SCP Pool Corporation Strategic Plan Incentive Program

The following is a description of the SCP Pool Corporation Strategic Plan Incentive Program (the Strategic Plan Incentive) provided pursuant to Item 601(b)(10)(iii)(A) of Regulation S-K, which requires a written description of a compensatory plan or arrangement when no formal document contains the compensation information.

On February 8, 2006, the Compensation Committee of our Board of Directors approved the implementation of the Strategic Plan Incentive for our senior Officers and General Managers. The purpose of the Strategic Plan Incentive is to promote the interests of our Company and our stockholders by providing our senior management with an additional incentive upon achievement of specified business and earnings objectives related to our strategic plans for internal growth.

Under the terms of the Strategic Plan Incentive, each senior Officer and General Manager is eligible to earn an incentive in an amount equal to up to 200% of their base salary based on the Company s organic growth of earnings per share over a three year period. This incentive will be fully effective in the 2008 period with the Company s 2005 earnings objective as the baseline. For the initial two years of the Strategic Plan Incentive (2006 and 2007), the Company s 2005 earnings objective shall serve as the baseline with the participants eligible to earn up to one-third of the total plan incentive in 2006, and two-thirds of the total plan incentive in 2007.

Payment pursuant to the Strategic Plan Incentive (if any) shall be made in February after the end of the performance period during which incentives were earned.

On February 8, 2006, the Compensation Committee of our Board of Directors approved 2005 bonus payments to our Named Executive Officers and as well as other officers and key employees. These bonus payments were made pursuant to and consistent with the objective performance measures of the SCP Pool Corporation Executive Bonus Plan.
