PROXY STATEMENT

2002 ANNUAL MEETING OF STOCKHOLDERS

May 23, 2002

INFORMATION ABOUT THE MEETING, VOTING AND PROXIES

Date, Time and Place of Meeting

The Board of Directors of Moore Medical Corp., a Delaware corporation ("Moore Medical" or the "Company") is asking for your proxy to be voted at the Annual Meeting of Stockholders (the "Meeting") of Moore Medical to be held on Thursday, May 23, 2002 at 11:00 a.m., local time, and at any adjournment or adjournments thereof, at The Algonquin Hotel, in Gallery 1, located at 59 West 44th Street, New York, New York, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders and in this Proxy Statement. We are initially mailing this Proxy Statement and Proxy on or about April 21, 2002 to stockholders of Moore Medical.

Record Date, Outstanding Shares and Quorum

Only stockholders of record at the close of business on April 11, 2002 (the "Record Date") will be entitled to notice of, and to vote at, the Meeting and at any adjournments thereof. On the Record Date, there were 3,153,943 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), outstanding and entitled to vote. There were no other classes of voting securities of the Company outstanding on such Record Date. The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock on the Record Date shall constitute a quorum.

Voting Rights and Voting of Proxies

Each holder of Common Stock is entitled to one vote for each share held on the Record Date by such holder. Cumulative voting for directors is not permitted. If a quorum is present, (i) a plurality of the votes cast by the holders of the Common Stock, in person or by proxy at the Meeting, is required for the election of directors, and (ii) the approval of holders of a majority of the votes cast,

Edgar Filing: MOORE MEDICAL CORP - Form DEF 14A

in person or by proxy at the Meeting, is required to ratify the appointment of auditors or (except where Delaware General Corporation Law prescribes a different percentage) approve any other matter duly presented for action at the Meeting.

Under the rules promulgated by the Securities and Exchange Commission, boxes and a designated blank space are provided on the Proxy card for stockholders to mark, if they wish, to withhold authority to vote for one or more of the nominees for directors. Votes withheld in connection with the

1

election of one or more of the nominees for director will be excluded from the vote and will have no effect, but will be counted toward the presence of a quorum for the transaction of business at the Meeting. If no direction is indicated, the Proxy will be voted for the election of the nominees for director. The form of Proxy does not provide for abstentions with respect to the election of directors; however, a stockholder present at the Meeting may abstain with respect to such election. The treatment of abstentions and broker "non-votes" with respect to the election of directors is consistent with applicable Delaware law and the Company's By-Laws. Abstentions and broker "non-votes" are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum of shares is present at a meeting. An abstention from a vote with respect to a proposal (other than for the election of directors) will have the same practical effect as a vote against such proposal. However, broker "non-votes" are not deemed to be "votes cast." As a result, broker "non-votes" are not included in the tabulation of the voting result on the election of directors or issues requiring approval of a majority of the votes cast and, therefore, do not have the effect of votes in opposition in such tabulations and as such will have the practical effect of reducing the number of affirmative votes required to achieve a majority vote for a matter by reducing the total number of shares from which a majority is calculated. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Under stock exchange rules a broker nominee who delivers this Proxy Statement to the beneficial owner will be entitled to vote the shares on the election of directors and the ratification of the appointment of auditors, even without the beneficial owner's instructions.

A Proxy, in the accompanying form, which is properly executed, duly returned to the Company and not revoked, will be voted in accordance with the instructions contained therein. If no specification is indicated on the Proxy, the shares represented thereby will be voted (i) FOR the election of the seven nominees for director; (ii) FOR the ratification of the appointment of the Company's auditors; and (iii) in accordance with the judgment of the person or persons voting the Proxies on any other matter that may be properly brought before the Meeting. To the Company's knowledge, no other matter will be presented at the meeting.

Solicitation of Proxies

The Proxy included with this Proxy Statement is solicited by the Board of Directors of Moore Medical for use at the Meeting. You can submit your Proxy by mailing it in the envelope provided. You may also be able to vote your shares by telephone or by the Internet, if these options are available to you. Instructions for telephone and Internet voting are included with your Proxy.

Moore Medical will pay all expenses of soliciting proxies to be voted at the Meeting. After the Proxies are initially distributed, Moore Medical and/or its

Edgar Filing: MOORE MEDICAL CORP - Form DEF 14A

agents may also solicit proxies by mail, telephone or in person. We have hired a proxy solicitation firm, D.F. King & Co., Inc. to assist us in soliciting proxies. We will pay D.F. King & Co., Inc. a fee of \$4,000 plus their expenses. After the Proxies are initially distributed, we will ask brokers, custodians, nominees and other record holders to forward copies of the Proxy Statement, Proxy and other materials to people for whom they hold shares of Common Stock, and to request that the beneficial holders give them authority to sign the Proxies. We will reimburse record holders for reasonable expenses they incur in forwarding proxy materials to beneficial holders.

2

Revocation of Proxies

Execution and delivery of a Proxy will not affect a stockholder's right to attend the Meeting and vote in person. A stockholder in whose name shares are registered as of the Record Date and who has given a Proxy may revoke it at any time before it is voted by executing and delivering a written revocation to the Secretary of the Company, by execution and delivery of a later dated Proxy or by attending the Meeting and voting by ballot (which has the effect of revoking the prior Proxy). Attendance at the Meeting, however, will not in and of itself revoke a Proxy.

A stockholder who is a beneficial owner but not registered as the record owner as of the Record Date cannot vote his or her shares except by the stockholder's broker, bank or nominee in whose name the shares are registered as of the Record Date executing and delivering a proxy on his or her behalf or the stockholder attending the Meeting with a proxy or other written authorization to vote from the registered owner and voting.

Meetings of Board and Committees

Board of Directors

The Board of Directors is responsible for supervision of the overall affairs of the Company. To assist it in carrying out its duties, the Board has delegated certain authority to several committees. The Board of Directors held five meetings during 2001 at which formal action was taken. All directors attended 75% or more of the meetings of the Board, with the exception of Mr. Wassong. Following the Annual Meeting of Stockholders, the Board will consist of seven directors. In the interim, between annual meetings, the Board has the authority under the By-Laws to increase or decrease the size of the Board and fill vacancies.

Committees of the Board

The Executive Committee, the Audit Committee, the Compensation Committee, and the Nominating Committee are the standing committees of the Board of Directors. Following are the names of the directors currently serving on each committee:

Executive -----	Audit -----	Compensation -----	Nominating -----
Steven Kotler*	Peter A. Derow	Christopher W. Brody	Steven Kotler
Robert H. Steele	Steven Kotler	Steven Kotler	Wilmer J. Thomas
Wilmer J. Thomas, Jr.	Robert H. Steele*	Wilmer J. Thomas, Jr.	
	Wilmer J. Thomas, Jr.		

* Chair

Executive Committee

The Executive Committee is empowered to act for the full Board in intervals between Board meetings, with the exception of certain matters that by Delaware General Corporate Law may not be delegated. The committee meets as often as necessary, and all actions by the Committee are reported at the next Board of Directors meeting. The committee held three meetings in 2001.

Audit Committee

The Audit Committee is responsible for reviewing reports of the Company's financial results, audits, internal controls and compliance with federal procurement laws and regulations. The committee recommends to the Board of Directors the selection of the Company's independent accountants and reviews their procedures for ensuring their independence with respect to the services performed for the Company. Moore Medical's Board of Directors adopted a written charter for the Audit Committee during 2000 which was included as Appendix A to the 2001 Proxy Statement.

The Audit Committee is composed of outside directors who are not officers or employees of Moore Medical. In the opinion of the Board, as "independent" is defined under the standards of the American Stock Exchange, these directors are independent of management and free of any relationship that would interfere with their exercise of independent judgment as members of the committee. The committee held three meetings during 2001.

Nominating Committee

The Nominating Committee advises and makes recommendations to the Board on all matters concerning directorship practices and compensation for non-employee directors and recommendations concerning the functions and duties of the committees of the Board. The committee held one meeting in 2001.

The Nominating Committee also considers nominees recommended by stockholders of the Company. Stockholders wishing to submit recommendations for the 2003 Annual Meeting must comply with the procedures, requirements and time limitations set forth in the Company's By-laws and outlined in this Proxy Statement under STOCKHOLDER PROPOSALS AND NOMINATIONS FOR 2003 ANNUAL MEETING - Nominating Procedures.

Compensation Committee

The Compensation Committee has responsibility for administering and approving all elements of compensation for elected corporate officers and certain other senior management positions. It also approves, by direct action or through delegation, participation in bonus and option programs. The committee reports to stockholders on executive compensation items as required by the SEC. The committee held three meetings in 2001.

Compensation of Directors

A director who is not also a salaried employee receives an annual fee of \$8,000 plus \$1,000 for each Board meeting attended. A member of the Executive Committee who is not a salaried employee receives an annual additional fee of \$1,000 for services in such capacity. A member of the Audit Committee receives \$2,000 annually for services in such capacity. In addition, pursuant to Board action, (i) Mr. Steele is paid a fee of \$100,000 per annum as the non-executive Chairman of the Board of Directors for Board services, (ii) Mr. Kotler is paid a fee of \$50,000 per annum as Chairman of the Executive Committee, and (iii) Mr. Thomas is paid a fee of \$50,000 per annum under a consulting arrangement with the Company. Directors are reimbursed for related expenses.

The following Compensation Committee, Audit Committee and Executive Committee Reports do not constitute soliciting material and shall not be deemed "filed" or incorporated by reference into any other company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the company specifically incorporates these Compensation Committee, Audit Committee and Executive Committee Reports by reference therein.

Compensation Committee Report

In 2001, the Committee approved all forms of compensation for Named Officers including employment agreements, base salaries, annual bonuses and stock options. Mr. Brody was appointed by the Board of Directors to the Compensation Committee beginning May 24, 2001 joining Messrs. Kotler and Thomas on the Committee.

Key senior executive officers entered into employment agreements with the Company during 2001: Linda M. Autore, the Company's President and Chief Executive Officer since August 1999, entered

Simpson, the Company's Executive Vice President and Chief Financial Officer entered into an employment agreement dated March 5, 2001 and Jon Garrity, the Company's Senior Vice President, Supply Chain entered into an employment agreement dated November 13, 2001. Each employment agreement provided for a compensation package consisting of a base salary, the potential for an annual bonus under the current year's Executive Officers' Bonus Plan, and an option to purchase common stock under the Company's stock option plan.

The Committee aligned the value of the Named Officers' compensation packages with those of the stockholders by tying (i) cash bonus compensation to the Company's financial performance, through the 2001 Executive Officers' Bonus Plan, and (ii) long term incentives to growth in the Company's stock price, through the grant of options. The components of the Named Officers' compensation packages, which the Committee reviewed and approved, were, accordingly:

Base Salaries. Base salaries reflected the achievements, responsibilities and experience of the individual, as well as competitive conditions in the executive employment market.

Annual Bonuses. In 2001, incentive bonuses for Named Officers under the 2001 Executive Officers' Bonus Plan were approved by the Committee. This plan entitled Named Officers to earn bonuses, ranging from 0% to 37.5% of their annual salaries, if the Company's net revenue exceeded specified amounts.

Stock Options. Stock options were granted to the Named Officers upon hire and/or promotion date based on competitive and performance factors with exercise prices equal to the closing market price of the Common Stock on the dates of the grants. The options become exercisable in four equal annual cumulative installments, starting on the first anniversary of the date of grant.

financial statements. The Committee reviewed the Company's audited financial statements for the year ended December 29, 2001 and met with both management and PricewaterhouseCoopers LLP, the Company's independent auditors (the "Auditors") to discuss those financial statements, including the critical accounting policies on which the financial statements are based. Management and the Auditors have represented to the Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Committee also discussed with the Auditors the matters required to be discussed by SAS 61 Codification of Statements on Auditing Standards (AU ss. 380). The Audit Committee has received the written disclosures and the letter from the Auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the

Auditors their independence. Based on the review and discussions described in this paragraph, the Audit Committee recommended to the Board of Directors of the Company that the Financial Statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 29, 2001.

The Audit Committee concluded that the non-audit services rendered in 2001 did not impair the independence of PricewaterhouseCoopers LLP.
