Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

**1.4 Acts of Holders; Record Dates**

- 1.4.1 Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the **Act** of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and

**Table of Contents**

(subject to Section 6.1) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section.

- 1.4.2** The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.
- 1.4.3** The ownership of Securities shall be proved by the Security Register.
- 1.4.4** Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.
- 1.4.5** The Company may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders of Securities of such series, *provided* that the Company may not set a record date for, and the provisions of this paragraph shall not apply with respect to, the giving or making of any notice, declaration, request or direction referred to in the next paragraph. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities of the relevant series on such record date, and no other Holders, shall be entitled to take the relevant action, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date. Nothing in this paragraph shall be construed to prevent the Company from setting a new record date for any action for which a record date has previously been set pursuant to this paragraph (whereupon the record date previously set shall automatically and with no action by any Person be canceled and of no effect), and nothing in this paragraph shall be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Company, at its own expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Trustee in writing and to each Holder of Securities of the relevant series in the manner set forth in Section 1.6.
- 1.4.6** The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration referred to in Section 5.2, (iii) any request to institute proceedings referred to in Section 5.7.2 or (iv) any direction referred to in Section 5.12, in each case with respect to Securities of such series. If any record date is set pursuant to this paragraph, the Holders of Outstanding Securities of such series on such record date, and no other Holders, shall be entitled to join in such notice, declaration, request or direction, whether or not such Holders remain Holders after such record date; *provided* that no such action shall be effective hereunder unless taken on or prior to the applicable Expiration Date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date.

Nothing in this paragraph shall

be construed to prevent the Trustee from setting a new record date for any action (whereupon the record date previously set shall automatically and without any action by any Person be canceled and of no effect), nor shall anything in this paragraph be construed to render ineffective any action taken by Holders of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is taken. Promptly after any record date is set pursuant to this paragraph, the Trustee, at the Company's expense, shall cause notice of such record date, the proposed action by Holders and the applicable Expiration Date to be given to the Company in writing and to each Holder of Securities of the relevant series in the manner set forth in Section 1.6.

**1.4.7** With respect to any record date set pursuant to this Section, the party hereto that sets such record date may designate any day as the Expiration Date and from time to time may change the Expiration Date to any earlier or later day, *provided* that no such change shall be effective unless notice of the proposed new Expiration Date is given to the other party hereto in writing, and to each Holder of Securities of the relevant series in the manner set forth in Section 1.6, on or prior to the existing Expiration Date. If an Expiration Date is not designated with respect to any record date set pursuant to this Section, the party hereto that set such record date shall be deemed to have initially designated the 180th day after such record date as the Expiration Date with respect thereto, subject to its right to change the Expiration Date as provided in this paragraph. Notwithstanding the foregoing, no Expiration Date shall be later than the 180th day after the applicable record date.

Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

**1.6 Notice to Holders; Waiver**

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

Notwithstanding the provisions of this Section 1.6, in case any series of Securities are listed in any stock exchange, a notice to holders of such Securities given in accordance with the rules and procedures of such stock exchange shall be regarded as a valid notice under this Section 1.6.

**1.7 Conflict with Trust Indenture Act**

If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act that is required under such Act to be a part of and govern this Indenture, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or excluded, as the case may be.

**1.8 Effect of Headings and Table of Contents**

This Security is one of a duly authorized issue of securities of the Company (herein called the **Securities** ), issued and to be issued in one or more tranches of one or more series under an Indenture dated as of (herein called the **Indenture** , which term shall have the meaning assigned to it in such instrument), among the Company and The Bank of New York Mellon, as Trustee (herein called the **Trustee** , which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof *[if applicable, insert , limited in aggregate principal amount to \$[ ]]*.

*[If applicable, insert The Securities of this series are subject to redemption upon not less than [ ] days nor more than [ ] days notice, at any time [if applicable, insert on or after [ ], 20[ ]], as a whole or in part, at the election of the Company, at the following Redemption Prices (expressed as percentages of the principal amount): If redeemed [if applicable, insert on or before [ ], [ ]%, and if redeemed] during the 12-month period beginning [ ] of the years indicated,*

Year	Redemption Price	Year	Redemption Price

*[If the Security is subject to redemption of any kind, insert In the event of redemption of this Security in part only, a new Security or Securities of this series and of like tenor for the unredeemed portion hereof will be issued in the name of the Holder hereof upon the cancellation hereof.]*

*[If the Security is not subject to redemption, insert This Security is not redeemable prior to Stated Maturity.]*

*[If applicable, insert The Indenture contains provisions for defeasance at any time of [the entire indebtedness of this Security] [or] [certain restrictive covenants and Events of Default with respect to this Security] [,in each case] upon compliance with certain conditions set forth in the Indenture.]*

**Table of Contents**

*[If the Security is not an Original Issue Discount Security, insert* If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.]

*[If the Security is an Original Issue Discount Security, insert* If an Event of Default with respect to Securities of this series shall occur and be continuing, an amount of principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture. Such amount shall be equal to *insert formula for determining the amount*. Upon payment (i) of the amount of principal so declared due and payable and (ii) of interest on any overdue principal, premium and interest (in each case to the extent that the payment of such interest shall be legally enforceable), all of the Company's obligations in respect of the payment of the principal of and premium and interest, if any, on the Securities of this series shall terminate.]

All payments in respect of the Securities shall be made without withholding or deduction for any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Brazil or any Successor Jurisdiction or any authority therein or thereof having power to tax ( **Foreign Taxes** ) except to the extent that such Foreign Taxes are required by Brazil, such Successor Jurisdiction or such authority to be withheld or deducted. In the event of any withholding or deduction for any Foreign Taxes, the Company shall make such deduction or withholding, make payment of the amount so withheld to the appropriate governmental authority and pay such additional amounts ( **Additional Amounts** ) as are necessary to ensure that the net amounts received by the Holders of Securities after such withholding or deduction equals the respective amounts of principal, [premium] and interest which would have been receivable in respect of such Securities had no such withholding or deduction (including for any Foreign Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Security:

- (x) to, or to a third party on behalf of, a Holder who is liable for any such taxes, duties, assessments or other governmental charges in respect of such Security by reason of (A) a connection between the Holder and Brazil other than the mere holding of such Security and the receipt of payments with respect to such Security or (B) failure by the Holder to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with the Brazil or a Successor Jurisdiction, or applicable political subdivision or authority thereof or therein having power to tax, of such Holder, if compliance is required by such Successor Jurisdiction, or any political subdivision or authority thereof or therein having power to tax as a precondition to exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and the Company has given the Holders at least 30 days' notice that Holders will be required to provide such certification, identification or other requirement;
- (xi) in respect of any such taxes, duties, assessments or other governmental charges with respect to a Security surrendered (if surrender is required) more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for and notice thereof given to Holders, whichever occurs later, except to the extent that the Holder of such Security would have been entitled to such Additional Amounts on surrender of such Security for payment on the last day of such 30-day period;
- (xii) in respect of estate, inheritance, gift, sales, transfer, personal property or similar tax, assessment or governmental charge imposed with respect to a Security;
- (xiii) in respect of any tax, assessment or other governmental charge payable otherwise than by deduction or withholding from payments on any series of Securities or by direct payment by the Company in respect of claims made against the Company;

**Table of Contents**

(xiv) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 or any law implementing or complying with, or introduced in order to conform to, such directive; or

(xv) in respect of any combination of the above.

For purposes of the provisions described in clause (i) above, the term **Holder** of any Security means the direct nominee of any beneficial owner of such Security, which holds such beneficial owner's interest in such Security. Notwithstanding the foregoing, the limitations on the Company's obligation to pay Additional Amounts set forth in clause (i) above shall not apply if the provision of information, documentation or other evidence described in such clause (i) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Security (taking into account any relevant differences between U.S. and Brazilian law, regulation or administrative practice) than comparable information or other reporting requirements imposed under U.S. tax law (including tax treaties between the United States and Brazil), regulation (including proposed regulations) and administrative practice.

The Company shall promptly provide the Trustee with documentation (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Foreign Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Securities or the Paying Agent, as applicable, upon request therefor.

The Company shall pay all stamp, issue, registration, documentary or other similar duties, if any, which may be imposed by Brazil or any governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Indenture or the issuance of the Securities.

All references herein or in the Indenture to principal, premium or interest in respect of any Security shall be deemed to include all Additional Amounts, if any, payable in respect of such principal, premium or interest, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof where such express mention is not made.

In the event that Additional Amounts actually paid with respect to the Securities pursuant to the preceding paragraph are based on rates of deduction or withholding of taxes in excess of the appropriate rate applicable to the Holder of such Securities, and, as a result thereof such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Securities, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the Holder makes no representation or warranty that the Company will be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

All references in the Indenture and the Securities to principal in respect of any Security shall be deemed to mean and include any Redemption Price or Repurchase Price payable in respect of such Security pursuant to any redemption or repurchase right hereunder (and all such references to the Stated Maturity of the principal in respect of any Security shall be deemed to mean and include the Redemption Date or Repurchase Date with respect to any such Redemption Price or Repurchase Price), and all such references to principal, premium, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect hereof pursuant to Section 10.7 of the Indenture, and express mention of the payment of any Redemption Price, or Repurchase Price or any such other amount in any provision hereof or of the Indenture shall not be construed as

**Table of Contents**

excluding reference to the payment of any Redemption Price or Repurchase Price, or any such other amounts in those provisions hereof where such express reference is not made.

The Company may redeem the Securities if, as a result of any amendment to, or change in, the laws (or any rules, or regulations thereunder) of Brazil or any political subdivision or taxing authority thereof or therein affecting taxation or any amendment to or change in an official interpretation, administration or application of such laws, rules, or regulations (including a holding by a court of competent jurisdiction), which amendment or change of such laws, rules, or regulations or the interpretation thereof becomes effective on or after [Insert date specified therefor in Securities of the applicable series], the Company would be obligated, after taking measures the Company considers reasonable to avoid such requirement, to pay Additional Amounts in excess of the Additional Amounts that the Company would be obligated to pay if payments made on the Securities were subject to withholding or deduction of Foreign Taxes at the rate of 15%. In such event, the Securities are subject to redemption upon not less than 30 nor more than 60 days notice by mail, at any time, as a whole but not in part, at the election of the Company, at a cash price equal to the sum of (i) the principal amount of the Securities being redeemed, (ii) any accrued original issue discount thereon to the date fixed for redemption, (iii) accrued and unpaid current interest thereon to the date fixed for redemption, (iv) any premium applicable in the case of redemption prior to Maturity, and (v) any Additional Amounts (as defined in the Indenture) which would otherwise be payable.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions (i) permitting the Holders of a majority in principal amount of the Securities at the time Outstanding of any series to be affected under the Indenture, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and (ii) permitting the Holders of a majority in principal amount of the Securities at the time Outstanding of any series to be affected under the Indenture, on behalf of the Holders of all Securities of such series, to waive certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Securities of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity reasonably satisfactory to it, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment of principal hereof or any [premium or] interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any [premium and] interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the Security Register, upon surrender of this Security for registration of transfer at the office of the Trustee or agency of the Company in any place where the principal of and any [premium and] interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

Prior to due surrender of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

**3.2 Denominations**

The Securities shall be issuable only in registered form without coupons and, unless otherwise specified as contemplated by Section 3.1.10, only in denominations of \$1,000 and any integral multiple thereof.

**3.3 Execution, Authentication, Delivery and Dating**

The Securities shall be executed on behalf of the Company by any two of its officers or its attorneys in fact in accordance with its bylaws. The signature of any of these officers or attorneys in fact on the Securities may be manual or facsimile.

Securities bearing the manual or facsimile signatures of individuals who were at any time the proper officers or attorneys in fact of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with such Company Order shall authenticate and deliver such Securities. If the form or terms of the Securities of the series have been established by or pursuant to one or more Board Resolutions as permitted by Sections 2.1 and 3.1, in authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 6.1) shall be fully protected in relying upon, an Opinion of Counsel stating,

**Table of Contents**

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if, in the opinion of counsel to the Trustee, the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture.

Notwithstanding the provisions of Section 3.1 and of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Officers' Certificate otherwise required pursuant to Section 3.1 or the Company Order and Opinion of Counsel otherwise required pursuant to such preceding paragraph at or prior to the authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued and in that case the Trustee may rely, as to the authorization by the Company of any of such Securities, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and the other documents delivered pursuant to Sections 2.1 and 3.1 and this Section, as applicable, in connection with the first authentication of Securities of such series.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature of an authorized officer, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder.

Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.8, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

**3.4 Registration, Registration of Transfer and Exchange**

The Company shall cause to be kept at the Corporate Trust Office of the Trustee a register for each series of Securities (the registers maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes collectively referred to as the Security Register) in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers and exchanges of Securities. The Trustee is hereby appointed Security Registrar for the purpose of registering Securities and registering transfers and exchanges of Securities as herein provided; provided, however, that the Company may appoint co-Security Registrars. Such Security Register shall be in written form or in any other form capable of being converted into written form within a reasonable period of time. At all reasonable times the Security Register shall be open for inspection by the Company.

Upon surrender for registration of transfer of any Security of any series at the office or agency of the Company maintained for such purpose, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee, one or more new Securities of the same series of any authorized denomination or denominations of like tenor and aggregate principal amount.

Notwithstanding any other provision of this Section, unless and until it is exchanged in whole or in part for the individual Securities represented thereby, a Global Security representing all or a portion of the Securities of a series may not be transferred except as a whole by the Depositary for such series to a nominee of such Depositary or by a nominee of such Depositary to such Depositary or another nominee of such Depositary or by such Depositary or any such nominee to a successor Depositary for such series or a nominee of such successor Depositary.

**Table of Contents**

At the option of the Holder and subject to the other provisions of this Section, Securities of any series (other than a Global Security, except as set forth below) may be exchanged for other Securities of the same series of any authorized denomination or denominations of like tenor and aggregate principal amount, upon surrender of the Securities to be exchanged at the office or agency of the Company maintained for such purpose.

Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 9.6 or 11.5 not involving any registration of transfer.

Every Security presented or surrendered for registration of transfer or exchange shall (if so required by the Company, the Trustee or the Security Registrar) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company, the Trustee and the Security Registrar, duly executed, by the Holder thereof or his attorney duly authorized in writing.

If the Securities of any series (or of any series and specified tenor) are to be redeemed in part, the Company shall not be required (A) to issue, register the transfer of or exchange any Securities of that series (or of that series and specified tenor, as the case may be) during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of any such Securities selected for redemption under Section 11.2 and ending at the close of business on the day of such mailing, or (B) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

All Securities issued upon any registration of transfer or exchange of Securities shall be valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered for such registration of transfer or exchange.

The provisions of Sections 3.4.1, 3.4.2, 3.4.3, 3.4.4 and 3.4.5 below shall apply only to Global Securities:

**3.4.1** Each Global Security authenticated under this Indenture shall be registered in the name of the Depository or a nominee thereof and delivered to such Depository or a nominee thereof or custodian therefor, and each such Global Security shall constitute a single Security for all purposes of this Indenture.

**3.4.2** Notwithstanding any other provision in this Indenture or the Securities, no Global Security of a series may be exchanged in whole or in part for Securities registered, and no transfer of a Global Security of a series in whole or in part may be registered, in the name of any Person other than the Depository or a nominee thereof unless (A) the Depository for the Securities of a series notifies the Company that it is unwilling or unable to continue as Depository for the Securities of such series or if at any time the Depository for the Securities of such series ceases to be a clearing agency registered under the Exchange Act, at a time when such Depository is required to be so registered in order to act as depository, and in each case, a successor Depository for the Securities of such series is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility or (B) the Company in its sole discretion determines that individual Securities of any series issued in the form of one or more Global Securities shall no longer be represented by such Global Security or Securities. In

**Table of Contents**

such event the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of individual Securities of such series, will authenticate and deliver, individual Securities of such series in an aggregate principal amount equal to the principal amount of the Global Security or Securities representing Securities of such series in exchange for such Global Security or Securities. Any Global Security exchanged pursuant to clause (A) above shall be so exchanged in whole and not in part and any Global Security exchanged pursuant to clause (B) above may be exchanged in whole or from time to time in part as directed by the Depositary. Any Security issued in exchange for a Global Security or any portion thereof shall be a Global Security, *provided* that any such Security so issued that is registered in the name of a Person other than the Depositary or a nominee thereof shall not be a Global Security.

- 3.4.3** In any exchange pursuant to Section 3.4.2 above, the Company will execute and the Trustee will authenticate and deliver individual Securities in registered form in authorized denominations. Upon the exchange of a Global Security for individual Securities, such Global Security shall be canceled by the Trustee. Individual Securities issued in exchange for a Global Security pursuant to this Section shall be registered in such names and in such authorized denominations as the Depositary for such Global Security, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Securities to the Persons in whose names such Securities are so registered. If specified by the Company pursuant to Section 3.4.2(B) with respect to a series of Securities, the Depositary for such series of Securities may surrender a Global Security for such series of Securities in exchange in whole or in part for individual Securities of such series on such terms as are acceptable to the Company and such Depositary. Thereupon, the Company shall execute, and the Trustee shall authenticate and deliver, without service charge, (i) to each Person specified by such Depositary a new individual Security or Securities of the same series, of any authorized denomination as requested by such Person in aggregate principal amount equal to and in exchange for such Person's beneficial interest in the Global Security; and (ii) to such Depositary a new Global Security in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Security and the aggregate principal amount of individual Securities delivered to Holders thereof.
- 3.4.4** In the event of the occurrence of any of the events specified in Section 3.4.2 above, the Company will promptly make available to the Trustee a reasonable supply of certificated Securities in definitive, fully registered form, without interest coupons.
- 3.4.5** Neither any members of, or participants in, the Depositary ( **Agent Members** ) nor any other Persons on whose behalf Agent Members may act (including Euroclear Bank S.A./N.V., as operator of the Euroclear System ( **Euroclear** ) and Clearstream Banking, société anonyme ( **Clearstream, Luxembourg** ) and account holders and participants therein) shall have any rights under this Indenture with respect to any Global Security, or under any Global Security, and the Depositary or such nominee, as the case may be, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and holder of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or such nominee, as the case may be, or impair, as between the Depositary, its Agent Members and any other person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a holder of any Security.
- 3.4.6** None of the Company, the Trustee or any agent of the Company or the Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in a Global Security or for maintaining, supervising or reviewing any

records relating to such beneficial ownership interests.

**Table of Contents**

**3.5 Mutilated, Destroyed, Lost and Stolen Securities**

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a protected purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security upon compliance with the foregoing provisions.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

**3.6 Payment of Interest; Interest Rights Preserved**

Interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called **Defaulted Interest** ) shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Section 3.6.1 or 3.6.2 below:

- 3.6.1** The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed

**Table of Contents**

payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Section provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Section 3.6.2.

**3.6.2** The Company may make payment of any Defaulted Interest on the Securities of any series to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Section, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

**3.7 Persons Deemed Owners**

Prior to due surrender of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of (and premium, if any) and (subject to Section 3.6) interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

**3.8 Cancellation**

All Securities surrendered for payment, redemption, repurchase, registration of transfer or exchange shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly canceled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly canceled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities canceled as provided in this Section, except as expressly permitted by this Indenture. All canceled Securities held by the Trustee shall be disposed of in accordance with its customary procedures, unless otherwise directed by a Company Order.

**3.9 Computation of Interest**

Unless otherwise specified under Section 3.1 with respect to the Securities of a particular series, interest on the Securities shall be computed on the basis of a 360-day year of twelve 30-day months.

**Table of Contents**

**3.10 CUSIP or ISIN Numbers**

The Company in issuing the Securities may use CUSIP or ISIN numbers (if then generally in use), and, if so, the Trustee shall use CUSIP or ISIN numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the CUSIP or ISIN numbers.

**4. Satisfaction and Discharge**

**4.1 Satisfaction and Discharge of Indenture**

This Indenture shall cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of Securities herein expressly provided for), and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture, when

**4.1.1** either

**4.1.2** the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

**4.1.3** the Company has delivered to the Trustee an Officers Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

**Table of Contents**

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company to the Trustee under Section 6.7, the obligations of the Company to any Authenticating Agent under Section 6.14 and, if money shall have been deposited with the Trustee pursuant to clause (ii) of Section 4.1.1, the obligations of the Trustee under Section 4.2 and the last paragraph of Section 10.3 shall survive such satisfaction and discharge.

**4.2 Application of Trust Money**

Subject to the provisions of the last paragraph of Section 10.3, all money deposited with the Trustee pursuant to Section 4.1 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee.

**5. Remedies**

**5.1 Events of Default**

Event of Default, wherever used herein with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body) shall have occurred and be continuing:

- 5.1.4** the Company shall fail to perform or observe any other covenant or agreement in respect of the Securities of the series issued under this Indenture or in a supplemental indenture (other than a covenant which has been expressly included in this Indenture solely for the benefit of series of Securities other than that series) and such failure shall continue for a period of 60 days after there has been given by registered or certified international air mail to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of such series, a written notice specifying such default and requiring it to be remedied and stating that such notice is a Notice of Default;
- 5.1.5** the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company or any Significant Subsidiary in an involuntary case or proceeding under any applicable bankruptcy, insolvency, suspension of payments, reorganization or other similar law, or (B) a decree or order adjudging the Company or any Significant Subsidiary a bankrupt or insolvent, or suspending payments, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or any Significant Subsidiary under any applicable law, or appointing a custodian, receiver, liquidator, assignee, trustee,

sequestrator or other similar official of the Company or any Significant Subsidiary or of any substantial part of the property of the Company or any Significant Subsidiary, or ordering the winding up or liquidation of the affairs of the Company or any Significant Subsidiary, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days;

**5.1.6** the commencement by the Company or any Significant Subsidiary of a voluntary case or proceeding under any applicable bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by the Company or any Significant Subsidiary to the entry of a decree or order for relief in respect of the Company or any Significant Subsidiary in an involuntary case or proceeding under any applicable bankruptcy, insolvency, suspension of payments, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against the Company or any Significant Subsidiary, or the filing by the Company or any Significant Subsidiary of a petition or answer or consent seeking reorganization or relief under any applicable law or the consent by the Company or any Significant Subsidiary to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or similar official of the Company or any Significant Subsidiary or of any substantial part of the property of the Company or any Significant Subsidiary, or the making by the Company or any Significant Subsidiary of an assignment for the benefit of creditors, or the admission by the Company or any Significant Subsidiary in writing of its inability to pay its debts generally as they become due or the taking of corporate action by the Company or any Significant Subsidiary in furtherance of any such action (evidenced by the adoption of a corporate resolution in favor of any such actions or an action of any of the officers of the Company or such Significant Subsidiary that similarly binds the Company or such Significant Subsidiary, as the case may be), or the general inability of the Company or any Significant Subsidiary to make payment of their obligations as they come due; or

**5.1.7** any illegality event occurring and continuing under any of the Series A and Series B 8.625% Enhanced Guaranteed Notes due 2007, Series A and Series B 9% Guaranteed Notes due 2013, 6.25% Guaranteed Notes due 2016 or 8.25% Guaranteed Notes due 2034 of Vale Overseas Limited guaranteed by the Company (each Prior Bonds ) outstanding in excess of \$50,000,000 in aggregate and such illegality event results in the actual acceleration of such Prior Bonds.

**5.2 Acceleration of Maturity; Rescission and Annulment**

If an Event of Default with respect to any series of Securities (other than those Events of Default in Sections 5.1.5 and 5.1.6 insofar as they relate to the Company but not to a Significant Subsidiary of the Company), occurs and is continuing, then and in every such case, including an Event of Default in Sections 5.1.5 and 5.1.6 relating to a Significant Subsidiary of the Company, the Trustee shall, at the written request of the Holders of not less than 25% in principal amount of the Outstanding Securities of that series, by notice in writing to the Company, declare the principal of all the Securities of that series to be due and payable immediately, and upon any such declaration such principal and any accrued interest and any unpaid Additional Amounts thereon shall become immediately due and payable. If an Event of Default specified in Sections 5.1.5 and 5.1.6 occurs and is continuing with respect to the Company (but not a Significant Subsidiary of the Company), the principal and any accrued interest, together with any Additional Amounts thereon, on all of the Securities of that series then Outstanding shall automatically, and without any declaration or other action on the part of the Trustee or any Holder, become immediately due and payable. At any time after such a declaration of acceleration with respect to Securities of any series at the time Outstanding has been made and before a judgment or decree for payment of the money due

**Table of Contents**

has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

**5.2.1** the Company has paid or deposited with the Trustee a sum sufficient to pay

- (i) all overdue interest and any Additional Amounts thereon on all of the Securities of that series,
- (ii) the principal of any Securities of that series which have become due otherwise than by such declaration of acceleration,
- (iii) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate borne by (or prescribed therefor in) the Securities of that series, and
- (iv) all sums paid or advanced by the Trustee hereunder and all amounts owing the Trustee under Section 6.7;

and

**5.2.2** all Events of Default with respect to such series of Securities, other than the non-payment of the principal of Securities which has become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

**5.3 Collection of Indebtedness and Suits for Enforcement by Trustee**

The Company covenants that if

**5.3.1** default is made in the payment of any interest (including any Additional Amounts) on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

**5.3.2** default is made in the payment of the principal (including any Redemption Price or Repurchase Price) of (or premium, if any, on) any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest, and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and premium and on any overdue interest, at the rate borne by (or prescribed therefor in) such Securities, together with any Additional Amounts thereon, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and all amounts due the Trustee under Section 6.7.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of that series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

**5.4 Trustee May File Proofs of Claim**

**Table of Contents**

In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; *provided, however*, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors or other similar committee.

**5.5 Trustee May Enforce Claims Without Possession of Securities**

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

**5.6 Application of Money Collected**

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any premium or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.7;

SECOND: To the payment of the amounts then due and unpaid for principal of and any premium and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and any premium and interest, respectively; and

THIRD: Any remaining amounts shall be repaid to the Company.

**5.7 Limitation on Suits**

No Holder of any Securities of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

**5.7.1** such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

**Table of Contents**

**5.7.2** the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

**5.7.3** such Holder or Holders have offered to the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request;

**5.7.4** the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

**5.7.5** no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series; it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

**5.8 Unconditional Right of Holders to Receive Principal, Premium and Interest**

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium and (subject to Section 3.6) interest on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption or repurchase, on the Redemption Date or Repurchase Date, as the case may be), and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

**5.9 Restoration of Rights and Remedies**

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

**5.10 Rights and Remedies Cumulative**

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.5, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

**5.11 Delay or Omission Not Waiver**

No delay or omission of the Trustee or of any Holder of any Security to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by

**Table of Contents**

this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

**5.12 Control by Holders**

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, *provided* that

**5.12.1** such direction shall not be in conflict with any rule of law or with this Indenture,

**5.12.2** the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and

**5.12.3** subject to the provisions of Section 6.1, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine that the proceeding so directed would involve the Trustee in personal liability against which indemnity would not be satisfactory.

**5.13 Waiver of Past Defaults**

Subject to Section 5.2, the Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past Event of Default hereunder with respect to such series and its consequences, except a default

**5.13.1** in the payment of the principal of or any premium or interest on any Security of such series, or

**5.13.2** in respect of a covenant or provision hereof which under Article 9 cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

**5.14 Undertaking for Costs**

In any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs, including reasonable attorneys' fees and expenses, against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act; *provided* that neither this Section nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company or the Trustee or in any suit to require the Company to repurchase any Security in accordance with its terms.

**5.15 Waiver of Usury, Stay or Extension Laws**

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may

**Table of Contents**

lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

**6. The Trustee**

**6.1 Certain Duties and Responsibilities**

The duties and responsibilities of the Trustee shall be as provided by the Trust Indenture Act. Notwithstanding the foregoing, no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

**6.2 Notice of Default; Potential Default**

If a default occurs hereunder with respect to Securities of any series, the Trustee shall give the Holders of Securities of such series notice of such default as and to the extent provided by the Trust Indenture Act (a **Notice of Default** ). Specifically, the Trustee shall provide Notice of Default to each Holder promptly, but in no event later than within 15 days of occurrence, and in the manner provided by Section 313(c) of the Trust Indenture Act or any successor section thereto, of any default of which the Trustee is aware. The Trustee shall also provide a notice to each Holder of any claim of default within 30 days of receiving a written assertion of such claim from Holders of no less than 10% of the aggregate principal amount of Securities then outstanding. For the purpose of this Section, the term **default** means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

**6.3 Certain Rights of Trustee**

Subject to the provisions of Section 6.1:

- 6.3.1** the Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties;
- 6.3.2** any request or direction of the Company mentioned herein shall be sufficiently evidenced by a written request or direction signed on behalf of the Company by any two of its officers or its attorneys in fact in accordance with its bylaws;
- 6.3.3** whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers Certificate;
- 6.3.4** the Trustee may consult with counsel of its own choice and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

**Table of Contents**

- 6.3.5** the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;
- 6.3.6** the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document in connection with this Indenture, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation;
- 6.3.7** the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder; *provided* that the Trustee shall be required to terminate any such agent if it has actual knowledge of any willful or negligent failure by such agent to perform its delegated duties;
- 6.3.8** the Trustee shall not be deemed to have notice of any default or Event of Default with respect to Securities of any series unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default or Event of Default is received by the Trustee at the Corporate Trust Office of the Trustee from the Company or any Holder, and such notice references the Securities and this Indenture;
- 6.3.9** the rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder;
- 6.3.10** the Trustee may request that the Company deliver an Officers Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers Certificate may be signed by any person authorized to sign an Officers Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded;
- 6.3.11** the permissive rights of the Trustee enumerated herein shall not be construed as duties;
- 6.3.12** in no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action; and
- 6.3.13** the Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including without limitation, acts of God; earthquakes; fires; floods; wars; civil or military disturbances; sabotage; epidemics; riots; interruption, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; it being understood that the Trustee shall use its best

efforts to resume performance as soon as practicable under the circumstances.

**Table of Contents**

**6.4 Not Responsible for Recitals or Issuance of Securities**

Neither the Trustee nor any Authenticating Agent assume any responsibility for the correctness of the recitals contained herein and in the Securities, except the Trustee's certificates of authentication. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities. Neither the Trustee nor any Authenticating Agent shall be accountable for the use or application by the Company of the proceeds of the Securities.

**6.5 May Hold Securities**

The Trustee, any Authenticating Agent, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities and, subject to Sections 6.8 and 6.13, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Authenticating Agent, Paying Agent, Security Registrar or such other agent.

**6.6 Money Held in Trust**

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Company.

**6.7 Compensation and Reimbursement**

**6.7.1** The Company agrees to pay to the Trustee from time to time such compensation as shall be agreed in writing between the parties for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust).

**6.7.2** The Company agrees, except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable and itemized expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or willful misconduct.

**6.7.3** The Company agrees to fully indemnify each of the Trustee and any predecessor Trustee for, and to hold it harmless against, any and all losses, liabilities, damages, claims or expenses incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of the trust or trusts hereunder, including the costs and expenses of defending itself against any claim (whether asserted by the Company, a Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder.

When the Trustee incurs expenses or renders services in connection with an Event of Default specified in Section 5.1.5 or Section 5.1.6, the expenses (including the reasonable and documented charges and expenses of its counsel) and the compensation for the services are intended to constitute expenses of administration under any applicable Federal or State bankruptcy, insolvency or other similar law.

As security for the performance of the obligations of the Company under this Section, the Trustee shall have a claim prior to the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of (premium, if any) or interest on such Securities.

**Table of Contents**

The provisions of this Section shall survive the resignation or removal of the Trustee and the satisfaction and discharge of this Indenture.

**6.8 Conflicting Interests**

If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. To the extent permitted by the Trust Indenture Act, the Trustee shall not be deemed to have a conflicting interest by virtue of being a trustee under this Indenture with respect to Securities of more than one series.

**6.9 Corporate Trustee Required; Eligibility**

There shall at all times be one (and only one) Trustee hereunder with respect to the Securities of each series, which may be a Trustee hereunder for Securities of one or more other series. Each Trustee shall be a Person that (i) is eligible pursuant to the Trust Indenture Act to act as such, (ii) has a combined capital and surplus of at least \$100,000,000, (iii) is subject to supervision or examination by Federal or State authority, (iv) has a long-term unsecured debt rating with respect to U.S. dollar obligations of at least A2 or its equivalent rating by Moody's and (v) has its Corporate Trust Office in the United States. If any such Person publishes reports of condition at least annually, pursuant to law or to the requirements of its supervising or examining authority, then for the purposes of this Section and to the extent permitted by the Trust Indenture Act, the combined capital and surplus of such Person shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee with respect to the Securities of any series shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article.

**6.10 Resignation and Removal; Appointment of Successor**

No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee in accordance with the applicable requirements of Section 6.11.

The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If the instrument of acceptance by a successor Trustee required by Section 6.11 shall not have been delivered to the Trustee within 45 days after the giving of such notice of resignation, the resigning Trustee may, at the expense of the Company, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company.

If at any time:

**6.10.1** the Trustee shall fail to comply with Section 6.8 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months, or

**6.10.2** the Trustee shall cease to be eligible under Section 6.9 and shall fail to resign after written request therefor by the Company or by any such Holder, or

**Table of Contents**

**6.10.3** the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, then, in any such case, (A) the Company by a Board Resolution may remove the Trustee with respect to all Securities, or (B) subject to Section 5.14, any Holder who has been a bona fide Holder of a Security for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees. If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series) and shall comply with the applicable requirements of Section 6.11. If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment in accordance with the applicable requirements of Section 6.11, become the successor Trustee with respect to the Securities of such series and to that extent supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner required by Section 6.11, any Holder who has been a bona fide Holder of a Security of such series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series to all Holders of Securities of such series in the manner provided in Section 1.6. Each notice shall include the name of the successor Trustee with respect to the Securities of such series and the address of its Corporate Trust Office.

**6.11 Acceptance of Appointment by Successor**

In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee so appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on the request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder.

In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto wherein each successor Trustee shall accept such appointment and which (1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the

Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in the first or second preceding paragraph, as the case may be.

No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

If at any time an Authenticating Agent shall cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent shall resign immediately in the manner and with the effect specified in this Section.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent shall be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, shall continue to be an Authenticating Agent, provided such corporation shall be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Trustee or the Authenticating Agent.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, on the business day prior to each due date of the principal of or any premium or interest on any Securities of that series, deposit in Dollars with a Paying Agent in New York, New York a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent for any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (1) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (2) during the continuance of any default by the Company (or any other obligor upon the Securities of that series) in the making of any payment in respect of the Securities of that series, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities of that series.

the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or any premium or interest on any Security of any series and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may, at the expense of the Company, cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

**10.4 Statement by Officers as to Default**

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, an Officers Certificate, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and, if the Company shall be in default, specifying all such defaults and the nature and status thereof of which it may have knowledge. The Company will deliver to the Trustee, as soon as possible and in any event within 15 days after the Company becomes aware of the occurrence of any Event of Default or an event which, with notice or the lapse of time or both, would constitute an Event of Default, an Officers Certificate setting forth the details of such Event of Default or default and the action which the Company proposes to take with respect thereto.

**10.5 Reports by Company**

Notwithstanding that the Company may not be required to remain subject to the reporting requirements of Section 12, 13 or 15(d) of the Exchange Act, the Company will continue to file with the Commission and provide the Trustee with such annual reports and such information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may by rules and regulations prescribe) which are specified in Sections 12, 13 and 15(d) of the Exchange Act.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers Certificates).

**10.6 Limitation on Liens**

The Company will not create, incur, issue or assume any Indebtedness secured by any Lien, other than a Permitted Lien, without in any such case effectively providing that the Securities (together with, if the Company shall so determine, any other Indebtedness of the Company) shall be secured equally and ratably with or prior to such secured Indebtedness.

For the purposes of this Section, the (i) giving of a guarantee which is secured by a Lien upon or in respect of any asset of the Company, and (ii) the creation of a Lien upon or in respect of any asset of the Company to secure Indebtedness which existed prior to the creation of such Lien, shall be deemed to involve the incurrence of Indebtedness in an amount equal to the principal amount of such Indebtedness effectively secured by such Lien.

**10.7 Payment of Additional Amounts**

**10.7.1** All payments in respect of the Securities shall be made without withholding or deduction for any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Brazil or any Successor Jurisdiction or any authority therein or thereof having power to tax ( **Foreign Taxes** ), except to the extent that such Foreign Taxes are required by Brazil, such Successor Jurisdiction or any such authority to be withheld or deducted. In the event of any withholding or deduction for any Foreign Taxes, the Company shall make such deduction or withholding, make payment of the amount so withheld to the appropriate governmental authority and pay such additional amounts ( **Additional Amounts** ) as are necessary to ensure that the net amounts received by the Holders of Securities after such withholding or deduction equals the respective amounts of principal, premium and interest which would have been receivable in respect of such Securities had no such withholding or deduction (including for any Foreign Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Security:

- (i) to, or to a third party on behalf of, a Holder who is liable for any such taxes, duties, assessments or other governmental charges in respect of such Security by reason of (A) a connection between the Holder and Brazil other than the mere holding of such Security and the receipt of payments with respect to such Security or (B) failure by the Holder to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with Brazil or a Successor Jurisdiction, or applicable political subdivision or authority thereof or therein having power to tax, of such Holder, if compliance is required by such Successor Jurisdiction, or any political subdivision or authority thereof or therein having power to tax as a precondition to exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and the Company has given the Holders at least 30 days notice that Holders will be required to provide such certification, identification or other requirement;
- (ii) in respect of any such taxes, duties, assessments or other governmental charges with respect to a Security surrendered (if surrender is required) more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for and notice thereof given to Holders, whichever occurs later, except to the extent that the Holder of such Security would have been entitled to such Additional Amounts on surrender of such Security for payment on the last day of such 30-day period;
- (iii) in respect of estate, inheritance, gift, sales, transfer, personal property or similar tax, assessment or governmental charge imposed with respect to a Security;

**Table of Contents**

- (iv) in respect of any tax, assessment or other governmental charge payable otherwise than by deduction or withholding from payments on any series of Securities or by direct payment by the Company in respect of claims made against the Company;
- (v) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 or any law implementing or complying with, or introduced in order to conform to, such directive; or
- (vi) in respect of any combination of the above.

For purposes of the provisions described in clause (i) above, the term **Holder** of any Security means the direct nominee of any beneficial owner of such Security, which holds such beneficial owner's interest in such Security. Notwithstanding the foregoing, the limitations on the Company's obligation to pay Additional Amounts set forth in clause (i) above shall not apply if the provision of information, documentation or other evidence described in such clause (i) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Security (taking into account any relevant differences between U.S. and Brazilian law, regulation or administrative practice) than comparable information or other reporting requirements imposed under U.S. tax law (including tax treaties between the United States and Brazil), regulation (including proposed regulations) and administrative practice.

The Company shall promptly provide the Trustee with documentation, if any, (which may consist of certified copies of such documentation) reasonably satisfactory to the Trustee evidencing the payment of Foreign Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Securities or the Paying Agent, as applicable, upon request therefor.

In respect of the Securities issued hereunder, at least 10 days prior to the first date of payment of interest on the Securities and at least 10 days prior to each date, if any, of payment of principal or interest thereafter if there has been any change with respect to the matters set forth in the below-mentioned Officers' Certificate, the Company shall furnish the Trustee and each Paying Agent with an Officers' Certificate instructing the Trustee and such Paying Agent as to whether such payment of principal or any interest on such Securities shall be made without deduction or withholding for or on account of any tax, duty, assessment or other governmental charge. If any such deduction or withholding shall be required by Brazil or any Successor Jurisdiction or any authority therein having power to tax, then such certificate shall specify, by country, the amount, if any, required to be deducted or withheld on such payment to Holders of such Securities, and the Company shall pay or cause to be paid to the Trustee or such Paying Agent Additional Amounts, if any, required by this Section. The Company agrees to indemnify the Trustee and each Paying Agent for, and to hold them harmless against, any loss, liability or expense reasonably incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in reliance on any Officers' Certificate furnished pursuant to this Section, the obligation of the Company to so indemnify being joint and several.

**10.7.2** The Company shall pay all stamp, issue, registration, documentary or other similar duties, if any, which may be imposed by Brazil or any other governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Indenture or the issuance of the Securities.

**Table of Contents**

**10.7.3** The Company shall provide each Paying Agent and any withholding agent under relevant tax regulations with copies of each certificate received by the Company from a Holder of a Security pursuant to the text of such Security. Each such Paying Agent and withholding agent shall retain each such certificate received by it for as long as any Security is outstanding and in no event for less than four years after its receipt, and for such additional period thereafter, as set forth in an Officers Certificate, as such certificate may become material in the administration of applicable tax laws.

**10.7.4** In the event that Additional Amounts actually paid with respect to the Securities pursuant to the preceding paragraph are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Securities, and, as a result thereof, such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Securities, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the Holder makes no representation or warranty that the Company will be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

**10.7.5** All references in this Indenture and the Securities to principal, premium or interest in respect of any Security shall be deemed to mean and include all Additional Amounts, if any, payable in respect of such principal, premium or interest, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof where such express mention is not made. All references in this Indenture and the Securities to principal in respect of any Security shall be deemed to mean and include any Redemption Price or Repurchase Price payable in respect of such Security pursuant to any redemption or repurchase right hereunder (and all such references to the Stated Maturity of the principal in respect of any Security shall be deemed to mean and include the Redemption Date or Repurchase Date with respect to any such Redemption Price or Repurchase Price), and all such references to principal, premium, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect hereof pursuant to this Section 10.7, and express mention of the payment of any Redemption Price or Repurchase Price, or any such other amount in any provision hereof shall not be construed as excluding reference to the payment of any Redemption Price or Repurchase Price, or any such other amounts in those provisions hereof where such express reference is not made.

**10.8 Indemnification of Judgment Currency**

The Company shall indemnify the Trustee and any Holder of a Security against any loss incurred by the Trustee or such Holder, as the case may be, as a result of any judgment or order being given or made for any amount due under this Indenture or such Security and being expressed and paid in a currency (the **Judgment Currency** ) other than Dollars, and as a result of any variation between (i) the rate of exchange at which the Dollar amount is converted into the Judgment Currency for the purpose of such judgment or order and (ii) the spot rate of exchange in The City of New York at which the Trustee or such Holder, as the case may be, on the date of payment of such judgment or order is able to purchase Dollars with the amount of the Judgment Currency actually received by the Trustee or such Holder. The foregoing indemnity shall constitute a separate and independent obligation of the Company and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term spot rate of exchange shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, Dollars.

**10.9 Further Acts; Protection of Collateral**

**Table of Contents**

The Company will take any action, satisfy any condition or do any thing (including the obtaining or effecting of any necessary consent, approval, authorization, exemption, filing, license, order, recording or registration) at any time required in accordance with the applicable laws and regulations to be taken, fulfilled or done in order (i) to enable it lawfully to enter into, exercise its rights and perform and comply with its obligations under the Securities, this Indenture and any supplemental indenture, as the case may be, including any security interest created thereby, (ii) to ensure that those obligations are legally binding and enforceable, (iii) to make the Securities, this Indenture and any supplemental indenture admissible in evidence in the courts of the State of New York and Brazil and (iv) to enable the Trustee to exercise and enforce its respective rights under this Indenture and any supplemental indenture and to carry out the terms, provisions and purposes of this Indenture and any supplemental indenture.

The Company hereby designates the Trustee its agent and attorney-in-fact to execute any financing statement, continuation statement or other instrument required to be filed by the Company pursuant to this Section. Notwithstanding anything herein to the contrary, the Trustee shall have no duty as to maintaining, perfecting or collecting any collateral or security interest that may be created pursuant to any supplemental indenture.

**10.10 Notice of Late Payment**

So long as any Security is Outstanding, the Company will forthwith upon request by the Trustee give notice to the Holders of Securities of any unconditional payment to the Trustee of any sum due in respect of the Securities made after the Business Day prior to the due date for such payment.

**10.11 Securities Held by the Company**

So long as any Security is Outstanding, the Company will send to the Trustee, as soon as practicable after being so requested by the Trustee, an Officer's Certificate of the Company stating the aggregate principal amount of Securities held or beneficially owned, at the date of such certificate by or on behalf of the Company or any of its Subsidiaries. The Company will promptly notify the Trustee when it or any of its Subsidiaries holds or beneficially owns Securities.

**10.12 Securities Issued or Outstanding**

So long as any Security is Outstanding, the Company will send to the Trustee within fourteen (14) days after any written request by the Trustee, an Officer's Certificate confirming the aggregate principal amount of Securities issued and/or Outstanding under this Indenture.

**10.13 Status of Securities**

The Company will ensure that the Securities will rank at least *pari passu* with any current and future unsecured and unsubordinated Indebtedness of the Company.

**10.14 Rating**

Upon the further issue of Securities under this Indenture and any supplemental indentures, the Company will obtain a rating confirmation of any other applicable series of Securities then outstanding.

**10.15 Maintenance of Good Standing**

The Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence. The Company will comply with all laws, regulations, rules and orders of Brazil, or any political subdivision thereof, which apply to its existence, property and business,

**Table of Contents**

including applicable environmental and labor laws, except to the extent such failure to comply would not individually or in the aggregate have a material adverse effect on the general affairs, business, prospects, management, financial position, stockholder's equity or results of operations of the Company.

**10.16 Maintenance of Properties**

The Company will cause all properties that are material to the conduct of its business to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided, however*, that nothing in this Section shall prevent the Company from discontinuing the operation or maintenance of any of such properties if such discontinuance is, in the judgment of the Company, desirable in the conduct of its business and not disadvantageous in any material respect to the Holders of Securities. The Company will cause all of its properties and its business to be insured against all damages, claims, interruptions and loss encountered in the normal course of business.

**10.17 Payment of Taxes**

The Company will pay or discharge or cause to be paid or discharged, before the same shall become delinquent, all taxes, assessments and governmental charges levied or imposed upon the Company or upon the income, profits or property of the Company (the **Taxes**) which, if unpaid, might by law become a Lien upon the property of the Company; *provided, however*, that (x) the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is then-currently being contested in good faith by appropriate proceedings and (y) the Company shall be in compliance with this Section 10.17 if the individual or the aggregate amount of the Taxes not paid would not have a material adverse effect on the ability of the Company to comply with its obligations under this Indenture.

**11. Redemption of Securities**

**11.1 Right of Redemption**

- 11.1.1** The Securities of any series which are redeemable before their Stated Maturity may not be redeemed at the election of the Company except in accordance with their terms and (except as otherwise specified as contemplated by Section 3.1 for such Securities) in accordance with the provisions of this Article.
- 11.1.2** The election of the Company to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Company, the Company shall, at least 45 days prior to the Redemption Date fixed by the Company, notify the Trustee of such Redemption Date, of the principal amount of Securities of such series to be redeemed and, if applicable, of the tenor of the Securities specified therefor in the Securities of a series to be redeemed.
- 11.1.3** If, as a result of any amendment to, or change in, the laws (or any rules or regulation thereunder) of Brazil or any political subdivision or taxing authority thereof or therein affecting taxation or any amendment to or change in an official interpretation, administration or application of such laws, rules or regulations (including a holding by a court of competent jurisdiction), which amendment or change of such laws, rules or regulations or the interpretation thereof becomes effective on or after the date specified therefor in the Securities of a series, the Company would be obligated to pay Additional

**Table of Contents**

Amounts in respect of the Securities of such series pursuant to the terms and conditions thereof in excess of those attributable to Brazilian withholding tax on the basis of a statutory rate of 15%, and if such obligation cannot be avoided by the Company after taking measures the Company considers reasonable to avoid it, then, at the Company's option, the Securities of such series may be redeemed in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Holders of such Securities, at a Redemption Price equal to 100% of the principal amount thereof and any premium applicable thereto, together with accrued interest up to but not including the Redemption Date and any Additional Amounts which would otherwise be payable; *provided, however*, that (1) no notice of such redemption may be given earlier than 90 days prior to the earliest date on which the Company would but for such redemption be obligated to pay such Additional Amounts were a payment on such Securities then due, and (2) at the time such notice is given, such obligation to pay such Additional Amounts remains in effect.

**11.1.4** Before any notice of redemption pursuant to Section 11.1.3 is given to the Trustee or the Holders of Securities of the relevant series, the Company shall deliver to the Trustee (i) an Officers' Certificate stating that the Company is entitled to effect such redemption and setting forth a statement of facts showing that the condition or conditions precedent to the right of the Company so to redeem have occurred or been satisfied and (ii) an Opinion of Counsel to the effect that the Company has or shall become obligated to pay such Additional Amounts as a result of such change or amendment. Such notice, once given to the Trustee, shall be irrevocable.

**11.2 Notice of Redemption**

Notice of redemption shall be given by first-class mail, postage prepaid, mailed not less than 30 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at his address appearing in the Security Register.

All notices of redemption shall state:

**11.2.1** the Redemption Date,

**11.2.2** the Redemption Price and amount of accrued interest, if any,

**11.2.3** that on the Redemption Date the Redemption Price and any accrued interest shall become due and payable upon each Security to be redeemed and that interest thereon shall cease to accrue on and after said date,

**11.2.4** the conversion rate (if applicable), the date on which the right to convert the Securities to be redeemed shall terminate and the place or places where such Securities may be surrendered for conversion,

**11.2.5** the place or places where such Securities are to be surrendered for payment of the Redemption Price and any accrued interest, and

**11.2.6** applicable CUSIP or ISIN Numbers.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company, and such notice, when given to the Holders, shall be irrevocable.

**11.3 Deposit of Redemption Price**

**Table of Contents**

On the Business Day prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 10.3) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

**11.4 Securities Payable on Redemption Date**

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company to the Person in whose name such Security is registered at the Redemption Price, together with accrued interest to the Redemption Date; *provided, however*, that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.6.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the Redemption Date at the rate borne by (or prescribed therefor in) the Security.

**11.5 Securities Redeemed in Part**

Any Security of a series which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

If less than all the Securities of any series are to be redeemed (unless all of the Securities of such series and of a specified tenor are to be redeemed or unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected less than 61 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by lot or, in the Trustee's discretion, on a pro rata basis, *provided* that the unredeemed portion of the principal amount of any Security shall be in an authorized denomination which shall not be less than the minimum authorized denomination for such Security. If less than all of the Securities of such series and of a specified tenor are to be redeemed (unless such redemption affects only a single Security), the particular Securities to be redeemed shall be selected less than 30 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series and specified tenor not previously called for redemption in accordance with the preceding sentence, and the Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amounts thereof to be redeemed.

The provisions of the preceding paragraph shall not apply with respect to any redemption affecting only a single Security, whether such Security is to be redeemed in whole or in part. In the case of any such redemption in part, the unredeemed portion of the principal amount of the Security shall be in an authorized denomination (which shall not be less than the minimum authorized denomination) for such Security.

**Table of Contents**

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

**12. Defeasance and Covenant Defeasance**

**12.1 Company's Option to Effect Defeasance or Covenant Defeasance**

The Company may elect, at its option at any time, to have Section 12.2 or Section 12.3 applied to any Securities or any series of Securities designated pursuant to Section 3.1 as being defeasible pursuant to such Section 12.2 or 12.3, in accordance with any applicable requirements provided pursuant to Section 3.1 and upon compliance with the conditions set forth below in this Article. Any such election shall be evidenced by a Board Resolution or in another manner specified as contemplated by Section 3.1 for such Securities.

**12.2 Defeasance and Discharge**

Upon the Company's exercise of its option to have this Section applied to any Securities or any series of Securities, as the case may be, the Company shall be deemed to have been discharged from its obligations with respect to such Securities or series of Securities as provided in this Section on and after the date the conditions set forth in Section 12.4 are satisfied (hereinafter called "Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by such Securities and to have satisfied all its other obligations under such Securities and this Indenture insofar as such Securities are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), subject to the following which shall survive until otherwise terminated or discharged hereunder: (i) the rights of Holders of such Securities to receive, solely from the trust fund described in Section 12.4 and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on such Securities when payments are due, (ii) the Company's obligations with respect to such Securities under Sections 3.4, 3.5, 10.2 and 10.3, (iii) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (iv) the provisions set forth in this Article 12. Subject to compliance with this Article, the Company may exercise its option to have this Section 12.2 applied to any Securities notwithstanding the prior exercise of its option to have Section 12.3 applied to such Securities.

**12.3 Covenant Defeasance**

Upon the Company's exercise of its option to have this Section applied to any Securities or any series of Securities, as the case maybe, (i) the Company shall be released from any covenants provided pursuant to Section 3.1.17, 9.1.2 or 9.1.8 for the benefit of the Holders of such Securities, and (ii) the occurrence of any event specified in Section 5.1.4 shall be deemed not to be or result in an Event of Default, in each case with respect to such Securities as provided in this Section on and after the date the conditions set forth in Section 12.4 are satisfied (hereinafter called "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, with respect to such Securities, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section (to the extent so specified in the case of Section 5.1.4), whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and such Securities shall be unaffected thereby.

**12.4 Conditions to Defeasance or Covenant Defeasance**

**Table of Contents**

The following shall be the conditions to the application of Section 12.2 or Section 12.3 to any Securities or any series of Securities, as the case may be:

- 12.4.1** The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, (i) money in an amount, or (ii) U.S. Government Obligations which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination thereof, in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, the principal of and any premium, interest and Additional Amounts on such Securities on the respective Stated Maturities, in accordance with the terms of this Indenture and such Securities. As used herein, U.S. Government Obligation means (x) any security which is (A) a direct obligation of the United States of America for the payment of which the full faith and credit of the United States of America is pledged or (B) an obligation of a Person controlled or supervised by and acting as any agency or instrumentality of the United States of America the payment of which is unconditionally guaranteed as a full faith and credit obligation by the United States of America, which, in either case (A) or (B), is not callable or redeemable at the option of the issuer thereof, and (y) any depositary receipt issued by a bank (as defined in Section 3(a)(2) of the Securities Act) as custodian with respect to any U.S. Government Obligation which is specified in clause (x) above and held by such bank for the account of the holder of such depositary receipt, or with respect to any specific payment of principal of or interest on any U.S. Government Obligation which is so specified and held, provided that (except as required by law) such custodian is not authorized to make any deduction from the amount payable to the holder of such depositary receipt from any amount received by the custodian in respect of the U.S. Government Obligation or the specific payment of principle or interest evidenced by such depositary receipt.
- 12.4.2** In the event of any election to have Section 12.2 apply to any Securities or any series of Securities, as the case may be, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (ii) since the date of this instrument, there has been a change in the applicable U.S. Federal income tax law, in either case (i) or (ii) to the effect that, and based thereon such opinion shall confirm that, the Holders of such Securities will not recognize gain or loss for U.S. Federal income tax purposes as a result of the deposit, Defeasance and discharge to be effected with respect to such Securities and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, Defeasance and discharge were not to occur.
- 12.4.3** In the event of an election to have Section 12.3 apply to any Securities or any series of Securities, as the case may be, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such Securities will not recognize gain or loss for Federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Security and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.
- 12.4.4** No event which is, or after notice or lapse of time both would become, an Event of Default with respect to such Securities or any other Securities shall have occurred and be continuing at the time of such deposit or, with regard to any such event specified in Sections 5.1.5 and 5.1.6, at any time on or prior to the day which is 90 days after the date

**Table of Contents**

of such deposit (it being understood that this condition shall not be deemed satisfied until after such day which is 90 days after the date of such deposit).

- 12.4.5** Such Defeasance or Covenant Defeasance shall not cause the Trustee to have a conflicting interest within the meaning of the Trust Indenture Act (assuming all Securities are in default within the meaning of such Act).
- 12.4.6** Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any other agreement or instrument to which the Company is a party or by which it is bound.
- 12.4.7** Such Defeasance or Covenant Defeasance shall not result in the trust arising from such deposit constituting an investment company within the meaning of the Investment Company Act unless such trust shall be registered under such Act or exempt from registration thereunder.
- 12.4.8** The Company shall have delivered to the Trustee an Officers Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Defeasance or Covenant Defeasance have been complied with.

**12.5 Deposited Money and U.S. Government Obligations to Be Held in Trust; Miscellaneous Provisions.**

Subject to the provisions of the last paragraph of Section 10.3, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 12.4 in respect of any Securities shall be held in trust and applied by the Trustee, in accordance with the provisions of such Securities and this Indenture, to the payment, either directly or through any such Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of such Securities, of all sums due and to become due thereon in respect of principal and any premium and interest, but money so held in trust need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 12.4, or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of Outstanding Securities.

Anything in this Article to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Order any money or U.S. Government Obligations held by it as provided in Section 12.4 with respect to any Securities which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect the Defeasance or Covenant Defeasance, as the case may be, with respect to such Securities.

**12.6 Reinstatement.**

If the Trustee or the Paying Agent is unable to apply any money in accordance with this Article with respect to any Securities by reason of any order of judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the obligations under this Indenture and such Securities from which the Company has been discharged or released pursuant to Section 12.2 or 12.3 shall be revived and reinstated as though no deposit had occurred pursuant to this Article with respect to such Securities in accordance with this Article; *provided, however*, that if the Company makes any payment of principal of or any premium or interest on any such Security following such reinstatement of its obligations, the Company shall be

subrogated to the rights (if any) of the Holders of such Securities to receive such payment from the money so held in trust.

This instrument may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument.

2.2.2 Form of Reverse of Note

1. This Note is a duly authorized issue of securities of the Company issued in one or more series (the **Securities** ) under an Indenture, dated as of March 24, 2010 (the **Base Indenture** ) as supplemented by a First Supplemental Indenture, dated as of March 24, 2010 (the **First Supplemental Indenture** ), among the Company and The Bank of New York Mellon, as Trustee (herein called the **Trustee**, which term includes any successor trustee under the Base Indenture), The Bank of New York Mellon Trust (Japan), Ltd., as Principal Paying Agent and The Bank of New York Mellon (Luxembourg) S.A., as Luxembourg Paying Agent, and reference is hereby made to the Base Indenture, as supplemented by the First Supplemental Indenture (the Base Indenture, as supplemented by the First Supplemental Indenture, herein called the **Indenture** ), for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Security is one of the series designated on the face hereof (herein called the **Notes** ).

2. Additional notes on terms and conditions identical to those of this Note may be issued by the Company without the consent of the Holders of the Notes. The amount evidenced by such additional Notes shall increase the aggregate principal amount of, and shall be consolidated and form a single series with, the Notes.

3. If an Event of Default with respect to Notes shall occur and be continuing, the principal of all of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

4. All payments in respect of the Notes shall be made without withholding or deduction for any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of Brazil, or any Successor Jurisdiction or any authority therein or thereof having power to tax ( **Foreign Taxes** ) except to the extent that such Foreign Taxes are required by Brazil, such Successor Jurisdiction or any such authority to be withheld or deducted. In the event of any withholding or deduction for any Foreign Taxes, the Company shall make such deduction or withholding, make payment of the amount so withheld to the appropriate governmental authority and pay such additional amounts ( **Additional Amounts** ) as are necessary to ensure that the net amounts received by the Holders of the Notes after such withholding or deduction equals the respective amounts of principal and interest which would have been receivable in respect of such Notes had no such withholding or deduction (including for any Foreign Taxes payable in respect of Additional Amounts) been required, except that no such Additional Amounts shall be payable with respect to any payment on a Note:

**Table of Contents**

- (i) to, or to a third party on behalf of, a Holder who is liable for any such taxes, duties, assessments or other governmental charges in respect of a Note by reason of (A) a connection between the Holder and Brazil other than the mere holding of such Note and the receipt of payments with respect to such Note or (B) failure by the Holder to comply with any certification, identification or other reporting requirement concerning the nationality, residence, identity or connection with Brazil or a Successor Jurisdiction, or applicable political subdivision or authority thereof or therein having power to tax, of such Holder, if compliance is required by such jurisdiction, or any political subdivision or authority thereof or therein having power to tax as a precondition to exemption from, or reduction in the rate of, the tax, assessment or other governmental charge and the Company has given the Holders at least 30 days notice that Holders will be required to provide such certification, identification or other requirement;
- (ii) in respect of any such taxes, duties, assessments or other governmental charges with respect to a Note surrendered (if surrender is required) more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for and notice thereof is given to Holders, whichever occurs later, except to the extent that the Holder of such Note would have been entitled to such Additional Amounts on surrender of such Note for payment on the last day of such 30-day period;
- (iii) in respect of estate, inheritance, gift, sales, transfer, personal property or similar tax, assessment or governmental charge imposed with respect to a Note;
- (iv) in respect of any tax, assessment or other governmental charge payable otherwise than by deduction or withholding from payments on the Notes or by direct payment by the Company in respect of claims made against the Company;
- (v) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 or any law implementing or complying with, or introduced in order to conform to, such directive; or
- (vi) in respect of any combination of the above.

Solely for purposes of this paragraph 4, the term **Holder** of any Note means a Person in whose name such Note is registered in the Security Register or a beneficial owner. Notwithstanding the foregoing, the limitations on the Company's obligation to pay Additional Amounts set forth in clause (i) above shall not apply if (a) the provision of information, documentation or other evidence described in such clause (i) would be materially more onerous, in form, in procedure or in the substance of information disclosed, to a Holder or beneficial owner of a Note (taking into account any relevant differences between U.S. and Brazilian law, regulation or administrative practice) than comparable information or other reporting requirements imposed under U.S. tax law (including tax treaties between the United States and Brazil), regulation (including proposed regulations) and administrative practice.

**Table of Contents**

The Company shall promptly provide the Trustee with documentation (which may consist of certified copies of such documentation) satisfactory to the Trustee evidencing the payment of Foreign Taxes in respect of which the Company has paid any Additional Amounts. Copies of such documentation shall be made available to the Holders of the Notes, the Luxembourg Paying Agent or the Principal Paying Agent, as applicable, upon request therefor.

The Company shall pay all stamp, issue, registration, documentary or other similar duties, if any, which may be imposed by Brazil or any governmental entity or political subdivision therein or thereof, or any taxing authority of or in any of the foregoing, with respect to the Indenture or the issuance of the Notes.

All references herein or in the Indenture, to principal or interest in respect of any Note shall be deemed to include all Additional Amounts, if any, payable in respect of such principal or interest, unless the context otherwise requires, and express mention of the payment of Additional Amounts in any provision hereof shall not be construed as excluding reference to Additional Amounts in those provisions hereof where such express mention is not made.

In the event that Additional Amounts actually paid with respect to the Notes pursuant to the preceding paragraphs are based on rates of deduction or withholding of withholding taxes in excess of the appropriate rate applicable to the Holder of such Notes, and, as a result thereof such Holder is entitled to make claim for a refund or credit of such excess from the authority imposing such withholding tax, then such Holder shall, by accepting such Notes, be deemed to have assigned and transferred all right, title, and interest to any such claim for a refund or credit of such excess to the Company. However, by making such assignment, the Holder makes no representation or warranty that the Company will be entitled to receive such claim for a refund or credit and incurs no other obligation with respect thereto.

6. All references in the Indenture and the Notes to principal in respect of any Note shall be deemed to mean and include any Redemption Price payable in respect of such Note pursuant to any redemption right hereunder (and all such references to the Stated Maturity Date of the principal in respect of any Note shall be deemed to mean and include the Redemption Date with respect to any such Redemption Price), and all such references to principal, interest or Additional Amounts shall be deemed to mean and include any amount payable in respect hereof pursuant to Section 10.7 of the Base Indenture.

7. The Notes are subject to redemption at the Company's option before the Stated Maturity in whole at any time, or in part from time to time, upon not less than 30 days but no more than 60 days notice to the Holders of the Notes, at a Redemption Price equal to the greater of (A) 100% of the principal amount of such Notes and (B) the sum of the

**Table of Contents**

present values of each remaining scheduled payment of principal and interest thereon (exclusive of interest accrued to the date of redemption) discounted to the Redemption Date on an annual basis (calculated using a 365-day year or a 366-day year, as applicable, and the actual number of days elapsed) at the Bund Rate plus 25 basis points, plus accrued interest on the principal amount of such Notes to (but not including) the date of redemption.

If, as a result of any amendment to, or change in, the laws (or any rules or regulation thereunder) of Brazil or any political subdivision or taxing authority thereof or therein affecting taxation or any amendment to or change in an official interpretation, administration or application of such laws, rules or regulations (including a holding by a court of competent jurisdiction), which amendment or change of such laws, rules or regulations or the interpretation thereof becomes effective on or after the date of the First Supplemental Indenture, the Company would be obligated to pay Additional Amounts in respect of the Notes pursuant to the terms and conditions thereof in excess of those attributable to Brazilian withholding tax on the basis of a statutory rate of 15%, and if such obligation cannot be avoided by the Company after taking measures the Company considers reasonable to avoid it, then, at the Company's option, the Notes may be redeemed in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Holders of the Notes, at a Redemption Price equal to 100% of the principal amount thereof and any premium applicable thereto, together with accrued interest up to but not including the Redemption Date and any Additional Amounts which would otherwise be payable up to but not including the Redemption Date; provided, however, that (1) no notice of such redemption may be given earlier than 90 days prior to the earliest date on which the Company would but for such redemption be obligated to pay such Additional Amounts were a payment on the Notes then due, and (2) at the time such notice is given, such obligation to pay such Additional Amounts remains in effect.

On and after any Redemption Date, interest will cease to accrue on the Notes or any portion of the Notes called for redemption (unless the Company defaults in the payment of the Redemption Price and accrued interest). On or before the Redemption Date, the Company will deposit with the Trustee money sufficient to pay the Redemption Price of and (unless the redemption date shall be an Interest Payment Date) accrued interest to the Redemption Date on the Notes to be redeemed on such Redemption Date. If less than all of the Notes are to be redeemed, the Notes to be redeemed shall be selected by the Trustee by such method as the Trustee shall deem fair and appropriate.

8. The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each affected series under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each affected series. The Indenture also contains provisions (i) permitting the Holders of a majority in principal amount of the Securities at the time Outstanding of any affected series under the Indenture on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and (ii) permitting the Holders of a majority in principal amount of the Securities at the time Outstanding of any affected series under the Indenture on behalf of the Holders of all Securities of such series, to waive certain past defaults under the Indenture and their consequences.

**Table of Contents**

Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

9. As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless (i) such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Notes, (ii) the Holders of not less than 25% in principal amount of the Notes at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity reasonably satisfactory to it, and the Trustee shall not have received from the Holders of a majority in principal amount of Notes at the time Outstanding a direction inconsistent with such request, and (iii) the Trustee shall have failed to institute any such proceeding, for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any interest hereon on or after the respective due dates expressed herein.

10. No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

11. As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office of the Trustee or agency of the Company in any place where the principal of and any interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes of this Series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of 50,000 and any integral multiple of 1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

**Table of Contents**

No service charge shall be made for any such registration of transfer or exchange, but the Company or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

12. Prior to due surrender of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

13. This Note and the Indenture shall be governed by and construed in accordance with the laws of the State of New York.

14. All terms used in this Note which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Vale S.A.

Avenida Graça Aranha, No. 26

20030-900 Rio de Janeiro, RJ, Brazil

Ladies and Gentlemen:

We have acted as special United States counsel to Vale S.A., a Brazilian corporation (Vale), in connection with Vale's offering pursuant to a registration statement on Form F-3 (No. 333-162822) of \$750,000,000 aggregate principal amount of 4.375% Notes due 2018 (the Notes) to be issued under an indenture dated as of March 24, 2010 (the Base Indenture), as supplemented by the first supplemental indenture dated as of March 24, 2010 (the First Supplemental Indenture) and, together with the Base Indenture, the Indenture), between Vale and The Bank of New York Mellon, as trustee (the Trustee). Such registration statement, as amended as of its most recent effective date (November 3, 2009), insofar as it relates to the Notes (as determined pursuant to Rule 430B(f)(2) under the Securities Act of 1933, as amended (the Securities Act)), but excluding the documents incorporated by reference therein, is herein called the Registration Statement.

We have reviewed the Registration Statement, including the Base Indenture attached thereto as an exhibit, and the form of the First Supplemental Indenture, and we have reviewed originals or copies certified or otherwise identified to our satisfaction of all such corporate records of Vale and such other instruments and other certificates of public officials, officers and representatives of Vale and such other persons, and we have made such investigations of law, as we have deemed appropriate as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified the accuracy as to factual matters of each document we have reviewed and that the Notes will be duly authenticated in accordance with the terms of the Indenture.

**Table of Contents**

Vale S.A., p. 2

Based on the foregoing, and subject to the further assumptions and qualifications set forth below, it is our opinion that, when the First Supplemental Indenture and the Notes have been duly executed and delivered by Vale in the forms thereof that we have examined and the Notes have been duly delivered to and paid for by the purchasers thereof in the manner described in the Registration Statement, the Notes will be valid, binding and enforceable obligations of Vale, entitled to the benefits of the Indenture.

Insofar as the foregoing opinion relates to the validity, binding effect or enforceability of any agreement or obligation of Vale, (a) we have assumed that Vale and each other party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to Vale regarding matters of the federal law of the United States of America or the law of the State of New York that in our experience normally would be applicable to general business entities in relation to transactions of the type contemplated in the Indenture and the Notes), (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity and (c) such opinions are subject to the effect of judicial application of foreign laws or foreign governmental actions affecting creditors' rights.

We express no opinion as to the subject matter jurisdiction of any United States federal court to adjudicate any action relating to the Securities where jurisdiction based on diversity of citizenship under 28 U.S.C. § 1332 does not exist. In addition, we note that (a) the enforceability in the United States of the waiver in Section 1.14 of the Base Indenture by Vale of any immunities from court jurisdiction and from legal process is subject to the limitations imposed by the U.S. Foreign Sovereign Immunities Act of 1976 and (b) the designation in Section 1.14 of the Base Indenture of the U.S. federal courts located in the Borough of Manhattan, city of New York as the venue for actions or proceedings relating to the Indenture and the Notes is (notwithstanding the waiver in Section 1.14 of the Base Indenture) subject to the power of such courts to transfer actions pursuant to 28 U.S.C. § 1404(a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such actions or proceedings.

We express no opinion as to the enforceability of Section 10.8 of the Base Indenture, providing for indemnification by Vale of the Trustee and the holders of the Notes against any loss in obtaining the currency due to the Trustee or such holders of Notes from a court judgment in another currency.

The foregoing opinions are limited to the federal law of the United States of America and the law of the State of New York.

We hereby consent to the incorporation by reference of this opinion in the Registration Statement and to the reference to this firm in the prospectus constituting a part of the Registration Statement under the heading "Validity of the Securities" and in the prospectus supplement related thereto under the heading "Validity of the Notes" as counsel for Vale who have passed on the validity of the Notes being registered by the Registration Statement. In giving such consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

Ladies and Gentlemen:

I have acted as Brazilian counsel for Vale S.A.     - (v) the minutes of the meetings of the board of executive officers of Vale at which the issuance of the Notes was approved; and
    - (vi) the Base Indenture and the Supplemental Indenture.

4. Furthermore, I have assumed (i) the due organization and valid existence of all parties (other than Vale) to the Indenture under the laws of the countries of their respective incorporation; (ii) that the Indenture and the Notes will have been duly authorized and validly executed and delivered by the parties thereto (other than Vale); and (iii) that the performance thereof is within the capacity and powers of the parties thereto (other than Vale).

5. Based upon the foregoing and subject to the qualifications set forth herein, I am of the opinion that when the Indenture has been duly executed, authenticated, issued and delivered in accordance with its provisions and in accordance with the applicable definitive underwriting agreement, upon payment of the consideration therefor provided for therein, the Indenture will be duly authorized, executed and delivered and will be a valid and binding obligation of Vale.

6. The foregoing opinions are subject to the following qualifications:

- (i) To ensure the enforceability or the admissibility in evidence of the Indenture and any other document required by any Brazilian court to be furnished: (a) the signatures of the parties thereto signing outside Brazil must be notarized; (b) the signature of the notary must be certified by a consular official of Brazil having jurisdiction to provide for such action; (c) the Indenture and any other documents or instruments prepared in a language other than Portuguese (whether signed abroad or not) must be translated into Portuguese by a sworn translator and registered with the appropriate Registry of Deeds and Documents (for which certain translation and registration fees would apply), which may be done immediately prior to any such enforcement or presentation;
- (ii) A final conclusive judicial decision for the payment of money rendered by any Federal or State Court in the city, county and state of New York in respect of the Indenture or of the Notes should be recognized in the courts of Brazil, and such courts would enforce such judicial decision without retrial or re-examination of the merits of the original decision only if such judicial decision has been previously ratified by the Superior Court of Justice (*Superior Tribunal de Justiça*); which ratification is available only if: (a) the judicial decision fulfills all formalities required for its enforceability under the laws of the state of New York, (b) the judicial decision was issued by a competent court after proper service of process on the parties, which service of process must comply with Brazilian law or, after sufficient evidence of the parties' absence has been given, as established pursuant to applicable law, (c) the judicial decision is not subject to appeal, (d) the judicial decision was authenticated by a Brazilian consulate in the state of New York, (e) the judicial decision was translated by a sworn translator registered in Brazil, and (f) the judicial decision is not contrary to Brazilian national sovereignty, public policy or good morals;
- (iii) Pursuant to the regulations of the Brazilian Central Bank relating to foreign exchange and capital, individuals and legal entities may enter into transactions for the purchase and sale of foreign currency, without limitation on amount, with due regard for the terms and conditions of the regulation and the validity of the specific transaction, based on the economic grounds and liabilities defined in the respective document. In accordance therewith, Vale may remit funds in foreign currency to cover financial obligations assumed by offshore subsidiaries. Furthermore, pursuant to regulations of the Brazilian Central Bank, it is possible for the Brazilian guarantor to deposit the corresponding amount in Brazilian currency at a non-resident account held in Brazil by the foreign creditor, which would then be able to freely convert such funds into foreign currency for remittance abroad;

**Table of Contents**

- (iv) Any amounts to be paid under the Notes in excess of the amounts provided for in the Indenture, if any, will depend on the analysis of the legality and economic grounds by the Brazilian commercial bank chosen to implement the relevant foreign exchange control transactions or, as the case may be, pursuant to a special authorization to be obtained from the Central Bank of Brazil, which authorization will be granted at the Central Bank's sole discretion;
  - (v) Certain payments in U.S. Dollars by Vale in connection with the Indenture or the Notes may be subject to Vale obtaining the applicable authorization of the Central Bank of Brazil for remittance thereof;
  - (vi) The enforceability of the Indenture and of the Notes is limited by applicable bankruptcy, insolvency, fraudulent conveyance, reorganization or other similar laws relating to or limiting creditors' rights generally or by general equitable principles; and
  - (vii) In case of bankruptcy, all credits denominated in foreign currency shall be converted into local currency at the exchange rate prevailing on the date of the issuance of the decision declaring the bankruptcy, and the amount so determined shall be the amount so considered for any payments to creditors in the bankruptcy.
7. I express no opinion as to any agreement, instrument or other document other than as specified in this letter.
8. I hereby consent to the filing of this opinion on Form 6-K and to its incorporation by reference in the Registration Statement.
9. I am qualified to practice law in Brazil only, and I do not express any opinion in respect of any laws of any other jurisdiction. This opinion is based upon and limited in all respects to the law applicable in Brazil as presently published, existing and in force.
10. I expressly disclaim any responsibility to advise you or any other person who is permitted to rely on the opinions expressed herein as specified above of any development or circumstance of any kind including any change of law or fact that may occur after the date of this letter even though such development, circumstance or change may affect the legal analysis, a legal conclusion or any other matter set forth in or relating to this letter. Accordingly, any person relying on this letter at any time should seek advice of its counsel as to the proper application of this letter at such time. This opinion may be relied upon, as of the date rendered, only by you, and no other person may rely upon this opinion without my prior written consent.
