PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Trustees of Eaton Vance Enhanced Equity Income Fund II (the "Enhanced Equity Fund"), Eaton Vance Risk-Managed Diversified Equity Income Fund (the "Risk-Managed Fund"), Eaton Vance Tax-Advantaged Bond and Option Strategies Fund (the "Tax-Advantaged Fund"), Eaton Vance Tax-Managed Buy-Write Income Fund (the "Buy-Write Income Fund"), Eaton Vance Tax-Managed Buy-Write Opportunities Fund (the "Buy-Write Opportunities Fund") and Eaton Vance Tax-Managed Global Buy-Write Opportunities Fund (the "Global Buy-Write Opportunities Fund") (collectively, the "Funds"). The proxies will be voted at the Annual Meeting of Shareholders of each Fund and at any adjournments or postponements thereof. The meeting will be held on Thursday, April 24, 2014 at 11:30 a.m. at the principal office of each Fund, Two International Place, Boston, Massachusetts 02110. The meeting will be held for the purposes set forth in the accompanying notice. This proxy material is being mailed to shareholders on or about February 27, 2014.

The Board of Trustees of each Fund has fixed the close of business on February 12, 2014 as the record date for the determination of the shareholders entitled to notice of and to vote at the meeting and any adjournments or postponements thereof. The number of Common Shares, \$0.01 par value per share ("Common Shares"), of each Fund outstanding on February 12, 2014, were as follows:

Fund	No. of Common Shares Outstanding on February 12, 2014
Enhanced Equity Fund	47,655,123
Risk-Managed Fund	66,531,441
Tax-Advantaged Fund	10,566,786
Buy-Write Income Fund	24,654,545
Buy-Write Opportunities Fund	63,614,866
Global Buy-Write Opportunities Fund	106,442,735

Each Fund will vote separately on each item; votes of multiple Funds will not be aggregated.

According to filings made pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended, one or more shareholders of a Fund owns more than 5% of the Fund's Common Shares. Information relating to such shareholders can be found on Exhibit C. As of February 12, 2014, to each Fund's knowledge: (i) no other shareholder beneficially

Edgar Filing: Eaton Vance Enhanced Equity Income Fund II - Form DEF 14A

owned more than 5% of the outstanding shares of the Fund; and (ii) the Trustees and officers of the Fund, individually and as a group, owned beneficially less than 1% of the outstanding shares of the Fund.

Shareholders as of the close of business on the record date will be entitled to one vote for each share held. All properly executed proxies received prior to the meeting will be voted at the meeting. Each proxy will be voted in accordance with its instructions; if no instruction is given, an executed proxy will authorize the persons named on the respective proxy card enclosed as proxies, or any of them, to vote in favor of the election of each Trustee. An executed proxy delivered to a Fund is revocable by the person giving it prior to its exercise by a signed writing filed with the Fund's Secretary, by executing and delivering a later dated proxy, or by attending the meeting and voting the shares in person. Merely attending the meeting will not revoke a previously executed

proxy. If you hold Fund shares through an intermediary (such as a broker, bank, adviser or custodian), please consult with the intermediary regarding your ability to revoke voting instructions after they have been provided.

If you are a record holder of Fund shares and plan to attend the meeting in person, you must show a valid photo identification (such as a driver's license) to gain admission to the meeting. If you hold Fund shares through an intermediary and plan to attend the meeting in person, you will be required to show a valid photo identification and authority to vote your shares (referred to as a legal proxy) to gain admission to the meeting. You must contact your intermediary to obtain a legal proxy for your shares.

The Boards of Trustees of the Funds know of no business other than that mentioned in Item 1 of the Notice of Annual Meeting of Shareholders that will be presented for consideration. If any other matters are properly presented, it is the intention of the persons named as proxies to vote on such matters in accordance with their judgment.

PROPOSAL 1. ELECTION OF TRUSTEES

Each Fund's Agreement and Declaration of Trust provides that a majority of the Trustees shall fix the number of the entire Board and that such number shall be at least two and no greater than fifteen. Each Board has fixed the number of Trustees at ten. Under the terms of each Fund's Agreement and Declaration of Trust, the Board of Trustees is divided into three classes, each having a term of three years to expire on the date of the third annual meeting following its election. An effect of staggered terms is to limit the ability of entities or persons to acquire control of a Fund.

Proxies will be voted for the election of the following nominees:

- a. For Enhanced Equity Fund, Risk-Managed Fund and Tax-Advantaged Fund, three Class I Trustees, Scott E. Eston, Thomas E. Faust Jr. and Allen R. Freedman, and one Class III Trustee, Valerie A. Mosley, to be elected by shareholders of each Fund; and
- b. For Buy-Write Income Fund, Buy-Write Opportunities Fund and Global Buy-Write Opportunities Fund, three Class III Trustees, Valerie A. Mosley, Helen Frame Peters and Ralph F. Verni, to be elected by shareholders of each Fund.

The Board of Trustees recommends that shareholders vote FOR the election of the Trustee nominees of each Fund.

Each nominee is currently serving as a Trustee of his or her respective Fund and has consented to continue to so serve.

In the event that a nominee is unable to serve for any reason (which is not now expected) when the election occurs, the accompanying proxy will be voted for such other person or persons as the Board of Trustees may recommend.

Election of Trustees is non-cumulative. Shareholders do not have appraisal rights in connection with the proposal in this proxy statement. The Trustees of each Fund shall be elected by the affirmative vote of a plurality of the shares of the Fund entitled to vote. Proxies cannot be voted for a greater number of persons than the number of nominees named. No nominee is a party adverse to his or her respective Fund or any of its affiliates in any material pending legal proceeding, nor does any nominee have an interest materially adverse to such Fund.

The following table presents certain information regarding the current Trustees of each Fund, including the principal occupations of each such person for at least the last five years. References below to EOS are to Enhanced Equity Fund, to ETJ are to Risk-Managed Fund, to EXD are to Tax-Advantaged Fund, to ETB are to Buy-Write Income Fund, to ETV are to Buy-Write Opportunities Fund and to ETW are to Global Buy-Write Opportunities Fund. Proxy Statement dated February 27, 2014

Edgar Filing: Eaton Vance Enhanced Equity Income Fund II - Form DEF 14A

Each current Trustee listed above served as a Trustee of 182 funds within the Eaton Vance Fund complex as of February 12, 2014 (including both master and feeder funds in a master-feeder structure). The address of each Trustee is Two International Place, Boston, Massachusetts 02110.

Each Trustee holds office until the annual meeting for the year in which his or her term expires and until his or her successor is elected and qualified, subject to a prior death, resignation, retirement, disqualification or removal. Under the terms of each Fund's Trustee retirement policy as currently in effect, a Trustee must retire as a Trustee on the first day of July following his or her 74th birthday unless such retirement would cause a Fund to be out of compliance with Section 16 of the Investment Company Act of 1940, as amended (the 1940 Act), in which case the retirement and resignation will occur on the first day thereafter on which a Fund would be in compliance with Section 16. Section 16 requires in substance that at least a majority of the Trustees be elected by shareholders. Consistent with the Trustee retirement policy, Mr. Freedman is currently expected to retire as a Trustee of each Fund effective July 1, 2014.

Interested Trustee

Mr. Faust is an interested person (as defined in the 1940 Act) by reason of his affiliation with EVM, each Fund's investment adviser, and EVC, a publicly-held holding company, which owns all the outstanding shares of EVM and of EVM's trustee, EV. (EVM, EVC, and their affiliates are sometimes referred to collectively as the Eaton Vance Organization.) Mr. Faust holds positions with other Eaton Vance affiliates that are comparable to his position with Eaton Vance listed above.

Board Meetings and Committees

The Board of Trustees has general oversight responsibility with respect to the business and affairs of each Fund. The Board has engaged an investment adviser and (if applicable) a sub-adviser (collectively the adviser) to manage each Fund and an administrator to administer each Fund and is responsible for overseeing such adviser and administrator and other service providers to the Fund. The Board is currently composed of ten Trustees, including nine Trustees who are not interested persons of a Fund, as that term is defined in the 1940 Act (each a noninterested Trustee). In addition to eight regularly scheduled meetings per year, the Board holds special meetings or informal conference calls to discuss specific matters that may require action prior to the next regular meeting. As discussed below, the Board has established five committees to assist the Board in performing its oversight responsibilities.

The Board has appointed a noninterested Trustee to serve in the role of Chairman. The Chairman's primary role is to participate in the preparation of the agenda for meetings of the Board and the identification of information to be presented to the Board with respect to matters to be acted upon by the Board. The Chairman also presides at all meetings of the Board and acts as a liaison with service providers, officers, attorneys, and other Trustees generally between meetings. The Chairman may perform such other functions as may be requested by the Board from time to time. Except for any duties specified herein or pursuant to each Fund's Declaration of Trust or By-laws, the designation of Chairman does not impose on such noninterested Trustee any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

Each Fund is subject to a number of risks, including, among others, investment, compliance, operational, and valuation risks. Risk oversight is part of the Board's general oversight of each Fund and is addressed as part of various activities of the Board of Trustees and its Committees. As part of its oversight of each Fund, the Board directly, or through a Committee, relies on and reviews reports from, among others, Fund management, the adviser, the administrator, the principal underwriter, the Chief Compliance Officer (the CCO), and other Fund service providers responsible for day-to-day oversight of Fund investments, operations and compliance to assist the Board in identifying and understanding the nature and extent of risks and determining whether, and to what extent, such risks can be mitigated. The Board also interacts with the CCO and with senior personnel of the adviser, the administrator, the principal underwriter and other Fund service providers and provides input on risk management issues during meetings of the Board and its Committees. Each of the adviser, the administrator, the principal underwriter and the other Fund service providers has its own independent interest and responsibilities in risk management, and its policies and methods for carrying out risk management functions will depend, in part, on its individual priorities, resources and controls. It is not possible to identify all of the risks that may affect a Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve a Fund's goals.

The Board, with the assistance of management and with input from the Board's various committees, reviews investment policies and risks in connection with its review of Fund performance. The Board has appointed a Fund CCO who oversees the implementation and testing of each Fund compliance program and reports to the Board regarding compliance matters for the Funds and their principal service providers. In addition, as part of the Board's periodic review of the advisory, subadvisory (if applicable), distribution and other service provider agreements, the Board may consider risk management aspects of their operations and the functions for which they are responsible. With respect to valuation, the Board approves and periodically reviews valuation policies and procedures applicable to valuing each Fund's shares. The administrator and the adviser are responsible for the implementation and day-to-day administration of these valuation policies and procedures and provides reports periodically to the Board regarding these and related matters. In addition, the Board or the Audit Committee of the Board receives reports periodically from the independent public accounting firm for each Fund regarding tests performed by such firm on the valuation of all securities, as well as with respect to other risks associated with mutual funds. Reports received from service providers, legal counsel and the independent public accounting firm assist the Board in performing its oversight function.

Each Fund's Declaration of Trust does not set forth any specific qualifications to serve as a Trustee. The Charter of the Governance Committee also does not set forth any specific qualifications, but does set forth certain factors that the Committee may take into account in considering noninterested Trustee candidates. In general, no one factor is decisive in the selection of an individual to join the Board. Among the factors the Board considers when concluding that an individual should serve on the Board are the following: (i) knowledge in matters relating to the mutual fund industry; (ii) experience as a director or senior officer of public companies; (iii) educational background; (iv) reputation for high ethical standards and professional integrity; (v) specific financial, technical or other expertise, and the extent to which such expertise would complement the Board of Trustees' existing mix of skills, core competencies and qualifications; (vi) perceived ability to contribute to the ongoing functions of the Board of Trustees, including the ability and commitment to attend meetings regularly and work collaboratively with other members of the Board of Trustees; (vii) the ability to qualify as a noninterested Trustee for purposes of the 1940 Act and any other actual or potential conflicts of interest involving the individual and each Fund; and (viii) such other factors as the Board determines to be relevant in light of the existing composition of the Board of Trustees.

Among the attributes or skills common to all Trustees are their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the other Trustees, management, sub-advisers, other service providers, counsel and independent registered public accounting firms, and to exercise effective and independent business judgment in the performance of their duties as Trustees. Each Trustee's ability to perform his or her duties effectively has been attained through the Trustee's business, consulting, public service and/or academic positions and through experience from service as a member of the Boards in the Eaton Vance family of funds (Eaton Vance Fund Boards) (and/or in other capacities, including for any predecessor funds), public companies, or non-profit entities or other organizations as set forth below. Each Trustee's ability to perform his or her duties effectively also has been enhanced by his or her educational background, professional training, and/or other life experiences.

In respect of each current Trustee, the individual's substantial professional accomplishments and experience, including in fields related to the operations of registered investment companies, were a significant factor in the determination that the individual should serve as a Trustee. The following is a summary of each Trustee's particular professional experience and additional considerations that contributed to the Board's conclusion that he or she should serve as a Trustee:

Scott E. Eston. Mr. Eston has served as a member of the Eaton Vance Fund Boards since 2011. The Audit Committee met nineteen times, the Contract Review Committee met seven times, the Governance Committee met eight times, the Portfolio Management Committee met six times and the Compliance Reports and Regulatory Matters Committee met ten times during such period. Each Trustee attended at least 75% of such Board and Committee meetings on which he or she serves. None of the Trustees attended the Funds' 2013 Annual Meetings of Shareholders.

Each Committee of the Board of Trustees of each Fund is comprised of only noninterested Trustees. The respective duties and responsibilities of these Committees remain under the continuing review of the Governance Committee and the Board.

Messrs. Park (Chair), Eston, Pearlman and Verni, and Ms. Peters are members of the Audit Committee. The Board of Trustees of each Fund has designated Mr. Park, a noninterested Trustee, as the Fund's Audit Committee financial expert. Each Audit Committee member is independent under applicable listing standards of the New York Stock Exchange. The purposes of the Audit Committee are to (i) oversee each Fund's accounting and financial reporting processes, its internal control over financial reporting, and, as appropriate, the internal control over financial reporting of certain service providers; (ii) oversee or, as appropriate, assist Board oversight of the quality and integrity of each Fund's financial statements and the independent audit thereof; (iii) oversee, or, as appropriate, assist Board oversight of, each Fund's compliance with legal and regulatory requirements that relate to the Fund's accounting and financial reporting, internal control over financial reporting and independent audits; (iv) approve, prior to appointment, the engagement and, when appropriate, replacement of the independent auditors, and, if applicable, nominate independent auditors to be proposed for shareholder ratification in any proxy statement of each Fund; (v) evaluate the qualifications, independence and performance of the independent auditors and the audit partner in charge of

leading the audit; and (vi) prepare, as necessary, such Audit Committee reports consistent with the requirements of applicable Securities and Exchange Commission (SEC) and stock exchange rules for inclusion in the proxy statement for the Annual Meeting of Shareholders of the Fund. Each Fund's Board of Trustees has adopted a written charter for its Audit Committee, a copy of which is attached as Exhibit A. The written charter is also available on the Eaton Vance website, www.eatonvance.com, by selecting Individual Investors followed by Resources and then Fund Corporate Governance. The Audit Committee's Report is set forth below under Additional Information.

Messrs. Verni (Chair), Eston, Freedman and Park, and Mmes. Mosley, Peters and Taggart are members of the Contract Review Committee. The purposes of the Contract Review Committee are to consider, evaluate and make recommendations to the Board of Trustees concerning the following matters: (i) contractual arrangements with each service provider to each Fund, including advisory, sub-advisory, transfer agency, custodial and fund accounting, distribution services (if any) and administrative services; (ii) any and all other matters in which any of each Fund's service providers (including Eaton Vance or any affiliated entity thereof) has an actual or potential conflict of interest with the interests of the Fund or its shareholders; and (iii) any other matter appropriate for review by the noninterested Trustees, unless the matter is within the responsibilities of other Committees of the Board of Trustees.

Mmes. Peters and Taggart (Co-Chairs) and Mosley and Mr. Freedman are members of the Portfolio Management Committee. The purposes of the Portfolio Management Committee are to: (i) assist the Board of Trustees in its oversight of the portfolio management process employed by each Fund and their investment adviser and sub-adviser(s), if applicable, relative to the Funds' stated objective(s), strategies and restrictions; (ii) assist the Board of Trustees in its oversight of the trading policies and procedures and risk management techniques applicable to the Funds; and (iii) assist the Board of Trustees in its monitoring of the performance results of all funds, giving special attention to the performance of certain funds that it or the Board of Trustees identifies from time to time.

Messrs. Pearlman (Chair) and Eston, and Ms. Stout are members of the Compliance Reports and Regulatory Matters Committee. The purposes of the Compliance Reports and Regulatory Matters Committee are to: (i) assist the Board of Trustees in its oversight role with respect to compliance issues and certain other regulatory matters affecting the Funds; (ii) serve as a liaison between the Board of Trustees and the Funds' CCO; and (iii) serve as a qualified legal compliance committee within the rules promulgated by the SEC.

Messrs. Freedman (Chair), Eston, Park, Pearlman and Verni, and Mmes. Mosley, Peters, Stout and Taggart are members of the Governance Committee. Each Governance Committee member is independent under applicable listing standards of the New York Stock Exchange. The purpose of the Governance Committee is to consider, evaluate and make recommendations to the Board of Trustees with respect to the structure, membership and operation of the Board of Trustees and the Committees thereof, including the nomination and selection of noninterested Trustees and a Chairperson of the Board and the compensation of such persons.

Each Fund's Board of Trustees has adopted a written charter for its Governance Committee, a copy of which is available on the Eaton Vance website, www.eatonvance.com, by selecting Individual Investors followed by Resources and then Fund Corporate Governance. The Governance Committee identifies candidates by obtaining referrals from such sources as it deems appropriate, which may include current Trustees, management of the Fund, counsel and other advisors to the Trustees, and shareholders of the Funds who submit recommendations in accordance with the procedures described in the Committee's charter. In no event shall the Governance Committee consider as a candidate to fill any vacancy an individual recommended by management of the Funds, unless the Governance Committee has invited management to make such a recommendation. The Governance Committee will, when a vacancy exists or is anticipated, consider any nominee for noninterested Trustee recommended by a shareholder if such recommendation is submitted in writing to the Governance Committee, contains sufficient background information concerning the candidate, including evidence the candidate is willing to serve as a noninterested Trustee if selected for the position, and is received in a sufficiently timely manner. The Governance Committee's procedures for identifying and evaluating candidates for the position of noninterested Trustee, including the procedures to be followed by shareholders of a Fund wishing to recommend such candidates for consideration by the Governance Committee and

the qualifications the Governance Committee will consider, are set forth in an appendix to the Committee's charter.

The Governance Committee does not have a formal policy to consider diversity when identifying candidates for the position of noninterested Trustee. Rather, as a matter of practice, the Committee considers the overall diversity of the Board's composition when identifying candidates. Specifically, the Committee considers how a particular candidate could be expected to contribute to overall diversity in the backgrounds, skills and experiences of the Board's members and thereby enhance the effectiveness of the Board. In addition, as part of its annual self-evaluation, the Board has an opportunity to consider the diversity of its members, including specifically whether the Board's members have the right mix of characteristics, experiences and skills. The results of the self-evaluation are considered by the Governance Committee in its decision-making process with respect to candidates for the position of noninterested Trustee.

Communications with the Board of Trustees

Shareholders wishing to communicate with the Board may do so by sending a written communication to the Chairperson of the Board of Trustees, the Chairperson of any Committee of the Board of Trustees or to the noninterested Trustees as a group, at the following address: Two International Place, Boston, Massachusetts 02110, c/o the Secretary of the applicable Fund.
