PROSPECTUS FILED PURSUANT TO RULE 424(B)(3)

**Filed Pursuant to Rule 424(b)(3)  
Registration No. 333-131029**

**Prospectus Supplement No. 2  
(to Prospectus dated April 12, 2006, as supplemented and amended  
by that Prospectus Supplement No. 1 dated May 15, 2006)**

This Prospectus Supplement No. 2 supplements and amends the prospectus dated April 12, 2006 (as supplemented and amended by that Prospectus Supplement No. 1 dated May 15, 2006), or the Prospectus, relating to the offer and sale of up to 7,790,974 shares of our common stock to be issued pursuant to awards granted or to be granted under our 2002 Stock Incentive Plan, or our 2002 Plan, up to 147,510 shares of our common stock to be issued pursuant to our 2002 Employee Stock Purchase Plan, or our 2002 ESPP, and up to 50,309 shares of our common stock which may be offered from time to time by the selling stockholders identified on page 110 of the Prospectus for their own accounts. Each of the selling stockholders named in the Prospectus acquired the shares of common stock upon exercise of options previously granted to them as an employee, director or consultant of Ligand or as restricted stock granted to them as a director of Ligand, in each case under the terms of our 2002 Plan. We will not receive any of the proceeds from the sale of the shares of our common stock by the selling stockholders under the Prospectus. We will receive proceeds in connection with option exercises under the 2002 Plan and shares issued under the 2002 ESPP which will be based upon each granted option exercise price or purchase price, as applicable.

This Prospectus Supplement No. 2 includes the attached Current Report on Form 8-K of Ligand Pharmaceuticals Incorporated dated June 12, 2006, as filed by us with the Securities and Exchange Commission.

This Prospectus Supplement No. 2 should be read in conjunction with, and delivered with, the Prospectus and is qualified by reference to the Prospectus, except to the extent that the information in this Prospectus Supplement No. 2 updates or supersedes the information contained in the Prospectus.

Effective June 14, 2006, our common stock will be quoted on the Nasdaq National Market under the symbol LGND. Currently, our common stock is quoted on The Pink Sheets LLC under the symbol LGND. On June 9, 2006, the last reported sale price of our common stock on The Pink Sheets LLC, was \$11.00 per share.

**Investing in our common stock involves risk. See Risk Factors beginning on page 7 of the Prospectus and beginning on page 46 of Prospectus Supplement No. 1.**

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or determined if the Prospectus or this Prospectus Supplement No. 2 is truthful or complete. Any representation to the contrary is a criminal offense.

The date of this Prospectus Supplement No. 2 is June 12, 2006.

**Ligand Pharmaceuticals to be Relisted on NASDAQ National Market**

**SAN DIEGO, CA June 12, 2006** Ligand Pharmaceuticals Incorporated (Pink Sheets: LGND) today announced that NASDAQ has approved the company's application for relisting its common stock on the NASDAQ National Market. Ligand expects trading in its common shares to begin on the NASDAQ National Market on June 14, 2006 under the symbol LGND.

We are pleased that NASDAQ has approved our application to be relisted on the NASDAQ National Market, said David E. Robinson, Ligand Chairman, President and Chief Executive Officer. Relisting should allow our shares to be bought and held by a broader range of investors, traded and covered by additional market makers and analysts and generally facilitate additional shareholder liquidity.

Ligand's Board of Directors, Management and advisors continue to be focused on the ongoing process of exploring strategic alternatives to enhance shareholder value, added Robinson.

**About Ligand**

Ligand discovers, develops and markets new drugs that address critical unmet medical needs of patients in the areas of cancer, pain, skin diseases, men's and women's hormone-related diseases, osteoporosis, metabolic disorders, and cardiovascular and inflammatory diseases. Ligand's proprietary drug discovery and development programs are based on its leadership position in gene transcription technology, primarily related to intracellular receptors. judgment and involve risks and uncertainties as of the date of this release. These statements include those related to the relisting of the company's shares on the NASDAQ National Market, financial reporting normalization, potential investors and additional liquidity, and exploration of strategic alternatives. Actual events or results may differ materially from Ligand's expectations. There can be no assurance that the market price of the company's common shares will benefit or that the liquidity will be improved by the relisting, that the composition of the company's shareholder base will be affected, that the company's financial reporting or other attributes will continue to meet the continued listing requirements of the NASDAQ National Market or that the strategic process will be successful or yield preferred results. Any future failure to maintain its NASDAQ listing may harm the company's stock price. Additional information concerning these and other risk factors affecting Ligand's business can be found in prior press releases as well as in Ligand's public periodic filings with the Securities and Exchange Commission, available via Ligand's web site at [www.ligand.com](http://www.ligand.com). Ligand disclaims any intent or obligation to update these forward-looking statements beyond the date of this release.
