## PART II INFORMATION NOT REQUIRED IN PROSPECTUS

### Item 20. *Indemnification of Directors and Officers*

Under German law, Fresenius Medical Care AG and Fresenius Medical Care KGaA may indemnify their respective officers and, under certain circumstances, German labor law requires them to do so. However, they may not, as a general matter, indemnify members of their management boards or their supervisory boards. They may, however, purchase directors and officers insurance. Fresenius Medical Care AG has arranged for such insurance coverage at what it believes to be commercially reasonable rates, terms and conditions and Fresenius Medical Care KGaA intends to continue to do so. Such insurance is subject to any mandatory restrictions imposed by German law. In addition, German law may permit a corporation to indemnify a member of the management or supervisory board for attorneys' fees incurred if such member is the successful party in a suit in a country such as the U.S., where winning parties are required to bear their own costs, if German law would have required the losing party to pay such member's attorney's fees had the suit been brought in Germany.

### Item 21. *Exhibits and Financial Statement Schedules*

(a) Exhibits.

See Exhibit Index.

(b) Financial Statement Schedules.

The financial statement schedule appearing at page S-1 of the Registrant's 2004 amended Annual Report on Form 20-F/A is incorporated herein by reference.

(c) Item 4(b) Information.

Not applicable.

### Item 22. *Undertakings*

(a) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(b)(1) the undersigned registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

(2) The registrant undertakes that every prospectus: (i) that is filed pursuant to paragraph (1) immediately preceding, or (ii) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise,

the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933, and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means and to arrange or provide for a facility in the U.S. for the purpose of responding to such requests. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(e) The undersigned registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in Bad Homburg, Germany, on January 3, 2006.
