Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) At the annual meeting of stockholders of the Company held on January 27, 2016 (the "2016 Annual Meeting"), the Company's stockholders ratified the adoption of the Executive Performance-Based Variable Compensation Plan ("Executive PBVC Plan"). The Board of Directors of the Company adopted the Executive PBVC Plan on November 4, 2015, subject to stockholder ratification.

Under the Executive PBVC Plan the Company is permitted to grant awards that qualify as "performance-based" compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"). Under Section 162(m), the Company may not receive a federal income tax deduction for compensation paid to our Chief Executive Officer and certain other highly compensated executive officers to the extent that any of these persons receives more than \$1 million in any one year. However, if the Company pays compensation that is "performance-based" under Section 162(m), it may still receive a federal income tax deduction for the compensation even if it is more than \$1 million during a single year. The Executive PBVC Plan allows the Company to pay incentive compensation that is performance-based and therefore fully tax deductible on the Company's federal income tax return.

The foregoing summary of the Executive Performance-Based Variable Compensation Plan is qualified in its entirety by reference to the detailed summary of the Executive Performance-Based Variable Compensation Plan set forth in the section "Proposal No. 3 - Ratification of the Adoption of the Company's Executive Performance-Based Variable Compensation Plan" in the Company's Proxy Statement filed with the Securities and Exchange Commission on December 11, 2015 and to the full text of the Executive Performance-Based Variable Compensation Plan, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
