ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 16, 2002

-----  
VOTING INFORMATION

PURPOSE

We are providing you with these proxy materials in connection with the solicitation of proxies by our Board of Directors, to be voted at our 2002 Annual Meeting of stockholders. We will hold the meeting on May 16, 2002, beginning at 9:00 a.m. Fort Wayne time (EST), in the John Whistler Ballroom of the Grand Wayne Center, 120 West Jefferson Boulevard, Fort Wayne, Indiana 46802.

We are mailing this proxy statement and the enclosed proxy card beginning on April 16, 2002. We are soliciting proxies from all our stockholders in order to give all stockholders an opportunity to vote on matters to be presented at the meeting even if they do not attend in person. In the following pages of this proxy statement, you will find information on matters to be voted on at the meeting or at any adjournment or postponement of the meeting.

WHO CAN VOTE

You are entitled to vote if you were a stockholder of record at the close of business on March 26, 2002. If you are not present in person at the meeting, your shares can be voted only if represented by a valid proxy.

SHARES OUTSTANDING

On March 26, 2002, there were 46,820,457 shares of common stock outstanding. A list of stockholders entitled to vote at the meeting is available at our corporate headquarters office and will also be available at the meeting. Each share is entitled to one vote on each matter properly brought before the meeting.

VOTING OF SHARES

Because most of you will not be able to attend the meeting in person, it is important that your shares be represented by proxy. This year, we are offering you a choice of how to vote by proxy:

- You may vote by mail in the traditional manner by marking, signing, dating and returning your proxy card in the envelope that we have enclosed.
- You may vote by telephone using the toll-free telephone number and instructions shown on your proxy card.
- You may vote via the Internet by using the web site information and instructions listed on your proxy card.

## Edgar Filing: STEEL DYNAMICS INC - Form DEF 14A

We anticipate that telephone and Internet voting will be available 24 hours a day, 7 days a week. Both methods will prompt you on how to proceed and you will be able to confirm that your instructions have been properly received and recorded. For both of these methods, you will also need a control number, which is noted on your proxy card. The telephone and Internet voting facilities will close at 12:01 a.m. EST on May 16, 2002.

1

You may revoke your proxy at any time before it is voted at the meeting in one of four ways:

- Notify our Corporate Secretary in writing before the meeting that you wish to revoke your proxy.
- Submit another proxy with a later date.
- Vote by telephone or Internet on a later date.
- Vote in person at the meeting.

The method by which you give your proxy will not limit your right to vote at the meeting if you later decide to attend in person. If you are not the record owner and your shares are held in the name of a bank, broker or other holder of record, however, you will need to obtain a proxy, executed in your favor from that record holder, to be able to vote at the meeting.

The persons named as proxies will vote your shares at the meeting in accordance with your instructions, unless you first revoke your proxy. If any other matters are properly presented for consideration, including a motion to adjourn or postpone the meeting to another time or place, the persons named as proxies will also have discretion to vote on those matters according to the best of their judgment. At the date this proxy statement was printed, we did not anticipate that any other matters would be raised at the meeting. If you do not indicate how your shares should be voted on a matter, the shares represented by your proxy will be voted as the Board of Directors recommends.

### REQUIRED VOTE

The affirmative vote of a majority of the shares present in person or by proxy and entitled to vote at the meeting is needed to elect directors, to ratify the appointment of Ernst & Young LLP as independent auditors for the year 2002 and on any other matters that may properly come before the meeting. The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote generally for the election of directors is necessary to constitute a quorum at the meeting. Abstentions and broker "non-votes" are counted as present and entitled to vote for purposes of determining the existence of a quorum but will not be included in the vote totals with respect to those matters.

### COST OF PREPARING, MAILING AND SOLICITING PROXIES

We will pay all of the costs of preparing and mailing the proxy statement and soliciting these proxies. We will ask brokers, dealers, banks, voting trustees and other nominees and fiduciaries to forward the proxy materials and our 2001 Annual Report to our beneficial owners on the record date. We will also reimburse such brokers, dealers, banks, voting trustees and other nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to our beneficial owners. In addition to mailing proxy materials, our officers, directors and employees may also solicit proxies in person, by telephone or

## Edgar Filing: STEEL DYNAMICS INC - Form DEF 14A

otherwise.

### ANNUAL REPORT

We are including in this mailing a copy of our 2001 Annual Report to Stockholders, including our financial statements for the required periods ended December 31, 2001. The 2001 Annual Report is not, however, a part of this proxy statement.

### GOVERNANCE

Pursuant to Indiana's Business Corporation Law and our bylaws, our Board of Directors manages our business, property and affairs.

During 2001, our Board of Directors consisted of 11 persons. Under our bylaws, however, our Board of Directors may amend the bylaws to prescribe a greater or lesser number of directors, and the Board has amended the bylaws to provide for a twelfth board position for 2002. At the Annual Meeting, therefore, 12 directors will be elected, and each newly elected director will serve for a one-year term until the 2002 Annual Meeting of stockholders.

### COMMITTEES AND MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors held five regularly scheduled and special meetings during 2001, and all directors attended at least 75% of the meetings of the Board of Directors and of the various committees on which they served during 2001.

Our Board of Directors has an Audit Committee and a Compensation Committee. The members of the committees are appointed annually by the Board.

2

#### The Audit Committee

The Audit Committee consists of three members, all of them non-employee directors. They are Joseph D. Ruffolo, Chair of the Committee, James E. Kelley and Dr. Jurgen Kolb. The Audit Committee held five meetings during 2001. The Audit Committee reviews our accounting policies, internal controls, financial reporting practices, contingent risks and risk management strategies and plans, and the services and fees of our independent auditors. In connection with these reviews, the Audit Committee meets alone with our financial and legal personnel, and with our independent auditors, who have free access to the Audit Committee at any time. The Audit Committee recommends the selection of the independent auditors to serve the following year in examining our accounts. The Audit Committee also annually reviews the independence of our independent auditors as a factor in these recommendations.

#### The Compensation Committee

The Compensation Committee consists of four members. Leonard Rifkin is Chair of the Committee and the other three Committee members are John C. Bates, Joseph D. Ruffolo and Richard J. Freeland. All are non-employee directors. The function of the Compensation Committee is to meet with, receive and consider the recommendations of our Chief Executive Officer, Keith E. Busse, with respect to all senior management personnel and then make its recommendations with regard to the compensation of senior management to the Board. All decisions regarding the compensation of executive officers and directors are determined solely by the full Board of Directors, and all directors participate in deliberations of the Board on all matters, including the evaluation of executive officer performance.

## Edgar Filing: STEEL DYNAMICS INC - Form DEF 14A

During 2001, the full Board functioned as the Compensation Committee.

### COMPENSATION COMMITTEE AND BOARD INTERLOCKS AND INSIDER PARTICIPATION

Leonard Rifkin, the Chair of our Compensation Committee, is the Chairman of the Board of OmniSource Corporation, our exclusive steel scrap supplier. John C. Bates, a member of our Compensation Committee, is the President and Chief Executive Officer of Heidtman Steel Products, Inc., our largest purchaser of manufactured steel products.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers to file initial reports of beneficial ownership of our common stock and other equity securities, as well as reports of changes in beneficial ownership. These individuals are required to provide us with a copy of their required Section 16(a) reports as and when they are filed. Based on our records and other information, we believe that all Securities and Exchange Commission filing requirements applicable to our directors and executive officers with respect to 2001 were met.

### STOCKHOLDER PROPOSALS

Any stockholder satisfying the requirements of the Securities and Exchange Commission's Rule 14a-8 and wishing to submit a proposal to be included in the Proxy Statement for the 2003 Annual Meeting of stockholders must submit the proposal in writing to our Corporate Secretary, at 6714 Pointe Inverness Way, Suite 200, Fort Wayne, Indiana 46804, on or before November 30, 2002.

In addition, under our bylaws, any stockholder who has not submitted a timely proposal for inclusion in next year's proxy statement but still wishes to make a proposal at next year's annual meeting must deliver written notice to our Corporate Secretary no later than 60 days nor more than 90 days prior to the first anniversary of the record date for this year's annual meeting. Therefore, for our 2003 Annual Meeting, if such a proposal is not delivered prior to January 25, 2003, it may not be presented at the meeting at all. If a proposal is made after December 26, 2002 and prior to January 25, 2003, we will retain the discretion to vote proxies we receive with respect to any such proposals, so long as we include in our next year's proxy statement advice on the nature of any such proposal and how we intend to exercise our voting discretion, and so long as the proponent does not provide us with a written statement within the time frame determined under Securities and Exchange Commission Rule 14a-4(c)(1) that the proponent intends to deliver his own proxy statement and form of proxy with respect to that proposal. You may obtain a copy of the full text of the bylaw provision by writing to our Corporate Secretary at 6714 Pointe Inverness Way, Suite 200, Fort Wayne, Indiana 46804.

### ITEM 1 - ELECTION OF DIRECTORS

Our stockholders will elect 12 directors at the 2002 Annual Meeting. The individuals listed below have been nominated by the Board of Directors. Each director, if elected, will serve until our 2003 Annual Meeting of Stockholders, until a qualified successor director has been elected, or until he resigns or is removed by the Board.

## Edgar Filing: STEEL DYNAMICS INC - Form DEF 14A

We will vote your shares as you specify on the enclosed proxy card, or by telephone or Internet. If you do not specify how you want your shares voted, we will vote them FOR the election of all of the nominees listed below. If unforeseen circumstances (such as death or disability) make it necessary for us to substitute another person for any of the nominees, we will vote your shares FOR that other person. We do not anticipate that any nominee will be unable to serve. Following the meeting, the Board of Directors may, however, increase the size of the Board and fill any resulting vacancy or vacancies until the 2003 Annual Meeting of stockholders.

If you wish your shares voted for some but not all of the nominees, you may so indicate when you vote your proxy.

Following is the age, principal occupation during the past five years, and certain other information for each of the 12 director nominees.

DIRECTOR COMPENSATION

Director fees of \$3,000 per Board meeting and \$1,500 per committee meeting are payable to each non-employee director. In addition, each Non-Employee Director participates in our stockholder approved Non-Employee Director Stock Option Plan, under which each such person on May 21 and November 21 of each year (each such date defined as a "Grant Date") is automatically granted on each such date a nonstatutory stock option, exercisable within five years from the date of grant, to purchase shares of our common stock equal to the number of whole shares, rounded up or down, calculated by dividing a grant value, currently set at \$15,000, by the fair market value of our common stock on each such Grant Date. The purchase price of stock covered by an option granted pursuant to the Director Plan is to be 100% of the fair market value of such shares on the day the option is granted. Options are not exercisable until they become vested, and full vesting

9

in an optionee will occur six months after each Grant Date. If an optionee ceases to be a director, for whatever reason, no further grants of options are to be made to that optionee. If an optionee ceases to be a director for any reason other than death, any portion of an option that is then vested but has not been exercised may be exercised at any time prior to its scheduled expiration date.

The Director Plan is administered by the Board of Directors, with power and authority to construe provisions of the Director Plan, to determine all questions thereunder, to accelerate the vesting or exercise of an option, and to adopt and amend such rules and regulations as it may deem desirable. The Director Plan is intended to comply in all respects with the provisions of Rule 16b-3 under the Securities Exchange Act of 1934.

EMPLOYMENT AGREEMENTS

We have employment agreements with Keith E. Busse, our Chief Executive Officer, Mark D. Millett, Vice President and General Manager of our Flat Roll Division, Richard P. Teets, Jr., Vice President and General Manager of our new Structural Division, and Tracy L. Shellabarger, Vice President of Finance and Chief Financial Officer. Effective January 1, 2000, each of these employment agreements has an initial two year term that is automatically extended annually for an additional year unless, no less than 90 days prior to year-end, either party gives written notice to the other of an intention not to renew. If, without cause, any of these officers' employment is either terminated within the two year term or is not extended for the contemplated additional rolling one year period, that officer is entitled to receive a lump sum severance payment, in lieu of any and all claims under the remaining term of his employment

## Edgar Filing: STEEL DYNAMICS INC - Form DEF 14A

agreement, in cash, equal to two years of his then existing Base Salary, together with a pro rata annual bonus payment under our Amended and Restated Officer and Manager Cash and Stock Bonus Plan, when calculated, to the date of termination or non-extension (for that year). If the termination or non-extension is for cause, then such officer would not be entitled to receive any severance or bonus payment. If the officer voluntarily terminates his employment, he would not be entitled to any severance payment but would be entitled to receive a pro rata annual bonus payment to the date of termination or non-extension. If employment is terminated due to disability or death, we will continue paying that officer or his estate, as the case may be, the prescribed Base Salary during the remainder of the two year term, except that in the case of disability such payments will be reduced to the extent of any benefits paid by workers' compensation or under any state disability benefit program or under any other disability policy maintained by us. Under their employment agreements, each of these officers is paid a Base Salary, which is reflected in the "Salary" column in the Summary Compensation Table in this proxy statement, in addition to which each such officer is entitled to participate in our Amended and Restated Officer and Manager Cash and Stock Bonus Plan, our 1996 Incentive Stock Option Plan, our Profit Sharing Plan and our Retirement Savings Plan.

All Named Executive Officers receive major medical and long-term disability benefits. Mr. Nolan receives term life insurance equal to his Base Salary and Messrs. Busse, Millett, Teets and Shellabarger receive term life insurance equal to twice their Base Salaries.

### ITEM 2 - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed Ernst & Young LLP as independent auditors to conduct our annual audit for the year 2002, subject to stockholder approval. Ernst & Young LLP conducted the annual audit for 2001. If a majority of the shares voting does not approve of the appointment, the Board of Directors will reconsider the appointment. It is believed that representatives of Ernst & Young LLP will be present at the meeting and will have an opportunity to make a statement if they desire. They will also be available at the meeting to respond to appropriate questions from stockholders.

The affirmative vote of the holders of a majority of our shares of common stock represented at the meeting and entitled to vote on this matter will be necessary for ratification of our appointment of Ernst & Young LLP as our independent auditors for the year 2002

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL

OF THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR 2002.

### REPORT OF THE COMPENSATION COMMITTEE AND BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

Our executive compensation program is administered directly by our Board of Directors, with advice from our Compensation Committee. During 2001, our Compensation Committee consisted of four non-employee directors, Leonard Rifkin, Chair of the Committee, Joseph D. Ruffolo, John C. Bates and Richard J. Freeland. The Compensation Committee receives recommendations from our Chief Executive Officer, Keith E. Busse, regarding all executive officers, meets and discusses goals, objectives, and job performance, as well as compensation issues, with Mr. Busse, and then makes its recommendations to the Board of Directors. All compensation decisions are made by our full Board of Directors. During 2001, our entire Board of Directors functioned as the Compensation Committee.

Our executive compensation program is based upon the following principles:

- Base salaries should be competitive with the level of salaries paid to officers in comparable companies with comparable responsibilities.
- Variable compensation should be related to our financial performance.
- Long-term compensation, in the form of stock options, directly links officers' rewards to stock price appreciation.

Our executive compensation program consists primarily of Base Salary, Annual Bonus awards (payable in cash and, if applicable, in our restricted stock), and grants of stock options. We believe that executive compensation should reflect a substantial incentive component, thus aligning our philosophy of executive compensation with the culture and compensation philosophy that characterizes the rest of our work force. We also believe that stock option incentives play a major role in aligning executive compensation with long-term stockholder interests. The total compensation for each of our executive officers consists of both cash and non-cash compensation. The cash compensation component consists of both Base Salary and the cash portion of any Annual Bonus applicable under our Amended and Restated Officer and Manager Cash and Stock Bonus Plan, as amended, and the non-cash component consists of stock options and, depending upon our profitability, the stock bonus portion of the Annual Bonus, if any, payable under that Plan.

#### BASE SALARY

We establish the Base Salary for each executive officer during the final month of each fiscal year for the following fiscal year. Increases in Base Salary are determined on the basis of individual performance and level of responsibility. The Board evaluates and reviews the performance of and determines the Base Salary of our Chief Executive Officer, Mr. Busse, and, upon the recommendation of the Compensation Committee, reviews the performance of and determines the Base Salary of each of the other executive officers, commensurate with each such officer's individual contributions to our success.

#### ANNUAL BONUS

## Edgar Filing: STEEL DYNAMICS INC - Form DEF 14A

The officers' Annual Bonus is a performance-based bonus driven by the level of our total profitability. Upon recommendation from our Chief Executive Officer and from our Compensation Committee, our full Board of Directors annually determines who will participate.

The Annual Bonus is determined under our Amended and Restated Officer and Manager Cash and Stock Bonus Plan. This Plan, which was originally adopted by our Board and approved by our stockholders in October 1996, was amended, restated and re-approved by our stockholders at our 2000 Annual Meeting. Pursuant to the authority granted by our stockholders at that time, our Board of Directors in February 2001 extended our Amended and Restated Officer and Manager Cash and Stock

11

Bonus Plan for an additional two years, through October 21, 2003.

For 2001, there were no Annual Bonuses payable to the Named Executive Officers as a result of our profitability level.

### STOCK OPTION PLAN

In October 1996 and as amended pursuant to stockholder approval at our 2001 Annual Meeting, our Board of Directors adopted and the stockholders approved the 1996 Incentive Stock Option Plan, which covers all of our and our wholly-owned subsidiaries' full-time employees (approximately 676 employees as of December 31, 2001), including Officers, Managers, supervisors, professional staff, and hourly employees.

Under the 1996 Plan, we award automatic semi-annual stock options to all such employees, in different dollar equivalent amounts, by position category, based upon the fair market value of our common stock on each semi-annual grant date, with an exercise price equal to the same fair market value on the grant date (110% of the fair market value in case of any 10% stockholder). Options issued under the Plan become exercisable six months after the date of grant and must be exercised no later than five years thereafter.

### OTHER COMPENSATION

#### Profit Sharing Plan

We have established a Profit Sharing Plan for eligible employees, including the Named Executive Officers, which is a "qualified plan" for federal income tax purposes. Under the Profit Sharing Plan, we annually allocate to Profit Sharing Plan participants (the "profit sharing pool") an amount equal to 5% of our pre-tax profits. The profit sharing pool is used to fund the Profit Sharing Plan, as well as a separate cash profit sharing bonus that is paid to employees in March of the following year. The amount allocated to our Chief Executive Officer, for 2001 pursuant to the Profit Sharing Plan was \$1,567.

#### Retirement Savings Plan

We have also established a Retirement Savings Plan for eligible employees, which is also a "qualified plan" for federal income tax purposes. Generally, employees may contribute on a pre-tax basis up to 8% of their eligible compensation, and we match employee contributions in an amount based upon our return on assets, with a minimum match of 5% and a maximum match of 50%, subject to certain applicable tax law limitations. The amount we contributed in respect to our Chief Executive Officer, Keith E. Busse, for 2001 pursuant to the

## Edgar Filing: STEEL DYNAMICS INC - Form DEF 14A

Retirement Savings Plan was \$870.

### REPORT OF THE AUDIT COMMITTEE

We have an Audit Committee composed of three "independent" directors, as that term is defined by applicable National Association of Securities Dealers listing standards. Each of these members is financially literate, and at least one of them has accounting or related financial management expertise, as the Board interprets those terms. A written charter approved by the Board of Directors governs the Audit Committee.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed and discussed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee also reviewed and discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. The Audit Committee also discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), as amended by Statement on Auditing Standards No. 90 (Audit Committee Communications). In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 and considered the compatibility of nonaudit services with the auditors' independence. The Audit Committee believes that the fees paid for nonaudit services during 2001 are compatible with Ernst & Young's independence.

The Company paid the following fees to its independent auditors for services related to fiscal 2001:

**Audit Fees:** Audit fees paid by Steel Dynamics to Ernst & Young for professional services rendered for the annual audit of our 2001 financial statements and the review of our interim financial statements included in our Quarterly Reports on Forms 10-Q during the year ended December 31, 2001, totaled approximately \$157,200.

**Financial Systems Design and Implementation Fees:** There were no fees by Ernst & Young related to our financial systems design and implementation during 2001.

**All Other Fees:** In addition to the foregoing fees, Steel Dynamics paid Ernst & Young an aggregate of \$110,500 for all other services rendered during 2001. Of this amount, \$72,400 consisted of fees for audit related services, including fees related to financings.

## Edgar Filing: STEEL DYNAMICS INC - Form DEF 14A

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the company's financial reporting. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2001, for filing with the Securities and Exchange Commission.

The Audit Committee held five meetings during fiscal year 2001.
