Although all stockholders are invited to attend the Annual Meeting, only stockholders of record at the close of business on February 21, 2007, are entitled to notice of and to vote at the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting will be open to examination by stockholders during regular business hours at the Company's principal executive offices from February 28, 2007, through the Annual Meeting date and at the Annual Meeting.

By Order of the Board of Directors

John A. Poserina
Secretary, Synergx Systems Inc.

February 28, 2007
Syosset, New York

TO ASSURE YOUR REPRESENTATION AT THE ANNUAL MEETING OF STOCKHOLDERS PLEASE SIGN, DATE AND RETURN YOUR PROXY IN THE ENCLOSED ENVELOPE WHETHER OR NOT YOU EXPECT TO ATTEND IN PERSON. STOCKHOLDERS WHO ATTEND THE MEETING MAY REVOKE THEIR PROXIES AND VOTE IN PERSON IF THEY DESIRE.

PROXY STATEMENT
SYNERGX SYSTEMS INC.

SOLICITATION OF PROXIES

The accompanying Proxy is solicited on behalf of the board of directors of Synergx Systems Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Wednesday, March 28, 2007, at 11:00 a.m. Eastern Standard Time, or any adjournment thereof, at the offices of Dolgenos Newman & Cronin LLP, 271 Madison Avenue, 12th Floor, New York, New York. The approximate date on which proxy materials are first being sent to stockholders is February 28, 2007.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, officers, directors, and regular employees of the Company may, without additional compensation, use their personal efforts to solicit proxies by telephone, telecopier or in person. The Company expects to reimburse brokers, banks, custodians and other nominees for their reasonable out-of-pocket expenses in handling proxy materials for beneficial owners of the Common Stock. Should the Company's management deem it necessary, the Company may also retain the services of a proxy solicitation firm to aid in the solicitation of proxies for which the Company will pay a fee not expected to exceed \$5,000 plus reimbursement for out-of-pocket expenses.

Vote Required

The election of the Company's directors requires a plurality of the votes represented in person or by proxy at the Annual Meeting. The proposal to ratify the appointment of Marcum & Kliegman LLP as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2007 will be approved if it receives the affirmative vote of the majority of the shares of Common Stock present or represented and entitled to vote at the Annual Meeting.

Effect of an Abstention and Broker Non-Votes

A stockholder who abstains from voting on any or all proposals will be included in the number of stockholders present at the Annual Meeting for the purpose of determining the presence of a quorum. Abstentions will not be counted either in favor of or against the election of the nominees or any other proposal. Consequently, abstentions will have no effect on the vote required to approve the nominees for director or the other proposals being considered at the Annual Meeting.

If you hold shares of our common stock in your broker's name (sometimes called "street name" or "nominee name"), then you must provide voting instructions to your broker. If you do not provide instructions to your broker, your shares will not be voted on any matter on which your broker does not have discretionary authority to vote for you. A vote that is not cast for this reason is called a "broker non-vote." We will treat broker non-votes as shares present for the purpose of determining whether a quorum is present at the meeting, but we will not consider them present for purposes of calculating the vote on a particular matter, nor will we count them as a vote FOR or AGAINST a matter or as an ABSTENTION on the matter.

Stockholders can ensure that their shares are voted at the Annual Meeting by signing and returning the enclosed proxy in the envelope provided. Shares of Common Stock par value \$.001 per share ("Common Stock") represented by the accompanying proxy will be voted if the proxy is properly executed and is received by the Company prior to the time of voting. Sending in a signed proxy will not affect a stockholder's right to attend the Annual Meeting and vote in person. The Company's principal executive offices are located at 209 Lafayette Drive, Syosset, New York 11791.

Proxies may be revoked at any time prior to the voting thereof by written notice mailed or delivered to the Secretary, by receipt of a proxy properly signed and dated subsequent to an earlier proxy, or by revocation by request in person at the Annual Meeting, but if not so revoked, the shares represented by such proxy will be voted in accordance with the authority conferred by such proxy. Where specific choices are not indicated on the proxy, proxies will be voted in accordance with the recommendations of the board of directors.

Seven (7) directors will be elected to hold office until the next Annual Meeting of Stockholders and until their successors have been elected and duly qualified. The persons named on the accompanying proxy will vote all shares for which they have received proxies for the election of the nominees named below unless contrary instructions are given. 4

The board has determined that the following named nominees, if elected, will be “independent” as defined by Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards: J. Ian Dalrymple, Mark Litwin, Harris Epstein, Peter Barotz and Orhan Sadik-Khan.

There are no family relationships between any Director or Executive Officer of Synergx and any other Director or Executive Officer of Synergx.

Directors hold office for a period of one year from the Annual Meeting of Stockholders at which they are elected or until their successors are duly elected and qualified. Officers are appointed by the board of directors and hold office at the will of the Board.

There were eight meetings of the board of directors of the Company during the fiscal year ended September 30, 2006 (some actions were taken by unanimous consent). During fiscal 2006, each board member attended at least 75% of the aggregate number of meetings of the board and the committee of the board on which he served.

During the fiscal year ended September 30, 2006, non-employee directors were compensated at a rate of \$2,000 annually plus \$100 for each meeting attended.

Nominating Committee

We have not established a Nominating Committee nor have we adopted a charter for the nominating process. Currently, the entire board performs the functions of a nominating committee, including identifying individuals qualified to become board members, recommending nominees to fill vacancies in the membership of the board as they occur and, prior to each annual meeting of stockholders, recommending director nominees for election at such meeting, and making recommendations concerning the size and composition of the board. Board candidates are considered based upon various criteria, such as skills, knowledge, perspective, broad business judgment and leadership, relevant specific industry or regulatory affairs knowledge, business creativity and vision, experience, and any other factors appropriate in the context of an assessment of the needs of the board at that time. In addition, the board will consider whether the individual satisfies criteria for independence as may be required by applicable regulations and personal integrity and judgment. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The board has the sole authority to retain, compensate and terminate any search firm or firms to be used in connection with the identification, assessment, and/or engagement of directors and director candidates. No such firm has been retained by the Company in the past.

The board will consider proposed nominees whose names are submitted to it by stockholders; however, it does not have a formal process for that consideration. The Company has not adopted a formal process because it believes that the informal consideration process has served the board's and the stockholders' needs. The board intends to review periodically whether a more formal policy should be adopted. If a stockholder wishes to suggest a proposed name for board consideration, the name of that nominee and related personal information should be forwarded to the board, in care of the corporate Secretary, at least six months before the next annual meeting to assure time for meaningful consideration by the board. Two nominees were recommended by a security holder.

Stockholder Communication with Board Members

Although the Company has not to date developed formal processes by which stockholders may communicate directly to directors, it believes that the informal process, in which stockholder communications which are received by the Secretary for the board's attention are forwarded to the board, has served the board's and the stockholders' needs. In view of recently adopted Securities and Exchange Commission disclosure requirements relating to this issue, the

board may consider development of more specific procedures. Until any other procedures are developed and posted on the Company's corporate website, any communications to the board of directors should be sent to it in care of the Secretary.

The Company has no policy on attendance by directors at the annual meeting of stockholders, although the By-Laws provide that the annual meeting of directors shall be held as soon as possible after the annual meeting of stockholders.

AUDIT COMMITTEE

The board of directors has a standing audit committee, with a written charter, which currently consists of Messrs. Mark I. Litwin, J. Ian Dalrymple, and Harris Epstein. During fiscal 2006, the Audit Committee held four meetings.

The board of directors has determined that Mr. Litwin and Mr. Epstein each qualifies as a financial expert and that each of Messrs. Litwin, Dalrymple and Epstein is an "independent director," as such term is defined by Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards.

Report of the Audit Committee

The following "Report of the Audit Committee" shall not be deemed incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Securities Act of 1933 (Securities Act), or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under the Securities Act or the Exchange Act.

The Audit Committee has reviewed and discussed the audited financial statements with management. The Audit Committee has discussed with the independent registered public accountants the matters required to be discussed by Statement of Auditing Standards No. 61, "Communication with Audit Committees," as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter from the independent registered public accountants required by Independence Standards Board Standard No. 1, as may be modified or supplemented, and has discussed with the independent registered public accountants their independence. Based on the review and discussions referred to above in this report, the Audit Committee recommended to the board of directors that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the last fiscal year for filing with the SEC.

In March 2004, the Company and its stockholders adopted a nonqualified stock option plan ("2004 Plan"), which will expire March 10, 2009, except as to options outstanding under a prior 1997 Plan. Under the 2004 Plan, the board of directors may grant options to eligible employees at exercise prices not less than 100% of the fair market value of the common shares at the time the options are granted. The number of shares of Common Stock that may be issued shall not exceed an aggregate of up to 10% of the Company's issued and outstanding shares from time to time. Options vest at a rate of 20% per year commencing one year after date of grant. Issuances under the 2004 Plan are to be reduced by options outstanding under the prior 1997 nonqualified stock option plan.

In February 2005, the board of directors approved a grant of 130,000 stock options with a fair market value of \$157,094 to certain employees, officers and directors of the Company under the 2004 Plan. The stock options are exercisable at \$2.50 per share, which exercise price was above the market price at the time of grant.

The Company currently has issued and outstanding options to purchase 108,000 shares of its Common Stock, at an exercise price of \$2.50 per share, to certain of its officers, Directors and employees. See "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT."

In December 1995, the board of directors voted to institute a 401(k) plan for nonunion employees to be effective January 1, 1996. The plan includes a profit sharing provision at the discretion of the board of directors. There was no profit sharing contribution in 2006 and in 2005 the board of directors approved a payment totaling \$41,000 for participants of the non-union 401(k) plan.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act ("SEC") of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten-percent shareholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based on its review of the copies of such forms received by it, the Company believes that, during Fiscal 2006, all filing requirements applicable to its officers, directors and greater than ten-percent shareholders were met.

Code of Business Conduct and Ethics

On January 24, 2005, the Company adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees in the performance of their responsibilities with respect to the Company's business. The Company's Code of Business Conduct and Ethics is available on the Company's website at www.synergxsystems.com under the Corporate Governance section, and are available in print to any shareholder upon written request to the Secretary of the Company.

Certain Relationships and Related Transactions

In 1985, Casey Systems Inc, a wholly owned subsidiary of the Company, entered into a royalty agreement with Joseph Vitale, prior to his becoming the President and Chief Operating Officer of the Company. The agreement pays Mr. Vitale a royalty on certain systems marketed and serviced by Casey. Effective January 2006, the royalty agreement with Mr. Vitale was amended to provide a fixed amount of \$100,000 per year for a term of five (5) years, at which time the agreement terminates. For the fiscal year ended September 30, 2006 Casey Systems paid \$93,963 to Mr. Vitale pursuant to the terms of the agreement.

Management believes the foregoing transaction was entered into on terms at least as favorable as could be obtained from unrelated parties negotiating at arms-length.

During Fiscal 2006 and Fiscal 2005, the Company retained its principal auditor, Marcum & Kliegman, LLP to provide services in the following categories and amounts:

	<u>2005</u>	<u>2006</u>
