Telecom Communications, Inc. (the "Company") is unable to file its Form 10-QSB within the prescribed time period without unreasonable effort or expense due to the fact that it has not completed the process of preparing and integrating its international operating information. This delay has been compounded by the Company's recent engagement of new independent accountants, as previously reported in its current report on Form 8-K filed April 12, 2004.

The Company anticipates that it will file its 10-QSB within the five day grace period provided by the Exchange Act Rule 12b-25.
