum is not present at the Meeting, the Meeting will be adjourned to permit further solicitation of proxies. In the event that a quorum is present, but sufficient votes have not been received to approve the Proposal, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies with respect to the Proposal. The persons named as proxies will vote in their discretion on questions of adjournment.

SHAREHOLDER PROPOSALS. The Fund anticipates that its next annual meeting will be held in August 2002. Shareholder proposals to be presented at the next annual meeting must be received at the Fund's offices, 500 East Broward Boulevard, Ft. Lauderdale, Florida 33394-3091, Attention: Secretary, no later than March 18, 2002 in order to be included in the Fund's proxy statement and proxy card relating to that meeting and presented at the meeting. Submission of a proposal by a shareholder does not guarantee that the proposal will be included in the proxy statement. A shareholder who wishes to make a proposal at the 2002 Annual Meeting of shareholders without including the proposal in the Fund's proxy statement should notify the Fund, at the Fund's offices, of such proposal by June 1, 2002. If a shareholder fails to give notice by this date, then the persons named as proxies in the proxies solicited by the Board for the 2002 Annual Meeting of shareholders may exercise discretionary voting power with respect to any such proposal.
