ITEM 5. OTHER EVENTS AND REGULATION FD DISCLOSURE.

On May 22, 2003, Aetna Inc. ("Aetna") and representatives of over 700,000 physicians, state and other medical societies announced that they have signed an agreement (the "Settlement Agreement") settling the action brought by Charles B. Shane, M.D. and others, which has been designated as the lead case in the various class action lawsuits brought against Aetna and its subsidiaries (the "Company") on behalf of health care providers (collectively, the "Provider Cases") pending in the United States District Court for the Southern District of Florida (the "Florida Federal Court"). The Settlement Agreement was filed with

the Florida Federal Court on May 22, 2003. If approved by the Florida Federal Court, the Company anticipates that the Settlement Agreement would result in the conclusion of substantially all pending Provider Cases.

In addition to business-practice improvements, Aetna has agreed to pay \$100 million to or on behalf of physicians and \$20 million to a Foundation established by the Settlement Agreement as well as up to \$50 million in legal fees to be determined by the Florida Federal Court. In connection with the settlement, Aetna expects to record an after-tax charge of approximately \$75 million in the second quarter of 2003, reflecting anticipated payments under the Settlement Agreement net of insurance.
