In this clause 6.4, *otherwise reasonably identifiable or reasonably determinable* in relation to a fact, matter, circumstance or Liability means reasonably likely to result in a prudent prospective purchaser for value of a business of the type conducted by the Company Group, that has conducted a thorough examination of the Disclosure Material by and through its suitably qualified Representatives, acting competently, professionally and collaboratively, becoming aware of, or being put on notice of, or being reasonably directed to a chain of inquiry into, the relevant fact, matter, circumstance or Liability.

For the purposes of paragraph (e), the Combined Purchasers are not imputed with the knowledge of any information that any Representative of the Combined Purchasers is not permitted, by law or under confidentiality obligations binding on the relevant Representative, to disclose to the Purchaser.

6.5 Conditions of payment and Claims for breach

Despite any other provision of this Agreement each of the following applies in respect of this Agreement.

- (a) **(Notice of Claims)** The NH2 Share Vendor is not liable to make any payment (whether by way of damages or otherwise) for any breach of any Warranty unless a Warranty Claim is made in writing by the Purchaser (setting out full details including details of the fact, circumstance or matter giving rise to the breach, the nature of the breach and the Purchaser's calculation of the loss suffered) as soon as reasonably practicable after the Purchaser becomes aware of the fact, circumstance or matter on which the Warranty Claim is based and, in any event, on or before the date which is one year after the Completion Date.
 - (b) **(Maximum NH2 Share Vendor liability for individual breach)** The maximum amount that the Purchaser may recover from the NH2 Share Vendor (whether by way of damages or otherwise) for breach of a Warranty in respect of a breach, or a series of breaches relating to the same or substantially similar facts, matters or circumstances, is an amount equal to the Purchase Price.
 - (c) **(Maximum aggregate NH2 Share Vendor liability)** Subject to paragraphs (d) and (e), the maximum aggregate amount that the Purchaser may recover from the NH2 Share Vendor (whether by way of damages or otherwise) for breaches of the Warranties is an amount equal to the Purchase Price.
 - (d) **(Maximum aggregate Vendors liability)** The maximum aggregate amount that the Combined Purchasers may recover from the Vendors (whether by way of damages or otherwise) for breaches of the Warranties, the FRC Warranties and the AMCI Warranties is an amount equal to the Total Purchase Price.
 - (e) **(Vendor aggregate thresholds)** The NH2 Share Vendor is not liable to make any payment (whether by way of damages or otherwise) for any breach of any Warranty:
 - (i) unless the total amount finally adjudicated or agreed against the NH2 Share Vendor under this Agreement in respect of the breach, or a series of breaches relating to the same or substantially similar facts, matters or circumstances exceeds \$1 million; and
-

- (ii) until the total of all amounts finally adjudicated or agreed against the NH2 Share Vendor under this Agreement in respect of breaches of the Warranties, that would, but for this paragraph (ii), be payable under paragraph (i), exceeds \$2 million.
 - (f) **(Data Room Documentation)** The NH2 Share Vendor does not give any representation or warranty in relation to any fact, matter or circumstance relating to the Data Room Documentation or the Excluded Data Room Documentation.
 - (g) **(Actions of the Purchaser)** The NH2 Share Vendor's Liability in respect of any breach of any Warranty will be reduced or extinguished (as the case may be) to the extent that the breach has arisen as a result of any act or omission after Completion by or on behalf of the Purchaser Group in breach of their respective obligations under the Transaction Documents.
 - (h) **(Actions of the NH2 Share Vendor)** The NH2 Share Vendor's Liability in respect of any breach of any Warranty will be reduced or extinguished (as the case may be) to the extent that the breach has arisen as a result of any act or omission by or on behalf any Vendor or the Company Group in accordance with standard mining and resources industry practice (where such practice exists) or (where such practice does not exist) in accordance with any Vendor's or the Company Group's lawful practice in the ordinary course of business, or where the Purchaser has requested or consented to that act or omission in writing.
 - (i) **(Credit)** If, after the NH2 Share Vendor has made any payment to the Purchaser for any breach of any Warranty, a member of the Purchaser Group receives any benefit or credit by reason of matters to which the breach relates then the Purchaser must immediately repay to the NH2 Share Vendor a sum corresponding to the amount of the payment or (if less) the amount of the benefit or credit.
 - (j) **(Change in law or interpretation)** The NH2 Share Vendor will not be liable to make any payment (whether by way of damages or otherwise) for any breach of any Warranty:
 - (i) where the breach is as a result of any legislation not in force at the date of this Agreement including legislation which takes effect retrospectively;
 - (ii) where the breach is as a result of or in respect of a change in the judicial interpretation of the law in any jurisdiction after the date of this Agreement; or
 - (iii) where the breach is as a result of or in respect of a change in the administrative practice of any Governmental Agency after the date of this Agreement including any change which takes effect retrospectively.
 - (k) **(Recovery under any other right)** The NH2 Share Vendor will not be liable to make any payment (whether by way of damages or otherwise) for any breach of any Warranty to the extent that a member of the Purchaser Group:
 - (i) recovers from a person (other than the NH2 Share Vendor, the AMCI Vendor under the AMCI Warranties or the FRC Vendor under the FRC Warranties) in respect of any loss or damage arising out of the breach whether by way of contract, indemnity or otherwise; or
 - (ii) without limiting sub-paragraph (i), recovers under any claim of indemnity against any loss or damage suffered arising out of the breach or claim under the terms of

any insurance policy of, or applicable to, the Purchaser Group (or would have been entitled to so recover if the Purchaser Group had maintained in force insurance policies in relation to the Company Group that existed at Completion); and

in each case, prior to making any Warranty Claim against the NH2 Share Vendor, the relevant member of the Purchaser Group must make a Claim from that person, or under that insurance policy, as the case may be, for the amount of such loss or damage, and use all actions reasonably necessary to pursue the Claim, where there is a reasonable likelihood of success.

- (l) **(No consequential loss)** The NH2 Share Vendor will not be liable to make any payment (whether by way of damages or otherwise) to the Purchaser for any indirect loss (including economic loss or loss of profits) or any special, consequential or incidental losses, however arising.

6.6 Acknowledgments

Each of the Purchaser and the Guarantor acknowledges and agrees that:

- (a) it has knowledge and experience in financial and business matters and resources exploration, mining, processing and marketing, it is capable of evaluating the merits and risks associated with the purchase of the NH2 Shares and the transactions contemplated by the Transaction Documents, it is aware of the actual and potential risks that are generally known within the coal mining industry and the Australian mining and resources industry generally and, it has relied on its own judgement and evaluation, and that of its Representatives, of the Disclosure Material and on its own inspection and appraisal, and that of its Representatives, of the Shares and the assets and operations of the Company Group;
- (b) except as expressly set out in this Agreement, neither the NH2 Share Vendor nor any of its Representatives have made any representation, given any advice or given any warranty or undertaking, promise or forecast of any kind in relation to the Shares, the Company, the Subsidiaries, the assets and operations of the Company Group, the Disclosure Material or this Agreement;
- (c) without limiting paragraph (b), no representation, no advice, no warranty, no undertaking, no promise and no forecast is given in relation to:
- (i) any economic, fiscal or other interpretations or evaluations by the NH2 Share Vendor or any of its Representatives or any other person;
- (ii) any future matters, including future or forecast costs, prices, revenues or profits;

 - (i) the contents, correctness and sufficiency of the Disclosure Material;
 - (ii) all information which is relevant to the risks, contingencies and other circumstances which could affect its decision to enter into this Agreement; and
 - (iii) all amounts payable by the parties under this Agreement.

6.7 Release

To the maximum extent permitted by law, the Purchaser releases each Indemnified Party from, and agrees not to make and waives any right it might have to make, any Claim against any Indemnified Party in relation to anything referred to in paragraphs (b), (c) or (d) of clause 6.6 and will procure that each member of the Purchaser Group and their respective Representatives so release and agree not to make and waive all such Claims, provided that nothing in this clause has the effect of releasing the NH2 Share Vendor from any Liability for breach of a Warranty or any other express Liability of the NH2 Share Vendor under this Agreement. The NH2 Share Vendor holds on trust for each other Indemnified Party the benefit of this clause to the extent that this clause applies to those other Indemnified Parties and is entitled to enforce this clause on behalf of the other Indemnified Parties.

6.8 Statutory actions

6.9 Dealing with Warranty breach after Completion

If the Purchaser becomes aware after Completion of any fact, circumstance or matter which constitutes or could (whether alone or with any other possible fact, circumstance or matter) constitute a breach of any Warranty, including a Third Party Claim, the Purchaser must do each of the following:

- (a) as soon as possible, give the NH2 Share Vendor full details including details (including material documents) of the fact, circumstance or matter giving rise to the breach (or possible breach), the nature of the breach and, to the extent possible, the Purchaser's calculation of the loss suffered or likely to be suffered;
 - (b) not make, and procure that no member of the Purchaser Group makes, any admission of Liability, agreement or compromise with any person in relation to any such fact, circumstance or matter without first consulting with and obtaining the approval of the NH2 Share Vendor;
 - (c) in respect of a breach (or possible breach) other than a Third Party Claim, take, and procure that each member of the Purchaser Group takes, reasonable steps to mitigate any loss which may give rise to a Liability of the NH2 Share Vendor under any Warranty;
 - (d) in respect of Third Party Claims, provided that the NH2 Share Vendor acknowledges its liability to the Purchaser for breach of the relevant Warranty should the Third Party Claim be successful:
 - (i) give, and procure that each member of the Purchaser Group gives, to the NH2 Share Vendor (at the NH2 Share Vendor's cost and expense and with the right to select its own counsel) joint conduct and control of all action taken by the Purchaser Group to defend that Third Party Claim (unless the Claim is covered by insurance, in which case, the defence may be conducted by the insurer);
 - (ii) at the NH2 Share Vendor's expense, give and procure that each member of the Purchaser Group gives, all assistance that the NH2 Share Vendor may reasonably require in relation to any action taken or proposed to be taken by the NH2 Share Vendor to defend a Third Party Claim, including by giving the NH2 Share Vendor and its Representatives reasonable access to:
 - (A) the personnel and premises of the Purchaser Group; and
 - (B) relevant chattels, accounts, documents and records within the possession, custody or power of the Purchaser Group, to enable the NH2 Share Vendor and its Representatives to examine the personnel, premises, chattels, accounts, documents and records and to take copies or photographs of them; and
 - (iii) at the NH2 Share Vendor's expense, take, and procure that each member of the Purchaser Group takes reasonable steps to mitigate any loss arising in connection with the Third Party Claim, and all action in good faith and with due diligence as the NH2 Share Vendor may request to avoid, remedy or mitigate any loss arising

in connection with the Third Party Claim, including legal proceedings and disputing, defending, appealing or compromising any Third Party Claim and any adjudication of it.

6.10 Proceedings in respect of a Warranty Claim

Unless the NH2 Share Vendor otherwise agrees, any Warranty Claim by the Purchaser will be taken to be waived or withdrawn and will be barred and unenforceable (if such Warranty Claim has not been previously satisfied, settled or withdrawn) unless legal proceedings in respect of the Warranty Claim have been issued and served on the NH2 Share Vendor in relation to the breach of Warranty within 6 months of the service of the notice of such Warranty Claim on the NH2 Share Vendor and for this purpose legal proceedings will not be deemed to have been commenced unless they have been properly issued and validly served upon the NH2 Share Vendor.

6.11 Taxation offset

In calculating the Liability of the NH2 Share Vendor for any breach of any Warranty or under the indemnities contained in any Transaction Document, account must be taken of any Tax or Duty benefit to the Purchaser or the Company Group as a result of the matter giving rise to such Liability (including the timing of the Purchaser or the Company Group's likely utilisation of such Tax or Duty benefit).

6.12 Restructure of the Company Group or change in accounting policies

The NH2 Share Vendor will not be liable for any breach of any Warranty to the extent that the breach would not have arisen but for any restructure or change in ownership of the Company Group after Completion or any change in the accounting policies of the Company Group after Completion.

6.13 Reduction of Purchase Price

Any monetary compensation or damages received by the Purchaser Group as a result of any breach by the NH2 Share Vendor of any Warranty will be treated as a reduction and refund of the Purchase Price.

6.14 Notification of Warranty breach before Completion

If on or before Completion the Purchaser becomes aware of any material breach or potential material breach of any Warranty which has or may have a material adverse effect on the NH2 Shares, the Purchaser must:

- (a) notify the NH2 Share Vendor of this; and
- (b) without being required to consent to any delay in the Completion Date, allow the NH2 Share Vendor a reasonable opportunity to remedy the breach or potential breach.

If, by the Completion Date, the NH2 Share Vendor has not remedied the breach or potential breach or if the Purchaser does not, in its reasonable opinion, accept the result as a remedy where the breach would expose the NH2 Share Vendor to a liability exceeding the Purchase Price, the NH2 Share Vendor may terminate this Agreement by giving notice to the Purchaser.

6.15 Remedies for breach of Warranty

The Purchaser acknowledges that its sole remedy for a breach of a Warranty is damages.

10.2 Liability net of GST

Any reference to the calculation of Consideration or of any indemnity, reimbursement or similar amount to a cost, expense or other liability incurred by a party, must exclude the amount of any Input Tax Credit entitlement of that party in relation to the relevant cost, expense or other liability.
