TAX FINE ON DISTRIBUTOR DISCOUNTS

Subject: Statement made pursuant to Circular VIII, No:54 of the Capital Markets Board

Istanbul Stock Exchange

ISTANBUL

Special Subjects:

According to the 2005 Tax Investigation Report, Turkcell has received a tax imposition of TRY53.4 million in principal and a tax loss of TRY80.2 million, totaling TRY133.6 million. This is on the basis that Turkcell applied a discount on prepaid card sales to distributors and calculated the Special Communication Tax ("SCT") netting off such a discount.

Turkcell has already reached settlement with the Ministry of Finance Settlement Commission for the Tax Office impositions received for 2002, 2003, and 2004.

Turkcell's management has set a provision for the period between January 2005 and January 2007 in the consolidated interim financial statements as at and for the six months ended June 30, 2010. Turkcell will seek all its legal rights, object to this assessment and start the settlement process.
