Many of our employees own Southern Company stock through a retirement plan, the Southern Investment Plan, or through a bank or broker. As a stockholder, you have the opportunity to have a say on the direction of our company by voting your shares at the 2019 annual meeting of stockholders on May 22. It is important that you vote all of your shares.

There are four items up for vote at the annual meeting, and I encourage you to make your voice heard by voting your shares. You may vote by internet or telephone until 11:59 p.m. ET on May 21. However, I encourage you to vote promptly.

If you are a stockholder, you should have received your proxy materials earlier this month, along with instructions for how to vote your shares. The proxy statement contains information about the Company, the upcoming annual meeting, and all of the items that are up for a vote. Depending on how you hold your shares (401(k) plan, bank, broker, etc.), you might have received an electronic communication regarding delivery of your proxy materials, a notice of internet availability of proxy materials, or a full package of proxy materials in the mail. If you hold Southern Company stock in multiple forms, you may have received voting instructions in any combination of the methods mentioned above.
