Item 1.01 Entry into a Material Definitive Agreement

On November 9, 2004, Valley National Bancorp and Valley National Bank entered into an Agreement and Plan of Merger by which Valley will acquire NorCrown Bank, a New Jersey commercial bank. Pursuant to the agreement, NorCrown will be merged into Valley National Bank.

Valley will pay \$141 million for NorCrown of which 50 percent will be cash and 50 percent will be Valley common stock. Valley anticipates that it will issue approximately 2.5 million common shares in a private placement to NorCrown shareholders at an exchange ratio to be determined based upon Valley's average stock price prior to closing. Following the closing, NorCrown shareholders will have the right to require Valley to register the Valley common stock with the SEC.

Closing of the acquisition, which Valley anticipates will occur in early 2005, is contingent on regulatory approvals and the satisfaction of certain closing conditions by NorCrown. The purchase price of \$141 million may be reduced based on

The option is exercisable upon the occurrence of a Triggering Event (as defined in the Stock Option Agreement).
