June 22, 2009

Filed pursuant to Rule 433
Registration Statement No. 333-159062
Dated June 22, 2009

Telefonica US \$ bond issue June 2009 June 22, 2009

Disclaimer (1) Please be aware that the information in this presentation is not complete and may be subject to changes. This presentation and the accompanying preliminary prospectus supplement and prospectus are not an offer to sell nor do they seek an offer to buy these securities in any jurisdiction where the offer or sale is not permitted. This presentation contains statements that constitute forward-looking statements within the meaning of Section 27A of the U.S. Securities Act of 1933, as amended, Section 21E of the U.S. Securities Exchange Act of 1934, as amended, and the safe harbour provisions of the Private Securities Litigation reform Act of 1995. These statements appear in a number of places in this presentation and include financial projections, estimates and their underlying assumptions, statements regarding plans, objectives and expectations, such as statements regarding the intent, belief or current expectations of the customer base, estimates regarding future growth in the different business lines and the global business, market share, financial results and other aspects of the activity and situation relating to the Telefónica Group. The forward-looking statements in this presentation can be identified, in some instances, by the use of words such as expects, anticipates, intends, believes, guidance, aims, expectations, on track, in progress and similar language or the negative thereof or by forward-looking nature of discussions of strategy, plans or intentions. Although Telefónica believes that these statements are based on reasonable assumptions, such forward-looking statements are not, by their nature, guarantees of future performance and involve numerous risks and uncertainties, and other important factors that could include causal actual developments or results to differ materially from those expressed in our forward-looking statements. Analysts and investors are cautioned not to place undue reliance on those forward-looking statements which speak only as of the date of this presentation. Telefónica undertakes no obligation to release publicly the results of any revisions to these forward-looking statements which may be made to reflect events and circumstances after the date of this presentation, including, without limitation, changes in Telefónica's business, acquisition strategy and planned capital expenditures or to reflect the occurrence of unanticipated events. Analysts and investors are encouraged to consult Telefónica's Annual Report as well as periodic filings filed with the relevant Securities Market Regulators, and in particular with the Spanish Securities Market Regulators.

TELEFONICA S.A. 2

Disclaimer (2) The risks and uncertainties involved in our businesses that could affect the matters referred to in such forward-looking statements include but are not limited to: 9 Changes in general economic, business or political conditions in the domestic or international markets (particularly in Latin America) in which the Telefónica Group operates or has material investments that may affect demand for its services; 9 Changes in currency exchange rates, interest rates or in credit risk in the Telefónica Group treasury investments or in its financial transactions; 9 Existing or worsening conditions in the international financial markets; 9 The actions of existing and potential competitors in each of the Telefónica Group markets; 9 The impact of current, pending or future legislation and regulation in countries where the Telefónica Group operates; 9 The potential effects of technological changes; 9 The impact of limitations in spectrum capacity; 9 The outcome of pending litigation. Some of these and other important factors that could cause such differences are discussed in more detail in Telefónica S.A.'s Annual Report for the year ended December 31 2008 filed on Form 20-F with the U.S. Securities and Exchange Commission (the SEC) on April 30, 2009, under Item 3 Key Information Risk Factors , Item 4 Information on the Company , Item 5 Operating and Financial Review and Prospects and Item 11 Quantitative and Qualitative Disclosures About Market Risk .

This presentation may contain non-GAAP financial measures. Reconciliations of such non-GAAP measures to the closest GAAP measures are contained in Telefónica S.A.'s Annual Report on Form 20-F for the year ended December 31, 2008 and Telefónica S.A.'s interim consolidated financial information included on Form 6-K for the first quarter of 2009 filed with the SEC on June 17, 2009.
